About Park University's Catalog

The purpose of the catalog is to provide information about the academic programs and degree requirements in effect for the academic year. The catalog includes information about courses, programs of study, policies, and services available to students. Park University offers a wide array of programs available on the Parkville campus, campus centers around the country, and online. Please browse the catalog to learn more about the University and its academic programs.

Message from the President

Dear Students,

On behalf of our faculty and staff, I am pleased to welcome you to the start of another year at Park University! Whether you are a new or returning student who takes classes in Parkville or elsewhere in our campus center network - know you are part of Park University. Our University has a rich history that reflects our core desire to be inclusive by embracing diversity and offering classes at the times, locations and in the delivery formats that best serve your education needs.

The Park University story, which began in 1875 in Parkville, Mo., now encompasses 41 locations in 21 states, but that is only part of what makes us special. Via our online learning program, our students truly can be found in every state, as well as across the globe. That same global experience can also be found on our flagship Parkville Campus, with 261 international students representing 58 nations studying in our classrooms and enriching Park’s educational experience.

In the year ahead you will have many opportunities to interact with the dedicated faculty and staff that also make Park University their home. These individuals are dedicated to providing you with a personalized, quality education. In the end, the full value of your education is in your hands; I encourage all of you to become involved with your classmates and take advantage of all Park has to offer.

Both now and long after you have successfully finished your degree, Park will be here for you, your family and your community. I wish you the best in the year ahead, and if I can be of any assistance, please let me know.

Welcome to Park!

President
Park University

Accreditation/ Memberships

Accreditation

Park University is accredited by an accrediting agency recognized by the United States Department of Education: the Higher Learning Commission, 230 South LaSalle Street, Suite 7-500, Chicago, IL, 60604 (800-621-7440).

The undergraduate and graduate business and public administration programs and the Master of Healthcare Administration, M.H.A. program in the School of Business are accredited by the Accreditation Council for Business Schools and Programs (ACBSP), 11520 West 119th Street, Overland Park, KS, 66213 (913-339-9356). The B.S. in Economics degree is not considered to be a business program and is not accredited by ACBSP.

The State of Missouri Department of Elementary and Secondary Education, P.O. Box 480, Jefferson City, MO, 65102 (573-751-3469) has officially approved the academic standards of Park University for teacher education and other school professional programs.

The Nursing (Pre-Licensure), B.S.N. at Park University is accredited by an accrediting agency recognized by the United States Department of Education: the Commission on Collegiate Nursing Education, 655 K Street, NW, Suite 750, Washington, DC 20001, 202-887-6791.

Park University does not have any pending petition in bankruptcy, is not operating as a debtor in possession, has not filed a petition within the preceding five years, or has not had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101 et seq.).

**State Authorizations for Licensure Programs**

Completion of a Park University program may or may not meet the educational requirements for licensure or certification outside of Missouri, where our flagship campus is located. Different state licensure boards or certification entities may require applicants to complete additional education requirements, professional examinations, background checks, years of professional experiences, exams, training, or other requirements. If you are planning to seek a professional license or certificate in a state other than Missouri, it is highly recommended that you contact the appropriate state licensing or certification agency to seek guidance before beginning a program.

In compliance with federal regulations, any Park University program that is designed to prepare students for professional licensure or certification must disclose whether the program meets or does not meet state licensure/certification requirements for every state. The information below is intended to assist students in making that determination. We make every effort to maintain up-to-date information; however, state requirements may change. It is the student's responsibility to contact the appropriate licensing or certifying entity to seek information and guidance regarding licensure or certification requirements before beginning an academic program.

Review the approved states for Bachelor of Science in Education, Bachelor of Science in Nursing and Bachelor of Science in Social Work.

**Higher Education Agency Information and Authorizations**

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at https://www.benefits.va.gov/gibill.

**Arizona**

Park is authorized to operate by the Arizona State Board for Private Postsecondary Education. This agency may be contacted for a list of currently authorized programs. Authorization does not carry with it an endorsement of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the agency at the information below.

Regarding complaints against Park, for all students, it is highly recommended that you attempt to resolve your grievance at the institutional level using the processes defined on Park's website and catalog(s). However, students may appeal to the Arizona State Board for Private Postsecondary Education. By doing so, the student under no circumstances will suffer any adverse actions by Park University. Additionally, staff will
provide information regarding powers, duties, responsibilities and credentials at Park University upon request. Please contact:

Deputy Director/Investigator  
1740 W. Adams  
Ste. 3008  
Phoenix, AZ 85007  
Phone: (602) 542-5709  
https://www.ppse.az.gov

The Arizona State Approving Agency (SAA) is the approving authority of education and training programs for Arizona. Our office investigates complaints of GI Bill® beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact our office at https://dvs.az.gov/services/education.

Arkansas

Park is exempt from certification under the rules and regulations implemented under Arkansas Code Annotated §6-61-301.

Regarding complaints against Park, for all students, it is highly recommended that you attempt to resolve your grievance at the institutional level using the processes defined on Park's website and catalog(s). However, students may appeal to the Arkansas Department of Higher Education. By doing so, the student under no circumstances will suffer any adverse actions by Park University. Additionally, staff will provide information regarding powers, duties, responsibilities and credentials at Park University upon request. Please contact:

Arkansas Department of Higher Education  
423 Main Street, STE 400  
Little Rock, Arkansas 72201-3818  
Phone: (501) 371-2000  
https://www.adhe.edu/students-parents/colleges-universities/student-grievance-form/

The Arkansas State Approving Agency (SAA) is the approving authority of education and training programs for Arkansas. Our office investigates complaints of GI Bill® beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact our office at https://www.arcareereducation.org/.

California

Park is a private institution approved to operate by the California Bureau for Private Postsecondary Education. This agency may be contacted for a list of currently authorized programs. Authorization does not carry with it an endorsement of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the agency at the information below.

As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement. Any questions a student may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at the address below.

Regarding complaints against Park, for all students, it is highly recommended that you attempt to resolve your grievance at the institutional level using the processes defined on Park University's website and catalog(s). However, a student or any member of the public may file a complaint about this institution with
the Bureau for Private Postsecondary Education by calling (888) 370-7589 or by completing a complaint form, which can be obtained on the bureau’s internet website, www.bppe.ca.gov. By doing so, the student under no circumstances will suffer any adverse actions by Park University. Additionally, staff will provide information regarding powers, duties, responsibilities and credentials at Park University upon request. Please contact:

Bureau for Private Postsecondary Education
1747 North market Blvd, Suite 225
PO Box 980818, West Sacramento, CA 95798-0818
Sacramento, CA 95834
Phone: (916) 574-8900
Fax: (916) 263-1897
www.bppe.ca.gov

http://www.bppe.ca.gov/enforcement/complaint.shtml

The California State Approving Agency (SAA) is the approving authority of education and training programs for California. Our office investigates complaints of GI Bill® beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact our office at https://www.calvet.ca.gov/csaave.

Georgia

Park is authorized under the Nonpublic Postsecondary Educational Institutions Act of 1990, by the Georgia Nonpublic Postsecondary Education Commission. This agency may be contacted for a list of currently authorized programs. Authorization does not carry with it an endorsement of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the agency at the information below.

Regarding complaints against Park, for all students, it is highly recommended that you attempt to resolve your grievance at the institutional level using the processes defined on Park's website and catalog(s). However, students may appeal to the Georgia Nonpublic Postsecondary Education Commission. By doing so, the student under no circumstances will suffer any adverse actions by Park University. Additionally, staff will provide information regarding powers, duties, responsibilities and credentials at Park University upon request. Please contact:

Georgia Nonpublic Postsecondary Education Commission
2082 East Exchange Place, Suite 220
Tucker, GA, 30084
Phone: (770) 414-3300
gnpec.georgia.gov/gnpec-student-complaint-rules

The Georgia State Approving Agency (SAA) is the approving authority of education and training programs for Georgia. Our office investigates complaints of GI Bill® beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact our office at https://veterans.georgia.gov/.

Idaho

Park is authorized to operate by the Idaho State Board of Education. This agency may be contacted for a list of currently authorized programs. Authorization does not carry with it an endorsement of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the agency at the information below.
Regarding complaints against Park, for all students, it is highly recommended that you attempt to resolve your grievance at the institutional level using the processes defined on Park's website and catalog(s). However, students may appeal to the Idaho State Board of Education. By doing so, the student under no circumstances will suffer any adverse actions by Park University. Additionally, staff will provide information regarding powers, duties, responsibilities and credentials at Park University upon request. Please contact:

Office of the State Board of Education
Attn: Private Postsecondary & Proprietary Schools
PO Box 83720
650 W. State Street, Suite 307
Boise, ID 83720-0037
Phone: (208) 332-1587
https://boardofed.idaho.gov/higher-education-private/private-colleges-degree-granting/student-complaint-procedures/

The Idaho State Approving Agency (SAA) is the approving authority of education and training programs for Idaho. Our office investigates complaints of GI Bill® beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact our office at http://www.veterans.idaho.gov/.

**Illinois**

Park is exempt from reporting to the Illinois Board of Higher Education per 23 Ill. Admin. Code 1030.10(c)(5)(A) as Park University is operating in Illinois exclusively on Air Force Base.

Regarding complaints against Park, for all students, it is highly recommended that you attempt to resolve your grievance at the institutional level using the processes defined on Park's website and catalog(s). However, students may appeal to the Illinois Board of Higher Education at https://complaints.ibhe.org/. By doing so, the student under no circumstances will suffer any adverse actions by Park University. Additionally, staff will provide information regarding powers, duties, responsibilities and credentials at Park University upon request. Please contact:

Illinois Board of Higher Education
1 North Old State Capitol Plaza, Suite 333
Springfield, Illinois 62701-1377
Phone: (217) 782-2551

The Illinois State Approving Agency (SAA) is the approving authority of education and training programs for Illinois. Our office investigates complaints of GI Bill® beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact our office at https://www2.illinois.gov/veterans/Pages/default.aspx.

**Kansas**

Park is authorized to operate by the Kansas Board of Regents. This agency may be contacted for a list of currently authorized programs. Authorization does not carry with it an endorsement of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the agency at the information below.

Regarding complaints against Park, for all students, it is highly recommended that you attempt to resolve your grievance at the institutional level using the processes defined on Park's website and catalog(s). However, students may appeal to the Kansas Board of Regents. By doing so, the student under no circumstances will suffer any adverse actions by Park University. Additionally, staff will provide information regarding powers, duties, responsibilities and credentials at Park University upon request. Please see:
The Kansas State Approving Agency (SAA) is the approving authority of education and training programs for Kansas. Our office investigates complaints of GI Bill® beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact our office at https://www.kcva.ks.gov/.

Massachusetts

Park is authorized to operate by the Massachusetts Department of Higher Education. This agency may be contacted for a list of currently authorized programs. Authorization does not carry with it an endorsement of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the agency at the information below.

Regarding complaints against Park, for all students, it is highly recommended that you attempt to resolve your grievance at the institutional level using the processes defined on Park's website and catalog(s). However, students may appeal to the Massachusetts Department of Higher Education complaint information. By doing so, the student under no circumstances will suffer any adverse actions by Park University. Additionally, staff will provide information regarding powers, duties, responsibilities and credentials at Park University upon request.

One Ashburton Place, Room 1401
Boston, MA 02108
Phone: (617) 994-6950
(617) 994-6963
https://www.mass.edu/about/staffdirectory.asp
http://www.mass.edu/forstufam/complaints/complaints.asp

The Massachusetts State Approving Agency (SAA) is the approving authority of education and training programs for Massachusetts. Our office investigates complaints of GI Bill® beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact our office at https://www.mass.edu/forstufam/veterans/home.asp.

Missouri

Park is exempt from reporting to the Missouri Department of Higher Education ("MDHE") as a private, not-for-profit institution. Regardless, Park does report the MDHE as a good-faith showing of its compliance with relevant laws and regulations. This agency may be contacted for a list of currently authorized programs. Authorization does not carry with it an endorsement of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the agency at the information below.

Regarding complaints against Park, for all students, it is highly recommended that you attempt to resolve your grievance at the institutional level using the processes defined on Park's website and catalog(s). However, students may appeal to the MDHE complaint information. By doing so, the student under no circumstances will suffer any adverse actions by Park University. Additionally, staff will provide information regarding powers, duties, responsibilities and credentials at Park University upon request.

Please contact:
Missouri Department of Higher Education and Workforce Development
301 W. High Street
The Missouri SAA is responsible for approving GI Bill® programs in Missouri for veterans and other eligible individuals. While most complaints should initially follow school's grievance policy, if the situation cannot be resolved at the school, the beneficiary should submit feedback to the VA at https://www.va.gov/education/submit-school-feedback/introduction or by calling the VA at 1-888-442-4558.

Montana

Park is authorized to operate by the Montana University System. This agency may be contacted for a list of currently authorized programs. Authorization does not carry with it an endorsement of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the agency at the information below.

Regarding complaints against Park, for all students, it is highly recommended that you attempt to resolve your grievance at the institutional level using the processes defined on Park's website and catalog(s). However, students may appeal to the Montana University System. Individuals with complaints regarding institutions that are operating in Montana, but are not part of the Montana University System, have the following options: Utilize the internal complaint processes of the applicable institution. Complaints concerning consumer protection violations should be directed to the Montana Department of Justice Office of Consumer Protection. Complaints concerning proper licensure under Montana law (see Board of Regents' Policy 221), including, if applicable, complaints related to State Authorization Reciprocity Agreement standards, may be directed to:

Montana University System Office of the Commissioner of Higher Education
2500 Broadway PO Box 203201
Helena, Montana 59620-3201
Phone: (406) 444-6570
http://mus.edu/che/arsa/StateAuthorization/Students.asp

Complaints concerning broad institutional academic practices, such as those that raise issues regarding the institution's ability to meet accreditation standards may be directed to the applicable institution's accrediting agency.

By filing a complaint with the state higher education board, the student under no circumstances will suffer any adverse actions by Park University. Additionally, staff will provide information regarding powers, duties, responsibilities and credentials at Park University upon request. Please contact:

Montana University System
Office of the Commissioner of Higher Education
560 N. Park Avenue
PO Box 203201
Helena, MT 59620-3201

**Washington**

Park University is authorized by the Washington Student Achievement Council (the Council) and meets the requirements and minimum educational standards established for degree-granting institutions under the Degree-Granting Institutions Act. This authorization is subject to periodic review and authorizes Park University to offer specific degree programs.

The Council may be contacted for a list of currently authorized programs. Authorization by the Council does not carry with it an endorsement by the Council of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the council at P.O. Box 43430, Olympia, WA 98504-3430 or by email at degreeauthorization@wsac.wa.gov.
Regarding complaints, for all students, it is highly recommended that you attempt to resolve your grievance at the institutional level using the processes defined on Park's website and catalog(s). However, students may appeal to the Washington Student Achievement Council. By doing so, the student under no circumstances will suffer any adverse actions by Park University. Additionally, staff will provide information regarding powers, duties, responsibilities and credentials at Park University upon request. Please contact:

Washington Student Achievement Council  
917 Lakeridge Way SW  
Olympia, WA 98502  
complaints@wsac.wa.gov  
https://www.wsac.wa.gov/student-complaints

For information and resources about student loan repayment, or to submit a complaint relating to your student loans or student loan servicer, please visit www.wsac.wa.gov/loan-advocacy or contact the Student Loan Advocate at loanadvocate@wsac.wa.gov.

The Washington State Approving Agency (SAA) is the approving authority of education and training programs for Washington. Our office investigates complaints of GI Bill® beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact our office at https://www.wsac.wa.gov/saa.

The Washington Student Achievement Council (WSAC) has authority to investigate student complaints against specific schools. WSAC may not be able to investigate every student complaint. Visit https://www.wsac.wa.gov/student-complaints for information regarding the WSAC complaint process.

Wyoming

Park is authorized to operate by the Wyoming Department of Education. This agency may be contacted for a list of currently authorized programs. Authorization does not carry with it an endorsement of the institution or its programs. Any person desiring information about the requirements of the act or the applicability of those requirements to the institution may contact the agency at the information below.

Regarding complaints against Park, for all students, it is highly recommended that you attempt to resolve your grievance at the institutional level using the processes defined on Park's website and catalog(s). However, students may appeal to the Wyoming Department of Education. By doing so, the student under no circumstances will suffer any adverse actions by Park University. Additionally, staff will provide information regarding powers, duties, responsibilities and credentials at Park University upon request. Please contact:

Wyoming Department of Education  
122 W. 25th St., Suite E200  
Cheyenne, WY, 82002  
Phone: (307) 777-7675  
https://edu.wyoming.gov/blog/2018/12/06/student-complaint-form/

The Wyoming State Approving Agency (SAA) is the approving authority of education and training programs for Wyoming. Our office investigates complaints of GI Bill® beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact our office at https://edu.wyoming.gov/.

Memberships

- Park University is an institutional member of the following:  
- Accreditation Council for Business Schools and Programs
Park University is an institutional member of the Council of Independent Colleges, the Council of Graduate Schools, the Kansas City Professional Development Council, the Missouri Association of Colleges for Teacher Education, the Missouri College Relations Committee, the Missouri College Fund, The American Association of Collegiate Registrars and Admissions Officers, the National College and University Business Officers, and the National Association of International Educators.
Hauptmann School of Public Affairs is a member of the Network of Schools of Public Policy, Affairs and Administration (NASPAA), an institutional membership organization which exists to promote excellence in public service education. The membership includes U.S. university programs in public affairs, public policy, public administration and nonprofit management. In addition, the MPA program is a partner with the American Society for Public Administration.

**Corporate and Organization Partners**

For more than 140 years, Park University has remained committed to its motto, Fides et Labor (Faith and Work). By fostering partnerships with companies and organizations across the United States, Park not only expands the scope of internships available to its students and job opportunities to its alumni but also interacts with industry leaders to ensure its curriculum remains relevant in a rapidly changing, globally interconnected world.

Some of the top employers in the country hire Park University graduates. Park University offers services which prepare students for their career search and facilitate employer-student engagement including job postings, site visits and job fairs.

The Park Partners program, launched officially on July 1, 2015, is designed to create mutually beneficial relationships, which fulfill career services, corporate philanthropy, leadership and professional development, and networking objectives. As companies and organizations seek to recruit, retain and develop talent necessary to compete in today’s global marketplace, they seek multifaceted partnerships with dynamic academic institutions.

Park University thanks the many organizations and industry leaders which hire our graduates, provide internships to our students, contribute volunteer service on a University board or council and/or provide major philanthropic support.

Missed Final Exams

Only extraordinary circumstances warrant a student being allowed to make up a missed final examination. It is the student's responsibility to contact the faculty member before the scheduled exam to request permission to take a makeup exam. In the process of determining whether a makeup exam should be allowed, the burden of proof is on the student. The faculty member has the right to request verification of any excuse offered by the student.

If there is a conflict on the exam schedule, students are responsible for contacting their instructors prior to the scheduled exam time and arranging makeup time.

Faculty and Administration

Board of Trustees

Vince Clark*
Chair of the Board
Kansas City, Missouri

Andrew Shoffner*
Vice Chair of the Board
Basehor, Kansas

N. Lynn Craghead*
Treasurer of the Board

Sarah Moe*
Secretary of the Board

Chief Enrollment Management Officer

**Full-Time Faculty**

* Graduate Program Faculty

**A**

Camille Abdel-Jawad  
(Parkville Daytime Campus Center)  
Assistant Professor of Library Instruction & Outreach  
B.A. Emporia State University, 2018;  
Mohamed Abualhaija  
(Parkville Daytime Campus Center)  
Associate Professor of Accounting  
College of Management  
B.S. University of Mosul, 1993;  
M.B.A., University of Phoenix, 2006;  

Alla Adams*  
(Austin, TX)  
Associate Professor of Healthcare Administration  
College of Management  
B.S., M.S.P.H., Kiev Institute of Medicine, 1991;  
M.H.A., Houston Baptist University, 2000;  
Ph.D., Healthcare Administration, Capella University, 2006;  

Azin Agah  
(Parkville Daytime Campus Center)  
Assistant Professor in Chemistry  
College of Liberal Arts and Sciences  
B.S., Purdue University, 1991;  
M.B.A., Baker University, 2014;  

Thomas Ayres, M.A.  
(Parkville Daytime Campus Center)  
Assistant Professor in Psychology  
College of Liberal Arts and Sciences  
M.A., University of Tulsa, 2019;  
Ph.D., University of Tulsa, 2022

Linda Bell  
(Parkville Daytime Campus Center)  
Lecturer, Accounting  
College of Management  
B.S., Fort Hays State University, 1979;  

Stephen Bell  
(Parkville Daytime Campus Center)  
Professor of Economics  
College of Management  
B.A. University of Missouri-Rolla, 1976;  
M.A.University of Arkansas, 1977;  
Ph.D. University of Arkansas, 1981;  

Ashley Bloodgood  
(Gilbert Daytime Campus Center)  
Sport and Exercise Science  
College of Education and Health Professions  
B.S., California State University, Fullerton, 2018;  
M.S., California State University, Fullerton, 2020. (2021)

Monica Brannon  
(Parkville Daytime Campus Center)  
Associate Professor of Sociology  
College of Education and Health Professions  
B.A., University of San Francisco, 2002;  

Silvia Giovanardi-Byer  
(Parkville Daytime Campus Center)  
Professor of Modern Languages  
College of Liberal Arts and Sciences  
Laurea in Foreign Languages and Literatures, Universita di Torino, Italy, 1990;  
M.A., University of North Carolina, 1997;  

Dianna Carmenaty, Ph.D.  
(Parkville Daytime Campus Center)  
Assistant Professor in Criminal Justice  
College of Liberal Arts and Sciences  
B.S., Wayland Baptist University, 2005;  
M.P.A., St. Mary's University, 2007;  
Ph.D., Our Lady of the Lake University, 2012

Ho-Seop Cha  
(Parkville Daytime Campus Center)  
Assistant Professor of Geography  
College of Liberal Arts and Sciences  
B.A., Korea University, 1999;  
M.A., The Ohio State University, 2002;  

Samuel Chamberlin  
(Parkville Daytime Campus Center)  
Associate Professor of Mathematics  
College of Liberal Arts and Sciences  
B.S., Portland State University, 2002;  
M.A.,University of California Los Angeles, 2005;  
Ph.D., University of California Riverside, 2011. (2011)
Gina Chambers
(Parkville Daytime Campus Center)
Assistant Professor of Education
College of Education and Health Professions
B.A., University of Missouri, KC, 1979;
M.A., University of Missouri, KC, 1987;
Ed.S., University of Missouri, KC, 1991;

Donna Hwa Choi*
(Parkville Daytime Campus Center)
Professor of Education
College of Education and Health Professions
B.S., Ewha Womans University (South Korea), 1986;
M.A., Ewha Womans University (South Korea), 1989;

John Cigas
(Parkville Daytime Campus Center)
Professor of Computer Science
College of Liberal Arts and Sciences
B.S., Rockhurst College, 1982;
M.S., U. of CA, San Diego, 1983;

Gregory D. Claycomb
(Parkville Daytime Campus Center)
Professor of Chemistry
College of Liberal Arts and Sciences
B.S., University of New Mexico, 1997;
Ph.D., Kansas State University, 2006. (2008)

Lora Cohn*
(Parkville Daytime Campus Center)
Associate Professor of Communication
College of Liberal Arts and Sciences
B.S. in Education, Northeast Missouri State University, 1986;
M.A., University of Kansas, Lawrence, 1993;
Ph.D., University of Kansas, Lawrence, 2005. (2005)

Brian Cowley*
(Parkville Daytime Campus Center)
Professor of Psychology
College of Education and Health Professions
B.S., Utah State University, 1987;
M.S., Southern Illinois University at Carbondale, 1989;

D

Amber Dailey-Hebert*
(Distance)
Professor of Education
College of Education and Health Professions
B.S., Texas A&M University, 1998;
M.S., Texas A&M University, 1999;

Nikki DeSimone
(Parkville Daytime Campus Center)
Assistant Professor of Social Work
College of Education and Health Professions
B.A., Baker University, 2003;

Laurie N. DiPadova-Stocks*
(Gilbert Daytime Campus Center)
Professor of Public Affairs
College of Management
B.S., Mary Washington College of the University of Virginia, 1967;
M.S., University of Utah, 1970;

E

Donna Ehrlich
(Distance)
Associate Professor, Computer Information Management
College of Management
B.S., Friends University, 1995;
M.S., Friends University, 2001;
Ph.D., Nova Southeastern University, 2007. (2016)

Jeff Ehrlich
(Distance)
Associate Professor, Healthcare Administration
College of Management
B.S., Friends University, 1987;
M.B.A., Friends University, 1997;

F

Lacey Finley
(Parkville Daytime Campus Center)
Associate Professor of Management
College of Management
B.A., Emporia State University, 2001;
M.B.A., University of Phoenix, 2004;  
M.S., Emporia State University, 2006;  
Ph.D., Kansas State University, 2016. (2017)

**Toni-Rochelle Ford**  
(Parkville Daytime Campus Center)  
Associate Professor of Marketing  
College of Management  
B.S., Mississippi University for Women, 2007;  
M.B.A., Mississippi State University, 2008. (2014);  
Ph.D., Mississippi State University, 2019. (2014)

**G**

**Dmitry Gimon**  
(Parkville Daytime Campus Center)  
Associate Professor of Information Systems and Business Analytics  
College of Management  
B.S., Gubkin Russian State University of Oil and Gas, 2001;  
M.S., Gubkin Russian State University of Oil and Gas, 2003;  
Ph.D., Gubkin Russian State University of Oil and Gas, 2007. (2017)

**Stephen David Grover**  
(Parkville Daytime Campus Center)  
Assistant Professor of English  
College of Liberal Arts and Sciences  
B.A., Brigham Young University, 2007;  
M.A., Ohio State University; 2009;  
Ph.D., Texas Tech University, 2017. (2019)

**Dincer Guler**  
(Parkville Daytime Campus Center)  
Associate Professor of Mathematics  
College of Liberal Arts and Sciences  
B.S., Middle East Technical University-Turkey, 1998;  
Ph.D., Ohio State University, 2006. (2010)

**H**

**Scott Hageman**  
(Parkville Daytime Campus Center)  
Associate Professor of Geology/Geoscience  
College of Liberal Arts and Sciences  
B.S., University of Kansas, 1991;  

**Aisha Hall**  
(Parkville Daytime Campus Center)  
Assistant Professor of Social Work  
College of Education and Health Professions  
B.S.W., Temple University, 1996;  
M.S.W., Syracuse University, 1997;  

**Brandi Handley**  
(Parkville Daytime Campus Center)  
Lecturer in English  
College of Liberal Arts and Sciences  
B.A., University of Missouri-Kansas City, 2010;  

**Timothy Hanrahan**  
(Parkville Daytime Campus Center)  
Dean, College of Education and Health Professionals, Associate Professor of Education  
College of Education and Health Professions  
B.S., Truman State University, 2003;  
M.A., Central Missouri State University, 2005;  
Ph.D., Walden University. 2010. (2021)

**Cameron Harris**  
(Parkville Daytime Campus Center)  
Assistant Professor of Nursing  
College of Education and Health Professions  
AAS, State Fair Community College, 2010;  
BSN, University of Central Missouri, 2012;  
MSN, Grantham University, 2020. (2021)

**Matthew Harris**  
(Parkville Daytime Campus Center)  
Assistant Professor of Political Science  
College of Liberal Arts and Sciences  
B.A., Syracuse University, 2009;  
M.A., Stony Brook University, 2012;  
Ph.D., Stony Brook University, 2015. (2016)

**Amy Hersch**  
(Parkville Daytime Campus Center)  
Visiting Assistant Teaching Professor of Interior Design  
College of Liberal Arts and Sciences  
B.F.A. Interior Design, Adrian College, 1995;  

**Merrick Shawn Henry**  
(Parkville Daytime Campus Center)  
Lecturer in Graphic Design  
College of Liberal Arts and Sciences  
B.A., Kansas Wesleyan University, 2000;  
Brian Hoffman  
(Parkville Daytime Campus Center)  
Professor of Biology  
College of Liberal Arts and Sciences  
B.A., Park College, 1986;  
Ph.D., St. Louis University, 1996. (1995)

Kathleen Howe*  
(Parkville Daytime Campus Center)  
Assistant Professor of Education  
College of Education and Health Professions  
B.A., University of Kansas, 1990;  
M.A., University of Missouri-Kansas City, 2000;  
M.A., Middlebury College, 2000;  
Ed.S., University of Georgia; 2014;  

Wen-Jung Hsin  
(Parkville Daytime Campus Center)  
Professor of Computer Science  
College of Liberal Arts and Sciences  
B.A., National Taiwan University, 1983;  
M.S., University of California, San Diego, 1985;  

Clarine Jacobs  
(Parkville Daytime Campus Center)  
Lecturer, Industrial Organizational Psychology  
College of Management  
B.A., Fort Hays State University, 2000;  
B.S., University of Saint Mary, 2014;  
M.S., Fort Hays State University, 2002;  
Ph.D., North Central University, 2016. (2019)

Kathy Jackson  
(Parkville Daytime Campus Center)  
Assistant Professor in Nursing  
College of Education and Health Professions  
B.S.N., Marquette University, 1982;  

Adrian James  
(Parkville Daytime Campus Center)  
Associate Professor, Management  
College of Management  
B.S., Northwest Missouri State University, 2003;  
M.B.A., Northwest Missouri State University, 2004;  

Donna Jean  
(Parkville Daytime Campus Center)  
Associate Professor of Chemistry  
College of Liberal Arts and Sciences  
B.S., Southeastern Oklahoma State University, 1991;  
Ph.D., Louisiana State University, 1999. (2007)

Tamera Jenkins, Ph.D.  
(Parkville Daytime Campus Center)  
Assistant Professor of Criminal Justice  
College of Liberal Arts and Sciences  
B.A., Criminal Justice/Corrections, Park University, 2009;

College of Liberal Arts and Sciences
B.F.A, University of Kansas, 1993;
M.A., University of Missouri, Kansas City, 1999;

Glenn Lester
(Parkville Daytime Campus Center)
Assistant Professor of English
College of Liberal Arts and Sciences
B.A., Hope College, 2005;

Lolita Lisovskaya-Sayevich
(Parkville Daytime Campus Center)
Instructor /Accompanist of Music
International Center for Music
B.M., Moscow State Conservatory, 2002;

Mark Long
(Parkville Daytime Campus Center)
Lecturer in Computer Science
College of Liberal Arts and Sciences
B.S., Central Missouri State University, 1980;

Andrew Lutz
(Parkville Daytime Campus Center)
Lecturer of Finance
College of Management
B.S., Kansas State University, 1981;

M

Jack Adam MacLennan*
(Parkville Daytime Campus Center)
Assistant Professor of Political Science
College of Liberal Arts and Sciences
B.A., St. Thomas University, 2009;  
M.A., University of Windsor, 2011;  
M.P.P., University of Michigan-Dearborn, 2011;  
Ph.D., Carleton University, 2017. (2017)

Eugene Matthews*  
(Parkville Daytime Campus Center)  
Associate Professor of Criminal Justice  
College of Liberal Arts and Sciences  
B.S., Upper Iowa University, 1999;  
M.A., Webster University, 2005;  
Ph.D., Capella University, 2013. (2014)

Abhijit Mazumdar*  
(Parkville Daytime Campus Center)  
Assistant Professor of Communication  
College of Liberal Arts and Sciences  
B.S., University of Lucknow, India, 2000;  
M.S., University of Lucknow, India, 2002;  
M.S., University of Illinois, 2012;  

Steven McDonald  
(Parkville Daytime Campus Center)  
Associate Professor of Music  
International Center for Music  
B.M., Boston University, 1981;  

Amy Mecklenburg-Faenger  
(Parkville Daytime Campus Center)  
Professor of English  
College of Liberal Arts and Sciences  
B.A., Truman State University, 1997;  
M.A., University of Missouri, 2001;  

Nicholas Miceli  
(Parkville Daytime Campus Center)  
Associate Professor of Management/Human Resources  
College of Management  
B.S., Central Missouri State University, 1979;  
M.S., Ohio State University, 2012;  
Ph.D., University of Oklahoma, 1996. (2011)

Elaina Michalski  
(Parkville Daytime Campus Center)  
Lecturer in Fine Art  
College of Liberal Arts and Sciences  
B.F.A., Kansas City Art Institute, 2000;  

Steve Modrecin  
(Parkville Daytime Campus Center)  
Lecturer, Management and Logistics  
College of Management  
B.S.B.A., Rockhurst University, 1977;  

Greg Moore*  
(Parkville Daytime Campus Center)  
Associate Professor of Finance  
Edward F. Lyle Chair in Finance.  
College of Management  
B.S., Colorado State University, 1992;  
M.B.A., University of Kansas, 2010;  

Joshua Mugg  
(Parkville Daytime Campus Center)  
Assistant Professor of Philosophy  
College of Liberal Arts and Sciences  
B.A., Religion and B.S. History, Missouri Baptist University, 2008;  
M.A., Philosophy, York University, 2010;  

Jana Neiss*  
(Parkville Daytime Campus Center)  
Associate Professor of Education  
College of Education and Health Professions  
B.C.E., Ozark Bible College, 1985;  
M.S., Pittsburgh State University, 1990;  

J. Mark Noe*  
(Parkville Daytime Campus Center)  
Professor of Communication Arts  
College of Liberal Arts and Sciences  
B.A., University of Missouri-Kansas City, 1978;  
M.A., University of Missouri-Kansas City, 1980;  
Ph.D., University of Kansas, 1996. (1985)

James F. Pasley*  
Dean, College of Liberal Arts and Sciences,  
Professor of Political Science  
College of Liberal Arts and Sciences
B.A., Southwestern University (TX), 1993;  
M.S., Missouri State University, 1994;  

Bin (Crystal) Peng  
(Parkville Daytime Campus Center)  
Associate Professor of Computer Science  
College of Liberal Arts and Sciences  
B.A., Nanjing Institute of Meteorology, 1998;  
Ph.D., Wayne State University, 2005. (2014)  

Rebecca Personett, Ph.D., RN, NEA-BC  
(Parkville Daytime Campus Center)  
Assistant Teaching Professor of Nursing  
College of Education and Health Professions  
BSN;  
MSN.;  
Ph.D.,  

Jamie Pinney, M.S.W.  
(Parkville Daytime Campus Center)  
Assistant Teaching Professor of Social Work  
College of Education and Health Professions  
B.S.W., University of Missouri- Columbia, 2010;  
M.S.W, University of Missouri- Columbia, 2015  

Chelsea Platt  
(Parkville Daytime Campus Center)  
Assistant Professor of Sociology  
College of Education and Health Professions  
B.A., Texas Tech University, 2008;  
M.A., Texas Tech University, 2011;  
Ph.D., University of Missouri, 2016. (2017)  

W. Gregory Plumb*  
(Parkville Daytime Campus Center)  
Professor of Criminal Justice  
College of Liberal Arts and Sciences  
B.A., University of Missouri-Columbia, 1973;  
J.D., University of Missouri-Columbia, 1975.  
(1990)

Timothy Hanrahan, Ph.D., Dean

**Mission:**

The mission of the College of Education and Health Professions is to encourage a life-long passion for learning and a quest for knowledge by providing an environment that fosters academic excellence and free inquiry. We encourage the development of ethics and values that recognize knowledge in all its diverse and creative forms.
• The College of Education and Health Professions prepare graduates with the knowledge and skills needed for success in their professional careers impacting those with whom they interact.
• CEHP values and is committed to each and every student’s success by providing quality learning experiences in his/her perspective fields.
• To serve as a regional national and global leader in the development, testing, and dissemination of multi-level interventions that promote knowledge, health, and social well-being.
• CEHP at Park University provides access to higher education opportunities that enable students to develop knowledge and skills necessary to achieve their professional goals.

Vision:

The vision of the College of Education and Health Professions is to provide nationally recognized degrees for those entering careers or continuing their education, and to be recognized locally, regionally and nationally as providing exemplary and innovative programs.

• To prepare graduates to become effective and efficient professionals in advancing the health and wellness of individuals, families, groups, organizations and communities.
• The intellectual and creative accomplishments of its faculty, staff, and students; we embrace the diversity of individuals, ideas, and expressions; and transforming lives and communities through learning.

• School of Education
• School of Behavioral and Health Sciences

School of Humanities

College of Liberal Arts and Sciences: School of Humanities

English and Modern Languages

English and Professional Writing, B.A.

Requirements For: B.A. Major - 42 Hours, 2.0 GPA

The English and Professional Writing program prepares students to write for both print and online environments and for a variety of audiences and purposes, making them marketable for a wide array of writing and editing careers. Students also develop analytical reading and reasoning skills and learn how to apply them to professional contexts.
Core courses in writing and editing are complemented with courses in literature, creative writing, and digital media skills. Working with an English faculty adviser, each student creates a personalized curriculum tailored to their interests and goals.

**Professional and Technical Writing Core 12 CR.**

- EN204 - Writing for Online Environments **Credits:** 3
- EN207 - Professional and Technical Editing **Credits:** 3
- EN306A - Scientific and Technical Writing **Credits:** 3
- EN306B - Business Communications **Credits:** 3

**English Foundations 9 CR.**

- EN205 - Introduction to English Studies **Credits:** 3
- EN307 - Professional Writing in English Studies **Credits:** 3
- EN490 - Capstone Seminar **Credits:** 3

**Professional and Technical Writing Electives 9 CR.**

Complete nine hours from among the following courses (six hours must be at the 300 level).

- EN231 - Introduction to Language **Credits:** 3
- EN304 - Special Topics in Writing and Rhetoric **Credits:** 3
- EN306C - Writing and Research in Your Academic Field **Credits:** 3
- EN311 - Creative Writing **Credits:** 3
- EN325 - Modern Grammar **Credits:** 3
- EN354 - Reading and Writing Nonfiction Prose **Credits:** 3
- EN370 - History and Practice of Rhetoric **Credits:** 3
- EN384 - Professional Learning Experience for English **Credits:** 3
- EN387 - Theory and Teaching of Writing **Credits:** 3
- EN411 - Advanced Creative Writing **Credits:** 3
- CA218 - Public Relations **Credits:** 3
- CA225 - Online Content Creation **Credits:** 3
- CA322 - Media Analysis and Criticism **Credits:** 3

**Electives in English 12 CR.**

Complete twelve additional hours from any English courses or the following (six hours must be 300-level or above).

- EN201 - Introduction to Literature **Credits:** 3
- EN221 - African-American Literature **Credits:** 3
- EN231 - Introduction to Language **Credits:** 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.
EN105 and EN106

Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH137L and CH137, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107, CH107L, CH108, CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 CR.
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Requirements 36 cr.**

36 hours of upper division (300 - 400 level) course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

**Modern Language Requirement**

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

**Elementary Level 8 cr.**

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

**Secondary Level 7 cr.**

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

**Intermediate Level 3 cr.**

FR201 or GE201 or SP201 or transfer equivalent
Additional Requirements

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor is required (some may be discipline specific as noted in the major).
- Satisfaction of all requirements for a major.
- Completion of the Liberal Education requirements.
- Completion of the degree specific requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**English, B.A.**

The Bachelor of Arts in English degree program is designed for students who want to develop critical practices in reading, writing, and thinking—practices that lead not only to creative and academic fulfillment but also to career success. No matter what your personal and professional goals are, the English major can provide you with the skills to reach them.

English majors complement a core curriculum focused on methods, rhetoric, and theory with courses in literature and writing. Working with an English faculty adviser, each student creates a personalized curriculum tailored to their interests and goals.

Students who wish to earn secondary certification to teach English are encouraged to pursue a double major in education (B.S.E.) and English (B.A.).

**Requirements For: B.A. Major – 42 Hours, 2.0 GPA**

English majors develop critical practices in reading, writing, and thinking, in order to promote creative and humanist responses to literature, life, and intellectual endeavor. The English program encourages students to explore many facets of human nature and culture through the study of literature, development of analytical reading and reasoning skills, and the articulate use of oral and written language. English majors complement a core curriculum focused on methods, rhetoric, and theory with courses in literature and writing. Working with an English adviser, each student creates a personalized curriculum, tailored to his or her interests and goals.

Students who wish to earn secondary certification to teach English should pursue a double major in education (B.S.E.) and English (B.A.).

**Core Curriculum 15 cr.**

- EN205 - Introduction to English Studies **Credits:** 3
- EN307 - Professional Writing in English Studies **Credits:** 3
- EN370 - History and Practice of Rhetoric **Credits:** 3
• EN380 - Literary Theory and Criticism **Credits:** 3
• EN490 - Capstone Seminar **Credits:** 3

**Literature 9 CR.**

**Complete nine hours from among the following courses (six hours must be 300-level or above)**

• EN201 - Introduction to Literature **Credits:** 3
• EN221 - African-American Literature **Credits:** 3
• EN232 - Introduction to Poetry **Credits:** 3
• EN233 - Introduction to Drama **Credits:** 3
• EN234 - Introduction to Fiction **Credits:** 3
• EN305 - Special Topics in Literature **Credits:** 3
• EN315 - Knights and Ladies, Priests and Peasants **Credits:** 3
• EN316 - Revolution and Empire: British Literature from 1660-1900 **Credits:** 3
• EN317 - American Literature from Puritans to Abolitionists **Credits:** 3
• EN318 - Dreams and Identities: American Literature from 1865 to Today **Credits:** 3
• EN320 - Young Adult Literature **Credits:** 3
• EN324 - Modern British and European Literature **Credits:** 3
• EN340 - Shakespeare Then and Now **Credits:** 3
• EN341 - Literature and Film **Credits:** 3
• EN355 - International Literature **Credits:** 3
• EN356 - Women’s Literature **Credits:** 3

**Writing and Rhetoric 9 CR.**

**Complete nine hours from among the following courses (six hours must be 300-level or above)**

• EN204 - Writing for Online Environments **Credits:** 3
• EN207 - Professional and Technical Editing **Credits:** 3
• EN231 - Introduction to Language **Credits:** 3
• EN304 - Special Topics in Writing and Rhetoric **Credits:** 3
• EN306A - Scientific and Technical Writing **Credits:** 3
• EN306B - Business Communications **Credits:** 3
• EN306C - Writing and Research in Your Academic Field **Credits:** 3
• EN311 - Creative Writing **Credits:** 3
• EN325 - Modern Grammar **Credits:** 3
• EN354 - Reading and Writing Nonfiction Prose **Credits:** 3
• EN384 - Professional Learning Experience for English **Credits:** 3
• EN387 - Theory and Teaching of Writing **Credits:** 3
• EN411 - Advanced Creative Writing **Credits:** 3

**Electives 9 CR.**

**Complete nine additional hours from any English courses (six hours must be 300-level or above)**
- EN201 - Introduction to Literature Credits: 3
- EN204 - Writing for Online Environments Credits: 3
- EN207 - Professional and Technical Editing Credits: 3

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**
Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205
Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 CR.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Requirements 36 cr.

36 hours of upper division (300 - 400 level) course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

Secondary Level 7 cr.
FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

**Intermediate Level 3 cr.**

FR201 or GE201 or SP201 or transfer equivalent

**Additional Requirements**

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor is required (some may be discipline specific as noted in the major).
- Satisfaction of all requirements for a major.
- Completion of the Liberal Education requirements.
- Completion of the degree specific requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Spanish, B.A.**

**Requirements For: B.A. Major – 42 hours, 2.0 GPA**

The Spanish Major is designed to assist students in the acquisition of this language as a tool of communication to be utilized in the local, national, and global communities. Along with the study of the Spanish language, the study of the Hispanic and indigenous cultures is an integral part of the program. The emphasis of this program is cultural studies and the development of skills for communication in the present day world. The study of literature will serve as a vehicle to a better understanding of the language and culture.

Students with two years of high school Spanish are encouraged to start their studies at the 200-level. Credit for Elementary Spanish I and II may be granted by examination, i.e. AP or "end-of-course examination." The Modern Language Placement test may be utilized for students who are uncertain about the appropriate starting point for their studies.

- SP201 - Intermediate Spanish I **Credits:** 3
- SP202 - Intermediate Spanish II **Credits:** 3
- SP294 - Intermediate Spanish Conversation **Credits:** 3
- SP295 - Intermediate Spanish Composition **Credits:** 3
- SP301 - Advanced Spanish Conversation **Credits:** 3
- SP302 - Advanced Grammar and Composition **Credits:** 3
- SP311 - Culture and Civilization of Spain **Credits:** 3
• SP312 - Cultures and Civilization of Spanish America and the Hispanic Caribbean Credits: 3
• SP322 - Reading Cervantes' Masterpiece: Don Quixote Credits: 3
• SP394 - Introduction to the Literature of Spain Credits: 3
• SP395 - Introduction to the Literatures of Spanish America and the Hispanic Caribbean Credits: 3
• SP399 - The Major Capstone Project Credits: 3
(Native or near native speakers and students with a score above 300 on the Spanish Placement Test, may substitute SP201 and SP202 by taking two electives from the list below.)

Electives 6 cr.

• EN355 - International Literature Credits: 3
• EN324 - Modern British and European Literature Credits: 3
• ML251 - Heroes and Rebels in Early European Literature Credits: 3
• ML315 - Selected Topics in Literature and Culture Credits: 3
• SP310 - Independent Readings in Spanish Credits: 1-3
• SP320 - U.S. Latino Cultures and Literatures Credits: 3
• SP384 - Professional Service Learning Experience for Spanish Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

**Intermediate Level 3 cr.**

FR201 or GE201 or SP201 or transfer equivalent

**Additional Requirements**

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor is required (some may be discipline specific as noted in the major).
- Satisfaction of all requirements for a major.
• Completion of the Liberal Education requirements.

• Completion of the degree specific requirements.

• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.

• Submission of an Application for Graduation.

**Professional and Technical Writing, Certificate**

Available fully online, the certificate in Professional and Technical Writing offers students an additional employment qualification for careers in the sciences, technical industries, the military, and other professional environments requiring keen communication skills. Students become adept at analyzing audiences to anticipate their needs and fulfilling those needs with common workplace genres such as proposals, reports, presentations, memos, instructions, and more.

Additionally, students learn to produce effective, convincing documents in both print and digital formats and expand their ability to edit others' writing.

**Requirements for Certificate - 12 Hours, 2.0 G.P.A.**

- EN204 - Writing for Online Environments **Credits:** 3
- EN207 - Professional and Technical Editing **Credits:** 3
- EN306A - Scientific and Technical Writing **Credits:** 3 *
- EN306B - Business Communications **Credits:** 3 *

*Note: *EN306A and EN306B require EN105 and EN106 as prerequisites.

**Graduation Requirements**

Park University confers Undergraduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 50% of the coursework completed at Park
- Earn a minimum cumulative GPA of 2.0* (for courses in the certificate)
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application of Graduation

*Individual departments may establish additional (or higher) requirements (refer to the Programs by Degree Type section of the catalog for program-specific requirements).

**English, Minor**

**Requirements For: Minor – 18 Hours, 2.0 GPA**

For those wanting to supplement their major with a solid foundation in reading, writing, and critical thinking, the English minor is a great choice. You can choose from a wide range of courses in literature,
rhetoric and composition, creative writing, and professional and technical writing. Dive deep into a specific interest by taking several courses within a single emphasis or broaden your horizons by selecting courses from each category, seeing the full breadth of what English studies offers. The choice is yours.

- EN201 - Introduction to Literature Credits: 3
- Six hours of any EN courses 200-level or above Credits: 6
- Nine hours of any EN courses 300-level or above Credits: 9

Total 18 cr.

Professional and Technical Writing, Minor

The minor in Professional and Technical Writing (PTW) provides a competitive advantage for those seeking careers in the sciences, technical industries, the military, and other professional environments requiring keen communication skills. Students become adept at analyzing audiences to anticipate their needs and fulfilling those needs with common workplace genres such as proposals, reports, presentations, memos, instructions, and more.

Additionally, students learn to produce effective, convincing documents in both print and digital formats and expand their ability to edit others' writing.

Requirements For: Minor – 18 Hours, 2.0 GPA

- EN204 - Writing for Online Environments Credits: 3
- EN207 - Professional and Technical Editing Credits: 3
- EN306A - Scientific and Technical Writing Credits: 3
- EN306B - Business Communications Credits: 3
- EN384 - Professional Learning Experience for English Credits: 3

Choose ONE of the following courses
- EN231 - Introduction to Language Credits: 3
- EN304 - Special Topics in Writing and Rhetoric Credits: 3
- EN325 - Modern Grammar Credits: 3

Spanish, Minor

Requirements For: Minor – 18 hours, 2.5 gpa

The Spanish Minor is designed to assist students in gaining proficiency in oral and written communication in this world language, along with a solid understanding of Hispanic cultures. Students majoring in Early Childhood, Criminal Justice, Social Work, Nursing, Psychology or International Business concentration should consider the completion of this minor. Heritage speakers or near-native speakers are encouraged to consider test-out options for SP201.

- SP201 - Intermediate Spanish I Credits: 3
- SP202 - Intermediate Spanish II Credits: 3
- SP294 - Intermediate Spanish Conversation Credits: 3
- SP295 - Intermediate Spanish Composition Credits: 3
• SP320 - U.S. Latino Cultures and Literatures Credits: 3
• One 300 level Spanish elective in cultural and/or literary topic Credits: 3

Note:

**For those students wishing to teach K-12 Spanish: See also Bachelor of Science in Education.

B.S.E. in Secondary Education – MAJOR 53-55 Hours

Communication, Journalism, Public Relations

Communication Studies, B.A.

Communication, B.A.

The Department of Communication, Journalism, Public Relations offers two related majors.

1. Multimedia Journalism and Public Relations, B.A.
2. Communication Studies, B.A.

These majors are designed to prepare students for success in professional fields and/or graduate study. Students do this in an environment which combines hands-on learning with great ideas. The program is designed as an extension of the liberal arts approach of Park University because the liberal arts approach is perfect for journalism and communication education in these dynamic times. In the liberal arts environment a student learns to think, to lead, to innovate, to appreciate, to criticize and to develop a deeper sense of what it is to be a citizen of the world and the community.

Students will be actively involved in each of the professions during their academic careers. They may write, design, edit or photograph for the student newspaper, The Stylus, or hold an air shift for the student radio stations, KGSP-FM. They may be actively involved in public relations campaigns and they may become campus leaders through the Communication Connection.

Requirements For: B.A. Major – 45 Hours, 2.0 GPA

• CA200 - Interviewing Theories and Practice Credits: 3
• CA218 - Public Relations Credits: 3
• CA224 - Digital Media Skills Credits: 3
• CA237 - Introduction to Organizational Communication Credits: 3
• CA302 - Communication Ethics and Law Credits: 3
• CA309 - Training in Organizations Credits: 3
• CA321 - Interpersonal Conflict Solution Credits: 3
• CA322 - Media Analysis and Criticism Credits: 3
• CA327 - Persuasive Communication Credits: 3
• CA348 - Theories of Communication Credits: 3
• CA382 - Communication Research Methods Credits: 3
• CA405 - Communication and Gender Credits: 3
• CA475 - Case Studies in Communication Leadership Credits: 3
• CA490 - Professional Learning Experience Credits: 3-6
• CA491 - Senior Research Project Credits: 3
Required Minor 18 cr.

AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251,
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130,
GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.*

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101,
PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 CR.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer
students)

**Upper Division Requirements 36 cr.**

36 hours of upper division (300 - 400 level) course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of
Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300,
PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses
designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course
must be offered by a program other than the one(s) that house(s) the student’s major area of study
at the time the course is taken.
• 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

**Elementary Level 8 cr.**

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

**Secondary Level 7 cr.**

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

**Intermediate Level 3 cr.**

FR201 or GE201 or SP201 or transfer equivalent

Additional Requirements

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

• Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor is required (some may be discipline specific as noted in the major).
• Satisfaction of all requirements for a major.
• Completion of the Liberal Education requirements.
• Completion of the degree specific requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

Multimedia Journalism and Public Relations, B.A.
Communication, B.A.

The Department of Communication, Journalism, Public Relations offers two related majors.

1. Multimedia Journalism and Public Relations, B.A.
2. Communication Studies, B.A.

These majors are designed to prepare students for success in professional fields and/or graduate study. Students do this in an environment which combines hands-on learning with great ideas. The program is designed as an extension of the liberal arts approach of Park University because the liberal arts approach is perfect for journalism and communication education in these dynamic times. In the liberal arts environment a student learns to think, to lead, to innovate, to appreciate, to criticize and to develop a deeper sense of what it is to be a citizen of the world and the community.

Students will be actively involved in each of the professions during their academic careers. They may write, design, edit or photograph for the student newspaper, The Stylus, or hold an air shift for the student radio stations, KGSP-FM. They may be actively involved in public relations campaigns and they may become campus leaders through the Communication Connection.

Requirements For: B.A. Major – 48 Hours, 2.0 GPA

- CA202 - Fundamentals of Writing for Media Credits: 3
- CA203 - Multimedia Practicum I: Content Development Credits: 3
- CA218 - Public Relations Credits: 3
- CA224 - Digital Media Skills Credits: 3
- CA241 - Photography I Credits: 3
- CA302 - Communication Ethics and Law Credits: 3
- CA303 - Multimedia Practicum II: Editing and Strategic Communication Credits: 3
- CA316 - Writing and Reporting on Multiple Platforms Credits: 3
- CA319 - Writing for Feature, Public Relations, and Documentary Credits: 3
- CA320 - Global and Civic Reporting Credits: 3
- CA322 - Media Analysis and Criticism Credits: 3
- CA324 - Advanced Multimedia Production Credits: 3
- CA326 - Editing and Design for Media and Public Relations Credits: 3
- CA348 - Theories of Communication Credits: 3
- CA382 - Communication Research Methods Credits: 3
- CA403 - Multimedia Practicum III: Major Project in Journalism, Photography or Public Relations Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208
Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI212, Bi223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH131L and CH131, CH138L and CH138, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 CR.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Requirements 36 cr.

36 hours of upper division (300 - 400 level) course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent
Or

Secondary Level 7 cr.

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

Intermediate Level 3 cr.

FR201 or GE201 or SP201 or transfer equivalent

Additional Requirements

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

• Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor is required (some may be discipline specific as noted in the major).
• Satisfaction of all requirements for a major.
• Completion of the Liberal Education requirements.
• Completion of the degree specific requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

Organizational Communication, B.A.

Requirements For: B.A. Major – 48 Hours, 2.0 gpa

The major in Organizational Communication serves a broad spectrum of professions in contemporary corporate, government, and non-profit environments. Career choices include management, training, development, human resources, consulting, or related fields.

Core Courses 42 cr.

• CA104 - Interpersonal Communication I Credits: 3

- CA303 - Multimedia Practicum II: Editing and Strategic Communication **Credits:** 3
- CA403 - Multimedia Practicum III: Major Project in Journalism, Photography or Public Relations **Credits:** 3

**Note:**

*Successful Senior Portfolio required for graduation*

**Leadership, Minor**

**Requirements For: Minor – 18 hours, 2.0 gpa**

The interdisciplinary leadership minor offered by the Department of Communication, Journalism, and Public Relations develops leaders who are prepared for lifelong learning in the area of leadership practice and skill development. Students completing the minor will communicate effectively, be creative, and have the interpersonal and organizational skills to excel in the complex organizations of a global society.

**Core 12 cr.**

- CA233 - Introduction to Leadership **Credits:** 3
- CA235 - Multicultural Communication **Credits:** 3
- CA392 - Organizational Leadership **Credits:** 3
- CA493 - Leadership for Civic Engagement **Credits:** 3

**Electives 6 cr.**

Choose two of the following, not from the same discipline.

- CA475 - Case Studies in Communication Leadership **Credits:** 3
- PA333 - Public Management and Leadership Credits: 3
- PC321 - Interpersonal Conflict Resolution Credits: 3
- PS341 - Positive Psychology Credits: 3
- PS301 - Social Psychology Credits: 3

Note:

And other courses upon approval of advisor and department

**Organizational Communication, Minor**

Requirements For: Minor – 18 hours, 2.5 gpa

- CA200 - Interviewing Theories and Practice Credits: 3
- CA402 - Organizational Communication Credits: 3
- CA451 - Communication and Leadership in Groups and Teams Credits: 3
- CA475 - Case Studies in Communication Leadership Credits: 3
- Two Upper Division Communication Electives Credits: 6

**Peace Studies, Minor**

Peace Studies students at Park University will benefit from an interdisciplinary education that features multi-layered perspectives on global issues, conflict, non-violence, positive peace, and peacebuilding. Students will enhance their research, writing, storytelling, and analytical skills in their classes and through work in the field. The Peace Studies Minor will provide students with the tools to become active world citizens working towards positive social change in their communities and the world. Students will be challenged to think outside of their academic majors, and to create pragmatic, empathetic strategies and solutions to address sources of conflict and violence.

Requirements For: Minor - 18 Hours, 2.0 GPA

- CA235 - Multicultural Communication Credits: 3
- LE300O - Peace Journalism Credits: 3
- LE300AA - Strategic Peacebuilding Credits: 3
- PC202 - Introduction to Peace Studies Credits: 3

Capstone

Select one of the following

- CA490 - Professional Learning Experience Credits: 3-6
- CA491 - Senior Research Project Credits: 3
- CA493 - Leadership for Civic Engagement Credits: 3
- CA404 - Seminar: Special Topics in Communication Arts Credits: 3

**Capstone: Peace Internship or Practicum or Research Project or Special Topics or Study Abroad. The capstone will be tailored to meet the individual student needs.**
Elective 3 cr.

Select one of the following:

- CA321 - Interpersonal Conflict Solution Credits: 3
- PO216 - International Relations Credits: 3
- SW325 - Human Diversity and Social Justice Credits: 3
- Any course approved by Peace Studies Program Coordinator Credits: 3

Public Relations, Minor

Requirements For: Minor - 18 Hours, 2.0 GPA

- CA202 - Fundamentals of Writing for Media Credits: 3
  or
- EN204 - Writing for Online Environments Credits: 3

- CA218 - Public Relations Credits: 3

- CA224 - Digital Media Skills Credits: 3
  or
- CA225 - Online Content Creation Credits: 3

- CA302 - Communication Ethics and Law Credits: 3
- CA348 - Theories of Communication Credits: 3

Select One

Select one of the following:

- CA318 - Public Relations II Credits: 3

- CA380 - Advertising Credits: 3
  or
- MK380 - Advertising Credits: 3

- CA382 - Communication Research Methods Credits: 3 *
- CA490 - Professional Learning Experience Credits: 3-6

Note:

* Communication Studies Majors cannot choose CA382.

Master of Arts, Communication and Leadership, M.A.

The search for effective leadership continues today as contemporary organizations become more complex. The Master of Arts in Communication and Leadership program starts with the premise that communication
is the essence of effective leadership. The student trained in communication is uniquely qualified to provide innovative leadership within the global community.

**Mission**

The Master of Arts in Communication and Leadership will develop exceptional communicators who are creative and who possess the interpersonal and organizational skills needed to meet the demands of complex organizations in a global society.

**Vision**

The Master of Arts in Communication and Leadership program will be an international leader in the development of uniquely qualified individuals to provide innovative leadership within the global community.

**Purpose of the Program**

In the Republic, Plato discusses the appropriate training that should be a part of educating political leaders. Since the time of the classic Greek philosophers, countless individuals have speculated about the principles of leadership. The search for effective leadership continues today, as contemporary organizations become more complex. The Master of Arts in Communication and Leadership begins with the premise that communication is the essence of effective leadership. The student trained in communication is uniquely qualified to provide innovative leadership within the global community.

This graduate program is designed for professionals who wish to build upon their current career skills or advance to a new position or organization, and for students interested in pursuing a doctorate. The complexities of relationships and the competitive nature of business demand leaders with highly polished interpersonal and organizational skills. This degree combines the practical and theoretical knowledge needed to serve in corporate and nonprofit settings, the military, government, politics or other arenas, as well as developing the research and writing skills necessary for doctoral work.

**Program Goals**

- To provide students with an understanding of the centrality of communication in all aspects of personal and organizational life.
- To develop the ability of students to read and conduct research, and apply the principles to their own organizations.
- To provide a forum for the exchange of ideas between students and organizational leaders concerning the requirements to achieve excellence.
- To provide a historical overview of leadership perspectives from the 1940s to the present.
- To foster an awareness of the communication styles and values of different cultures and how these factors influence business in a global environment.
- To combine theoretical knowledge and practical skills to resolve organizational issues and improve decision-making.
- To develop a framework for ethical conduct in contemporary organizations.

**Admission Requirements**
• A bachelor's degree from an acceptable accredited United States institution or the equivalent from an foreign institution.
• A minimum 3.0 cumulative grade point average in the bachelor's degree.
• A copy of resume or CV.
• Official transcripts of all previous college work, both undergraduate and graduate.
• Two letters or professional reference.
• A brief personal statement describing the prospective student's interest and goals for pursuing the degree (no more than 1,000 words)

Note: Students must be admitted by both the Department of Communication Arts and to Graduate Studies. A student who is accepted pending receipt of all required documentation, must submit complete and satisfactory records within 60 days (45 days in an 8-week session and/or summer term) after the first day of registration.

Learning Outcomes Assessment / Program Assessment

Embedded within each course syllabi will be methodologies for learning outcomes assessment for that particular course. The overall program outcomes will be assessed based on student performance in the program with particular emphasis on:

• Comprehensive written examinations
• Capstone course consisting of a thesis or graduate project
• Thesis/graduate project oral defense

Requirements For: Master - 36 Hours, 3.0 GPA

Core Curriculum 15 cr.

• CA501 - Human Communication Perspectives Credits: 3
• CA516 - Research 1 Credits: 3
• CA517 - Research 2 Credits: 3
• CA529 - Cross-Cultural Communication Credits: 3
• CA699 - The Epistemology of Communication Credits: 3

Organizational Emphasis 15 cr.

• CA505 - Organizational Leadership Credits: 3
• CA520 - Leading Organizational Change Credits: 3
• CA670 - Measuring Leadership Credits: 3
• Electives Credits: 6

Graduate Project or Thesis 6 cr.

Select one of the following options:

Graduate Project
• CA700 - Graduate Project Credits: 3
• Elective Credits: 3
Comprehensive Exam

or

Thesis Option

• CA797 - Thesis Design and Research Credits: 1-3
• CA799 - Thesis - Continuous Enrollment Credits: 1
• Comprehensive Exam

Notes:

• A maximum of nine (9) credit hours may be transferred from other institutions. The transfer of coursework must be completed prior to admission to the Park University's Master of Arts in Communication and Leadership Program.
• The comprehensive exam may be repeated one time. A third attempt may be permitted by the school dean upon the recommendation of the program director.

Graduation Requirements

Park University grants the Master of Arts degrees upon completion of the following requirements:

• Completion of a minimum of 36 semester hours.
• Successful completion of Comprehensive Exam.
• Cumulative GPA of 3.0 for Park University courses.
• Satisfaction of all requirements for a major as outlined in this catalog.
• Completion of all earned credit with no more than 2 grades of C earned.
• Submission of an Application for Graduation.

Master of Arts, Communication and Leadership, Sergeants Major Academy, M.A.

Program Format and Expedited Admissions Process

The Master of Arts in Communication and Leadership (MACL) program at Park University offers a 5-term MACL degree program to SMA applicants, with blended courses offered in 8-week segments. The Graduate School offers a tailored and expedited admissions policy for SMA applicants, with the GMAT and the GRE waived among other benefits.

Transfer Credits

Park University's MACL graduate program will accept up to 12 hours of transfer academic credit. Graduate credit hours completed in the Sergeants Major Courses (SMC) may be transferred towards this master's degree; up to 12 hours of transfer academic credit will be granted upon successful completion of the Sergeants Major Courses. MACL degree completion will normally occur during time spent at the Sergeants Major Academy.

Other Considerations
A comprehensive examination will be required for all students during completions of the capstone course, CA700. This comprehensive exam will serve as a primary means of program assessment and a means if further vetting the transfer credit we are accepting from the Sergeants Major Academy and applying to the MACL program. Through the comprehensive exam, students will demonstrate connections between their Sergeants Major Academy coursework and the outcomes of the MACL.

**Program Outcomes - MACL graduates will:**

- Understand the centrality of communication in all aspects of personal and organizational life;
- Attain a foundation in historical leadership perspectives from the 1940s to the present;
- Develop advanced abilities to research problems and challenges and devise outcomes to improve organizations;
- Collaborate with organizational leaders concerning the requirements to achieve excellence.

**Learning Outcomes Assessment / Program Assessment**

- Understand the centrality of communication in all aspects of personal and organizational life;
- Attain a foundation in historical leadership perspectives from the 1940s to the present;
- Develop advanced abilities to research problems and challenges and devise outcomes to improve organizations;
- Collaborate with organizational leaders concerning the requirements to achieve excellence.

**Core Requirement 21 cr.**

- CA501 - Human Communication Perspectives **Credits:** 3
- CA505 - Organizational Leadership **Credits:** 3
- CA520 - Leading Organizational Change **Credits:** 3
- CA529 - Cross-Cultural Communication **Credits:** 3
- CA567 - Communication Teaching, Training and Consulting **Credits:** 3
- CA649 - Introduction to Mediation **Credits:** 3
- CA699 - The Epistemology of Communication **Credits:** 3

**Transfer Credit 12 cr.**

The MACL program will accept up to 12 hours of academic credit for students who complete the SMA curriculum.

- CA525 - Interpersonal Communication Theories **Credits:** 3
- SMA coursework = C161A, C161B, C211, L211, L203

- CA641 - Communication in Conflict Management **Credits:** 3
- SMA coursework = L102, L110, L111, F100, F101, F102, F104, F105, F106, F107, F1

- CA670 - Measuring Leadership **Credits:** 3
- SMA coursework = C131, C132, C135, L101

- CA675 - Case Studies in Communication and Leadership **Credits:** 3

**Capstone Course 3 cr**

- CA700 - Graduate Project **Credits:** 3  
  - Comprehensive Exam

**Notes:**

- A maximum of 12 credit hours may be transferred from other institutions. The transfer of coursework must be completed prior to admission to the Park University's Master of Arts in Communication and Leadership Program.
- The comprehensive exam may be repeated one time. A third attempt may be permitted by the school dean upon the recommendation of the program director.

**Graduation Requirements**

Park University grants the Master of Arts degrees upon completion of the following requirements:

- Completion of a minimum of 36 semester hours.  
- Successful completion of Comprehensive Exam.  
- Cumulative GPA of 3.0 for Park University courses.  
- Satisfaction of all requirements for a major as outlined in this catalog.  
- Completion of all earned credit with no more than 2 grades of C earned.  
- Submission of an Application for Graduation.

**Art & Design**

**Fine Art, B.A.**

**Requirements For: B.A. Major – 48 Hours, 2.5 GPA**

The goal of the Fine Art program is to provide an excellent educational experience that develops technical skills, critical and aesthetic judgment, and a sound knowledge of the visual arts appropriate to the students seeking a general appreciation of the arts as well as to aspiring fine arts professionals. The faculty engage students in the discipline of visual art as a major component in the liberal arts tradition including studio practice and art history. Students complete a common group of foundation and art history courses and then choose an emphasis area to develop a solid yet individualized program.

Students who wish to earn certification to teach K-12 Art Education can declare a double major in Education (BSE) and Fine Art (BA). BA students will need to declare a minor or may double major in another complementary area, such as Graphic Design.

**Fine Art Foundations**

- AR140 - Drawing I **Credits:** 3  
- AR142 - Two-Dimensional Design **Credits:** 3
• AR143 - Three-Dimensional Design **Credits:** 3
  Fine Art B.A.
• AR215 - Art History I **Credits:** 3
• AR216 - Art History II **Credits:** 3
• AR240 - Drawing II **Credits:** 3
• AR241 - Photography I **Credits:** 3
• AR280 - Painting I **Credits:** 3
• AR218 - Graphic Design Software **Credits:** 3

Select two of the following:
• AR221 - Ceramics I **Credits:** 3
• AR225 - Sculpture I **Credits:** 3
• AR270 - Fiber I **Credits:** 3

• AR316 - Modern Art **Credits:** 3
• AR497 - Senior Seminar in Fine Art **Credits:** 3

**Upper Level Studio Electives 9 cr.**

Select advanced 300/400 level courses in a studio focus area: Painting, Drawing, Fiber, Ceramics, Sculpture, or Photography. Independent Study, Internship, Special Topics, or Study Abroad are options to support the focus area.

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

96
Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 CR.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Requirements 36 cr.
36 hours of upper division (300 - 400 level) course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

**Modern Language Requirement**

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

**Elementary Level 8 cr.**

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

**Secondary Level 7 cr.**

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

**Intermediate Level 3 cr.**

FR201 or GE201 or SP201 or transfer equivalent

**Additional Requirements**

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:
• Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor is required (some may be discipline specific as noted in the major).
• Satisfaction of all requirements for a major.
• Completion of the Liberal Education requirements.
• Completion of the degree specific requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

**Fine Art, B.F.A.**

**Requirements For: B.F.A. Major – 75 Hours, 2.5 GPA**

The goal of the Fine Art program is to provide an excellent educational experience that develops technical skills, critical and aesthetic judgment, and a sound knowledge of the visual arts appropriate to the students seeking a general appreciation of the arts as well as to aspiring fine arts professionals. The faculty engage students in the discipline of visual art as a major component in the liberal arts tradition including studio practice and art history. Students complete a common group of foundation and art history courses and then choose an emphasis area to develop a solid yet individualized program.

Students who wish to earn certification to teach K-12 Art Education can declare a double major in Education (BSE) and Fine Art (BA).

**Fine Art Foundations**

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

• Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor for Geography, B.S. and Information Systems, B.S. majors.
• Satisfaction of all requirements for a major.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

Graphic Design, B.F.A.

Requirements For: B.F.A. Major – 66 Hours, 2.0 GPA

Students majoring in Graphic Design produce most of their work in the digital environment of Park University’s fully equipped Macintosh studio. Today, most artists earn a living by producing a wide range of visual materials for publication. Graphic Design students learn visual communication, typography, layout, illustration and photography while building professional quality design portfolios. Instruction models conditions in the professional environment. Internship opportunities in graphic design firms and other professional settings provide real world experience and a transition to the world beyond the campus.

Freshman Core 15 cr.

• AR115 - Introduction to the Visual Arts Credits: 3
• AR140 - Drawing I Credits: 3
• AR142 - Two-Dimensional Design Credits: 3
• AR143 - Three-Dimensional Design Credits: 3
• AR144 - Color Theory Credits: 3

Graphic Design 42 cr.

• AR216 - Art History II Credits: 3
• AR218 - Graphic Design Software Credits: 3
Electives 9 cr.

Select 9 hours from the following:

- AR313 - Independent Study in Art or Design Credits: 1-6
- AR315 - Special Topics in Art or Design Credits: 1-3
- AR335 - 3D Animation for Design Credits: 3
- AR341 - Photography II Credits: 3
- AR415 - Internship in Art or Design Credits: 3-6
- CS144 - Beginning Programming with Multimedia Projects Credits: 3

- MK380 - Advertising Credits: 3
  or
- CA380 - Advertising Credits: 3

Portfolios

All graduating art and design majors are required to individually document (either by means of color slide photography or digital photography) selected examples of their best work. These final portfolios are to be submitted to their major advisors as part of their Senior Seminar. These slides, CDs, zip disks, etc. will remain the property of the Department of Art, Design and Interdisciplinary Studies.

Art Supplies

Art and Design majors must plan, when preparing their yearly educational budgets, to spend at least $250 per semester on art supplies. All studio art courses require varying amounts of personal equipment and supplies. Studio fees collected at registration for some art courses provide only a portion of the supplies needed. Supply lists will be provided on the first day of classes.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

Additional Requirements
Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Interior Design, B.F.A.**

**Requirements For: B.F.A. Major – 78 hours, 2.5 gpa**

"The professional interior designer is qualified by education, experience and examination to enhance the function and quality of interior spaces for the purpose of improving the quality of life, increasing productivity and protecting the health, safety and welfare of the public.” (Council for Interior Design Accreditation)

Students majoring in Interior Design at Park University combine the common body of knowledge in interior design with the intellectual development found in a liberal arts education. A sequence of design studios and graphic communications studios with supporting lecture courses provides the practical content integral to the profession. Park University education, combined with work experience, will enable students to sit for the National Council for Interior Design Qualifications examination and become registered interior designers.

- AR143 - Three-Dimensional Design Credits: 3
- AR144 - Color Theory Credits: 3

**Interior Design Curriculum 63 cr.**

- AR218 - Graphic Design Software Credits: 3
- AR282 - Visual Communications I Credits: 3
- AR283 - Introduction to Interior Design Credits: 3
- AR288 - Visual Communications II Credits: 3
- AR289 - Fundamentals of Interior Design Credits: 3
- AR290 - Interior Design Materials and Resources Credits: 3
- AR296 - Textiles for Interior Design Credits: 3
- AR298 - History of the Designed Environment: Antiquity to Mid-Nineteenth Century Credits: 3
- AR382 - Drawing Systems I Credits: 3
- AR383 - Furniture Design Credits: 3
- AR388 - Drawing Systems II **Credits:** 3
- AR389 - Commercial Interiors **Credits:** 3
- AR390 - History of the Designed Environment: Mid-Nineteenth Century to the Present **Credits:** 3
- AR392 - Human Factors in Interior Design **Credits:** 3
- AR393 - Lighting Fundamentals for Interior Design **Credits:** 3
- AR491 - Interior Design Professional Practice **Credits:** 3
- AR495 - Building Construction Systems **Credits:** 3
- AR498 - Senior Studio I **Credits:** 3
- AR499 - Senior Studio II **Credits:** 3
- Art and Design Electives **Credits:** 6

**Portfolios**

All graduating interior design majors are required to individually document, using appropriate supporting methods, selected examples of their best work. These final portfolios are to be submitted to their major advisors as part of their Senior Seminar. These portfolios will remain the property of the Department of Art and Design.

**Art Supplies**

Interior Design majors must plan, when preparing their yearly educational budgets, to spend at least $250 per semester on art supplies. All interior design courses require varying amounts of personal equipment and supplies. Supply lists will be provided on the first day of classes.

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Art History, Minor**

The Program Coordinator of Fine Art will serve as the advisor for students seeking this minor.

**Requirements for: Minor – 18 Hours, 2.0 GPA**
Six courses from any of the following:

- AR115 - Introduction to the Visual Arts **Credits: 3**
- AR125 - Art History I **Credits: 3**
- AR216 - Art History II **Credits: 3**
- AR298 - History of the Designed Environment: Antiquity to Mid-Nineteenth Century **Credits: 3**
- AR316 - Modern Art **Credits: 3**
- AR317 - World Art **Credits: 3**
- AR319 - History of Graphic Design **Credits: 3**
- AR323 - Renaissance and Baroque Art **Credits: 3**
- AR390 - History of the Designed Environment: Mid-Nineteenth Century to the Present **Credits: 3**
- HIS203 - Introduction to Historic Preservation **Credits: 3**
- HIS204 - Introduction to Museum Studies **Credits: 3**
- HIS316 - Historical Material Conservation **Credits: 3**
- LE300L - World Art **Credits: 3**

**Note:**

In addition, AR315 - Special Topics in Art or Design, when the topic is art historical; AR313 - Independent Study in Art or Design, when the project developed between the student and the professor is art historical in nature; AR415 - Internship in Art or Design, when the internship is in a museum or gallery setting, and Study Abroad courses, can be included in the 18 hours that make up this Minor.

**Fine Art, Minor**

**Requirements For: Minor – 21 Hours, 2.5 GPA**

**Foundations:**

- AR140 - Drawing I **Credits: 3**
- Electives from Foundations courses within Art **Credits: 3**

**Introduction to Media:**

Select two of the following courses:

- AR218 - Graphic Design Software **Credits: 3**
- AR221 - Ceramics I **Credits: 3**
- AR240 - Drawing II **Credits: 3**
- AR241 - Photography I **Credits: 3**
- AR270 - Fiber I **Credits: 3**
- AR280 - Painting I **Credits: 3**

**Art History and Theory:**

Select one course from the following:

- AR215 - Art History I **Credits: 3**
• AR216 - Art History II **Credits:** 3
• AR316 - Modern Art **Credits:** 3

**Studio Practice:**

An additional 6 hours from Intermediate or Advanced Studio courses in Painting, Drawing, Photography, Ceramics, Fiber or Special Topics

**Note:**

**For those students wishing to teach K-12 Art: See also Bachelor of Science in Education**

**Portfolios:**

All graduating art and design majors are required to individually document by means of digital photography selected examples of their best work. These final portfolios are to be submitted to their major advisors as part of their Senior Seminar. CDs of the portfolio will remain the property of the Department of Art, Design and Interdisciplinary Studies.

**Art Supplies:**

Art and Design majors must plan, when preparing their yearly educational budgets, to spend at least $300 per semester on art supplies. All studio art courses require varying amounts of personal equipment and supplies. Studio fees collected at registration for some art courses provide only a portion of the supplies needed. Supply lists will be provided on the first day of classes.

**Graphic Design, Minor**

**Requirements for: Minor – 21 Hours, 2.0 GPA**

**Freshman Core 9 cr.**

• AR142 - Two-Dimensional Design **Credits:** 3
• AR143 - Three-Dimensional Design **Credits:** 3
• AR144 - Color Theory **Credits:** 3

**Graphic Design Curriculum 9 cr.**

• AR218 - Graphic Design Software **Credits:** 3
• AR231 - Graphic Design Studio I **Credits:** 3
• AR300 - Graphic Design Principles II: Typography & Design **Credits:** 3

Select one of the following:

• AR328 - Graphic Design Principles: Identity **Credits:** 3
• AR427 - Web Page Design: Digital Environment **Credits:** 3
Note:

*Students required to pass any of these courses as part of their major must substitute them with other ART courses with the approval of the Art & Design department Chair.

Multidisciplinary Arts, Minor

The minor in Multidisciplinary Arts provides an opportunity to explore artistic expression across a number of fields and disciplines. While engaging students in both the production and appreciation of artistic works, it also encourages them to extend their studies into either the performative or theoretical aspects of literature, theatre, visual art, history, communication, and music.

Requirements For: Minor – 18 hours, 2.0 gpa

Students must choose at least six hours from each of the two areas. The selections must represent at least three different course prefixes (e.g., CA, EN, AR).

Arts Appreciation at least 6 cr.

- AR115 - Introduction to the Visual Arts Credits: 3
- AR215 - Art History I Credits: 3
- AR298 - History of the Designed Environment: Antiquity to Mid-Nineteenth Century Credits: 3
- AR316 - Modern Art Credits: 3
- EN201 - Introduction to Literature Credits: 3
- EN221 - African-American Literature Credits: 3
- EN341 - Literature and Film Credits: 3
- HIS316 - Historical Material Conservation Credits: 3
- ML235 - Survey of European Literature Credits: 3
- MU205 - Music Appreciation Credits: 3
- TH100 - Introduction to Theatre Credits: 3

Studio Art and Performance at least 6 cr.

- AR140 - Drawing I Credits: 3
- AR241 - Photography I Credits: 3
  or
- CA241 - Photography I Credits: 3
- AR218 - Graphic Design Software Credits: 3
- AR221 - Ceramics I Credits: 3
- AR270 - Fiber I Credits: 3
- AR280 - Painting I Credits: 3
- CA203 - Multimedia Practicum I: Content Development Credits: 3
- EN311 - Creative Writing Credits: 3
- HIS305 - The Art of Expression in Public History Credits: 3
International Center for Music

Mission:

The International Center for Music at Park University trains and educates the next generation of accomplished musicians for careers in music at the highest level, in a focused and creative atmosphere with an international faculty of renowned excellence.

Vision:

The International Center for Music at Park University will establish itself as one of the premier institutions for advanced study in musical performance.

Music Performance, Piano or Orchestral Strings, B.M.

Requirements For: B.M. Major – 65 hours, 2.0 gpa

The International Center for Music fosters the artistic exchange between master teacher performers, renowned young musicians, and internationally famous musicians/teachers. This truly unique program prepares students for careers as professional soloists, chamber and orchestral musicians in a European apprenticeship style with personalized attention in a caring and supportive environment. Admission is limited to selected students who demonstrate the highest level of musical potential and a commitment to succeed. The education of emerging world-class musicians is at the philosophical core of the Center’s mission and the quality of that training crucial to great artistry. Music is an international language and enables all people to share in experiences that help shape their culture and values. By involving the highest caliber artists of our generation as educators, the International Center for Music enables our students and audiences to experience the wealth of musical literature that has impacted generations of our global society. The program makes available, to the entire campus, surrounding community, and Kansas City Metro area, concerts and recitals throughout the year as part of its annual performance series featuring students, faculty, and guest artist. The Bachelor of Music in Performance and the Undergraduate Certificate in Performance programs are designed for students studying applied piano, and orchestral strings, woodwinds, and brass. Audition required for admission

Bachelor of Music in Performance (Applied emphasis in Piano, Violin, Viola or Cello)

Core Curriculum 18 cr.

- MU221 - Music Theory I Credits: 3
- MU222 - Music Theory II Credits: 3
- MU321 - Music Theory III Credits: 3
- MU322 - Music Theory IV Credits: 3
- MU345 - Music History: Medieval, Renaissance and Baroque Credits: 3
- MU346 - Music History: Classic Credits: 3

APPLIED (Piano) 47 cr.

- MU120 - Chamber Music I Credits: 1 (2 semesters/2 cr. total)
- MU130 - Collaboration I Credits: 1
- MU230 - Performance Credits: 2 (2 semesters/4 cr. total)
- MU280 - Orchestra I Credits: 1
• MU290* - Applied Music I **Credits:** 2 (4 semesters/8 cr. total)
• MU320 - Chamber Music II **Credits:** 1 (2 semesters/2 cr. total)
• MU330 - Collaboration II **Credits:** 2
• MU347 - Music History: Romantic **Credits:** 3
• MU348 - Music History: 20th-century to Present **Credits:** 3
• MU355 - Orchestral Repertoire **Credits:** 1
• MU356 - Orchestral Repertoire (Majors only) **Credits:** 1
• MU415 - Independent Study in Music **Credits:** 1-6
• MU430 - Performance **Credits:** 1 (4 semesters/4 cr. total)
• MU455 - Orchestral Repertoire **Credits:** 1
• MU456 - Orchestral Repertoire **Credits:** 1
• MU480 - Orchestra II **Credits:** 1
• MU490* - Applied Music II **Credits:** 2 (4 semesters/8 cr. total)

**APPLIED (Orchestral Strings-Violin, Viola, Cello) 47 cr.**

• MU120 - Chamber Music I **Credits:** 1 (2 semesters/2 cr. total)
• MU220 - Musicianship Development **Credits:** 1 (2 semesters/2 cr. total)
• MU230 - Performance **Credits:** 2 (2 semesters/4 cr. total)
• MU280 - Orchestra I **Credits:** 1 (4 semesters/4 cr. total)
• MU290* - Applied Music I **Credits:** 2 (4 semesters/8 cr. total)
• MU320 - Chamber Music II **Credits:** 1 (2 semesters/2 cr. total)
• MU355 - Orchestral Repertoire **Credits:** 1
• MU356 - Orchestral Repertoire (Majors only) **Credits:** 1
• MU415 - Independent Study in Music **Credits:** 1-6
• MU420 - Musicianship Development **Credits:** 1 (4 semesters/4 cr. total)
• MU430 - Performance **Credits:** 1 (4 semesters/4 cr. total)
• MU455 - Orchestral Repertoire **Credits:** 1
• MU456 - Orchestral Repertoire **Credits:** 1
• MU480 - Orchestra II **Credits:** 1
• MU490* - Applied Music II **Credits:** 2 (4 semesters/8 cr. total)

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**
Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.
Music Performance, Graduate Certificate

The Graduate Certificate in Music Performance program is offered through Park University's International Center for Music. This two-year certificate program — with applied emphasis in piano, violin, viola or cello — is designed for students who want to pursue a non-degree course of study concentrating almost exclusively on performance. Minimum graduate credit hours required for the certificate are 24. Additional admission requirements in addition to the general rules that are applicable for admission to Graduate Studies at Park University, specific admission requirements are:

- Bachelor of Music or related undergraduate degree from a U. S. institution, an equivalent bachelor's degree from an accredited foreign institution of higher education, or equivalent professional experience as determined by the faculty of the International Center for Music.
- An audition before the music faculty. In approved situations, a recording may be submitted in lieu of a live audition.

Each applicant must furnish a complete list of repertoire and recital history, at the time of application. This is an advanced program of study at the graduate level, supervised and approved by the graduate faculty of Park University.

Requirements For: Certificate - 24 Hours, 3.0 GPA

Core Requirement 24 cr.

- MU530* - Applied Music I Credits: 6
  The course is repeated for a total of 24 credit hours.

Graduation Requirements

Park University confers Graduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 75% of the coursework completed at Park
- Earn a minimum cumulative GPA of 3.0* (for courses in the certificate)
- Completion of coursework with no more than 2 grades of C earned at Park University
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application for Graduation

*Individual departments may establish additional (or higher) requirements (refer to the program-specific requirements).

Music Performance, Graduate Artist Diploma

The Graduate Artist Diploma in Music Performance is offered through Park's International Center for Music. This is a unique two-year program — with applied emphasis in piano, violin, viola or cello — is open to only a few highly gifted artists who have demonstrated exemplary artistic achievement in their academic/professional career, and is the most advanced course of study in music offered at Park University. This course of study is to prepare students for a concert/stage career, or a major appointment in the professional or academic arena. Additional admission requirements, in addition to the general rules that are applicable for admission to Graduate Studies at Park University, are:

- Successful completion of the Graduate Certificate in Music Performance offered at Park University, or the equivalent graduate degree/certificate from an accredited U.S. or foreign institution, or
equivalent professional experience as determined by the faculty of the International Center for Music.

• An audition before the music faculty. In approved situations, a recording may be submitted in lieu of a live audition.

Each applicant must furnish a complete list of repertoire and recital history at the time of application. This is an advanced program of study at the graduate level, supervised and approved by the graduate faculty of Park University.

Requirements For: Artist Diploma - 24 Hours, 3.0 GPA

• MU601* - Advanced Applied Music Credits: 6
  MU601* is repeated for a total of 24 hours.

Graduation Requirements

Park University confers the Graduate Artist Diploma upon successful completion of the following requirements:

• Completion of a minimum of 24 semester hours.
• Cumulative GPA of 3.0 for Park University courses.
• Satisfaction of all requirements for a major as outlined in this catalog.
• Completion of all earned credit with no more than 2 grades of C earned.
• Submission of an Application for Graduation.

Master of Music in Performance (Applied Emphasis in Piano, Violin, Viola or Cello), M.M.

The International Center for Music's Master of Music in Performance degree program is an advanced course of study for musicians who hold a bachelor's degree and are seeking careers as professional musicians. In addition to the general rules that are applicable for admission to graduate studies at Park University, specific admission requirements are:

• Bachelor of Music or related undergraduate degree from a U.S. institution, an equivalent bachelor's degree from an accredited foreign institution of higher education or equivalent professional experience as determined by the faculty of the University's International Center for Music.
• An audition before the music faculty. In approved situations, a recording may be submitted in lieu of a live audition.

Each applicant must furnish a complete list of repertoire and recital history at the time of application. This is an advanced program of study at the graduate level, supervised and approved by the graduate faculty of Park University.

Students entering the Master of Music program must take a Theory Competency Test. Students who do not pass are assigned to the appropriate theory class.

The student may select one of the following performance areas:

Requirements For: Master - 36 Hours, 3.0 GPA

Piano Performance (2 Year Program)
Chamber Music, four semesters for total  Credits: 4
- MU501 - Chamber Music  Credits: 1

Performance Class, three semesters for total  Credits: 3
- MU502 - Performance Class  Credits: 1

Collaboration, four semesters for total  Credits: 8
- MU503 - Collaboration  Credits: 2
- MU511 - Seminar in Music Theory and Analysis  Credits: 3
- MU521 - History of the Concerto  Credits: 3
- MU522 - History of the Symphony  Credits: 3

String Performance (2 Year Program)

Chamber Music, four semesters for total  Credits: 4
- MU501 - Chamber Music  Credits: 1

Performance Class, three semesters for total  Credits: 3
- MU502 - Performance Class  Credits: 1

Orchestra, four semesters for total  Credits: 4
- MU504 - Orchestra  Credits: 1

Orchestra Repertoire, four semesters for total  Credits: 4
- MU505 - Orchestral Repertoire  Credits: 1
- MU511 - Seminar in Music Theory and Analysis  Credits: 3
- MU521 - History of the Concerto  Credits: 3
- MU522 - History of the Symphony  Credits: 3

Graduation Requirements

Park University confers the Master of Music, Master of Public Administration, and Master of Science degrees at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 36 semester hours.
- Cumulative GPA of 3.0 for Park University courses.
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of all earned credit with no more than 2 grades of C earned.
- Submission of an Application for Graduation.

Liberal Education

Liberal Arts, A.A

Requirements For: A.A. Major – 27 hours, 2.0 GPA
• AR115 - Introduction to the Visual Arts Credits: 3
• CS300 - Technology in a Global Society Credits: 3
• EN201 - Introduction to Literature Credits: 3
• GGP120 - Global Sustainability Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.
EN105 and EN106

Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI211, BI212, BI223, BI221, BIO225, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337,
BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108,
CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115,
GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220,
SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

Park University confers the Associates of Arts and Associate of Science degrees at selected locations when a candidate has satisfied the following conditions:

- LE100 First-Year Seminar (required for all incoming first-time freshmen and highly encouraged for transfer students)
- Presentation of a minimum of sixty (60) earned credit hours.
- Cumulative GPA of 2.0 for Park University courses. (Some majors may require a higher cumulative GPA.)
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of degree specific requirements.
Completion of Liberal Education requirements.
Completion of 15 earned (A, B, C, D) Park University credit hours in residence. At least nine of these credits must be in the major.
Submission of an Application of Graduation.

**Citizenship and Service, Minor**

This minor is focused on civic engagement and service with Park's motto of *Fides et Labor* as its inspiration. It seeks to combine academic coursework with service to the community – be that at the local, national, or global level. Student activities in the community are integrated into the classroom to transform and enrich learning, and conversely, what students learn in the classroom can be applied in the community to encourage engaged and informed citizens.

Students can earn one (1) credit hour for every forty (40) hours of service work up to a maximum of 12 hours of academic credit in CE 200. A minimum of 120 hours of documented service work are required for this minor. Students are required to provide a portfolio of their civic engagement experience for evaluation.

**Requirements for Minor - 18 Hours, 2.0 GPA**

- CE200 - Civic Engagement **Credits:** 3-9
- CA233 - Introduction to Leadership **Credits:** 3
- CA493 - Leadership for Civic Engagement **Credits:** 3

**Electives**

Choose 0-4 courses from the list below. The total number of courses needed depends upon the amount of civic engagement credit hours a student completes in the core.

- CA235 - Multicultural Communication **Credits:** 3
- CA392 - Organizational Leadership **Credits:** 3
- GGP120 - Global Sustainability **Credits:** 3
- PA331 - Public Organizations **Credits:** 3
- PA380 - Public Service Values **Credits:** 3
- PC321 - Interpersonal Conflict Resolution **Credits:** 3
- PO200 - American National Government **Credits:** 3
- RE109 - World Religions **Credits:** 3
- SO206 - Social Issues in Contemporary Society **Credits:** 3

**School of Natural, Applied, and Social Sciences**

**College of Liberal Arts and Sciences: School of Natural, Applied, and Social Sciences**

**Criminal Justice Administration**

**Criminal Justice Administration, A.S.**
Requirements For: A.S. Major – 27 Hours, 2.0 GPA

- CJ100 - Introduction to Criminal Justice Administration Credits: 3
- CJ105 - Criminal Law Credits: 3
- CJ200 - Criminology Credits: 3
- CJ205 - Juvenile Justice System Credits: 3
- CJ221 - Criminal Procedure Credits: 3
- CJ231 - Introduction to Law Enforcement Credits: 3
- CJ232 - Introduction to Corrections Credits: 3
- CJ233 - Introduction to Security Credits: 3
- CJ311 - Criminal Investigation Credits: 3

Liberal Education Requirements 24 cr.

Writing Seminar 6 cr.

- EN105 - First Year Writing Seminar I: Critical Reading, Writing and Thinking Across Contexts Credits: 3
- EN106 - First Year Writing Seminar II: Academic Research and Writing Credits: 3

Math Requirement 3 cr.

Choose one of the following:

- MA120 - Basic Concepts of Statistics Credits: 3
- MA125 - Intermediate Algebra Credits: 3
- or higher excluding MA208

Humanities Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Natural Science Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Biology, Chemistry, Computer Science, Fitness and Wellness, Information Systems, Physical Geography, Geology, Math, Natural Science, Physics, Surveying.

Natural Science/Social Science/Humanities 3 cr.

Complete an addition 3 hours of humanities, natural science, or social science in the following disciplines:
Graduation Requirements

Park University confers the Associates of Arts and Associate of Science degrees at selected locations when a candidate has satisfied the following conditions:

- LE100 First-Year Seminar (required for all incoming first-time freshmen and highly encouraged for transfer students)
- Presentation of a minimum of sixty (60) earned credit hours.
- Cumulative GPA of 2.0 for Park University courses. (Some majors may require a higher cumulative GPA.)
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of 15 earned (A, B, C, D) Park University credit hours in residence. At least nine of these credits must be in the major.
- Submission of an Application of Graduation.

Criminal Justice Administration, Corrections Concentration, B.A.

Criminal Justice Administration, B.A.

The major in Criminal Justice Administration is designed to provide a comprehensive understanding of the complete criminal justice system within society in the United States. There are three areas of concentration the student can choose from which to build on the core curriculum: Law Enforcement, Corrections, and Security. Providing a comprehensive understanding from a theoretical, philosophical, and practical perspective, the program provides a broad background for over 40 basic career opportunities in the criminal justice system, both in the public and private sectors, at the local, state, national, and international levels.

Requirements for: B.A. Major – 45 Hours, 2.0 gpa

Core Curriculum 24 cr.

- CJ100 - Introduction to Criminal Justice Administration Credits: 3
- CJ105 - Criminal Law Credits: 3
- CJ200 - Criminology Credits: 3
- CJ221 - Criminal Procedure Credits: 3
- CJ300 - Agency Administration Credits: 3
- CJ430 - Research in Criminal Justice Credits: 3
- CJ440 - Internship in Criminal Justice Credits: 3-6
- CJ450 - Senior Seminar in Criminal Justice Credits: 3

Criminal Justice Electives 12 cr.

From Criminal Justice courses not in the Core or the Areas of Concentration:

- one 200-level course
- two 300/400-level courses
• one 400-level course

Concentrations

(One of the following areas)

• Law Enforcement
• Corrections
• Security

Corrections 9 cr.

• CJ232 - Introduction to Corrections Credits: 3

• CJ231 - Introduction to Law Enforcement Credits: 3
  or
• CJ233 - Introduction to Security Credits: 3

• CJ322 - Probation, Parole, and Community Corrections Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337,
BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108,
CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115,
GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220,
SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 CR.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Requirements 36 cr.**

36 hours of upper division (300 - 400 level) course work
Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

Secondary Level 7 cr.

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

Intermediate Level 3 cr.

FR201 or GE201 or SP201 or transfer equivalent

Additional Requirements

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor is required (some may be discipline specific as noted in the major).

• Satisfaction of all requirements for a major.

• Completion of the Liberal Education requirements.

• Completion of the degree specific requirements.

• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.

• Submission of an Application for Graduation.

**Criminal Justice Administration, Law Enforcement Concentration, B.A.**

**Natural Science Requirement 3 cr.**

Select one of the following:
BI214, CH101, CH102, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 CR.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Requirements 36 cr.**

36 hours of upper division (300 - 400 level) course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:
• 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.

• 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BI0498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

**Modern Language Requirement**

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

**Elementary Level 8 cr.**

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

**Secondary Level 7 cr.**

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

**Intermediate Level 3 cr.**

FR201 or GE201 or SP201 or transfer equivalent

**Additional Requirements**

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

• Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).

• A minor is required (some may be discipline specific as noted in the major).

• Satisfaction of all requirements for a major.

• Completion of the Liberal Education requirements.

• Completion of the degree specific requirements.

• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.

• Submission of an Application for Graduation.
Criminal Justice Administration, Corrections Concentration, B.S.

Criminal Justice Administration, B.S.

The major in Criminal Justice Administration is designed to provide a comprehensive understanding of the complete criminal justice system within society in the United States. There are three areas of concentration the student can choose from which to build on the core curriculum: Law Enforcement, Corrections, and Security. Providing a comprehensive understanding from a theoretical, philosophical, and practical perspective, the program provides a broad background for over 40 basic career opportunities in the criminal justice system, both in the public and private sectors, at the local, state, national, and international levels.

Requirements for: B.S. Major – 45 Hours, 2.0 GPA

Core Curriculum 24 cr.

- CJ100 - Introduction to Criminal Justice Administration Credits: 3
- CJ105 - Criminal Law Credits: 3
- CJ200 - Criminology Credits: 3
- CJ221 - Criminal Procedure Credits: 3
- CJ300 - Agency Administration Credits: 3
- CJ400 - Research in Criminal Justice Credits: 3

- CJ440 - Internship in Criminal Justice Credits: 3-6
  - or
- CJ441 - Senior Writing Project Credits: 3

- CJ450 - Senior Seminar in Criminal Justice Credits: 3

Criminal Justice Electives 12 cr.

From Criminal Justice courses not in the Core or the Areas of Concentration:

- one 200-level course
- two 300/400-level courses
- one 400-level course

Concentrations

(One of the following)

- Law Enforcement
- Corrections
- Security

Corrections 9 cr.

- CJ231 - Introduction to Law Enforcement Credits: 3
or

- CJ233 - Introduction to Security Credits: 3
- CJ232 - Introduction to Corrections Credits: 3
- CJ322 - Probation, Parole, and Community Corrections Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:
3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Criminal Justice Administration, Law Enforcement Concentration, B.S.

Criminal Justice Administration, B.S.

The major in Criminal Justice Administration is designed to provide a comprehensive understanding of the complete criminal justice system within society in the United States. There are three areas of concentration the student can choose from which to build on the core curriculum: Law Enforcement, Corrections, and Security. Providing a comprehensive understanding from a theoretical, philosophical, and practical perspective, the program provides a broad background for over 40 basic career opportunities in the criminal justice system, both in the public and private sectors, at the local, state, national, and international levels.

Requirements for: B.S. Major – 45 Hours, 2.0 GPA

Core Curriculum 24 cr.

- CJ100 - Introduction to Criminal Justice Administration Credits: 3
- CJ105 - Criminal Law Credits: 3
- CJ200 - Criminology Credits: 3
- CJ221 - Criminal Procedure Credits: 3
- CJ300 - Agency Administration Credits: 3
- CJ430 - Research in Criminal Justice Credits: 3
• CJ440 - Internship in Criminal Justice Credits: 3-6
  or
• CJ441 - Senior Writing Project Credits: 3
• CJ450 - Senior Seminar in Criminal Justice Credits: 3

Criminal Justice Electives 12 cr.

From Criminal Justice courses not in the Core or the Areas of Concentration:

• one 200-level course
• two 300/400-level courses
• one 400-level course

Concentrations

(One of the following)

• Law Enforcement
• Corrections
• Security

Law Enforcement 9 cr.

• CJ231 - Introduction to Law Enforcement Credits: 3
• CJ232 - Introduction to Corrections Credits: 3
  or
• CJ233 - Introduction to Security Credits: 3
• CJ311 - Criminal Investigation Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, 
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, 
GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, 
PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer 
students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of 
Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, 
PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses 
designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course 
  must be offered by a program other than the one(s) that house(s) the student’s major area of study 
  at the time the course is taken.
• 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

• Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor for Geography, B.S. and Information Systems, B.S. majors.
• Satisfaction of all requirements for a major.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

Terrorism and Homeland Security, Certificate

The mission of the Undergraduate Certificate Program in Terrorism and Homeland Security is to provide students with a foundation for effective problem identification and solution management related to evolving terrorist threats and the protection of national interests. Through both theoretical and practical approaches, the certificate provides students with knowledge essential to homeland security issues, strategies, and planning. Certificate courses are chosen and developed to integrate knowledge in diverse fields of security, terrorism, and emergency management. The Certificate provides students with capabilities to develop practical solutions in managing natural and unnatural threats and emergency events, and to equip students to assist organizations in preparedness, response, recovery, and mitigation activities associated with both natural and manmade threats.

Requirements For: Certificate – 12 Hours, 2.5 GPA

Core Courses 6 cr.

• CJ233 - Introduction to Security Credits: 3
• CJ251 - Terrorism and Domestic Preparedness Credits: 3

Elective Courses 6 cr.

Select two of the following:

• CJ353 - Emergency Management Credits: 3
• CJ355 - Homeland Security Credits: 3
• GGH310 - Geography of Terrorism **Credits:** 3

**Graduation Requirements**

Park University confers Undergraduate Certificates at selected locations when a candidate has satisfied the following conditions:

• Completion of residency requirement, at least 50% of the coursework completed at Park
• Earn a minimum cumulative GPA of 2.0* (for courses in the certificate)
• Meet all requirements of the specific program as outlined in this catalog
• Submission of an Application of Graduation

*Individual departments may establish additional (or higher) requirements (refer to the Programs by Degree Type section of the catalog for program-specific requirements).

**Unmanned Aerial System, Certificate**

**Requirements for Certificate - 12 Hours, 2.5 GPA**

The mission of the Unmanned Aerial System (UAS)-Drone Applications Certificate is to prepare students to become Federal Aviation Administration (FAA) certified small Unmanned Aerial System (UAS) Remote Drone Pilots, who are trained to conduct safe, legal, and effective aerial flight operations within the National Airspace System. The core courses supporting this certificate are designed to instruct Remote Drone Pilots in how to fly mission driven and incident-free sorties, and effectively capture/record and post-process aerial imagery.

Note: Students who successfully complete the UAS107 Commercial Drone Pilot Certification Prep Course will be prepared to sit for the FAA Part 107 UAS Remote Pilot Certification Exam, which is the accepted certification for small UAS-Drone Commercial and Municipal Operations.

• UAS107 - Commercial Drone Pilot Certification Prep Course **Credits:** 3 *
• UAS140 - Drone Mission Planning **Credits:** 3 *
• UAS200 - Drone Photography and Videography **Credits:** 3

**Electives 3 cr.**

• A department approved elective, 200 level or above, from any discipline

**Notes:**

Note: These courses may not be used as electives in the Criminal Justice Administration Program.

* This course curriculum does require the student to have a small UAS-Drone. FAA Requirements for becoming a certified Drone Pilot are listed https://www.faa.gov/uas/. Students already in possession of a valid FAA Drone Remote Pilot Certification, may substitute the UAS107 course for another Park University 3 credit course with permission from the Criminal Justice Department Chair or the Criminal Justice Program Coordinator.

# This course curriculum requires the student to have access to, or own, a photo and video-recording enabled small UAS-Drone. Minimum drone specifications for this course, as well as various suitable drone models, are listed at https://droneology.park.edu/specs.
Graduation Requirements

Park University confers Undergraduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 50% of the coursework completed at Park
- Earn a minimum cumulative GPA of 2.0* (for courses in the certificate)
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application of Graduation

*Individual departments may establish additional (or higher) requirements (refer to the Programs by Degree Type section of the catalog for program-specific requirements).

Criminal Justice Administration, Minor

Requirements for Minor – 18 Hours, 2.0 GPA

18 hours which must include

- CJ100 - Introduction to Criminal Justice Administration Credits: 3
- CJ105 - Criminal Law Credits: 3
- CJ200 - Criminology Credits: 3

9 hours of CJ electives excluding

- CJ440 - Internship in Criminal Justice Credits: 3-6
- CJ441 - Senior Writing Project Credits: 3
- CJ450 - Senior Seminar in Criminal Justice Credits: 3

Homeland Security, Minor

Requirements for: Minor – 18 Hours, 2.0 GPA

- CJ233 - Introduction to Security Credits: 3
- CJ251 - Terrorism and Domestic Preparedness Credits: 3
- CJ333 - Security Administration Credits: 3
- CJ353 - Emergency Management Credits: 3
- CJ355 - Homeland Security Credits: 3
- GGH310 - Geography of Terrorism Credits: 3

Criminal Justice Administration, Graduate Certificate

The Graduate Certificate in Criminal Justice Administration is housed in the Hauptmann School of Public Affairs within the College of Management. This certificate is designed to provide for the exploration of the field of criminal justice from a comparative perspective. In so doing, this certificate will bring to light similarities as well as differences in various criminal justice systems across jurisdictions around the nation and throughout the world. This exploration will be augmented by a consideration of key administrative aspects including financial management and the policy making process.
Requirements For: Certificate - 12 Hours, 3.0 GPA

Students must complete each of the four courses, and the requirements specific to each, with a grade of "B" or better.

**Core Requirement 12 cr.**

- PA503 - Emerging Issues in Public Affairs **Credits:** 1 to 3
- PA513 - Policy Development, Evaluation and Impact for Organizations **Credits:** 3
- PA594 - Financial Management for Nonprofit/Community Organizations **Credits:** 3
- PA630 - Comparative Criminal Justice Systems **Credits:** 3

**Graduation Requirements**

Park University confers Graduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 75% of the coursework completed at Park
- Earn a minimum cumulative GPA of 3.0* (for courses in the certificate)
- Completion of coursework with no more than 2 grades of C earned at Park University
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application for Graduation

*Individual departments may establish additional (or higher) requirements (refer to the program-specific requirements).

**Computer Science and Information Systems**

**Information and Computer Science, A.S.**

**Requirements For: A.S. Major – 29-30 hours, 2.0 gpa**

The Information and Computer Science (ICS) curriculum prepares students for a broad range of computer opportunities in industry as well as in graduate studies. ICS students choose one or more specialty areas from among these options: Computer Science, Information Technology, Network Security, Software Development and Web Development. As part of their curriculum, Network Security students take Cisco Certified Network Associate (CCNA) courses that prepare them for the CCNA certification exam. Depending on their chosen specialty area, ICS graduates are well prepared for these industry positions: applications programmer, systems analyst, information technology specialist, database analyst, network analyst, web programmer, software engineer, and cybersecurity specialist.

The CSIS Department works with Park University's Career Development Center in helping to place students in computer internship positions. The CSIS Department actively encourages students to work in such internship positions and considers internships to be an integral part of the ICS curriculum.

**Core Curriculum 24 cr.**

- CS152 - Introduction to Python Programming **Credits:** 3
- CS208 - Discrete Mathematics **Credits:** 3
• CS300 - Technology in a Global Society Credits: 3
• CS365A - Computer Networking I Credits: 3
• IS205 - Managing Information Systems Credits: 3
• IS361 - Data Management Concepts Credits: 3
• MA120 - Basic Concepts of Statistics Credits: 3

• MA135 - College Algebra Credits: 3
or
• any MA course > MA135 (except MA208) Credits: 3

Select electives from this list 5-6 cr.

• CS202 - Secure Programming Credits: 3
• CS240 - Web Programming I Credits: 3
• CS252 - Object-Oriented Programming Credits: 3
• CS319 - Computer Architecture Credits: 3
• IS315 - Computer Systems Analysis and Design I Credits: 3
• MA150 - Precalculus Mathematics Credits: 3
• MA160 - Precalculus for Majors Credits: 5

Liberal Education Requirements 24 cr.

Writing Seminar 6 cr.

• EN105 - First Year Writing Seminar I: Critical Reading, Writing and Thinking Across Contexts Credits: 3
• EN106 - First Year Writing Seminar II: Academic Research and Writing Credits: 3

Math Requirement 3 cr.

Choose one of the following:

• MA120 - Basic Concepts of Statistics Credits: 3
• MA125 - Intermediate Algebra Credits: 3
• or higher excluding MA208

Humanities Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Natural Science Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Biology, Chemistry, Computer Science, Fitness and Wellness, Information Systems, Physical Geography, Geology, Math, Natural Science, Physics, Surveying.
Natural Science/Social Science/Humanities 3 cr.

Complete an addition 3 hours of humanities, natural science, or social science in the following disciplines: Those listed under natural science or humanities or Accounting, Anthropology, Criminal Justice, Construction, Economics, Education, Engineering, Finance, Human Geography, Health Care, History, Human Resources, Logistics, Management, Marketing, Political Science, Psychology, Sociology, Social Studies, Social Work.

Graduation Requirements

Park University confers the Associates of Arts and Associate of Science degrees at selected locations when a candidate has satisfied the following conditions:

- LE100 First-Year Seminar (required for all incoming first-time freshmen and highly encouraged for transfer students)
- Presentation of a minimum of sixty (60) earned credit hours.
- Cumulative GPA of 2.0 for Park University courses. (Some majors may require a higher cumulative GPA.)
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of 15 earned (A, B, C, D) Park University credit hours in residence. At least nine of these credits must be in the major.
- Submission of an Application of Graduation.

Cybersecurity, B.S.

Requirements For: B.S. Major – 57 Hours, 2.0 GPA

The Cybersecurity Program prepares students for a career focused on countering the rising threats to the security of information and assuring the reliability of computing systems. Cybersecurity graduates will be prepared for earning a variety of professional certifications relevant to cybersecurity and for entering a variety of industry positions including security analyst / consultant, software developer, system administrator, database administrator, network administrator, risk manager, and project manager.

The Computer Science and Information Systems (CSIS) Department works with Park University’s Career Development Center in helping to place students in cybersecurity and other computing internship positions. The CSIS Department actively encourages students to work in such internship positions and considers internships to be an integral part of the cybersecurity curriculum.

Core Curriculum 48 CR.

- CS152 - Introduction to Python Programming Credits: 3
- CS165 - Introduction to Command-Line Interfaces Credits: 3
- CS202 - Secure Programming Credits: 3
- CS208 - Discrete Mathematics Credits: 3
- CS300 - Technology in a Global Society Credits: 3
- CS319 - Computer Architecture Credits: 3
- CS335 - Introduction to Cybersecurity Credits: 3
• CS351 - Computer Operating Systems Credits: 3
• CS365A - Computer Networking I Credits: 3
• CS366A - Computer Networking II Credits: 3
• CS369 - Operating System Administration Credits: 3
• CS375 - Secure Operation Credits: 3
• CS377 - Digital Forensics Credits: 3
• IS205 - Managing Information Systems Credits: 3
• IS361 - Data Management Concepts Credits: 3
• MA120 - Basic Concepts of Statistics Credits: 3

Information Security 3 CR

Select one of the following:
• CJ316 - Cybersecurity Administration Credits: 3
• IS370 - Information Security Credits: 3

Electives 6 CR.

Select two of the following:
• CS240 - Web Programming I Credits: 3
• CS252 - Object-Oriented Programming Credits: 3
• CS304 - Introduction to Data Science Credits: 3
• CS305 - Introduction to Artificial Intelligence Credits: 3
• CS322 - Web Programming II Credits: 3
• CS371 - Internetworking Credits: 3
• CS372 - Advanced Networking Credits: 3
• IS315 - Computer Systems Analysis and Design I Credits: 3
• IS316 - Computer Systems Analysis and Design II Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:
BI101, BI111, BI211, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108,
CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*
Graduation Requirements

Student Seminar 3 cr.
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.
36 hours upper division (300 - 400) level coursework

Writing Across the Curriculum 9 cr.
3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.
EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

• 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
• 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

• Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor for Geography, B.S. and Information Systems, B.S. majors.
• Satisfaction of all requirements for a major.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.
Information and Computer Science, Computer Science Concentration, B.S.

Information and Computer Science, B.S.

The Information and Computer Science (ICS) curriculum prepares students for a broad range of computer opportunities in industry as well as in graduate studies. ICS students choose one or more specialty areas from among these options: Computer Science, Information Technology, Networking and Security, Software Development and Web Development. As part of their curriculum, Networking and Security students take Cisco Certified Network Associate (CCNA) courses that prepare them for the CCNA certification exam. Depending on their chosen specialty area, ICS graduates are well prepared for these industry positions: applications programmer, systems analyst, information technology specialist, database analyst, network analyst, web developer, software engineer, and cybersecurity specialist.

The Computer Science and Information Systems (CSIS) Department works with Park University’s Career Development Center in helping to place students in computer internship positions. The CSIS Department actively encourages students to work in such internship positions and considers internships to be an integral part of the ICS curriculum.

Requirements For: B.S. Major – 46-58 hours, 2.0 gpa

Core Curriculum 21 cr.

- CS152 - Introduction to Python Programming Credits: 3
- CS208 - Discrete Mathematics Credits: 3
- CS300 - Technology in a Global Society Credits: 3
- CS365A - Computer Networking I Credits: 3
- IS205 - Managing Information Systems Credits: 3
- IS361 - Data Management Concepts Credits: 3
- MA120 - Basic Concepts of Statistics Credits: 3

Concentrations

(One of the following)

- Computer Science Concentration
- Information Technology Concentration
- Networking and Security Concentration
- Software Development Concentration
- Web Development Concentration

Computer Science Concentration 36-37 cr.

- CS202 - Secure Programming Credits: 3
- CS252 - Object-Oriented Programming Credits: 3
- CS319 - Computer Architecture Credits: 3
- CS335 - Introduction to Cybersecurity Credits: 3
- CS351 - Computer Operating Systems Credits: 3
- CS352 - Data Structures Credits: 3
- IS 362 or any CS course 300/400 level not required by this speciality area or core. Credits: 6

Choose one of the following mathematics sequences:

Sequence One

- MA160 - Precalculus for Majors Credits: 5
- MA221 - Calculus and Analytic Geometry for Majors I Credits: 5
- MA311 - Linear Algebra Credits: 3

Sequence Two

- MA150 - Precalculus Mathematics Credits: 3
- MA210 - Calculus and Analytic Geometry I Credits: 3
- MA211 - Calculus and Analytic Geometry II Credits: 3
- MA311 - Linear Algebra Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.
EN105 and EN106

Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**
3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

• EN204 - Writing for Online Environments **Credits:** 3
• EN306A - Scientific and Technical Writing **Credits:** 3
• EN306B - Business Communications **Credits:** 3

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**
Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.
## Information and Computer Science, Networking and Security Concentration, B.S.

### Information and Computer Science, B.S.

The Information and Computer Science (ICS) curriculum prepares students for a broad range of computer opportunities in industry as well as in graduate studies. ICS students choose one or more specialty areas from among these options: Computer Science, Information Technology, Networking and Security, Software Development and Web Development. As part of their curriculum, Networking and Security students take Cisco Certified Network Associate (CCNA) courses that prepare them for the CCNA certification exam. Depending on their chosen specialty area, ICS graduates are well prepared for these industry positions: applications programmer, systems analyst, information technology specialist, database analyst, network analyst, web developer, software engineer, and cybersecurity specialist.

The Computer Science and Information Systems (CSIS) Department works with Park University’s Career Development Center in helping to place students in computer internship positions. The CSIS Department actively encourages students to work in such internship positions and considers internships to be an integral part of the ICS curriculum.

### Requirements For: B.S. Major – 46-58 hours, 2.0 gpa

#### Core Curriculum 21 cr.

- CS152 - Introduction to Python Programming **Credits**: 3
- CS208 - Discrete Mathematics **Credits**: 3
- CS300 - Technology in a Global Society **Credits**: 3
- CS365A - Computer Networking I **Credits**: 3
- IS205 - Managing Information Systems **Credits**: 3
- IS361 - Data Management Concepts **Credits**: 3
- MA120 - Basic Concepts of Statistics **Credits**: 3

#### Concentrations

(One of the following)

- Computer Science Concentration
- Information Technology Concentration
- Networking and Security Concentration
- Software Development Concentration
- Web Development Concentration

### Networking and Security Concentration 27 cr.

- CS319 - Computer Architecture **Credits**: 3
- CS335 - Introduction to Cybersecurity **Credits**: 3
- CS366A - Computer Networking II **Credits**: 3
- CS369 - Operating System Administration **Credits**: 3
- CS371 - Internetworking **Credits**: 3
Electives 6 cr.

Select any CS/IS course at the 300-400 level that is not required by this specialty area or core.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WT" (Writing Intensive), composed as follows:
• 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.

• 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS310, SU301, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

• Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).

• A minor for Geography, B.S. and Information Systems, B.S. majors.

• Satisfaction of all requirements for a major.

• Completion of degree specific requirements.

• Completion of Liberal Education requirements.

• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.

• Submission of an Application for Graduation.

Information and Computer Science, Software Development Concentration, B.S.

Information and Computer Science, B.S.

The Information and Computer Science (ICS) curriculum prepares students for a broad range of computer opportunities in industry as well as in graduate studies. ICS students choose one or more specialty areas from among these options: Computer Science, Information Technology, Networking and Security, Software Development and Web Development. As part of their curriculum, Networking and Security students take Cisco Certified Network Associate (CCNA) courses that prepare them for the CCNA certification exam. Depending on their chosen specialty area, ICS graduates are well prepared for these industry positions: applications programmer, systems analyst, information technology specialist, database analyst, network analyst, web developer, software engineer, and cybersecurity specialist.

The Computer Science and Information Systems (CSIS) Department works with Park University’s Career Development Center in helping to place students in computer internship positions. The CSIS Department actively encourages students to work in such internship positions and considers internships to be an integral part of the ICS curriculum.

Requirements For: B.S. Major – 46-58 hours, 2.0 gpa

Core Curriculum 21 cr.

• CS152 - Introduction to Python Programming Credits: 3
• CS208 - Discrete Mathematics Credits: 3
• CS300 - Technology in a Global Society Credits: 3
• CS365A - Computer Networking I Credits: 3
• IS205 - Managing Information Systems Credits: 3
• IS361 - Data Management Concepts Credits: 3
• MA120 - Basic Concepts of Statistics Credits: 3

Concentrations

(One of the following)

• Computer Science Concentration
• Information Technology Concentration
• Networking and Security Concentration
• Software Development Concentration
• Web Development Concentration

Software Development Concentration 36 cr.

• CS130 - Developing the User Experience Credits: 3
• CS202 - Secure Programming Credits: 3
• CS240 - Web Programming I Credits: 3
• CS252 - Object-Oriented Programming Credits: 3
• CS322 - Web Programming II Credits: 3
• CS352 - Data Structures Credits: 3
• IS315 - Computer Systems Analysis and Design I Credits: 3
• IS316 - Computer Systems Analysis and Design II Credits: 3
• IS370 - Information Security Credits: 3
• MA135 - College Algebra Credits: 3
  or
• any MA course > MA135 (except MA208) Credits: 3
• MG371 - Management and Organizational Behavior Credits: 3
• IS362 or CS Elective Credits: 3 (any 3-credit CS course level 300 or above that is not required by this specialty area or core)

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208
Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:
Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
Completion of degree specific requirements.
Completion of Liberal Education requirements.
Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
Submission of an Application for Graduation.

Information and Computer Science, Web Development Concentration, B.S.

Information and Computer Science, B.S.

The Information and Computer Science (ICS) curriculum prepares students for a broad range of computer opportunities in industry as well as in graduate studies. Requirements For: B.S. Major – 46-58 hours, 2.0 gpa

Core Curriculum 21 cr.

- CS152 - Introduction to Python Programming Credits: 3
- CS208 - Discrete Mathematics Credits: 3
- CS300 - Technology in a Global Society Credits: 3
- CS365A - Computer Networking I Credits: 3
- IS205 - Managing Information Systems Credits: 3
- IS361 - Data Management Concepts Credits: 3
- MA120 - Basic Concepts of Statistics Credits: 3

Concentrations

(One of the following)

- Computer Science Concentration
- Information Technology Concentration
- Networking and Security Concentration
- Software Development Concentration
- Web Development Concentration

Web Development Concentration 29 cr.
• AR218 - Graphic Design Software Credits: 3
• CS130 - Developing the User Experience Credits: 3
• CS131 - Introduction to Web Structures Credits: 3
• CS206 - Introduction to JavaScript Credits: 3
• CS317 - Web Animation Credits: 3
• CS325 - Full Stack Web Development Credits: 3
• CS330 - Principles of Mobile Development Credits: 3
• CS335 - Introduction to Cybersecurity Credits: 3
• CS345 - Web Development with Frameworks Credits: 3
• CS401 - Portfolio for Web Development Credits: 2

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.
EN105 and EN106

Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337,
BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108,
CH317 and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115,
GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220,
SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113
**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310
6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CI221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Information Systems, B.S.

This program is part of the Air University Associates to Baccalaureate Cooperative (AU-ABC). Please review the AU-ABC website for further details.

Requirements For: B.S. Major – 39 hours, 2.0 gpa

No organization, large or small can survive without support for data processing, analysis, and management. The number of information systems jobs available in business, government, and non-profit sections continues to increase for this reason. The Information Systems major prepares students for careers in programming, product analysis, and management of computer information systems. The major allows students the freedom and flexibility to select a complementary minor reflecting their individual interests.

The Computer Science and Information Systems (CSIS) Department works with Park's Career Development Center in helping to place students in computer internship positions. The CSIS Department actively encourages students to work in such internship positions and considers internships to be an integral part of the curriculum.

- CS140 - Introduction to Computers Credits: 3
- CS152 - Introduction to Python Programming Credits: 3
- CS208 - Discrete Mathematics Credits: 3
- CS240 - Web Programming I Credits: 3
- CS300 - Technology in a Global Society **Credits: 3**
- CS365A - Computer Networking I **Credits: 3**
- IS205 - Managing Information Systems **Credits: 3**
- IS310 - Business Applications **Credits: 3**
- IS315 - Computer Systems Analysis and Design I **Credits: 3**
- IS316 - Computer Systems Analysis and Design II **Credits: 3**
- IS361 - Data Management Concepts **Credits: 3**
- IS370 - Information Security **Credits: 3**
- MA120 - Basic Concepts of Statistics **Credits: 3**

**Required Minor – 18 - 21 hours**

In consultation with their advisor, students may select any minor.

Students may also use any second major to satisfy the minor requirement, except Information and Computer Science, Computer Science Concentration, B.S., Information and Computer Science, Information Technology Concentration, B.S., Information and Computer Science, Networking and Security Concentration, B.S., Information and Computer Science, Software Development Concentration, B.S., and Information and Computer Science, Web Development Concentration, B.S. for the same reason.

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**
Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work
Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Computer Networking, Certificate

This certificate program prepares students to sit for the Cisco Certified Network Associates (CCNA) exam. Upon completion of this certificate program, students are encouraged, but not required, to take the CCNA certification exam at a CCNA testing center. Regardless of whether a student chooses to take the CCNA certification exam, when the student is ready to graduate (either from the certificate program for non-degree-seeking students, or from the ICS program for degree-seeking students), he/she should fill out the Graduation Application Form. That application provides notice to the Registrar to put "Certificate in Computer Networking" on the student's transcript.

Requirements for Certificate: 12 Hours, 2.5 GPA
Required Courses: 12 cr.

- CS365A - Computer Networking I Credits: 3
- CS366A - Computer Networking II Credits: 3
- CS371 - Internetworking Credits: 3
- CS372 - Advanced Networking Credits: 3

Prerequisites - 6 cr.

The following prerequisites are required.

- CS152 - Introduction to Python Programming Credits: 3
- CS208 - Discrete Mathematics Credits: 3

Graduation Requirements

Park University confers Undergraduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 50% of the coursework completed at Park
- Earn a minimum cumulative GPA of 2.0* (for courses in the certificate)
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application of Graduation

*Individual departments may establish additional (or higher) requirements (refer to the Programs by Degree Type section of the catalog for program-specific requirements).

Cybersecurity, Certificate

This certificate program prepares students for cybersecurity-related positions such as security administrator, security software developer, or security consultant. Each course in the certificate has prerequisite courses. Equivalent work experience or transferred credit may satisfy those prerequisites. Some courses offered in this program help students in preparing for industry certificates, such as the Cisco Cybersecurity Operation (CyberOps) Certification Exam.

Requirements for Certificate - 33 Hours, 2.0 G.P.A.

Required Courses: 15 Hours

- CS202 - Secure Programming Credits: 3
- CS335 - Introduction to Cybersecurity Credits: 3
- CS375 - Secure Operation Credits: 3
- CS377 - Digital Forensics Credits: 3
- IS370 - Information Security Credits: 3
  or
- CJ316 - Cybersecurity Administration Credits: 3

Prerequisites Required - 18 Hours
The following are required pre-requisites for this program.

- CS152 - Introduction to Python Programming Credits: 3
- CS208 - Discrete Mathematics Credits: 3
- CS319 - Computer Architecture Credits: 3
- CS351 - Computer Operating Systems Credits: 3
- CS365A - Computer Networking I Credits: 3
- CS366A - Computer Networking II Credits: 3

**Graduation Requirements**

Park University confers Undergraduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 50% of the coursework completed at Park
- Earn a minimum cumulative GPA of 2.0* (for courses in the certificate)
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application of Graduation

*Individual departments may establish additional (or higher) requirements (refer to the Programs by Degree Type section of the catalog for program-specific requirements).

**Information and Computer Science, Minor**

**Requirements For: Minor – 18 hours, 2.0 gpa**

- CS152 - Introduction to Python Programming Credits: 3
- CS208 - Discrete Mathematics Credits: 3
- CS252 - Object-Oriented Programming Credits: 3
- CS365A - Computer Networking I Credits: 3
- IS205 - Managing Information Systems Credits: 3
- IS361 - Data Management Concepts Credits: 3

**Natural and Physical Sciences**

**Biology, B.A.**

**Requirements For: B.A. Major – 56 hours, 2.0 GPA**

The Bachelor of Arts in Biology degree trains students to be a professional biologist broadly trained in Biology. This major is ideally paired with a supporting minor or second major to prepare the student in several career paths, such as: laboratory assistant, research assistant, education, scientific communication, quality control assurance, pharmaceutical sales or management of science-based businesses, and biospatial analysis. Based upon career interests, students will need to seek academic advisement for assistance with selecting minor and/or a secondary major. To complete the major, students will need to focus on completing courses within the core curriculum in years one and two while focusing on the completion of elective courses within years three and four.
Core Curriculum 44 CR.

- BIO221 - Zoology Credits: 4
- BIO225 - Botany Credits: 4
- BIO325 - Introductory Molecular Cell Biology Credits: 3
- BIO327 - Introductory Ecology and Evolution Credits: 4
- BIO340 - Genetics Credits: 4
- MA160 - Precalculus for Majors Credits: 5
- PY155 - Concepts of Physics I Credits: 4
- NS220 - Applied Statistics and Experimental Design Credits: 3
- NS302 - Current Literature in the Natural Sciences Credits: 1
- NS306 - Writing and Ethical Practices in Science Credits: 3
- NS401 - Natural Science Seminar Credits: 1
- CH107 - General Chemistry I Credits: 3
- CH107L - General Chemistry Laboratory I Credits: 1
- CH108 - General Chemistry II Credits: 3
- CH108L - General Chemistry Laboratory II Credits: 1

Electives 12 cr.

- BIO330 - Paleobiology Credits: 4
- BIO337 - Biochemistry Credits: 3
- BIO350 - Microbiology Credits: 4
- BIO380 - Issues in Biodiversity Credits: 3
- BIO400 - Cell Biology Credits: 4
- BIO410 - Comparative Anatomy Credits: 4
- BIO411 - Animal Physiology Credits: 4
- BIO417 - Developmental Biology Credits: 4
- BIO470 - Internship Credits: 1-4
- BIO490 - Advanced Topics in Biology Credits: 1-4
- BIO498 - Thesis Credits: 3
- BIO499 - Research Credits: 1-6

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:

BI101, BI111, BI212, BI223, BI0221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205
Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 CR.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Requirements 36 cr.

36 hours of upper division (300 - 400 level) course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

Secondary Level 7 cr.
FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

**Intermediate Level 3 cr.**

FR201 or GE201 or SP201 or transfer equivalent

**Additional Requirements**

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor is required (some may be discipline specific as noted in the major).
- Satisfaction of all requirements for a major.
- Completion of the Liberal Education requirements.
- Completion of the degree specific requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Biology, B.S.**

**Requirements For: B.S. Major – 68-79 hours, 2.0 GPA**

The Bachelor of Science in Biology degree is designed to prepare students for post-graduate study including research based graduate study or professional training in medicine, dentistry, veterinary care, optometry, physical therapy. Depending on career interests, there are two concentrations offered: General Biology and Pre-Health Professions. The General Biology concentration provides latitude to gain training in a variety of specific areas within the field of biology while the Pre-Health Professions concentration is designed to prepare students for entry into the majority of medical (allopathic (MD) and osteopathic (DO)), dental, optometry, veterinary, and physical therapy schools.

Completion of either concentration will require students to focus on completing courses within the core curriculum in years one and two while focusing on the completion of concentration specific courses within years three and four. To complete the degree in a timely manner, students will need to seek academic advisement for assistance with selection of a concentration and with selecting courses in the correct sequence.

**Core Curriculum 56-58 cr.**

- BIO221 - Zoology **Credits:** 4
- BIO225 - Botany **Credits:** 4
- BIO325 - Introductory Molecular Cell Biology **Credits:** 3
• BIO327 - Introductory Ecology and Evolution Credits: 4
• BIO340 - Genetics Credits: 4
• MA160 - Precalculus for Majors Credits: 5

• PY155 - Concepts of Physics I Credits: 4
• PY156 - Concepts of Physics II Credits: 4
or
• PY205 - Introduction to Physics I Credits: 5
• PY206 - Introduction to Physics II Credits: 5

• NS220 - Applied Statistics and Experimental Design Credits: 3
• NS302 - Current Literature in the Natural Sciences Credits: 1
• NS306 - Writing and Ethical Practices in Science Credits: 3
• NS401 - Natural Science Seminar Credits: 1
• CH107 - General Chemistry I Credits: 3
• CH107L - General Chemistry Laboratory I Credits: 1
• CH108 - General Chemistry II Credits: 3
• CH108L - General Chemistry Laboratory II Credits: 1
• CH317 - Organic Chemistry I Credits: 3
• CH317L - Organic Chemistry Laboratory I Credits: 1
• CH318 - Organic Chemistry II Credits: 3
• CH318L - Organic Chemistry Laboratory II Credits: 1

Approved Electives

General Biology Concentration 12 cr.

The general biology electives are supplemental to the core requirements and are intended to allow students the opportunity to focus on sub-disciplines within the field of biology. Students are strongly encouraged to seek academic advising to aid in career preparation, especially those interesting in post-graduate studies (M.S. or Ph.D.).

• BIO330 - Paleobiology Credits: 4
• BIO337 - Biochemistry Credits: 3
• BIO337L - Biochemistry Laboratory Credits: 1
• BIO350 - Microbiology Credits: 4
• BIO380 - Issues in Biodiversity Credits: 3
• BIO400 - Cell Biology Credits: 4
• BIO410 - Comparative Anatomy Credits: 4
• BIO411 - Animal Physiology Credits: 4
• BIO417 - Developmental Biology Credits: 4
• BIO470 - Internship Credits: 1-4
• BIO490 - Advanced Topics in Biology Credits: 1-4
• BIO498 - Thesis Credits: 3
• BIO499 - Research Credits: 1-6

Pre-Health Professions Concentration 20 cr.
The pre-health professions concentration contains additional requirements and electives intended to aid students in their preparation for a career in a wide variety of medical fields. This program will satisfy entrance for many medical programs, but check specific requirements for your program of interest to determine if specific courses, such as Calculus, are required.

- BIO337 - Biochemistry Credits: 3
- BIO337L - Biochemistry Laboratory Credits: 1
- BIO410 - Comparative Anatomy Credits: 4
- BIO411 - Animal Physiology Credits: 4

Electives 8 cr.

Select two from the following

- BIO350 - Microbiology Credits: 4
- BIO400 - Cell Biology Credits: 4
- BIO417 - Developmental Biology Credits: 4

Note:

A comprehensive Senior Examination is to be taken during BIO498.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492
Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.
36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Chemistry, B.S.**

**Requirements For: B.S. Major - 71 Hours, 2.0 GPA**

In contemporary society, it is evident that the science of chemistry is no longer confined to the research laboratory, but is exerting a profound impact on social, political, and economic decisions at the local, national, and international levels. Chemistry is the recognized physical basis for the biological and psychological sciences and is important in every effort of our industrialized society. Students wishing to pursue a career in the chemical profession, medicine, dentistry, veterinary medicine, laboratory technology,
or the environmental sciences are encouraged to consider the major program in chemistry with appropriate minors in other disciplines for their preparatory work.

The Department of Natural and Physical Sciences welcomes partnerships with appropriate businesses and government agencies to place students into internship positions in their major or a related field. The Department of Natural and Physical Sciences actively encourages students to work in such internship positions and considers internships to be an integral part of the curriculum.

- CH107 - General Chemistry I Credits: 3
- CH107L - General Chemistry Laboratory I Credits: 1
- CH108 - General Chemistry II Credits: 3
- CH108L - General Chemistry Laboratory II Credits: 1
- CH317 - Organic Chemistry I Credits: 3
- CH317L - Organic Chemistry Laboratory I Credits: 1
- CH318 - Organic Chemistry II Credits: 3
- CH318L - Organic Chemistry Laboratory II Credits: 1
- CH328 - Analytical Chemistry Credits: 4
- CH329 - Introduction to Instrumental Analysis Credits: 4
- CH342 - Advanced Inorganic Chemistry Credits: 4
- CH407 - Physical Chemistry I Credits: 4
- CH408 - Physical Chemistry II Credits: 4
- MA221 - Calculus and Analytic Geometry for Majors I Credits: 5
- MA222 - Calculus and Analytic Geometry for Majors II Credits: 5
- MA223 - Calculus and Analytic Geometry for Majors III Credits: 3

- PY205 - Introduction to Physics I Credits: 5
- PY206 - Introduction to Physics II Credits: 5

Electives selected from the following: 10 cr.

- CH321 - Introduction to Medicinal Chemistry Credits: 3
- CH337 - Biochemistry Credits: 3
- CH337L - Biochemistry Laboratory Credits: 1
- CH400 - Special Topics in Chemistry Credits: 1-4
- CH429 - Advanced Analytical Chemistry Credits: 4
- CH440 - Organic Synthesis Credits: 4
- CH451 - Internship to Chemistry Credits: 1-6
- CH490 - Research in Chemistry Credits: 1-6

Note:

PASSING A WRITTEN COMPREHENSIVE EXAMINATION IS REQUIRED.

B.S.E. in Secondary Education – MAJOR 48-50 Hours
2.75 Cum G.P.A.
2.75 Core G.P.A.

**For those students wishing to obtain a secondary teaching certificate in Chemistry, see also Bachelor of Science in Education.
***For those students interested in an engineering degree in addition to a chemistry degree, see also Dual Degree Engineering.

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:
**Natural Science Requirement 3 cr.**

Select one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
• 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CI221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

• Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor for Geography, B.S. and Information Systems, B.S. majors.
• Satisfaction of all requirements for a major.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

Dual Degrees: Chemistry & Engineering, B.S.

Requirements For: B.S. Major – 87 Hours, 2.0 gpa

Park's dual degree engineering program offers the unique opportunity for students to complete two bachelor degrees in a 3 year +2 year format. Upon completing the program, Park University will confer a Bachelor of Science degree in either Math or Chemistry and the partner school (UMKC) will grant an EAC of ABET accredited Civil or Mechanical Engineering degree. This program insures that the student can pursue multiple avenues of STEM related career paths, while participating in the coveted private school, low student to faculty ratio environment for which Park is known.

• CH107 - General Chemistry I Credits: 3
• CH107L - General Chemistry Laboratory I Credits: 1
• CH108 - General Chemistry II Credits: 3
• CH108L - General Chemistry Laboratory II Credits: 1
• CH317 - Organic Chemistry I Credits: 3
• CH317L - Organic Chemistry Laboratory I Credits: 1
• CH318 - Organic Chemistry II Credits: 3
• CH318L - Organic Chemistry Laboratory II Credits: 1
• CH328 - Analytical Chemistry Credits: 4
• CH329 - Introduction to Instrumental Analysis Credits: 4
• CH342 - Advanced Inorganic Chemistry Credits: 4
• CH407 - Physical Chemistry I Credits: 4
• CH408 - Physical Chemistry II Credits: 4
• CH490 - Research in Chemistry Credits: 1-6
• MA221 - Calculus and Analytic Geometry for Majors I Credits: 5
• MA222 - Calculus and Analytic Geometry for Majors II Credits: 5
• MA223 - Calculus and Analytic Geometry for Majors III Credits: 3
• MA302 - Ordinary Differential Equations Credits: 3
• NS302 - Current Literature in the Natural Sciences Credits: 1
• NS306 - Writing and Ethical Practices in Science Credits: 3
• NS401 - Natural Science Seminar Credits: 1
• PY205 - Introduction to Physics I Credits: 5
• PY206 - Introduction to Physics II Credits: 5
• PY275 - Engineering Statics Credits: 3
• AR382 - Drawing Systems I Credits: 3

Electives 10 cr.

• 10 Elective hours will transfer back from the partner university to complete Park University chemistry degree requirements

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105
Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.
Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206
*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.
Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.
Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.
36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.
3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Dual Degrees: Mathematics & Engineering, B.S.

Requirements For: B.S. Major – 79 Hours, 2.0 gpa

Park's dual degree engineering program offers the unique opportunity for students to complete two bachelor degrees in a 3 year +2 year format. Upon completing the program, Park University will confer a Bachelor of Science degree in either Math or Chemistry and the partner school (UMKC) will grant an EAC of ABET accredited Civil or Mechanical Engineering degree. This program insures that the student can pursue multiple avenues of STEM related career paths, while participating in the coveted private school, low student to faculty ratio environment for which Park is known.

- MA221 - Calculus and Analytic Geometry for Majors I Credits: 5
- MA222 - Calculus and Analytic Geometry for Majors II Credits: 5
- MA223 - Calculus and Analytic Geometry for Majors III Credits: 3
• MA301 - Mathematical Thought Credits: 3
• MA302 - Ordinary Differential Equations Credits: 3
• MA311 - Linear Algebra Credits: 3
• MA312 - Abstract Algebraic Structures Credits: 3
• MA401 - Analysis Credits: 3
• CH107 - General Chemistry I Credits: 3
• CH107L - General Chemistry Laboratory I Credits: 1
• CH108 - General Chemistry II Credits: 3
• CH108L - General Chemistry Laboratory II Credits: 1
• PY205 - Introduction to Physics I Credits: 5
• PY206 - Introduction to Physics II Credits: 5
• PY275 - Engineering Statics Credits: 3
• AR382 - Drawing Systems I Credits: 3

At least four courses of the following 12 cr.

• MA305 - Probability Credits: 3
• MA350 - History of Mathematics Credits: 3
• MA360 - Modern Geometries Credits: 3
• MA370 - Number Theory Credits: 3
• MA380 - Mathematical Statistics Credits: 3
• MA402 - Topology Credits: 3
• MA406 - Special Topics in Mathematics Credits: 1-3

Electives 9 cr.

• 9 Elective hours will transfer back from the partner university to complete Park University degree requirements

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:
BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108,
CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*
Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

- EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.
Geography, B.S.

This program is part of the Air University Associates to Baccalaureate Cooperative (AU-ABC). Please review the AU-ABC website for further details.

Requirements For: B.S. Major – 34-40 Hours, 2.0 GPA

The skills obtained by studying geography make graduates in demand for a wide range of employment opportunities. The geography curriculum will prepare students for business and academics while encouraging lifelong learning skills. The link between geography and the world (cultural and physical) makes a varied list of careers. Geographic skills are essential to understanding physical patterns, human patterns, and Earth’s processes. These skills are important for anyone critically thinking about the global community. The Department of Natural and Physical Sciences welcomes partnerships with appropriate businesses and government agencies to place students into internship positions in their major or a related field. The Department of Natural and Physical Sciences actively encourages students to work in such internship positions and considers internships to be an integral part of the curriculum.

Core Curriculum 16 cr.

- GGH110 - Cultural Geography Credits: 3
- GGH200 - Geography of North America Credits: 3
- GGP115 - Physical Geography Credits: 4
- GGP120 - Global Sustainability Credits: 3
- GGP350 - GIS I Credits: 3

Major Electives: 18-24 cr.

At least six courses designated as GGH, GGP or GO; three courses (9 credits) must be 300-level or above

Required Minor: 18-24 cr.

Any of the minors offered by the university or successful completion of a second major.

*Only one course (3 credits) completed for the major requirements may also be counted as satisfying part of the minor requirements.

Capstone Assessment:

A capstone assessment is required to be completed during the first half of the final semester/term of coursework. The capstone assessment relates directly to the content of the program’s five core required courses and is designed to evaluate our graduating students’ abilities in regard to the program competencies. Students must contact the Geography Program Coordinator at the beginning of their final semester/term in order to make arrangements for completing this requirement.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106
Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS101, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.
Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206
Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements
Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Geographical Information Systems, Certificate**

**Requirements For: Certificate – 15 Hours, 2.5 GPA**

- GGP270 - Spatial Analysis **Credits:** 3
- GGP330 - Cartography **Credits:** 3
- GGP335 - Remote Sensing **Credits:** 3
- GGP350 - GIS I **Credits:** 3
- GGP355 - GIS II **Credits:** 3

**Graduation Requirements**

Park University confers Undergraduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 50% of the coursework completed at Park
- Earn a minimum cumulative GPA of 2.0* (for courses in the certificate)
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application for Graduation

*Individual departments may establish additional (or higher) requirements (refer to the Programs by Degree Type section of the catalog for program-specific requirements).

**Biology, Minor**

**Requirements For: Minor – 18 hours, 2.0 GPA**

18 hours must be from BIO courses

*For those students wishing to obtain a secondary teaching certificate in Biology, see also Bachelor of Science in Education.*

**Chemistry, Minor**
Requirements For: Minor - 18-20 Hours, 2.0 GPA

- CH107 - General Chemistry I Credits: 3
- CH107L - General Chemistry Laboratory I Credits: 1
- CH108 - General Chemistry II Credits: 3
- CH108L - General Chemistry Laboratory II Credits: 1
- 10-12 additional hours chosen from remaining chemistry coursework

Geographical Information Systems, Minor

The minor provides students interested in Geographical Information Systems (GIS) an opportunity to pursue their studies in this specialized field of geography. This rapidly growing technology is proving to become a needed job skill in this computer age in virtually all fields, especially those in Natural Sciences, Social Sciences and Business.

Requirements For: Minor – 21 Hours, 2.0 GPA

- GGP270 - Spatial Analysis Credits: 3
  or
- NS220 - Applied Statistics and Experimental Design Credits: 3
- GGP330 - Cartography Credits: 3
- GGP335 - Remote Sensing Credits: 3
- GGP350 - GIS I Credits: 3
- GGP355 - GIS II Credits: 3
- GGP450 - Internship in GIS Credits: 3
- IS205 - Managing Information Systems Credits: 3

Geography, Minor

The minor provides students interested in geography an opportunity to pursue their studies in the discipline. A variety of geography subjects are available and students may select courses in line with their specific academic and career goals.

Requirements For: Minor – 18 or more Hours, 2.0 GPA

A minimum of eighteen hours from any courses in Geography (GGH, GGP) can be taken to fulfill this requirement.

Geoscience, Minor

The minor provides students interested in the geosciences an opportunity to pursue their studies in physical geography/geology. A variety of geoscience subjects are available and students may select courses in line with their specific academic and career goals.

Requirements For: Minor – 18-20 Hours, 2.0 GPA
Complete 18-20 hours from the following courses:

- GGP115 - Physical Geography Credits: 4
- GGP205 - Meteorology Credits: 4
- GGP290 - Selected Topics in Physical Geography Credits: 1-4
- GGP335 - Remote Sensing Credits: 3
- GGP370 - Biogeography Credits: 3
- GGP390 - Special Topics in Physical Geography Credits: 1-4
- GO125 - Natural Disasters Credits: 3
- GO130 - Astronomy Credits: 4
- GO141 - Physical Geology Credits: 4
- GO151 - History of the Earth Credits: 4
- GO200 - Oceanography Credits: 4
- GO215 - Selected Topics in Geology Credits: 1-4
- GO300 - Dinosaurs Credits: 3
- GO310 - Sedimentology and Stratigraphy Credits: 4
- GO315 - Special Topics in Geology Credits: 1-4
- GO320 - Geomorphology Credits: 4
- GO330 - Paleobiology Credits: 4
  or
- BIO330 - Paleobiology Credits: 4

**Global Sustainability, Minor**

**Requirements For: Minor – 18-19 Hours, 2.0 GPA**

- GGH326 - Resources and People Credits: 3
- GGP120 - Global Sustainability Credits: 3
- GGP301 - Renewable Energy Technologies Credits: 3
- GGP340 - Environmental Planning Credits: 3

**Electives 6-8 cr.**

- BI111 - Environmental Biology Credits: 4
- BIO327 - Introductory Ecology and Evolution Credits: 4
- CH101 - Chemistry in the World Credits: 4
- GGP205 - Meteorology Credits: 4
- GGP345 - Land Use Planning Credits: 3
- GGP330 - GIS I Credits: 3
- GGP365 - Geography of Disease Credits: 3
- GGP370 - Biogeography Credits: 3
- GO125 - Natural Disasters Credits: 3
- GO151 - History of the Earth Credits: 4
- GO200 - Oceanography Credits: 4
- GO330 - Paleobiology Credits: 4
**Natural Science, Minor**

**Requirements For: Minor – 19 hours, 2.0 gpa**

This interdisciplinary minor is designed for students seeking a generalized knowledge of the natural and physical sciences. It is recommended for those not majoring in the sciences but who wish to gain a better appreciation for science and acquire a broad base of knowledge in biology, chemistry, and geoscience. It is also appropriate for those interested in teaching general science content, especially at the elementary level. A GPA of 2.0 or better is required.

At least one course from each of the following:

**Biology**

- BI101 - Biological Concepts **Credits:** 4
- BI111 - Environmental Biology **Credits:** 4
- BI210 - The Human Body **Credits:** 3
- BI214 - Personal and Community Health **Credits:** 3
- BI211 - Human Anatomy and Physiology I **Credits:** 4
- BIO221 - Zoology **Credits:** 4
- BIO225 - Botany **Credits:** 4

**Chemistry/Physics**

- CH101 - Chemistry in the World **Credits:** 4
- CH107 - General Chemistry I **Credits:** 3
- CH107L - General Chemistry Laboratory I **Credits:** 1
- PY101 - Physical World **Credits:** 3
- PY155 - Concepts of Physics I **Credits:** 4
- PY156 - Concepts of Physics II **Credits:** 4

**Geology/Geography**

- GGP115 - Physical Geography **Credits:** 4
- GGP205 - Meteorology **Credits:** 4
- GO130 - Astronomy **Credits:** 4
- GO141 - Physical Geology **Credits:** 4
- GO151 - History of the Earth **Credits:** 4
- GO200 - Oceanography **Credits:** 4

**Natural Science**

- NS220 - Applied Statistics and Experimental Design **Credits:** 3
- NS241 - Philosophy and History of Science **Credits:** 3
- NS304 - Science, Technology, and Society **Credits:** 3

**Urban and Regional Planning, Minor**
Requirements For: Minor – 18 hours, 2.0 GPA

Core: 12 cr.

- GGH323 - Urban Geography **Credits:** 3
- GGP340 - Environmental Planning **Credits:** 3
- GGP345 - Land Use Planning **Credits:** 3
- GGP350 - GIS I **Credits:** 3

Select 2 courses from different disciplines: 6 cr.

- AR390 - History of the Designed Environment: Mid-Nineteenth Century to the Present **Credits:** 3
- CA233 - Introduction to Leadership **Credits:** 3
- CA235 - Multicultural Communication **Credits:** 3
- CJ345 - Criminal Justice and the Community **Credits:** 3
- CJ233 - Introduction to Security **Credits:** 3
- EC309 - Economic Development **Credits:** 3
- EDU210 - The School as a Social System **Credits:** 3
- GGH140 - Economic Geography **Credits:** 3
- GGH326 - Resources and People **Credits:** 3
- GGP120 - Global Sustainability **Credits:** 3
- GGP270 - Spatial Analysis **Credits:** 3
- HC466 - Planning and Organizing Community Health Services **Credits:** 3
- LG312 - Transportation and Distribution Systems **Credits:** 3
- PA330 - Public Administration **Credits:** 3
- PA331 - Public Organizations **Credits:** 3
- PA333 - Public Management and Leadership **Credits:** 3
- PO340 - Public Policy **Credits:** 3
- SO303 - Urban Sociology **Credits:** 3
- SW325 - Human Diversity and Social Justice **Credits:** 3

Mathematics and Statistics

**Mathematics, B.S.**

Requirements For: B.S. Major – 40 hours, 2.0 gpa

Mathematics is both a body of knowledge concerning a class of symbols and the relation between them, as a system of thought and communication, as well as the application of that system to other areas of human experience. As a system of thought, it derives from philosophy and provides a language, which has particular beauty and clarity. Applied to other areas of human experience mathematics has provided great power and precision to a wide range of endeavors, and thereby has supplied an essential contribution to the rise of modern civilization. The study of mathematics prepares students for graduate studies in mathematics, related sciences, economics and business administration. Other options include beginning actuarial work, teaching at the secondary level and beginning work in the area of data processing. Third and fourth year MA courses will be determined in consultation with the student’s advisor.
Core Curriculum 31 cr.

- MA221 - Calculus and Analytic Geometry for Majors I Credits: 5
- MA222 - Calculus and Analytic Geometry for Majors II Credits: 5
- MA223 - Calculus and Analytic Geometry for Majors III Credits: 3
- MA301 - Mathematical Thought Credits: 3
- MA302 - Ordinary Differential Equations Credits: 3
- MA311 - Linear Algebra Credits: 3
- MA312 - Abstract Algebraic Structures Credits: 3
- MA401 - Analysis Credits: 3

At least four courses of the following: 12 cr.

- MA305 - Probability Credits: 3
- MA350 - History of Mathematics Credits: 3
- MA360 - Modern Geometries Credits: 3
- MA370 - Number Theory Credits: 3
- MA380 - Mathematical Statistics Credits: 3
- MA402 - Topology Credits: 3
- MA406 - Special Topics in Mathematics Credits: 1-3

Note:

**For those students wishing to teach Mathematics See also Bachelor of Science in Education

Secondary Education, Mathematics Concentration, B.S.E. – MAJOR 48-50 Hours
2.75 Core G.P.A.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206
Ethics Requirement 3 cr.

Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206
*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements
**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Mathematics, Minor**
Requirements For: Minor – 22 hours, 2.0 gpa

- MA221 - Calculus and Analytic Geometry for Majors I Credits: 5
- MA222 - Calculus and Analytic Geometry for Majors II Credits: 5
- MA223 - Calculus and Analytic Geometry for Majors III Credits: 3
- MA311 - Linear Algebra Credits: 3
- and two additional mathematics courses numbered at the 300 level or above.

Statistics, Minor

Requirements For: Minor – 19 hours, 2.0 GPA

This Statistics minor is under the Department of Mathematics and Statistics. Students should contact this department with any questions.

- MA120 - Basic Concepts of Statistics Credits: 3
- MA221 - Calculus and Analytic Geometry for Majors I Credits: 5
- MA222 - Calculus and Analytic Geometry for Majors II Credits: 5
- MA305 - Probability Credits: 3

Select one of the following: 3 cr.

- NS220 - Applied Statistics and Experimental Design Credits: 3
- MA380 - Mathematical Statistics Credits: 3
- PS307 - Statistics for Social Sciences Credits: 3
  or
- SO307 - Statistics for Social Sciences Credits: 3

History, Political Science, and Interdisciplinary Studies

History, B.A.

History affords the opportunity to appreciate the diversity of human encounters through the inquiry of one's own and other's cultures and societies as they have developed over time. The study of history is a meticulous intellectual discipline involving research techniques, problem solving, and the critical evaluation of evidence. Historians seek and critique what women and men of the past have left behind, what they have created, and what imprints they have left on the global society.

Requirements for: B.A. Major - 36 Hours, 2.75 G.P.A.

Students must obtain a minimum course grade of "C" to receive credit toward the major.

- HIS400 - Internship Credits: 3
- HIS453 - Senior Writing Capstone Credits: 3
- HIS107 - Historical Thought Credits: 3
Electives - 27 cr.

Complete 27 credits of HIS coursework.

- Select 18 credits (6 courses) at the 300 level
- Select 9 credits (3 courses) at the 200 level

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH410, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, 
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, 
GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, 
PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 CR.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer 
students)

**Upper Division Requirements 36 cr.**

36 hours of upper division (300 - 400 level) course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of 
Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, 
PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses 
designated in the catalog as "WI" (Writing Intensive), composed as follows:
• 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
• 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

**Modern Language Requirement**

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

**Elementary Level 8 cr.**

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

**Secondary Level 7 cr.**

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

**Intermediate Level 3 cr.**

FR201 or GE201 or SP201 or transfer equivalent

**Additional Requirements**

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

• Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor is required (some may be discipline specific as noted in the major).
• Satisfaction of all requirements for a major.
• Completion of the Liberal Education requirements.
• Completion of the degree specific requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.
Political Science, B.A.

The Bachelor's Degree in Political Science provides students with information and abilities to become participative citizens and cope with problems of modern politics. The degree also seeks to prepare well-rounded students for careers in the public sector and to prepare those who seek admission to graduate school. Analytical skills, especially critical thinking, are stressed in all courses. The Senior Thesis provides an opportunity for students to develop research skills.

Requirements For: B.A. Major - 36 Hours, 2.0 GPA

- PO200 - American National Government Credits: 3
- PO210 - Comparative Political Systems Credits: 3
- PO216 - International Relations Credits: 3
- PO220 - History of Political Philosophy Credits: 3
- PO310 - Parties and Elections Credits: 3
- PO320 - American Foreign Policy Credits: 3
- PO323 - Congress and the Presidency Credits: 3
- PO345 - International Organizations Credits: 3
- PO405 - Senior Thesis in Political Science Credits: 3

Select three of the following:

- PO201 - State and Local Government Credits: 3
- PO202 - Introduction to Law Credits: 3
- PO304 - Constitutional Law Credits: 3
- PO338 - Politics of the Developing World Credits: 3
- PO340 - Public Policy Credits: 3
- PO344 - War and Terrorism Credits: 3
- PO350 - Special Topics in Politics Credits: 3
- PO450 - Internship Credits: 3

Graduation Requirements

Student Seminar 3 CR.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Requirements 36 cr.

36 hours of upper division (300 - 400 level) course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.
EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

**Elementary Level 8 cr.**

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

**Secondary Level 7 cr.**

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

**Intermediate Level 3 cr.**

FR201 or GE201 or SP201 or transfer equivalent

Additional Requirements

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor is required (some may be discipline specific as noted in the major).
- Satisfaction of all requirements for a major.
- Completion of the Liberal Education requirements.
• Completion of the degree specific requirements.

• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.

• Submission of an Application for Graduation.

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:
AR115, AR215, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Interdisciplinary Studies, B.S.**

This program is part of the Air University Associates to Baccalaureate Cooperative (AU-ABC). Please review the AU-ABC website for further details.

**Requirements For: B.S. Major – 42-45 hours, 2.0 gpa**

The Interdisciplinary Studies major allows the student to develop a major by combining two different disciplines. For the purpose of declaring a program of study, different disciplines are defined as the combination of offerings from two different major schools or departments. This affords students the flexibility to design their own degree while making an efficient use of courses they have accumulated. It requires the combination of two minor degrees of study: one that is listed in the catalog and another one either listed in the catalog or a Personal Body of Knowledge constructed by the student out of a set of courses.

**Core Requirement:**

- Minor One - one minor as described in the University catalog **Credits: 18-21**

- Minor Two - one minor as described in the University catalog **Credits: 18**
  or

- A personal minor field of study constructed by the student and approved by both the Program Coordinator of Interdisciplinary Studies AND Chair of the Department or Associate Dean of the School/College most closely associated with the content of that field. Students wanting to complete
a personal field of study as part of their Interdisciplinary Studies degree should send a list of the courses they have completed/will complete towards the personal field of study and supply a justification for it to the Program Coordinator, who will evaluate the personal field of study and forward it to the Chair/Associate Dean whose Department/School most closely matches the field of study. The Program Coordinator and Chair/Associate Dean will either (1) approve, (2) disapprove, or (3) require additional courses.

Credits: 18

- LE310 - Introduction to Interdisciplinary Studies Credits: 3

- LE400 - Senior Project in Interdisciplinary Studies Credits: 3

or

- LE410 - Advanced Interdisciplinary Research Credits: 3

Program Competencies:

The student with integrative and interdisciplinary thinking will possess the ability to make connections across courses and connect coursework to his/her academic, professional, and civic lives. The student will be able to consider problems from several different perspectives and develop and test his/her holistic understanding of an issue, evaluate how various disciplines would conceive of solutions, and relate his/her learning to issues outside of academia.

1. Demonstrate an understanding of disciplinary content in its own context and in relationship to the issues, questions, and positions of at least one other discipline.
2. Compare and contrast points of view and scholarly materials coming from different disciplines, in formulating a new thesis or position.
3. Synthesize diverse perspectives derived from coursework and other professional experience to achieve an interdisciplinary understanding of an issue or problem.
4. Explain and evaluate methodological approaches and theoretical foundations of at least two disciplines, as they pertain to dealing with real-world problems or issues.
5. Use professional experiences and academic coursework to attain professional employment.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108,
CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP210, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*
Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.
Military History, B.S.

Requirements For: B.S. Major – 36 hours, 2.75 GPA

Park University’s Mission and Vision statement includes access to academic excellence to prepare students to think critically, communicate effectively, and engage in lifelong learning while serving in a global community. The military history degree will provide students access to academic excellence through the study of military aspects of History.

- Synthesize interdisciplinary content as it relates to Military History
- Compare and contrast disparate scholarly views of Military History
- Analyze interdisciplinary theory related to Military History
- Integrate Military History into the larger historical backdrop
- HIS108 - Introduction to Military History Credits: 3
- HIS241 - Ancient Warfare Credits: 3
- HIS242 - Medieval Warfare Credits: 3
- HIS243 - Modern Warfare Credits: 3
- HIS300 - American Military History, 1607-1902 Credits: 3
- HIS301 - American Military History, 1900-Present Credits: 3
- HIS302 - War and Technology Credits: 3
- HIS303 - War, Ethics, and Morality Credits: 3
- HIS310 - War, Culture, and Society Credits: 3
- HIS441 - Military Thought I Credits: 3
- HIS442 - Military Thought II Credits: 3
- HIS453 - Senior Writing Capstone Credits: 3
- HIWREX Written Comprehensive Exam

- GGH203 - Geography of Europe Credits: 3
- GGH204 - Geography of Asia Credits: 3
- GGH206 - Geography of the Middle East Credits: 3
- GGH305 - Geography of Russia Credits: 3

History

- HIS211 - The Great War: 1914-1918 Credits: 3
- HIS332 - World War II Credits: 3
- HIS335 - Modern Germany Credits: 3
- HIS336 - The Long 19th Century Credits: 3
- HIS337 - Modern Europe Credits: 3

Global/international humanities electives

- AR216 - Art History II Credits: 3
- AR317 - World Art Credits: 3
- CA235 - Multicultural Communication Credits: 3
- ML235 - Survey of European Literature Credits: 3
- ML315 - Selected Topics in Literature and Culture Credits: 3
- MU260 - Introduction to Music Credits: 3
- PC315 - Global Peace Issues Credits: 3
• RE109 - World Religions Credits: 3

Note:
*Course has prerequisites

**History, Minor**

Requirements For: Minor – 18 hours, 2.75 gpa

• HIS One course from each area of concentration Credits: 18
  One 100 level course (100-199)
  Two 200 level courses (200-299)
  Three 300 level courses (300-399)

**Legal Studies, Minor**

Requirements For: Minor – 18 hours, 2.5 gpa

• PO200 - American National Government Credits: 3
• PO202 - Introduction to Law Credits: 3
• PO304 - Constitutional Law Credits: 3
• PO323 - Congress and the Presidency Credits: 3
• PO450 - Internship Credits: 3
• PH103 - Fundamentals of Logic Credits: 3

**Military History, Minor**

Requirements For: Minor - 18 Hours, 2.75 GPA

• HIS252 - The History of Warfare Credits: 3
• HIS200 - The History of Military Thought Credits: 3
• HIS330 - U.S. Military History Credits: 3
• GGH310 - Geography of Terrorism Credits: 3
• SO318 - Military Sociology Credits: 3
• PO344 - War and Terrorism Credits: 3

**Military Science, Minor**

This minor is only open to ROTC students.

Requirements for: Minor - 20 Hours, 2.0 GPA

• MI302 - Leadership Practicum V Credits: 2
• MI312 - Leadership Practicum VI Credits: 2
Military Studies, Minor

Requirements For: Minor – 18 hours, 2.0 gpa

- HIS211 - The Great War: 1914-1918 Credits: 3
- HIS330 - U.S. Military History Credits: 3
- HIS332 - World War II Credits: 3
- PO320 - American Foreign Policy Credits: 3
- Plus additional Hours from electives and/or Military Service Credit Credits: 6

Philosophy, Minor

Requirements For: Minor – 18 hours, 2.75 gpa

6 hours from:

- PH101 - Introduction to Philosophical Thinking Credits: 3
- PH102 - Introduction to Ethical Thinking Credits: 3
- PH103 - Fundamentals of Logic Credits: 3

12 additional hours in Philosophy

12 additional hours in Philosophy, of which 9 credit hours must be at the 200 level or higher.

Political Science, Minor

Requirements For: Minor – 18 hours, 2.0 gpa

- PO200 - American National Government Credits: 3
- PO210 - Comparative Political Systems Credits: 3
- plus twelve additional hours in Political Science.

Master of Arts, National Security Studies, M.A.

Park University's M.A. in National Security Studies prepares students for work as analysts, policymakers, and scholars focused on security issues in the 21st Century. Students are required to complete 36 hours of graduate coursework culminating with the production of a research thesis.
Required For: Master - 36 Hours, 3.0 GPA

- PO500 - International Relations Theory Credits: 3
- PO501 - US National Security Policy Credits: 3
- PO510 - Research Methods Credits: 3
- PO515 - Security Studies Credits: 3
- PO530 - International Law and Security Credits: 3
- PO550 - Regional Security Issues Credits: 3

Select One

Students have two options for completion of the required 36 credit hours:

Thesis Option 18 cr.

- PO600 - Thesis Credits: 3
- PO601 - Thesis II Credits: 3

Electives

Select four of the following:

- PO505 - Arms Control and Disarmament Credits: 3
- PO520 - Terrorism and Unconventional Warfare Credits: 3
- PO525 - Geoeconomics and Environmental Security Credits: 3
- PO535 - Cybersecurity Credits: 3
- PO540 - Future War Credits: 3
- PO545 - Intelligence Collection and Analysis Credits: 3
- PO551 - Insurgency and Counter-Insurgency in a Social Context Credits: 3
- PO555 - Doctrine and Grand Strategy Credits: 3

Non-Thesis Option 18 cr.

Select six of the following:

- PO505 - Arms Control and Disarmament Credits: 3
- PO520 - Terrorism and Unconventional Warfare Credits: 3
- PO525 - Geoeconomics and Environmental Security Credits: 3
- PO535 - Cybersecurity Credits: 3
- PO540 - Future War Credits: 3
- PO545 - Intelligence Collection and Analysis Credits: 3
- PO551 - Insurgency and Counter-Insurgency in a Social Context Credits: 3
- PO555 - Doctrine and Grand Strategy Credits: 3

Exit exam for non-thesis option

- Comprehensive exam
Graduation Requirements

Park University grants the Master of Arts degrees upon completion of the following requirements:

- Completion of a minimum of 36 semester hours.
- Successful completion of Comprehensive Exam.
- Cumulative GPA of 3.0 for Park University courses.
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of all earned credit with no more than 2 grades of C earned.
- Submission of an Application for Graduation.

Robert W. Plaster School of Business

College of Management: Robert W. Plaster School of Business

The Robert W. Plaster School of Business provides a full spectrum of business-oriented fields all designed to provide quality, innovative, application-based learning in support of graduates who can enable and sustain free enterprise throughout the global community. The world class faculty supervise all academic requirements for the entire spectrum of courses shown in the business fields below.

The Robert W. Plaster School of Business academic programs are accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

Healthcare Administration, General B.S.

Healthcare Administration, B.S.

The healthcare administration major is designed to prepare students for entry level positions within healthcare and related industries and to provide the foundational competencies necessary to academically excel in graduate school. The curriculum stresses the development of the soft management skills and is designed to give the students practical knowledge, skills, and the ability to perform in variety of healthcare administration functions with a multitude of business structures and industries. Graduates in healthcare administration typically find jobs in hospitals, healthcare systems, outpatient care centers, group physician practices, clinics, private health insurance companies, federal and state health insurance providers, governmental public health agencies, long-term care facilities, home health organizations, pharmacies, medical equipment manufacturers, healthcare marketing agencies, healthcare research organizations, and rehabilitation centers. A number of students with this major move into graduate study of healthcare administration.
Requirements For: B.S. Major - 63-69 Hours, 2.0 GPA

Healthcare Administration Core 36 CR.

- HC251 - Healthcare Accounting and Billing Credits: 3
- HC252 - US Healthcare Delivery Systems Credits: 3
- HC261 - Legal and Ethical Issues in Healthcare Delivery Credits: 3
- HC262 - Introduction to Statistics in Healthcare Administration Credits: 3
- HC263 - Introduction to Healthcare Economics and Policy Credits: 3
- HC351 - Organization and Administration of Healthcare Programs Credits: 3
- HC352 - Business Communications in Healthcare Administration Credits: 3
- HC353 - Basic Healthcare Administration Budgeting and Finance Credits: 3
- HC354 - Healthcare Information Technology Credits: 3
- HC355 - Introduction to Healthcare Organizational Behavior and Management Credits: 3
- HC356 - Introduction to Healthcare Human Resources Management Credits: 3
- HC491 - Senior Seminar in Healthcare Management Credits: 3

Additional Required Support Courses Outside Major 6-9 CR

- IS141 - Applied Computer Technology for Business Credits: 3
- MA171 - Finite Mathematics Credits: 3
- MA125 or an acceptable score on the ACT/SAT or math placement exam is required in order to register for MA171. Students who have not met the minimum score on the placement exam or ACT/SAT exam are required to complete MA125. Credits: 3

Concentrations

All students complete all core courses to provide a curricular foundation. The general BSHA program offers the flexibility to tailor electives to the student’s professional interests. Ample formal concentration choices allow for a chosen focus, including finance, human resources management, logistics, and project management. Students may choose from one of the available concentrations or complete 21 hours of Healthcare Administration electives.

Concentrations include:

General

Human Resource Management

Logistics

Project Management

Healthcare Administration Electives 21 CR.

Select 7 of the following courses:

- AC380 - Cost Accounting Credits: 3
- EC141 - Principles of Macroeconomics Credits: 3
- EC142 - Principles of Microeconomics Credits: 3
• EC303 - Money, Credit and Banking Credits: 3
• FI325 - Risk and Insurance Credits: 3
• FI410 - Problems in Corporate Finance Credits: 3
• FI415 - Financial Analysis and Planning Credits: 3
• FI417 - Investment Analysis and Management Credits: 3
• FI425 - Principles of Real Estate Credits: 3
• IB431 - International Finance Credits: 3
• IS205 - Managing Information Systems Credits: 3
• IS310 - Business Applications Credits: 3
• HC353 - Basic Healthcare Administration Budgeting and Finance Credits: 3
• HC400 - Special Topics in Healthcare Management Credits: 1-3
• HC451 - Healthcare and the Political Process Credits: 3
• HC461 - The Hospital and the Community Credits: 3
• HC465 - Basic Issues in Community Based Healthcare Delivery Credits: 3
• HC466 - Planning and Organizing Community Health Services Credits: 3
• HC467 - Principles of Risk Management and Patient Safety Credits: 3
• HC468 - Statistical Analysis of the Electronic Health Record Credits: 3
• HC469 - Evidence-Based Management in Healthcare Settings Credits: 3
• HR353 - Introduction to Human Resource Management Credits: 3
• HR355 - Planning and Staffing Credits: 3
• HR357 - Employment Law Credits: 3
• HR422 - Organizational Development and Change Credits: 3
• HR434 - Compensation Management Credits: 3
• HR491 - Senior Seminar in Human Resource Development Credits: 3
• LG201 - Systems Engineering and Analysis Credits: 3
• LG305 - International Logistics Credits: 3
• LG312 - Transportation and Distribution Systems Credits: 3
• LG324 - Contract Management and Law Credits: 3
• LG400 - Logistics Internship Credits: 3-6
• LG415 - Quality Control Credits: 3
• LG424 - Purchasing and Vendor Management Credits: 3
• LG426 - Logistics Management Credits: 3
• LG490 - Special Topics in Logistics Credits: 3
• MG375 - Production and Operations Management Credits: 3
• MG401 - Senior Seminar in Management Credits: 3
• MG450 - Project Management Credits: 3
• MK351 - Principles of Marketing Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.
Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FL201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor for Geography, B.S. and Information Systems, B.S. majors.
• Satisfaction of all requirements for a major.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

**Healthcare Administration, Human Resource Management Concentration, B.S.**

Healthcare Administration, Human Resource Management Concentration, B.S. Locations

**Healthcare Administration, B.S.**

The healthcare administration major is designed to prepare students for entry level positions within healthcare and related industries and to provide the foundational competencies necessary to academically excel in graduate school. The curriculum stresses the development of the soft management skills and is designed to give the students practical knowledge, skills, and the ability to perform in variety of healthcare administration functions with a multitude of business structures and industries. Graduates in healthcare administration typically find jobs in hospitals, healthcare systems, outpatient care centers, group physician practices, clinics, private health insurance companies, federal and state health insurance providers, governmental public health agencies, long-term care facilities, home health organizations, pharmacies, medical equipment manufacturers, healthcare marketing agencies, healthcare research organizations, and rehabilitation centers. A number of students with this major move into graduate study of healthcare administration.

**Requirements For: B.S. Major - 63-69 Hours, 2.0 GPA**

**Healthcare Administration Core 36 CR.**

- HC251 - Healthcare Accounting and Billing **Credits:** 3
- HC252 - US Healthcare Delivery Systems **Credits:** 3
- HC261 - Legal and Ethical Issues in Healthcare Delivery **Credits:** 3
- HC262 - Introduction to Statistics in Healthcare Administration **Credits:** 3
- HC263 - Introduction to Healthcare Economics and Policy **Credits:** 3
- HC351 - Organization and Administration of Healthcare Programs **Credits:** 3
- HC352 - Business Communications in Healthcare Administration **Credits:** 3
- HC353 - Basic Healthcare Administration Budgeting and Finance **Credits:** 3
- HC354 - Healthcare Information Technology **Credits:** 3
- HC355 - Introduction to Healthcare Organizational Behavior and Management **Credits:** 3
- HC356 - Introduction to Healthcare Human Resources Management **Credits:** 3
- HC491 - Senior Seminar in Healthcare Management **Credits:** 3

**Additional Required Support Courses Outside Major 6-9 CR**

- IS141 - Applied Computer Technology for Business **Credits:** 3
- MA171 - Finite Mathematics **Credits:** 3
• MA125 or an acceptable score on the ACT/SAT or math placement exam is required in order to register for MA171. Students who have not met the minimum score on the placement exam or ACT/SAT exam are required to complete MA125. **Credits: 3**

**Concentrations**

All students complete all core courses to provide a curricular foundation. The general BSHA program offers the flexibility to tailor electives to the student's professional interests. Ample formal concentration choices allow for a chosen focus, include finance, human resources management, logistics, and project management. Students may choose from one of the available concentrations or complete 21 hours of Healthcare Administration electives.

Concentrations include:

General

Human Resource Management

Logistics

Project Management

**Human Resource Management 24 CR.**

This program focuses on the study of organizations and the use of personnel as a primary institutional resource. Emphasis is placed on a behavioral science/management approach in which the understanding of individual behavior and group processes is combined with the techniques of the management of personnel within an organization. This interdisciplinary approach draws from the fields of Management, Social Psychology, and Organization Behavior to create the skills in interpersonal and intergroup relations.

• HR353 - Introduction to Human Resource Management **Credits: 3**
• HR355 - Planning and Staffing **Credits: 3**
• HR357 - Employment Law **Credits: 3**
• HR434 - Compensation Management **Credits: 3**
• HR491 - Senior Seminar in Human Resource Development **Credits: 3**

**Business Electives 9 CR.**

Choice of 3 business electives at the 300-400 level with no more than 2 classes from the same program with the exception of Human Resource Management, and to include

• IS310 Business Applications **Credits: 3**

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**
Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ample formal concentration choices allow for a chosen focus, include finance, human resources management, logistics, and project management. Students may choose from one of the available concentrations or complete 21 hours of Healthcare Administration electives.

Concentrations include:

- General
- Human Resource Management
- Logistics
- Project Management

**Project Management 21 CR.**

The Project Management concentration will help students become proficient in the skills and processes essential to project management and prepare them to sit for the Project Management Certification Exam. Project Managers are skilled professionals tasked with the job of making sure that a project is completed well, on budget and on time.

- AC380 - Cost Accounting Credits: 3
- FI415 - Financial Analysis and Planning Credits: 3
- HR353 - Introduction to Human Resource Management Credits: 3
- HR422 - Organizational Development and Change Credits: 3
- MG401 - Senior Seminar in Management Credits: 3
- MG375 - Production and Operations Management Credits: 3
- MG450 - Project Management Credits: 3

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208
Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH131L and CH131, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.
Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206
*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.
Select two of the following:
Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

Healthcare, Minor

Requirements For: Business Minor – 18 Hours, 2.0 GPA

• HC351 - Organization and Administration of Healthcare Programs Credits: 3
• HC451 - Healthcare and the Political Process Credits: 3
• HC461 - The Hospital and the Community Credits: 3
• HC465 - Basic Issues in Community Based Healthcare Delivery Credits: 3
• HR353 - Introduction to Human Resource Management Credits: 3

One course from the following

• HC261 - Legal and Ethical Issues in Healthcare Delivery Credits: 3
• HC466 - Planning and Organizing Community Health Services Credits: 3
• HC467 - Principles of Risk Management and Patient Safety Credits: 3
• MG375 - Production and Operations Management Credits: 3

Requirements For: NonBusiness Minor - 21 Hours, 2.0 GPA

• AC201 - Principles of Financial Accounting Credits: 3
• HC261 - Legal and Ethical Issues in Healthcare Delivery Credits: 3
• HC351 - Organization and Administration of Healthcare Programs Credits: 3
• HC451 - Healthcare and the Political Process Credits: 3
• HC461 - The Hospital and the Community Credits: 3
• HC465 - Basic Issues in Community Based Healthcare Delivery Credits: 3

One course from the following

• HC466 - Planning and Organizing Community Health Services Credits: 3
• HC467 - Principles of Risk Management and Patient Safety Credits: 3
• HR353 - Introduction to Human Resource Management Credits: 3
• MG375 - Production and Operations Management Credits: 3

4+1 Undergraduate to M.B.A.

The 4+1 MBA Program allows undergraduate students in business (all majors) with at least 60 undergraduate credit hours and a cumulative grade point average of 3.0 on a 4.0 scale to take graduate coursework in the Master of Business Administration, M.B.A. program, which will not only count towards
fulfilling their undergraduate degree requirements, but will also count toward the completion of the MBA program. Qualified students may take up to 12 credit hours (4 courses) from the MBA curriculum, which will reduce the time necessary to complete the graduate degree from two years to as little as one year following the completion of the undergraduate degree (see table below).

The admission criteria for participation in the 4+1 Undergraduate to MBA program are as follows:

- Students must have completed 60 undergraduate credit hours toward their baccalaureate degree.
- Students must maintain a cumulative undergraduate GPA of 3.0 on a 4.0 scale while taking MBA courses.

Health Services Management and Leadership, Graduate Certificate

Up-to-date knowledge and skills in the administration and leadership of health care services are critical in today's constantly and rapidly changing environment. The Graduate Certificate in Health Services Management and Leadership, housed in the Robert W. Plaster School of Business within the College of Management, prepares students and practicing healthcare leaders to enhance their professional skills to meet new healthcare policy and practice challenges. The program focuses on critical thinking and problem solving in today's healthcare environment.

Requirements For: Certificate - 12 Hours, 3.0 GPA

Foundation Courses 6 cr.

- HA511 - Leadership and Management in Healthcare Systems Credits: 3
- HA518 - Organization of Healthcare Delivery Systems Credits: 3

Theory Integration Courses 6 cr.

Select two of the following:

- HA509 - Management of Health Information Systems Credits: 3
- HA515 - Marketing and Consumer Driven Healthcare Credits: 3
- HA516 - Healthcare Finance Credits: 3
- HA517 - Legal and Ethical Issues in Healthcare Administration Credits: 3
- HA521 - Special Topics in Healthcare Administration Credits: 1-3
- HA532 - Healthcare Services and Systems for Diverse Populations Credits: 3
- HA533 - Managerial Epidemiology Credits: 3
- HA537 - Health Policy and Politics Credits: 3
- HA557 - Nursing Dimensions of Healthcare Administration Credits: 3
- HA573 - Quality Improvement and Outcomes Assessment in Healthcare Settings Credits: 3
- HA603 - Healthcare Research Methods for Managerial Decision-Making Credits: 3
- HA604 - Healthcare Economics and Policy Credits: 3
- HA611 - Mediation, Negotiation and Conflict Management Credits: 3
- HA615 - Healthcare Strategic Management Credits: 3

Graduation Requirements

Park University confers Graduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 75% of the coursework completed at Park
• Earn a minimum cumulative GPA of 3.0* (for courses in the certificate)
• Completion of coursework with no more than 2 grades of C earned at Park University
• Meet all requirements of the specific program as outlined in this catalog
• Submission of an Application for Graduation
*Individual departments may establish additional (or higher) requirements (refer to the program-specific requirements).

**Management Information Systems, Graduate Certificate**

The Graduate Certificate in Management Information Systems is in the Robert W. Plaster School of Business which is housed within the College of Management. This certificate is designed to give students an in-depth exposure to varying information systems and how these technologies are leveraged to alter organizational structures, improve workflow, and influence a firm’s culture. In addition, the curriculum will allow students to analyze potential security and privacy risks associated with corporate information and how best to mitigate these concerns through administrative, technical, and physical safeguards. The students will be exposed to concepts and applications of data analytics, the big data life cycle, and those processes associated with project management as they pertain to system architecture and a firm’s ability to answer complicated business questions.

**Requirements For: Certificate - 12 Hours, 3.0 GPA**

**Core Requirement 12 cr.**

- MIS603 - Information Security and Risk Management **Credits:** 3
- MIS605 - Management Information Systems **Credits:** 3
- MIS609 - Database Management Systems **Credits:** 3
- MIS614 - Data Analysis and Business Analytics **Credits:** 3

**Graduation Requirements**

Park University confers Graduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 75% of the coursework completed at Park
- Earn a minimum cumulative GPA of 3.0* (for courses in the certificate)
- Completion of coursework with no more than 2 grades of C earned at Park University
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application for Graduation
*Individual departments may establish additional (or higher) requirements (refer to the program-specific requirements).

**Master of Healthcare Administration, Business Analytics Concentration, M.H.A.**

Master of Healthcare Administration M.H.A.
The Master of Healthcare Administration (MHA) program is in the School of Business which is housed within the College of Management and is designed for those individuals who are currently, or who aspire to be, leaders in a variety of health settings. Today’s health organizations need administrators who can manage the current components of healthcare, as well as lead the health sector in new directions. The MHA program offers students the opportunity to understand and master the organizational, legal, financial, political and managerial aspects of health systems management. The MHA program offers a unique curriculum that is designed specifically to meet the career needs of future health leaders.

**Vision**

The Master of Healthcare Administration program is designed to prepare learners for the challenges of a global society, including utilization of innovative approaches to managing and leading, solving complex problems, and adhering to the ethical and professional standards of the healthcare system.

**Mission**

The Master of Healthcare Administration program provides healthcare administrators the tools to ensure efficient and effective delivery of quality health-related products and services to diverse communities.

**Program Goals**

The graduates will consistently be able to:

- Formulate a communication strategy that will cultivate professional relationships amongst a diverse group of stakeholders in order to achieve cooperation, promote teamwork, demonstrate respect, and maintain a competitive advantage in the market place.
- Assess the level of professionalism necessary to succeed in the highly dynamic and demanding industry by maintaining personal and professional accountability, engaging in ongoing professional development, and demonstrating a commitment to the welfare of the facility/organization, surrounding community and the profession.
- Demonstrate the ability to function autonomously and take responsibility for managing a diverse group of professionals within a highly complex and changing healthcare environment.
- Develop a clear and achievable organizational vision for the future which promotes the entrepreneurial spirit and contributes to the formation of a culture and climate that embraces change in order to achieve excellence in product and service delivery.
- Assess the healthcare environment and its constructs in order to pinpoint industry risks and opportunities, and then actively contribute to viable strategy formulation that effectively leverages internal competencies to achieve organizational success.
- Synthesize relevant internal and external data in order to position complex organizations for fiscal and operational success, despite existing barriers, in order to maintain a strong competitive advantage within a dynamic and demanding industry.
- Demonstrate advanced problem solving skills in the construction of viable and ethical solutions to complex issues that may negatively impact product and service delivery.

**Admission Requirements**

See Admissions Policies and Procedures for further details.

- A bachelor's degree from an acceptable accredited United States institution or the equivalent from a foreign institution.
• A minimum of a 2.75 cumulative grade point average on a 4.0 scale in the bachelor’s degree.
• Submission of official transcripts is required (except for Park University alumni).
• Students with a cumulative grade point average below 2.75 may be considered for probationary admission. Submission of additional documentation may be requested by the Program Director.  

Note: The only admission requirements waived for Park University alumni are the application fee and submission of official transcripts.

For more information regarding the Master of Healthcare Administration program, please visit www.park.edu/mha.

Sequential Degree

This program is a participant of the Sequential Degree option.

Format and Delivery of Courses

• Online: Courses in the MHA program are predominantly online. Students may meet all course requirements through an online format.
• Blended: All ground courses are offered using a blended delivery format. This means that each weekly class session includes a physical classroom and an online component. In this format, students are expected to complete assigned readings, review supplemental materials, and complete certain assignments prior to the class session. During the class sessions, the instructors will facilitate in-class activities that promote collaborative learning and provide opportunities to apply learned concepts.

Requirements For: Master - 36 Hours, 3.0 GPA

Core Curriculum 24 cr.

• HA518 - Organization of Healthcare Delivery Systems Credits: 3  
  (recommended first class)
• HA509 - Management of Health Information Systems Credits: 3
• HA516 - Healthcare Finance Credits: 3
• HA517 - Legal and Ethical Issues in Healthcare Administration Credits: 3
• HA604 - Healthcare Economics and Policy Credits: 3
• HA605 - Healthcare Organizational Behavior and Leadership Credits: 3
• HA612 - Healthcare Operations Management Credits: 3

Capstone Course

• HA616 - Healthcare Strategic Management and Marketing Credits: 3

Concentrations

Students complete all core courses to provide a curricular foundation. The general MHA program offers the flexibility to tailor electives to the student’s professional interests. Ample formal concentration choices allow for a chosen focus. In lieu of the general MHA, students may select one of the following concentrations:

• Business Analytics Concentration
• Disaster and Emergency Management Concentration
• Finance Concentration
• General Concentration
• Human Resource Management Concentration
• Innovation and Quality Management Concentration
• Management Accounting Concentration
• Management Information Systems Concentration
• Marketing Concentration
• Nonprofit Management Concentration
• Project Management Concentration

Business Analytics

Core Requirement 12 cr.

• CIS607 - Survey of Predictive Analytical Techniques Credits: 3
• CIS609 - Data Visualization Credits: 3
• HA607 - Data Analytics in Healthcare Administration Credits: 3
• MIS605 - Management Information Systems Credits: 3

Graduation Requirements

Park University confers the Master of Healthcare Administration degrees at selected locations when a candidate has satisfied the following conditions:

• Completion of a minimum of 36 semester hours.
• Cumulative GPA of 3.0 for Park University courses.
• Satisfaction of all requirements for a major as outlined in this catalog.
• Completion of all earned credit with no more than 2 grades of C earned.
• Submission of an Application for Graduation.

During the class sessions, the instructors will facilitate in-class activities that promote collaborative learning and provide opportunities to apply learned concepts.

Requirements For: Master - 36 Hours, 3.0 GPA

Core Curriculum 24 cr.

- HA518 - Organization of Healthcare Delivery Systems Credits: 3 (recommended first class)
- HA509 - Management of Health Information Systems Credits: 3
- HA516 - Healthcare Finance Credits: 3
- HA517 - Legal and Ethical Issues in Healthcare Administration Credits: 3
- HA604 - Healthcare Economics and Policy Credits: 3
- HA605 - Healthcare Organizational Behavior and Leadership Credits: 3
- HA612 - Healthcare Operations Management Credits: 3

Capstone Course

- HA616 - Healthcare Strategic Management and Marketing Credits: 3

Concentrations

Students complete all core courses to provide a curricular foundation. The general MHA program offers the flexibility to tailor electives to the student's professional interests. Ample formal concentration choices allow for a chosen focus. In lieu of the general MHA, students may select one of the following concentrations:

- Business Analytics Concentration
- Disaster and Emergency Management Concentration
- Finance Concentration
- General Concentration
- Human Resource Management Concentration
- Innovation and Quality Management Concentration
- Management Accounting Concentration
- Management Information Systems Concentration
- Marketing Concentration
- Nonprofit Management Concentration
Project Management Concentration

Finance Concentration

The Finance concentration provides graduates with broad professional competence and skills for careers in executive positions at financial institutions and other organizations. This concentration offers students extensive understanding of core skillsets in financial modeling, debt and equity issues, valuation, mergers and acquisitions, financial planning, risk management, financial reporting and analysis, and taxation necessary for modern corporate finance positions and consulting. By incorporating critical strategies and techniques in areas such as investment and commercial banks, financial, general management consulting, venture capital and private equity firms, and corporate finance within 500 large-cap companies, graduates are primed for financial challenges in national and international arenas. This concentration allows students to tailor their program to their professional goals and prepare them for career opportunities such as:

- **Investment Management.** Prepares candidates for a career as a security analyst, money manager, brokerage firm analyst, insurance company representative or other financial job function.
- **Corporate Financial Management.** Prepares candidates to be financial managers with responsibilities in risk management, strategic planning, budgeting, financial forecasting, cash management, credit administration, investment analysis and funds procurement.

**Core Requirement 12 cr.**

- FIN621 - Advanced Corporate Finance **Credits: 3**
- FIN625 - International Finance **Credits: 3**
- FIN640 - Investment Management **Credits: 3**
- FIN644 - Financial Markets and Institutions **Credits: 3**

**Graduation Requirements**

Park University confers the Master of Healthcare Administration degrees at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 36 semester hours.
- Cumulative GPA of 3.0 for Park University courses.
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of all earned credit with no more than 2 grades of C earned.
- Submission of an Application for Graduation.

**Master of Healthcare Administration, General Concentration, M.H.A.**

**Master of Healthcare Administration M.H.A.**

The Master of Healthcare Administration (MHA) program is in the School of Business which is housed within the College of Management and is designed for those individuals who are currently, or who aspire to be, leaders in a variety of health settings. Today’s health organizations need administrators who can manage the current components of healthcare, as well as lead the health sector in new directions. The MHA program offers students the opportunity to understand and master the organizational, legal, financial, political and
managerial aspects of health systems management. The MHA program offers a unique curriculum that is
designed specifically to meet the career needs of future health leaders.

Vision

The Master of Healthcare Administration program is designed to prepare learners for the challenges of a
global society, including utilization of innovative approaches to managing and leading, solving complex
problems, and adhering to the ethical and professional standards of the healthcare system.

Mission

The Master of Healthcare Administration program provides healthcare administrators the tools to ensure
efficient and effective delivery of quality health-related products and services to diverse communities.

Program Goals

The graduates will consistently be able to:

- Formulate a communication strategy that will cultivate professional relationships amongst a
diverse group of stakeholders in order to achieve cooperation, promote teamwork, demonstrate
respect, and maintain a competitive advantage in the market place.
- Assess the level of professionalism necessary to succeed in the highly dynamic and demanding
industry by maintaining personal and professional accountability, engaging in ongoing professional
development, and demonstrating a commitment to the welfare of the facility/organization,
surrounding community and the profession.
- Demonstrate the ability to function autonomously and take responsibility for managing a diverse
group of professionals within a highly complex and changing healthcare environment.
- Develop a clear and achievable organizational vision for the future which promotes the
entrepreneurial spirit and contributes to the formation of a culture and climate that embraces
change in order to achieve excellence in product and service delivery.
- Assess the healthcare environment and its constructs in order to pinpoint industry risks and
opportunities, and then actively contribute to viable strategy formulation that effectively leverages
internal competencies to achieve organizational success.
- Synthesize relevant internal and external data in order to position complex organizations for fiscal
and operational success, despite existing barriers, in order to maintain a strong competitive
advantage within a dynamic and demanding industry.
- Demonstrate advanced problem solving skills in the construction of viable and ethical solutions to
complex issues that may negatively impact product and service delivery.

Admission Requirements

See Admissions Policies and Procedures for further details.

- A bachelor’s degree from an acceptable accredited United States institution or the equivalent from
  a foreign institution.
- A minimum of a 2.75 cumulative grade point average on a 4.0 scale in the bachelor’s degree.
- Submission of official transcripts is required (except for Park University alumni).
- Students with a cumulative grade point average below 2.75 may be considered for probationary
  admission. Submission of additional documentation may be requested by the Program Director.
Note: The only admission requirements waived for Park University alumni are the application fee and submission of official transcripts.

For more information regarding the Master of Healthcare Administration program, please visit www.park.edu/mha.

**Sequential Degree**

This program is a participant of the Sequential Degree option.

**Format and Delivery of Courses**

- **Online:** Courses in the MHA program are predominantly online. Students may meet all course requirements through an online format.
- **Blended:** All ground courses are offered using a blended delivery format. This means that each weekly class session includes a physical classroom and an online component. In this format, students are expected to complete assigned readings, review supplemental materials, and complete certain assignments prior to the class session. During the class sessions, the instructors will facilitate in-class activities that promote collaborative learning and provide opportunities to apply learned concepts.

**Requirements For: Master - 36 Hours, 3.0 GPA**

**Core Curriculum 24 cr.**

- HA518 - Organization of Healthcare Delivery Systems **Credits:** 3  
  *(recommended first class)*
- HA509 - Management of Health Information Systems **Credits:** 3
- HA516 - Healthcare Finance **Credits:** 3
- HA517 - Legal and Ethical Issues in Healthcare Administration **Credits:** 3
- HA604 - Healthcare Economics and Policy **Credits:** 3
- HA605 - Healthcare Organizational Behavior and Leadership **Credits:** 3
- HA612 - Healthcare Operations Management **Credits:** 3

**Capstone Course**

- HA616 - Healthcare Strategic Management and Marketing **Credits:** 3

**Concentrations**

Students complete all core courses to provide a curricular foundation. The general MHA program offers the flexibility to tailor electives to the student's professional interests. Ample formal concentration choices allow for a chosen focus. In lieu of the general MHA, students may select one of the following concentrations:

- Business Analytics Concentration
- Disaster and Emergency Management Concentration
- Finance Concentration
- General Concentration
- Human Resource Management Concentration
• Innovation and Quality Management Concentration
• Management Accounting Concentration
• Management Information Systems Concentration
• Marketing Concentration
• Nonprofit Management Concentration
• Project Management Concentration

General

Select four courses from below and/or from the other MHA concentrations. Additional elective coursework is available for selection from the Master of Business Administration, Master of Public Administration, Master of Education, and Master of Arts in Communication and Leadership programs, to offer flexibility in content for MHA student’s interests. Use of courses from other programs must be discussed and approved by the MHA Program Director prior to enrollment.

Core Requirement 12 cr.

• HA511 - Leadership and Management in Healthcare Systems Credits: 3
• HA514 - Accounting for Management Decisions Credits: 3
• HA515 - Marketing and Consumer Driven Healthcare Credits: 3
• HA521 - Special Topics in Healthcare Administration Credits: 1-3
• HA532 - Healthcare Services and Systems for Diverse Populations Credits: 3
• HA533 - Managerial Epidemiology Credits: 3
• HA537 - Health Policy and Politics Credits: 3
• HA557 - Nursing Dimensions of Healthcare Administration Credits: 3
• HA573 - Quality Improvement and Outcomes Assessment in Healthcare Settings Credits: 3
• HA603 - Healthcare Research Methods for Managerial Decision-Making Credits: 3
• HA607 - Data Analytics in Healthcare Administration Credits: 3
• HA611 - Mediation, Negotiation and Conflict Management Credits: 3
• PA503 - Emerging Issues in Public Affairs Credits: 1 to 3
• PA545 - Management of Nonprofit and Nongovernmental Organizations Credits: 3

Graduation Requirements

Park University confers the Master of Healthcare Administration degrees at selected locations when a candidate has satisfied the following conditions:

• Completion of a minimum of 36 semester hours.
• Cumulative GPA of 3.0 for Park University courses.
• Satisfaction of all requirements for a major as outlined in this catalog.
• Completion of all earned credit with no more than 2 grades of C earned.
• Submission of an Application for Graduation.

Master of Healthcare Administration, Human Resource Management Concentration, M.H.A.

Students complete all core courses to provide a curricular foundation. The general MHA program offers the flexibility to tailor electives to the student’s professional interests. Ample formal concentration choices allow for a chosen focus. In lieu of the general MHA, students may select one of the following concentrations:

• Business Analytics Concentration
Human Resource Management

The Human Resource Management concentration provides graduates with exposure to the theoretical and practical knowledge needed for managerial and executive positions in human resource management in both public and private sector organizations. This concentration offers students qualitative and quantitative practice in:

- Planning and staffing;
- Training, development and evaluation methods;
- Change management, conflict resolution and consulting interventions; and
- Strategically and systematically practicing human resource management for optimal outcomes.

Core Requirement 12 cr.

- HRM634 - Planning and Staffing Credits: 3
- HRM635 - Training, Development, and Evaluation Credits: 3
- HRM636 - Change Management and Conflict Resolution Credits: 3
- HRM637 - Compensation Management Credits: 3

• Disaster and Emergency Management Concentration
• Finance Concentration
• General Concentration
• Human Resource Management Concentration
• Innovation and Quality Management Concentration
• Management Accounting Concentration
• Management Information Systems Concentration
• Marketing Concentration
• Nonprofit Management Concentration
• Project Management Concentration

Innovation and Quality Management

The Innovation and Quality Management concentration is designed to give students an in-depth understanding of the concepts and techniques used to assess and improve process outcomes. In other words, the students will be able to isolate processes that are routinely experiencing too much variability in their output, identify natural and assignable causes for variations, develop tactical strategies to improve process performance, and then establish formal mechanisms for monitoring future outcomes. Students will learn how to appropriately apply qualitative and quantitative approaches to diagnose the nature and scope of process problems and evaluate the effectiveness of interventions. The competencies that will be developed in this curriculum will serve students well as they progress in their careers. Defective processes drive up operating costs, making it virtually impossible to forecast revenues, and contributing to poor quality goods and services. This can lessen a firm's competitive advantage in the marketplace and jeopardize their long-term financial viability.

Core Requirement 12 cr.

- QM684 - Principles of Quality Management Credits: 3
- QM685 - Innovative Techniques in Quality Management Credits: 3
- QM686 - Innovative Project Management Credits: 3
- QM687 - Collaborative Innovation Strategies Credits: 3

Graduation Requirements

Park University confers the Master of Healthcare Administration degrees at selected locations when a candidate has satisfied the following conditions:

Ample formal concentration choices allow for a chosen focus. In lieu of the general MHA, students may select one of the following concentrations:

• Business Analytics Concentration
Management Accounting

The Management Accounting concentration is designed to prepare students with the competencies necessary to excel in professional positions that require a high level of comfort with accounting and finance, such as chief financial officers, controllers, financial analysts, budget analysts or directors. More specifically, the students will develop an extensive understanding of management accounting concepts, cost accounting, accounting research practices, activity-based costing as an aid to decision making, profit planning, budget forecasting and preparation, and will broaden their leadership skills. In acquiring skills for leading the CFO function within a variety of organizational structures, this concentration will develop student knowledge of financial planning, financial analysis, control mechanisms, decision-making, and professional ethics.

Core Requirement 12 cr.

- ACC613 - Internal Auditing and Control Mechanisms Credits: 3
- ACC617 - Advanced Managerial Accounting Issues Credits: 3
- ACC626 - Management Accounting Leadership-Role of the Chief Financial Officer Credits: 3

• Business Analytics Concentration

• Disaster and Emergency Management Concentration

• Finance Concentration
Management Information Systems

The Management Information Systems concentration offers a unique combination of business intelligence and industry standards through practical project-oriented instruction. The rationale is to produce quality graduates with in-depth knowledge and hands-on understanding of the essentials of managing today's information technology systems. Students study the foundations of business so they can apply management information system technology to create efficient, effective business enterprises capable of competing in a global setting.

In addition, students are exposed to the concepts and applications of data analytics, security and privacy of big data, and project management as they pertain to system architecture and a firm's ability to answer complicated business questions.

Core Requirement 12 cr.

- MIS603 - Information Security and Risk Management Credits: 3
- MIS605 - Management Information Systems Credits: 3
- MIS609 - Database Management Systems Credits: 3

- Completion of all earned credit with no more than 2 grades of C earned.
- Submission of an Application for Graduation.

Master of Healthcare Administration, Marketing Concentration, M.H.A.

Master of Healthcare Administration M.H.A.

The Master of Healthcare Administration (MHA) program is in the School of Business which is housed within the College of Management and is designed for those individuals who are currently, or who aspire to be, leaders in a variety of health settings. Today's health organizations need administrators who can manage
the current components of healthcare, as well as lead the health sector in new directions. The MHA program offers students the opportunity to understand and master the organizational, legal, financial, political and managerial aspects of health systems management. The MHA program offers a unique curriculum that is designed specifically to meet the career needs of future health leaders.

**Vision**

The Master of Healthcare Administration program is designed to prepare learners for the challenges of a global society, including utilization of innovative approaches to managing and leading, solving complex problems, and adhering to the ethical and professional standards of the healthcare system.

**Mission**

The Master of Healthcare Administration program provides healthcare administrators the tools to ensure efficient and effective delivery of quality health-related products and services to diverse communities.

**Program Goals**

The graduates will consistently be able to:

- Formulate a communication strategy that will cultivate professional relationships amongst a diverse group of stakeholders in order to achieve cooperation, promote teamwork, demonstrate respect, and maintain a competitive advantage in the market place.
- Assess the level of professionalism necessary to succeed in the highly dynamic and demanding industry by maintaining personal and professional accountability, engaging in ongoing professional development, and demonstrating a commitment to the welfare of the facility/organization, surrounding community and the profession.
- Demonstrate the ability to function autonomously and take responsibility for managing a diverse group of professionals within a highly complex and changing healthcare environment.
- Develop a clear and achievable organizational vision for the future which promotes the entrepreneurial spirit and contributes to the formation of a culture and climate that embraces change in order to achieve excellence in product and service delivery.
- Assess the healthcare environment and its constructs in order to pinpoint industry risks and opportunities, and then actively contribute to viable strategy formulation that effectively leverages internal competencies to achieve organizational success.
- Synthesize relevant internal and external data in order to position complex organizations for fiscal and operational success, despite existing barriers, in order to maintain a strong competitive advantage within a dynamic and demanding industry.
- Demonstrate advanced problem solving skills in the construction of viable and ethical solutions to complex issues that may negatively impact product and service delivery.

**Admission Requirements**

See Admissions Policies and Procedures for further details.

- A bachelor's degree from an acceptable accredited United States institution or the equivalent from a foreign institution.
- A minimum of a 2.75 cumulative grade point average on a 4.0 scale in the bachelor's degree.
- Submission of official transcripts is required (except for Park University alumni).
• Students with a cumulative grade point average below 2.75 may be considered for probationary admission. Submission of additional documentation may be requested by the Program Director. Note: The only admission requirements waived for Park University alumni are the application fee and submission of official transcripts.

For more information regarding the Master of Healthcare Administration program, please visit www.park.edu/mha.

**Sequential Degree**

This program is a participant of the Sequential Degree option.

**Format and Delivery of Courses**

- Online: Courses in the MHA program are predominantly online. Students may meet all course requirements through an online format.
- Blended: All ground courses are offered using a blended delivery format. This means that each weekly class session includes a physical classroom and an online component. In this format, students are expected to complete assigned readings, review supplemental materials, and complete certain assignments prior to the class session. During the class sessions, the instructors will facilitate in-class activities that promote collaborative learning and provide opportunities to apply learned concepts.

**Requirements For: Master - 36 Hours, 3.0 GPA**

**Core Curriculum 24 cr.**

- HA518 - Organization of Healthcare Delivery Systems **Credits: 3** *(recommended first class)*
- HA509 - Management of Health Information Systems **Credits: 3**
- HA516 - Healthcare Finance **Credits: 3**
- HA517 - Legal and Ethical Issues in Healthcare Administration **Credits: 3**
- HA604 - Healthcare Economics and Policy **Credits: 3**
- HA605 - Healthcare Organizational Behavior and Leadership **Credits: 3**
- HA612 - Healthcare Operations Management **Credits: 3**

**Capstone Course**

- HA616 - Healthcare Strategic Management and Marketing **Credits: 3**

**Concentrations**

Students complete all core courses to provide a curricular foundation. The general MHA program offers the flexibility to tailor electives to the student’s professional interests. Ample formal concentration choices allow for a chosen focus. In lieu of the general MHA, students may select one of the following concentrations:

- Business Analytics Concentration
- Disaster and Emergency Management Concentration
- Finance Concentration
• General Concentration
• Human Resource Management Concentration
• Innovation and Quality Management Concentration
• Management Accounting Concentration
• Management Information Systems Concentration
• Marketing Concentration
• Nonprofit Management Concentration
• Project Management Concentration

Marketing

Core Requirement 9 cr.

• HA515 - Marketing and Consumer Driven Healthcare Credits: 3
• MKT631 - Consumer Behavior Credits: 3
• MKT632 - Strategic Brand Management Credits: 3

Electives 3 cr.

Select one of the following:

• CIS608 - Web and Marketing Analytics Credits: 3
• MKT633 - Digital and Social Media Marketing Credits: 3

Graduation Requirements

Park University confers the Master of Healthcare Administration degrees at selected locations when a candidate has satisfied the following conditions:

• Completion of a minimum of 36 semester hours.
• Cumulative GPA of 3.0 for Park University courses.
• Satisfaction of all requirements for a major as outlined in this catalog.
• Completion of all earned credit with no more than 2 grades of C earned.
• Submission of an Application for Graduation.

- Nonprofit Management Concentration
Project Management

The Project Management (PM) concentration is designed to prepare students with the knowledge, skills, and abilities (KSAs) to competently plan, organize, staff, and guide processes for creating a solution or system. The PM concentration intends to adequately prepare the students to take the Project Management Professional (PMP)® credentialing exam. More specifically, the content is aligned with the Project Management Body of Knowledge (PMBOK, 5th edition) and introduces students to the 5 process groups, 10 knowledge areas, and 47 processes of project management.

Core Requirement 12 cr.

- PM690 - Integration, Scope, and Quality Management Credits: 3
- PM691 - Time and Cost Management Credits: 3
- PM692 - Communications, Risk, and Stakeholder Management Credits: 3
- PM693 - Human Resource and Procurement Management Credits: 3

Graduation Requirements

- Submission of an Application for Graduation.

Master of Science, Information Systems and Business Analytics, M.S.

Vision Statement

Park University's Master of Science in Information Systems and Business Analytics will be the premier provider of graduate education in information systems and analytics.

Mission Statement

Park University's Master of Science in Information Systems and Business Analytics provides students with the technical, managerial, and strategic acumen necessary to leverage information technology and data to maintain a competitive advantage and improve operational outcomes.

Program Learning Outcomes

The graduates will be able to:
• Develop and maintain the information systems necessary to support the functional, operational, and strategic needs of domestic and multinational organizations.
• Determine the most efficient and effective methods of leading and managing the resources to support a firm’s information systems and technology.
• Evaluate technology alternatives to resolve complex problems in an information systems context while taking into consideration internal and external constraints and the ethical implications.
• Formulate a plan to effectively collaborate and communicate with key stakeholders (business, HIMS, and IT professionals) in order to achieve corporate or functional level goals and objectives.
• Establish an organization-wide information security risk management program designed to isolate significant internal and external threats while concurrently designing and implementing contingency, business continuity, and disaster recovery plans.
• Evaluate the usefulness of information technology to achieve a competitive advantage, efficient operations, and effective decision-making.
• Analyze large datasets for the purpose of uncovering hidden patterns, predicting future trajectories, and then using the resultant information to aid organizations in making well-informed operating, marketing, financing, and strategic decisions.

Admission Requirements

See Admissions Policies and Procedures for further details. The Master of Science in Information Systems and Business Analytics will require applicants to meet the same admissions requirements as any other Park University graduate program in business.

• A baccalaureate degree from an acceptable accredited college or university in the U.S. or from an acceptable accredited foreign institution of higher learning.
• Minimum of a 2.75 cumulative grade point average on a 4.0 scale from all colleges and universities attended.
• Students with a cumulative grade point average below 2.75 may be considered for probationary admission. Submission of additional documentation may be required by the Program Director. Admission to Park University’s Master of Science in Information Systems and Business Analytics program is open to graduates of all fields of undergraduate study.

Sequential Degree

This program is a participant of the Sequential Degree option.

Format of Courses

• Online: Students can meet all course requirements through an online format.
• Blended: All ground courses are offered using a blended delivery format. This means that each weekly class session includes a physical classroom as well as the online component. In this format, students are expected to complete assigned readings, review supplemental materials, and complete certain assignments prior to each class session. During the class sessions, the instructors will facilitate in-class activities that promote collaborative learning and provide opportunities to apply learned concepts. Blended courses are offered in Kansas City, MO.
• The MS in ISBA courses are offered in the 8-week accelerated format.

Required For: Master - 36 Hours, 3.0 GPA
• CIS601 - Systems Analysis and Design Credits: 3
• CIS604 - Project Management for Information Technology Credits: 3
• CIS606 - Applied Data Mining and Analysis of Big Data Credits: 3
• CIS607 - Survey of Predictive Analytical Techniques Credits: 3
• CIS608 - Web and Marketing Analytics Credits: 3
• CIS609 - Data Visualization Credits: 3
• CIS610 - Capstone in Information Systems Credits: 3
• CIS621 - Data Analysis for Business Analytics Credits: 3
• CIS622 - Data Architecture for Business Analytics Credits: 3
• MBA576 - Operations Management Credits: 3
• MIS605 - Management Information Systems Credits: 3
• MIS614 - Data Analysis and Business Analytics Credits: 3

Graduation Requirements

Park University confers the Master of Music, Master of Public Administration, and Master of Science degrees at selected locations when a candidate has satisfied the following conditions:

• Completion of a minimum of 36 semester hours.
• Cumulative GPA of 3.0 for Park University courses.
• Satisfaction of all requirements for a major as outlined in this catalog.
• Completion of all earned credit with no more than 2 grades of C earned.
• Submission of an Application for Graduation.

Economics, Finance, International Business and Marketing

Business Economics, B.S.B.A.

B.S.B.A.

This program is part of the 4+1 Undergraduate to Graduate program options.

For questions regarding specific courses and concentration options, please consult with your Advisor, Campus Center or via email at: advising@park.edu.

Students enrolled in the Bachelor of Science in Business Administration program receive a broad education covering the major functional areas of business. This degree will help a student prepare for a career in business or government leadership and provide knowledge and skills desired by all types of employers. It can also provide one the background to organize and manage a family business. Graduates with a B.S.B.A. typically find jobs in business, production management, personnel management, marketing management, or financial management. Many serve their communities as marketing or management specialists in insurance, real estate, investments, banking, communications, manufacturing, retailing and wholesaling. A number of students with this major move into graduate study in law, management, or other business specialties.

Requirements For: B.S.B.A. Major – 63 Hours, 2.0 GPA
Business Economics provides students the opportunity for an in-depth understanding of the interaction between economics and business in a rapidly changing environment. Business Economics provides a framework from which students can analyze the conditions and laws affecting the production, distribution and consumption of wealth.

**Business Core 39 CR.**

- AC201 - Principles of Financial Accounting **Credits:** 3

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216
Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.
AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS310, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Corporate Financial Management, B.S.B.A.

B.S.B.A.

This program is part of the 4+1 Undergraduate to Graduate program options.

Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205
Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

**Digital Marketing, B.S.B.A.**

**B.S.B.A.**

This program is part of the 4+1 Undergraduate to Graduate program options.

For questions regarding specific courses and concentration options, please consult with your Advisor, Campus Center or via email at: advising@park.edu.

Students enrolled in the Bachelor of Science in Business Administration program receive a broad education covering the major functional areas of business. This degree will help a student prepare for a career in business or government leadership and provide knowledge and skills desired by all types of employers. It can also provide one the background to organize and manage a family business. Graduates with a B.S.B.A. typically find jobs in business, production management, personnel management, marketing management, or financial management. Many serve their communities as marketing or management specialists in insurance, real estate, investments, banking, communications, manufacturing, retailing and wholesaling. A number of students with this major move into graduate study in law, management, or other business specialties.

**Requirements For: B.S.B.A. Major – 63 Hours, 2.0 GPA**

Pursuing the Digital Marketing will equip students with the knowledge and fundamentals necessary to analyze the digital landscape that has become the ‘new normal’ in the world of business. As the use and implementation of digital media become more of a necessity for businesses, the demand for marketing professionals with an in-depth understanding of the applications and implications of such technologies continues to grow.

**Business Core 39 CR.**

Ethics Requirement 3 cr.
Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:
• 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
• 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

• Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor for Geography, B.S. and Information Systems, B.S. majors.
• Satisfaction of all requirements for a major.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

Marketing, B.S.B.A.

B.S.B.A.

This program is part of the 4+1 Undergraduate to Graduate program options.

For questions regarding specific courses and concentration options, please consult with your Advisor, Campus Center or via email at: advising@park.edu.

Students enrolled in the Bachelor of Science in Business Administration program receive a broad education covering the major functional areas of business. This degree will help a student prepare for a career in business or government leadership and provide knowledge and skills desired by all types of employers. It can also provide one the background to organize and manage a family business. Graduates with a B.S.B.A. typically find jobs in business, production management, personnel management, marketing management, or financial management. Many serve their communities as marketing or management specialists in insurance, real estate, investments, banking, communications, manufacturing, retailing and wholesaling. A number of students with this major move into graduate study in law, management, or other business specialties.

Requirements For: B.S.B.A. Major – 60 Hours, 2.0 GPA

The Marketing program provides a strong foundation for a career in marketing, allowing students to choose four electives from the field of marketing that reflect their interests. Students taking the Marketing program receive a broad education covering the major functional areas of Marketing.
Business Core 39 CR.

- AC201 - Principles of Financial Accounting Credits: 3
- AC202 - Principles of Managerial Accounting Credits: 3
- EC141 - Principles of Macroeconomics Credits: 3
- EC142 - Principles of Microeconomics Credits: 3
- FI360 - Financial Management Credits: 3
- IB315 - International Business Perspectives Credits: 3
- IS141 - Applied Computer Technology for Business Credits: 3
- MA171 - Finite Mathematics Credits: 3
- MG260 - Business Law I Credits: 3
- MG315 - Advanced Business Statistics Credits: 3
- MG371 - Management and Organizational Behavior Credits: 3
- MG495 - Business Policy Credits: 3
- MK351 - Principles of Marketing Credits: 3

Note:

- MA 171 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirements for MA 120
- MA 171 has a prerequisite of MA 125. Students who do not meet the placement/test prerequisite for MA 171 are required to complete MA 125
- MG 306 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirement for Professional Writing (EN 306*)
- EC 141 and EC 142 will satisfy the LE Social Science area

Marketing 21 CR.

- MK385 - Consumer Behavior Credits: 3
- MK411 - Marketing Management Credits: 3
- MK453 - Marketing Research and Information Systems Credits: 3

Select four from the following: 12 CR.

- AR218 - Graphic Design Software Credits: 3
- AR231 - Graphic Design Studio I Credits: 3
- LG312 - Transportation and Distribution Systems Credits: 3
- MK369 - E-Marketing Credits: 3
- MK380 - Advertising Credits: 3
- MK386 - Retailing Administration Credits: 3

- MK395 - International Marketing Credits: 3
- MK401 - Sales Management Credits: 3
- MK405 - Social Media Marketing Credits: 3
- MK455 - Advertising and Promotional Strategies Credits: 3
- MK463 - Marketing Internship Credits: 3-6
- MK491 - Seminar in Marketing Credits: 3
Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.
EN105 and EN106

Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, 
BIO350, BIO400, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, 
CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, 
GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, 
SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, 
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216
Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107, CH107L, CH108, CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that houses the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.
Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Personal Financial Planning, B.S.B.A.

This program is part of the 4+1 Undergraduate to Graduate program options.

For questions regarding specific courses and concentration options, please consult with your Advisor, Campus Center or via email at: advising@park.edu.

Students enrolled in the Bachelor of Science in Business Administration program receive a broad education covering the major functional areas of business. This degree will help a student prepare for a career in business or government leadership and provide knowledge and skills desired by all types of employers. It can also provide one the background to organize and manage a family business. Graduates with a B.S.B.A. typically find jobs in business, production management, personnel management, marketing management, or financial management. Many serve their communities as marketing or management specialists in insurance, real estate, investments, banking, communications, manufacturing, retailing and wholesaling. A number of students with this major move into graduate study in law, management, or other business specialties.

Requirements For: B.S.B.A. Major – 63 Hours, 2.0 GPA

The Personal Financial Planning program provides students with the necessary background to sit for the exam to become a CERTIFIED FINANCIAL PLANNER™ Professional.

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:
• 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
• 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS310, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

• Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor for Geography, B.S. and Information Systems, B.S. majors.
• Satisfaction of all requirements for a major.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

Personal Financial Planning, Certificate

This certificate is under the Department of Finance in the School of Business. Students should contact the department with any questions.
Certificate award requires passing all courses with a grade of "C" or better.

Requirements for Certificate - 21 Hours, 2.0 GPA

• AC309 - Individual Income Tax Credits: 3
• FI420 - Estate Planning Credits: 3
• FI423 - Professional Financial Planning Credits: 3
• FI424 - Personal Financial Planning Capstone Credits: 3
• FI325 - Risk and Insurance Credits: 3
• FI370 - Investment Planning Credits: 3
• FI419 - Retirement and Employee Benefit Planning Credits: 3

Graduation Requirements

Park University confers Undergraduate Certificates at selected locations when a candidate has satisfied the following conditions:

• Completion of residency requirement, at least 50% of the coursework completed at Park
• Earn a minimum cumulative GPA of 2.0* (for courses in the certificate)
• Meet all requirements of the specific program as outlined in this catalog
• Submission of an Application of Graduation

*Individual departments may establish additional (or higher) requirements (refer to the Programs by Degree Type section of the catalog for program-specific requirements).

### Business Economics, Minor

#### Requirements For: Business Minor – 18 Hours, 2.0 GPA

- EC300 - Intermediate Microeconomics **Credits:** 3
- EC301 - Intermediate Macroeconomics **Credits:** 3
- EC303 - Money, Credit and Banking **Credits:** 3

**Three courses from the following:**

- EC302 - Labor Economics **Credits:** 3
- EC309 - Economic Development **Credits:** 3
- EC407 - International Trade and Finance **Credits:** 3
- EC450 - Senior Seminar in Economics **Credits:** 3
- IB331 - International Negotiations **Credits:** 3
- IB431 - International Finance **Credits:** 3
- HR357 - Employment Law **Credits:** 3
- MG420 - Labor Relations **Credits:** 3

#### Requirements For: NonBusiness Minor - 21 Hours, 2.0 GPA

- EC141 - Principles of Macroeconomics **Credits:** 3
- EC142 - Principles of Microeconomics **Credits:** 3
- EC300 - Intermediate Microeconomics **Credits:** 3
- EC301 - Intermediate Macroeconomics **Credits:** 3
- EC303 - Money, Credit and Banking **Credits:** 3

**Two courses from the following:**

- AC201 - Principles of Financial Accounting **Credits:** 3
- AC202 - Principles of Managerial Accounting **Credits:** 3
- EC302 - Labor Economics **Credits:** 3
- EC309 - Economic Development **Credits:** 3
- EC407 - International Trade and Finance **Credits:** 3
- EC450 - Senior Seminar in Economics **Credits:** 3

### Digital Marketing, Minor
Requirements For: Business Minor – 18 Hours, 2.0 GPA

- CA218 - Public Relations **Credits:** 3
- CA224 - Digital Media Skills **Credits:** 3
  or
- CA225 - Online Content Creation **Credits:** 3
- MK369 - E-Marketing **Credits:** 3
- MK385 - Consumer Behavior **Credits:** 3
- MK405 - Social Media Marketing **Credits:** 3
- MK411 - Marketing Management **Credits:** 3

Requirements For: NonBusiness Minor - 24 Hours, 2.0 GPA

- CA224 - Digital Media Skills **Credits:** 3
  or
- CA225 - Online Content Creation **Credits:** 3
- IB315 - International Business Perspectives **Credits:** 3
- MG371 - Management and Organizational Behavior **Credits:** 3
- MK351 - Principles of Marketing **Credits:** 3
- MK369 - E-Marketing **Credits:** 3
- MK380 - Advertising **Credits:** 3
- MK385 - Consumer Behavior **Credits:** 3
- MK405 - Social Media Marketing **Credits:** 3

**Economics, Minor**

Requirements For: Minor–18 Hours, 2.0 GPA

- EC141 - Principles of Macroeconomics **Credits:** 3
- EC142 - Principles of Microeconomics **Credits:** 3
- 12 hours of upper division Economics electives

**Finance, Minor**

Requirements For: Business Minor – 18 Hours, 2.0 GPA

- EC303 - Money, Credit and Banking **Credits:** 3
- FI415 - Financial Analysis and Planning **Credits:** 3
- FI417 - Investment Analysis and Management **Credits:** 3
- FI425 - Principles of Real Estate **Credits:** 3
Two courses from the following

- AC309 - Individual Income Tax **Credits:** 3
- FI325 - Risk and Insurance **Credits:** 3
- FI380 - Financial Counseling **Credits:** 3
- FI419 - Retirement and Employee Benefit Planning **Credits:** 3
- FI420 - Estate Planning **Credits:** 3
- FI423 - Professional Financial Planning **Credits:** 3
- FI424 - Personal Financial Planning Capstone **Credits:** 3
- FI410 - Problems in Corporate Finance **Credits:** 3
- IB431 - International Finance **Credits:** 3

Requirements For: NonBusiness Minor - 21 Hours, 2.0 GPA

- AC201 - Principles of Financial Accounting **Credits:** 3
- AC202 - Principles of Managerial Accounting **Credits:** 3
- EC141 - Principles of Macroeconomics **Credits:** 3
- FI360 - Financial Management **Credits:** 3

Three Courses from the Following

- EC303 - Money, Credit and Banking **Credits:** 3
- FI325 - Risk and Insurance **Credits:** 3
- FI410 - Problems in Corporate Finance **Credits:** 3
- FI415 - Financial Analysis and Planning **Credits:** 3
- FI417 - Investment Analysis and Management **Credits:** 3
- FI425 - Principles of Real Estate **Credits:** 3
- IB431 - International Finance **Credits:** 3

**International Business, Minor**

Requirements For: Business Minor – 18 Hours, 2.0 GPA

- IB302 - International Business Culture **Credits:** 3
- IB451 - Seminar on International Business **Credits:** 3
- MK395 - International Marketing **Credits:** 3

Three Courses from the Following

- CS300 - Technology in a Global Society **Credits:** 3
- EC309 - Economic Development **Credits:** 3
- IB331 - International Negotiations **Credits:** 3
- IB420 - International Trade **Credits:** 3
- IB431 - International Finance **Credits:** 3
• IB461 - International Business Internship Credits: 1-6
• PO345 - International Organizations Credits: 3

Requirements For: NonBusiness Minor - 21 Hours, 2.0 GPA

• IB302 - International Business Culture Credits: 3
• IB315 - International Business Perspectives Credits: 3
• MG260 - Business Law I Credits: 3
• MG371 - Management and Organizational Behavior Credits: 3
• MK351 - Principles of Marketing Credits: 3
• MK395 - International Marketing Credits: 3

One course from the following

• AC201 - Principles of Financial Accounting Credits: 3
• CS300 - Technology in a Global Society Credits: 3
• EC141 - Principles of Macroeconomics Credits: 3
• EC309 - Economic Development Credits: 3
• IB331 - International Negotiations Credits: 3
• IB431 - International Finance Credits: 3
• IB461 - International Business Internship Credits: 1-6
• PO345 - International Organizations Credits: 3

Marketing, Minor

Requirements For: Business Minor – 18 Hours, 2.0 GPA

• MK385 - Consumer Behavior Credits: 3
• MK453 - Marketing Research and Information Systems Credits: 3

MK 300-400 level

• Four MK electives at the 300-400 level Credits: 12

Requirements For: NonBusiness Minor - 21 Hours, 2.0 GPA

• AC201 - Principles of Financial Accounting Credits: 3
• MG315 - Advanced Business Statistics Credits: 3
• MK351 - Principles of Marketing Credits: 3
• MK385 - Consumer Behavior Credits: 3
• MK453 - Marketing Research and Information Systems Credits: 3
MK 300-400 Level

- Two MK electives at 300-400 level Credits: 6

Finance, Graduate Certificate

The Graduate Certificate in Finance is housed in the School of Business within the College of Management. The certificate will assist students in achieving the chartered financial analyst certification and/or obtaining a greater flexibility in training for future careers in finance.

Requirements For: Certificate - 12 Hours, 3.0 GPA

Core Requirement 12 cr.

- MBA615 - Managerial Finance Credits: 3
- FIN621 - Advanced Corporate Finance Credits: 3
- FIN625 - International Finance Credits: 3
- FIN640 - Investment Management Credits: 3

Graduation Requirements

Park University confers Graduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 75% of the coursework completed at Park
- Earn a minimum cumulative GPA of 3.0* (for courses in the certificate)
- Completion of coursework with no more than 2 grades of C earned at Park University
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application for Graduation

*Individual departments may establish additional (or higher) requirements (refer to the program-specific requirements).

Marketing, Graduate Certificate

The Graduate Certificate in Marketing is in the School of Business which is housed within the College of Management. The certificate is designed to prepare students with the competencies necessary to excel in professional positions as marketing managers. This curriculum will provide the students with an extensive understanding of marketing concepts including consumer behavior, brand management, and digital communication.

Requirements For: Certificate - 12 Hours, 3.0 GPA

Core Requirement 9 cr.

- MKT631 - Consumer Behavior Credits: 3
- MKT632 - Strategic Brand Management Credits: 3
- MKT634 - Strategic Marketing Simulation Credits: 3
Electives 3 cr.

- CIS608 - Web and Marketing Analytics Credits: 3
- MKT633 - Digital and Social Media Marketing Credits: 3

Graduation Requirements

Park University confers Graduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 75% of the coursework completed at Park
- Earn a minimum cumulative GPA of 3.0* (for courses in the certificate)
- Completion of coursework with no more than 2 grades of C earned at Park University
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application for Graduation

*Individual departments may establish additional (or higher) requirements (refer to the program-specific requirements).

Management, Accounting, Construction Management, Human Resources, and Logistics

Construction Management, A.S.

Requirements For: A.S. Major – 36 Hours, 2.0 GPA

This degree program combines the principles of business management with the skills needed by construction managers. Students are prepared for careers in Construction Management, Project Management, and Building Inspection, among others. Topics include planning and scheduling, budgeting, organizing, supervising, safety, law, materials, methods, and plans analysis.

- CO111 - Introduction to Engineer Construction Technology/Design/Materials and Safety Credits: 3
- CO121 - Plans Analysis Credits: 3
- CO225 - Building Codes Credits: 3
- CO235 - Construction Planning Credits: 3
- CO245 - Construction Estimating Credits: 3
- CO320 - Mechanical and Electrical Systems for Construction Managers Credits: 3
- CO360 - Project Management/Critical Path Analysis Credits: 3
- CO365 - Construction Project Management Credits: 3
- IS141 - Applied Computer Technology for Business Credits: 3
- MA171 - Finite Mathematics Credits: 3
- MG260 - Business Law 1 Credits: 3
- MG371 - Management and Organizational Behavior Credits: 3

Liberal Education Requirements 24 cr.

Writing Seminar 6 cr.
• EN105 - First Year Writing Seminar I: Critical Reading, Writing and Thinking Across Contexts  
  Credits: 3
• EN106 - First Year Writing Seminar II: Academic Research and Writing Credits: 3

Math Requirement 3 cr.

Choose one of the following:

• MA120 - Basic Concepts of Statistics Credits: 3
• MA125 - Intermediate Algebra Credits: 3
• or higher excluding MA208

Humanities Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Natural Science Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Biology, Chemistry, Computer Science, Fitness and Wellness, Information Systems, Physical Geography, Geology, Math, Natural Science, Physics, Surveying.

Natural Science/Social Science/Humanities 3 cr.

Complete an addition 3 hours of humanities, natural science, or social science in the following disciplines: Those listed under natural science or humanities or Accounting, Anthropology, Criminal Justice, Construction, Economics, Education, Engineering, Finance, Human Geography, Health Care, History, Human Resources, Logistics, Management, Marketing, Political Science, Psychology, Sociology, Social Studies, Social Work.

Graduation Requirements

Park University confers the Associates of Arts and Associate of Science degrees at selected locations when a candidate has satisfied the following conditions:

• LE100 First-Year Seminar (required for all incoming first-time freshmen and highly encouraged for transfer students)
• Presentation of a minimum of sixty (60) earned credit hours.
• Cumulative GPA of 2.0 for Park University courses. (Some majors may require a higher cumulative GPA.)
• Satisfaction of all requirements for a major as outlined in this catalog.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of 15 earned (A, B, C, D) Park University credit hours in residence. At least nine of these credits must be in the major.
• Submission of an Application of Graduation.
Management, A.S.

Requirements For: A.S. Major – 27 hours, 2.0 gpa

- AC201 - Principles of Financial Accounting Credits: 3
- AC202 - Principles of Managerial Accounting Credits: 3
- IS141 - Applied Computer Technology for Business Credits: 3
- EC141 - Principles of Macroeconomics Credits: 3
- EC142 - Principles of Microeconomics Credits: 3
- MA171 - Finite Mathematics Credits: 3
- MG260 - Business Law I Credits: 3
- MG371 - Management and Organizational Behavior Credits: 3
- MK351 - Principles of Marketing Credits: 3

Note:

*IS141 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirement for CS140.
*MA171 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirement for MA120.

Liberal Education Requirements 24 cr.

Writing Seminar 6 cr.

- EN105 - First Year Writing Seminar I: Critical Reading, Writing and Thinking Across Contexts Credits: 3
- EN106 - First Year Writing Seminar II: Academic Research and Writing Credits: 3

Math Requirement 3 cr.

Choose one of the following:

- MA120 - Basic Concepts of Statistics Credits: 3
- MA125 - Intermediate Algebra Credits: 3
- or higher excluding MA208

Humanities Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Natural Science Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Biology, Chemistry, Computer Science, Fitness and Wellness, Information Systems, Physical Geography, Geology, Math, Natural Science, Physics, Surveying.
Natural Science/Social Science/Humanities 3 cr.

Complete an addition 3 hours of humanities, natural science, or social science in the following disciplines: Those listed under natural science or humanities or Accounting, Anthropology, Criminal Justice, Construction, Economics, Education, Engineering, Finance, Human Geography, Health Care, History, Human Resources, Logistics, Management, Marketing, Political Science, Psychology, Sociology, Social Studies, Social Work.

Graduation Requirements

Park University confers the Associates of Arts and Associate of Science degrees at selected locations when a candidate has satisfied the following conditions:

- LE100 First-Year Seminar (required for all incoming first-time freshmen and highly encouraged for transfer students)
- Presentation of a minimum of sixty (60) earned credit hours.
- Cumulative GPA of 2.0 for Park University courses. (Some majors may require a higher cumulative GPA.)
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of 15 earned (A, B, C, D) Park University credit hours in residence. At least nine of these credits must be in the major.
- Submission of an Application of Graduation.

Management/Accounting, A.S.

Requirements For: A.S. Major – 33 hours, 2.0 GPA

- AC201 - Principles of Financial Accounting Credits: 3
- AC202 - Principles of Managerial Accounting Credits: 3
- AC309 - Individual Income Tax Credits: 3
- AC380 - Cost Accounting Credits: 3
- IS141 - Applied Computer Technology for Business Credits: 3 *
- EC141 - Principles of Macroeconomics Credits: 3
- EC142 - Principles of Microeconomics Credits: 3
- FI360 - Financial Management Credits: 3
- MA171 - Finite Mathematics Credits: 3
- MG260 - Business Law I Credits: 3
- MG371 - Management and Organizational Behavior Credits: 3

Note:

*MA171 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirement for MA120.

Liberal Education Requirements 24 cr.
Writing Seminar 6 cr.

- EN105 - First Year Writing Seminar I: Critical Reading, Writing and Thinking Across Contexts
  Credits: 3
- EN106 - First Year Writing Seminar II: Academic Research and Writing
  Credits: 3

Math Requirement 3 cr.

Choose one of the following:

- MA120 - Basic Concepts of Statistics
  Credits: 3
- MA125 - Intermediate Algebra
  Credits: 3
- or higher excluding MA208

Humanities Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Natural Science Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Biology, Chemistry, Computer Science, Fitness and Wellness, Information Systems, Physical Geography, Geology, Math, Natural Science, Physics, Surveying.

Natural Science/Social Science/Humanities 3 cr.

Complete an addition 3 hours of humanities, natural science, or social science in the following disciplines:

Graduation Requirements

Park University confers the Associates of Arts and Associate of Science degrees at selected locations when a candidate has satisfied the following conditions:

- LE100 First-Year Seminar (required for all incoming first-time freshmen and highly encouraged for transfer students)

Construction Management Requirements 18 CR.

• CO111 - Introduction to Engineer Construction Technology/Design/Materials and Safety Credits: 3
• CO121 - Plans Analysis Credits: 3
• CO235 - Construction Planning Credits: 3
• CO320 - Mechanical and Electrical Systems for Construction Managers Credits: 3
• CO360 - Project Management/Critical Path Analysis Credits: 3
• CO365 - Construction Project Management Credits: 3

Select two of the following: 6 cr.

At least one course must be 300-400 level.

• CO225 - Building Codes Credits: 3
• CO245 - Construction Estimating Credits: 3
• CO315 - Special Topics in Construction Management Credits: 3
• CO420 - Commercial Construction Credits: 3
• CO430 - Environmental Technology Credits: 3
• CO440 - Management of Heavy Construction Equipment Credits: 3
• CO450 - Construction Management Internship Credits: 3
• MG375 - Production and Operations Management Credits: 3
• MG450 - Project Management Credits: 3

Note:

For all majors within the Robert W. Plaster School of Business, MG306 is a required course and meets the requirements for EN306B.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205
Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

Management, B.S.

Requirements For: B.S. Major 57 Hours, 2.0 GPA

Students taking the Management major receive a broad education covering the major functional areas of Management. This degree will help a student prepare for business or government leadership and provide him/her with knowledge and skills desired by all types of employers.

Business Core 39 CR.

• AC201 - Principles of Financial Accounting Credits: 3
• AC202 - Principles of Managerial Accounting Credits: 3
• IB315 - International Business Perspectives Credits: 3
• IS141 - Applied Computer Technology for Business Credits: 3
• EC141 - Principles of Macroeconomics Credits: 3
• EC142 - Principles of Microeconomics Credits: 3
• FI360 - Financial Management Credits: 3
• MA171 - Finite Mathematics Credits: 3
• MG260 - Business Law I Credits: 3
• MG315 - Advanced Business Statistics Credits: 3
• MG371 - Management and Organizational Behavior Credits: 3
• MG495 - Business Policy Credits: 3
• MK351 - Principles of Marketing Credits: 3

Management 18 CR.

• HR353 - Introduction to Human Resource Management Credits: 3
• MG375 - Production and Operations Management Credits: 3
• MG401 - Senior Seminar in Management Credits: 3

Electives

• Select 3 courses at the 300-400 level from any Business Program with no 2 courses taken from the same concentration with the exception of Management; and to include IS310 Business Applications

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.
Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107, CH107L, CH108 CH108L, GGP115, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.*
Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:
• Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor for Geography, B.S. and Information Systems, B.S. majors.
• Satisfaction of all requirements for a major.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

**Accounting, B.S.B.A.**

**B.S.B.A.**

This program is part of the 4+1 Undergraduate to Graduate program options.

For questions regarding specific courses and concentration options, please consult with your Advisor, Campus Center or via email at: advising@park.edu.

Students enrolled in the Bachelor of Science in Business Administration program receive a broad education covering the major functional areas of business. This degree will help a student prepare for a career in business or government leadership and provide knowledge and skills desired by all types of employers. It can also provide one the background to organize and manage a family business. Graduates with a B.S.B.A. typically find jobs in business, production management, personnel management, marketing management, or financial management. Many serve their communities as marketing or management specialists in insurance, real estate, investments, banking, communications, manufacturing, retailing and wholesaling. A number of students with this major move into graduate study in law, management, or other business specialties.

**Requirements For: B.S.B.A. Major – 69 Hours, 2.0 GPA**

This program is designed to prepare students for a professional career in public accounting, managerial accounting or governmental accounting. The curriculum stresses professional ethics. It is excellent preparation for graduate study in accounting, business administration, or law.

**Business Core 39 CR.**

- AC201 - Principles of Financial Accounting **Credits: 3**
- AC202 - Principles of Managerial Accounting **Credits: 3**
- EC141 - Principles of Macroeconomics **Credits: 3**
- EC142 - Principles of Microeconomics **Credits: 3**
- FI360 - Financial Management **Credits: 3**

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Healthcare, B.S.B.A.**

**B.S.B.A.**

This program is part of the 4+1 Undergraduate to Graduate program options. For questions regarding specific courses and concentration options, please consult with your Advisor, Campus Center or via email at: advising@park.edu.

Students taking the Bachelor of Science in Business Administration program receive a broad education covering the major functional areas of business. This major will help a student prepare for a career in business or government leadership and provide him/her with knowledge and skills desired by all types of employers. It can also give one the background to organize and manage his/her family business. Graduates in business administration typically find jobs in business, production management, personnel management, marketing management, or financial management. Many serve their communities as marketing or management specialists in insurance, real estate, investments, banking, communications, manufacturing, retailing and wholesaling. A number of students with this major move into graduate study in law, management, or other business specialties.
Requirements For: B.S.B.A. Major – 60 Hours, 2.0 GPA

This program provides students with a comprehensive foundation of knowledge about the U.S. healthcare system, including its structure, regulations, operations, and management. Graduates of the program will have the ability to analyze the basic structures and operations of the healthcare delivery systems, use macro and micro factors to formulate administrative solutions to complex problems and challenges in healthcare, and demonstrate the ability to effectively manage organizational resources to achieve institutional objectives. This degree will prepare students for various contemporary healthcare administration practices and functions in various healthcare settings. The intent of this program is to meet the educational needs of students who intend to pursue active careers in healthcare field or enroll in graduate work in healthcare administration.

Business Core 33 CR.

MA171 has a prerequisite of MA125. Students who do not meet the placement/test prerequisite for MA171 are required to complete MA125.
MG306 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirement for EN306*.
EC141 and EC142 will satisfy the LE Social Science area.

Healthcare 27 CR.

- HC261 - Legal and Ethical Issues in Healthcare Delivery Credits: 3
- HC351 - Organization and Administration of Healthcare Programs Credits: 3
- HC451 - Healthcare and the Political Process Credits: 3
- HC461 - The Hospital and the Community Credits: 3
- HC465 - Basic Issues in Community Based Healthcare Delivery Credits: 3
- HC467 - Principles of Risk Management and Patient Safety Credits: 3
- HC491 - Senior Seminar in Healthcare Management Credits: 3
- HR333 - Introduction to Human Resource Management Credits: 3
- MG375 - Production and Operations Management Credits: 3

Select one of the following: 3 CR.

- HC400 - Special Topics in Healthcare Management Credits: 1-3
• HC462 - Healthcare Management Internship **Credits:** 3-6
• HC466 - Planning and Organizing Community Health Services **Credits:** 3
• HR310 - Leadership and Team Building **Credits:** 3
• PS361 - Cross-Cultural Psychology **Credits:** 3

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO227, BIO230, BIO237L and BIO237, BIO330, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH131L and CH131, CH381L and CH381, CH382, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251,
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130,
GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101,
PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer
students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of
Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300,
PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses
designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course
  must be offered by a program other than the one(s) that house(s) the student’s major area of study
  at the time the course is taken.
• 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

• Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor for Geography, B.S. and Information Systems, B.S. majors.
• Satisfaction of all requirements for a major.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

**Human Resources, B.S.B.A.**

**B.S.B.A.**

This program is part of the 4+1 Undergraduate to Graduate program options.

For questions regarding specific courses and concentration options, please consult with your Advisor, Campus Center or via email at: advising@park.edu.

Students enrolled in the Bachelor of Science in Business Administration program receive a broad education covering the major functional areas of business. This degree will help a student prepare for a career in business or government leadership and provide knowledge and skills desired by all types of employers. It can also provide one the background to organize and manage a family business. Graduates with a B.S.B.A. typically find jobs in business, production management, personnel management, marketing management, or financial management. Many serve their communities as marketing or management specialists in insurance, real estate, investments, banking, communications, manufacturing, retailing and wholesaling. A number of students with this major move into graduate study in law, management, or other business specialties.

**Requirements For: B.S.B.A. Major – 63 Hours, 2.0 GPA**

This program focuses on the study of organizations and the use of personnel as a primary institutional resource. Emphasis is placed on a behavioral science/management approach in which the understanding of individual behavior and group processes is combined with the techniques of the management of personnel within an organization. This interdisciplinary approach draws from the fields of Management, Social Psychology, and Organization Behavior to create the skills in interpersonal and intergroup relations.
Business Core 39 CR.

- AC201 - Principles of Financial Accounting Credits: 3
- AC202 - Principles of Managerial Accounting Credits: 3
- EC141 - Principles of Macroeconomics Credits: 3
- EC142 - Principles of Microeconomics Credits: 3
- FI360 - Financial Management Credits: 3
- IB315 - International Business Perspectives Credits: 3
- IS141 - Applied Computer Technology for Business Credits: 3
- MA171 - Finite Mathematics Credits: 3
- MG260 - Business Law I Credits: 3
- MG315 - Advanced Business Statistics Credits: 3
- MG371 - Management and Organizational Behavior Credits: 3
- MG495 - Business Policy Credits: 3
- MK351 - Principles of Marketing Credits: 3

Note:

- MA 171 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirements for MA 120
- MA 171 has a prerequisite of MA 125. Students who do not meet the placement/test prerequisite for MA 171 are required to complete MA 125
- MG 306 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirement for Professional Writing (EN 306*)
- EC 141 and EC 142 will satisfy the LE Social Science area

Human Resource Management 15 CR.

- HR353 - Introduction to Human Resource Management Credits: 3
- HR355 - Planning and Staffing Credits: 3
- HR357 - Employment Law Credits: 3
- HR434 - Compensation Management Credits: 3
- HR491 - Senior Seminar in Human Resource Development Credits: 3

Business Electives 9 CR.

Select 3 business electives (to include IS310 Business Applications) at the 300-400 level with no more than 2 classes from the same program with the exception of Human Resources.

*Two courses can be Human Resources.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.
Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.*
Social Science Requirement 6 cr.
Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.
Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.
36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.
3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.
EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.
AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:
• Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor for Geography, B.S. and Information Systems, B.S. majors.
• Satisfaction of all requirements for a major.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

**Management, B.S.B.A.**

**B.S.B.A.**

This program is part of the 4+1 Undergraduate to Graduate program options.

- MA 171 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirements for MA 120
- MA 171 has a prerequisite of MA 125. Students who do not meet the placement/test prerequisite for MA 171 are required to complete MA 125
- MG 306 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirement for Professional Writing (EN 306*)
- EC 141 and EC 142 will satisfy the LE Social Science area

Management 18 CR.
- MG375 - Production and Operations Management Credits: 3
- MG401 - Senior Seminar in Management Credits: 3
- HR353 - Introduction to Human Resource Management Credits: 3

Select three of the following:
Select 3 business electives at the 300-400 level (to include IS310 Business Applications) with no more than 2 course taken from the same department with the exception of Management.

*Up to three Management courses are permitted.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.
EN105 and EN106

Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:
Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251,
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.
Select one of the following:
BI214, CH101, CH102, CH105, CH107, CH107L, CH108, CH108L, GGP115, GGP120, GGP205, GO125, GO130,
GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206
*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.
Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101,
PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.
Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Project Management, B.S.B.A.

B.S.B.A.

This program is part of the 4+1 Undergraduate to Graduate program options.
For questions regarding specific courses and concentration options, please consult with your Advisor, Campus Center or via email at: advising@park.edu.

Students enrolled in the Bachelor of Science in Business Administration program receive a broad education covering the major functional areas of business. This degree will help a student prepare for a career in business or government leadership and provide knowledge and skills desired by all types of employers. It can also provide one the background to organize and manage a family business. Graduates with a B.S.B.A. typically find jobs in business, production management, personnel management, marketing management, or financial management. Many serve their communities as marketing or management specialists in insurance, real estate, investments, banking, communications, manufacturing, retailing and wholesaling. A number of students with this major move into graduate study in law, management, or other business specialties.

**Requirements For: B.S.B.A. Major – 60 Hours, 2.0 GPA**

The Project Management program will help students become proficient in the skills and processes essential to project management and prepare them to sit for the Project Management Certification Exam. Project Managers are skilled professionals tasked with the job of making sure that a project is completed well, on budget and on time.

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251,
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130,
GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101,
PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer
students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of
Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300,
PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses
designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course
  must be offered by a program other than the one(s) that house(s) the student’s major area of study
  at the time the course is taken.
• 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Business Analytics, Certificate**

**Requirements For: Certificate – 12 Hours, 2.0 GPA**

- BAI329 - Business Analytics Applied **Credits:** 3
- BAI405 - Data Visualization and Story Telling **Credits:** 3
- BAI407 - Predictive Analytics and Risk Analysis **Credits:** 3
  or
- BAI427 - Prescriptive Analytics for Decision Making **Credits:** 3
- BAI491 - Capstone in Business Analytics **Credits:** 3

**Human Resource Management, Certificate**

This certificate is under the Department of Human Resource Management in the School of Business. Students should contact the department with any questions.

Certificate award requires passing all courses with a grade of "C" or better.

**Requirement for: Certificate - 12 Hours 2.0 GPA**

- MG371 - Management and Organizational Behavior **Credits:** 3
- HR355 - Planning and Staffing **Credits:** 3
- HR357 - Employment Law **Credits:** 3
• HR434 - Compensation Management Credits: 3

Graduation Requirements

Park University confers Undergraduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 50% of the coursework completed at Park
- Earn a minimum cumulative GPA of 2.0* (for courses in the certificate)
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application of Graduation

*Individual departments may establish additional (or higher) requirements (refer to the Programs by Degree Type section of the catalog for program-specific requirements).

Project Management, Certificate

This certificate is under the Department of Management, in the College of Management, Undergraduate School of Business. Students should contact the department with any questions.

Certificate award requires passing all courses with a grade of "C" or better.

Requirements For: Certificate - 12 Hours, 2.0 GPA

- MA171 - Finite Mathematics Credits: 3
- MG371 - Management and Organizational Behavior Credits: 3
- MG375 - Production and Operations Management Credits: 3
- MG450 - Project Management Credits: 3

Graduation Requirements

Park University confers Undergraduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 50% of the coursework completed at Park
- Earn a minimum cumulative GPA of 2.0* (for courses in the certificate)
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application of Graduation

*Individual departments may establish additional (or higher) requirements (refer to the Programs by Degree Type section of the catalog for program-specific requirements).

Accounting, Minor

Requirements For: Business Minor – 18 Hours, 2.0 GPA

- AC309 - Individual Income Tax Credits: 3
- AC320 - Intermediate Accounting I Credits: 3
- AC325 - Intermediate Accounting II Credits: 3
• AC350 - Accounting Information Systems Credits: 3
• AC380 - Cost Accounting Credits: 3

One course from the following:

• AC230 - Computer-Based Accounting Systems Credits: 3
• AC330 - Intermediate Accounting III Credits: 3
• AC430 - Auditing Credits: 3
• AC435 - Ethics for Accountants Credits: 3
• AC451 - Accounting Internship Credits: 1-6

Requirements For: NonBusiness Minor - 21 Hours, 2.0 GPA

• AC201 - Principles of Financial Accounting Credits: 3
• AC202 - Principles of Managerial Accounting Credits: 3
• AC320 - Intermediate Accounting I Credits: 3
• MG260 - Business Law I Credits: 3
• MG371 - Management and Organizational Behavior Credits: 3
• MK351 - Principles of Marketing Credits: 3

One course from the following:

• AC230 - Computer-Based Accounting Systems Credits: 3
• AC309 - Individual Income Tax Credits: 3
• AC325 - Intermediate Accounting II Credits: 3
• AC350 - Accounting Information Systems Credits: 3
• AC380 - Cost Accounting Credits: 3

Analytics, Minor

Requirements For: NonBusiness Minor - 21 Hours, 2.0 GPA

The Analytics minor is designed to prepare students for applying analytical and problem-solving thinking and skills in an organization. The purpose of the program is to develop students’ knowledge base of the current analytics as well as problem-solving skills within the functional areas of an organization.

• BAI209 - Survey of Analytical Approaches Credits: 3
• BAI229 - Decision Making and Problem Analysis Credits: 3
• BAI405 - Data Visualization and Story Telling Credits: 3
• BAI407 - Predictive Analytics and Risk Analysis Credits: 3
• BAI427 - Prescriptive Analytics for Decision Making Credits: 3
• BAI491 - Capstone in Business Analytics Credits: 3
• SO255 - Social Life of Data Credits: 3

Construction Management, Minor
Requirements For: Business Minor – 18 Hours, 2.0 GPA

- CO111 - Introduction to Engineer Construction Technology/Design/Materials and Safety Credits: 3
- CO121 - Plans Analysis Credits: 3
- CO235 - Construction Planning Credits: 3
- CO360 - Project Management/Critical Path Analysis Credits: 3

Select two from the following: 6 CR.

- CO225 - Building Codes Credits: 3
- CO245 - Construction Estimating Credits: 3
- CO315 - Special Topics in Construction Management Credits: 3
- CO365 - Construction Project Management Credits: 3
- CO450 - Construction Management Internship Credits: 3
- MG375 - Production and Operations Management Credits: 3

Requirements For: NonBusiness Minor - 21 Hours, 2.0 GPA

- AC201 - Principles of Financial Accounting Credits: 3
- MG260 - Business Law I Credits: 3
- MG371 - Management and Organizational Behavior Credits: 3
- MG375 - Production and Operations Management Credits: 3

Select three of the following: 9 CR.

- CO111 - Introduction to Engineer Construction Technology/Design/Materials and Safety Credits: 3
- CO121 - Plans Analysis Credits: 3
- CO225 - Building Codes Credits: 3
- CO235 - Construction Planning Credits: 3
- CO245 - Construction Estimating Credits: 3
- CO360 - Project Management/Critical Path Analysis Credits: 3
- CO365 - Construction Project Management Credits: 3

Human Resource Management, Minor

Requirements For: Business Minor – 18 Hours, 2.0 GPA

- HR355 - Planning and Staffing Credits: 3
- HR357 - Employment Law Credits: 3

HR 300-400 level
Two HR classes at 300-400 level Credits: 6

Two courses from the following:

- EC300 - Intermediate Microeconomics Credits: 3
  or
- EC301 - Intermediate Macroeconomics Credits: 3
  or
- EC302 - Labor Economics Credits: 3

- IS205 - Managing Information Systems Credits: 3
- IB315 - International Business Perspectives Credits: 3
- MG261 - Business Law II Credits: 3
- MG420 - Labor Relations Credits: 3
- MK453 - Marketing Research and Information Systems Credits: 3

Requirements For: NonBusiness Minor - 21 Hours, 2.0 GPA

- AC201 - Principles of Financial Accounting Credits: 3
- MG260 - Business Law I Credits: 3
- MG371 - Management and Organizational Behavior Credits: 3
- HR353 - Introduction to Human Resource Management Credits: 3
- HR357 - Employment Law Credits: 3

HR 300-400 Level

- HR class at the 300-400 level Credits: 3

One course from the following

- AC202 - Principles of Managerial Accounting Credits: 3

- EC141 - Principles of Macroeconomics Credits: 3
  or
- EC142 - Principles of Microeconomics Credits: 3

- FI360 - Financial Management Credits: 3
- IB315 - International Business Perspectives Credits: 3
- MG261 - Business Law II Credits: 3
- MG315 - Advanced Business Statistics Credits: 3
- MK351 - Principles of Marketing Credits: 3

Logistics, Minor

Requirements For: Business Minor – 18 Hours, 2.0 GPA
• MG375 - Production and Operations Management Credits: 3
• LG312 - Transportation and Distribution Systems Credits: 3
• LG415 - Quality Control Credits: 3
• LG424 - Purchasing and Vendor Management Credits: 3
• LG426 - Logistics Management Credits: 3

One course from the following

• LG305 - International Logistics Credits: 3
• LG324 - Contract Management and Law Credits: 3
• LG400 - Logistics Internship Credits: 3-6

Requirements For: NonBusiness Minor - 21 Hours, 2.0 GPA

• AC201 - Principles of Financial Accounting Credits: 3
  or
• MG306 - Business Communications Credits: 3

• MG260 - Business Law I Credits: 3
  or
• HR353 - Introduction to Human Resource Management Credits: 3

• LG312 - Transportation and Distribution Systems Credits: 3
• LG426 - Logistics Management Credits: 3
• MG371 - Management and Organizational Behavior Credits: 3
• MK351 - Principles of Marketing Credits: 3

One course from the following

• LG305 - International Logistics Credits: 3
• LG400 - Logistics Internship Credits: 3-6
• LG415 - Quality Control Credits: 3
• LG424 - Purchasing and Vendor Management Credits: 3

Management, Minor

Requirements For: Business Minor – 18 Hours, 2.0 GPA

• HR353 - Introduction to Human Resource Management Credits: 3
• MG401 - Senior Seminar in Management Credits: 3

MG 300-400 level

• Two MG classes at 300-400 level Credits: 6
Two courses from the following:

- EC301 - Intermediate Macroeconomics **Credits: 3**
- EC302 - Labor Economics **Credits: 3**
- EC303 - Money, Credit and Banking **Credits: 3**
- HR310 - Leadership and Team Building **Credits: 3**
- MG261 - Business Law II **Credits: 3**
- MK453 - Marketing Research and Information Systems **Credits: 3**
- LG312 - Transportation and Distribution Systems **Credits: 3**

Requirements For: NonBusiness Minor - 21 Hours, 2.0 GPA

- AC201 - Principles of Financial Accounting **Credits: 3**
- MG260 - Business Law I **Credits: 3**
- MG371 - Management and Organizational Behavior **Credits: 3**
- MK351 - Principles of Marketing **Credits: 3**

**MG 300 - 400 Level**

- Two MG classes at the 300-400 level **Credits: 6**

One course from the following

- AC202 - Principles of Managerial Accounting **Credits: 3**
- EC141 - Principles of Macroeconomics **Credits: 3**
- EC142 - Principles of Microeconomics **Credits: 3**
- HR310 - Leadership and Team Building **Credits: 3**
- HR353 - Introduction to Human Resource Management **Credits: 3**
- LG312 - Transportation and Distribution Systems **Credits: 3**
- MG261 - Business Law II **Credits: 3**
- MG315 - Advanced Business Statistics **Credits: 3**

**Project Management, Minor**

Requirements For: Business Minor – 18 Hours, 2.0 GPA

- AC380 - Cost Accounting **Credits: 3**
- FI415 - Financial Analysis and Planning **Credits: 3**
- HR353 - Introduction to Human Resource Management **Credits: 3**
- MG375 - Production and Operations Management **Credits: 3**
- MG401 - Senior Seminar in Management **Credits: 3**
- MG450 - Project Management **Credits: 3**

Business Analytics, Graduate Certificate

The graduate certificate in Business Analytics is housed in the Robert W. Plaster School of Business. The certificate is aimed to provide students with the skills and knowledge in Business Analytics, which will allow them bridging technologies and data-driven decision-making in Business and other relevant fields. The certificate will prepare students to understand how technology helps working with data; how to convert analytical questions in to a set of actions, and how to use appropriate tools to perform them. Students will have the opportunity to practice working with big data, data mining, predictive models, data visualization, and/or conduct analysis of marketing or web data.

Requirements For: Certificate - 12 Hours, 3.0 GPA

Core Requirement 6 cr.

- MIS605 - Management Information Systems Credits: 3
- MIS614 - Data Analysis and Business Analytics Credits: 3

Select two of the following: 6 CR.

- CIS606 - Applied Data Mining and Analysis of Big Data Credits: 3
- CIS607 - Survey of Predictive Analytical Techniques Credits: 3
- CIS608 - Web and Marketing Analytics Credits: 3
- CIS609 - Data Visualization Credits: 3

Graduation Requirements

Park University confers Graduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 75% of the coursework completed at Park
- Earn a minimum cumulative GPA of 3.0* (for courses in the certificate)
- Completion of coursework with no more than 2 grades of C earned at Park University
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application for Graduation
*Individual departments may establish additional (or higher) requirements (refer to the program-specific requirements).

**Human Resource Management, Graduate Certificate**

The Graduate Certificate in Human Resource Management is in the School of Business which is housed within the College of Management. The certificate is designed to expose students to the functional areas of a typical human resource department. In addition, the students gain a deeper appreciation of the consultative role that HR professionals play in supporting the organization’s management team, employees, and contractors. The competencies acquired in this curriculum will prepare students to more effectively manage personnel and leverage the support of their HR professionals as their career advances.

**Requirements For: Certificate - 12 Hours, 3.0 GPA**

**Core Requirement 12 cr.**

- HRM634 - Planning and Staffing Credits: 3
- HRM635 - Training, Development, and Evaluation Credits: 3
- HRM636 - Change Management and Conflict Resolution Credits: 3
- HRM637 - Compensation Management Credits: 3

**Graduation Requirements**

Park University confers Graduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 75% of the coursework completed at Park
- Earn a minimum cumulative GPA of 3.0* (for courses in the certificate)
- Completion of coursework with no more than 2 grades of C earned at Park University
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application for Graduation

*Individual departments may establish additional (or higher) requirements (refer to the program-specific requirements).

**Management Accounting, Graduate Certificate**

The Graduate Certificate in Management Accounting is in the School of Business which is housed within the College of Management. The certificate is designed to prepare the students with the competencies necessary to excel in professional positions that require a high level of comfort with accounting and finance, such as chief financial officers, controllers, financial analysts, or budget analysts or directors. More specifically, this curriculum will provide the students with an extensive understanding of management accounting concepts, cost accounting, accounting research practices, activity-based costing as an aid to making decisions, profit planning, budget forecasting and preparation, and broaden their leadership skills. The skills acquired in the management accounting curriculum will develop student knowledge of financial planning, financial analysis, control mechanisms, decision-making, and professional ethics. The Management Accounting certificate is unique in that it is designed to prepare students without an undergraduate degree in accounting, or from different graduate disciplines, with the competencies necessary to assume leadership roles within the financial service units as opposed to working as a staff or public accountant.
Requirements For: Certificate - 12 Hours, 3.0 GPA

Core Requirement 12 cr.

- ACC510 - Accounting Research and Analysis Credits: 3
- ACC613 - Internal Auditing and Control Mechanisms Credits: 3
- ACC617 - Advanced Managerial Accounting Issues Credits: 3
- ACC626 - Management Accounting Leadership-Role of the Chief Financial Officer Credits: 3

Graduation Requirements

Park University confers Graduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 75% of the coursework completed at Park
- Earn a minimum cumulative GPA of 3.0* (for courses in the certificate)
- Completion of coursework with no more than 2 grades of C earned at Park University
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application for Graduation
*Individual departments may establish additional (or higher) requirements (refer to the program-specific requirements).

Project Management, Graduate Certificate

The Graduate Certificate in Project Management (PM) is in the School of Business which is housed within the College of Management. The certificate is designed to prepare students with the knowledge, skills, and abilities (KSAs) to competently plan, organize, staff, and guide processes for creating a solution or system. The PM certificate intends to adequately prepare the students to take the Project Management Professional (PMP)® credentialing exam. More specifically, the content is aligned with the Project Management Body of Knowledge (PMBOK, 5th edition) and introduces students to the five (5) process groups, 10 knowledge areas, and 47 processes.

Requirements For: Certificate - 12 Hours, 3.0 GPA

Core Requirement 12 cr.

- PM690 - Integration, Scope, and Quality Management Credits: 3
- PM691 - Time and Cost Management Credits: 3
- PM692 - Communications, Risk, and Stakeholder Management Credits: 3
- PM693 - Human Resource and Procurement Management Credits: 3

Graduation Requirements

Park University confers Graduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 75% of the coursework completed at Park
- Earn a minimum cumulative GPA of 3.0* (for courses in the certificate)
• Completion of coursework with no more than 2 grades of C earned at Park University
• Meet all requirements of the specific program as outlined in this catalog
• Submission of an Application for Graduation
*Individual departments may establish additional (or higher) requirements (refer to the program-specific requirements).

**Master of Business Administration, Business Analytics, M.B.A.**

**Master of Business Administration M.B.A.**

Park University's Master of Business Administration degree program was founded in 1998. Park's MBA program offers a student-centered learning environment to produce responsible, innovative business leaders in an ever-changing global environment. It prepares students as entrepreneurial thinkers to enhance business competitiveness in a global environment. Significance is placed on applying business knowledge and techniques to implement decisions.

Park's MBA faculty and students come from all continents and have diverse professional backgrounds, enriching the educational experience. Whether advancing through the ranks of a multinational corporation, joining a small nonprofit organization or re-entering the workplace, business applications and tools acquired in the MBA program are vital to student success in today's fast-paced global business environment.

To meet students' personal and professional needs, the MBA degree may be earned entirely online, through the blended delivery method (a blend of face-to-face and online instruction), or through a combination of these methods. Blended courses are offered as evening courses one night a week at select campus locations. Online courses offer flexibility, without sacrificing rigor and academic excellence.

The MBA curriculum is designed with the working professional in mind. Students are expected to engage in team assignments and are given the opportunity to obtain hands-on knowledge through projects and case study analysis. Each concentration is designed to meet the educational needs of the growing and varied business sectors.

**Vision Statement**

The vision of Park University's Master of Business Administration program is to use a student-centered learning environment to produce responsible, innovative business leaders in an ever-changing global environment.

**Mission Statement**

The mission of Park University's Master of Business Administration program is to prepare business leaders as entrepreneurial thinkers who enhance business competitiveness in a global environment.

**Program Learning Outcomes**

• Formulate a personal communication strategy that will help them cultivate professional relationships with diverse stakeholders to achieve cooperation, promote teamwork, demonstrate respect, and maintain a competitive advantage.
• Assess the level of professionalism needed for success in a highly dynamic and demanding environment by maintaining personal and professional accountability, engaging in ongoing professional development, and demonstrating a commitment to the welfare of the
facility/organization, surrounding community and the profession. Demonstrate the ability to function autonomously and take responsibility for managing a culturally and geographically diverse group of professionals within a highly complex and changing business environment.

- Develop a clear and achievable organizational vision for the future which promotes the entrepreneurial spirit and contributes to the formation of a culture and climate that embraces change in order to achieve excellence in product and service delivery.
- Assess the business environment and its components in order to identify opportunities and threats, and then actively contribute to viable strategy formulation that effectively leverages internal competencies to achieve organizational success on a domestic and global scale.
- Synthesize relevant internal and external data in order to position complex organizations for fiscal and operational success, despite existing barriers, in order to maintain a strong competitive advantage within a dynamic economy.
- Demonstrate advanced problem solving skills that result in viable and ethical solutions to complex issues that may impact product and service delivery.

**Admissions Requirements**

See Admissions Policies and Procedures for further details.

- A bachelor's degree from an acceptable accredited college or university in the U.S., or from an foreign institution of higher learning.
- Minimum 2.75 cumulative grade point average on a 4.0 scale from all colleges and universities attended.
- Students with a cumulative grade point average below 2.75 may be considered for probationary admission. Submission of additional documentation may be requested by the Program Director.

Admission to Park University’s Master of Business Administration program is open to graduates of all fields of undergraduate study.

**Sequential Degree**

This program is a participant of the Sequential Degree option.

**Requirements For: Master - 36 Hours, 3.0 GPA**

**Core Curriculum 24 cr.**

- MBA500 - Management Foundations **Credits:** 3
- MBA515 - Accounting for Management Decisions **Credits:** 3
- MBA522 - Organization Behavior and Leadership **Credits:** 3
- MBA524 - Business Law and Ethics **Credits:** 3
- MBA576 - Operations Management **Credits:** 3
- MBA615 - Managerial Finance **Credits:** 3
- MBA630 - Strategic Marketing **Credits:** 3
- MBA695 - Strategic Management **Credits:** 3

**Concentrations**

All students complete all core courses to provide a common foundation; therefore, the program's policy is not to waive any of the core courses.
The general MBA program offers the flexibility to tailor electives to the student's professional interests. Ample choices allow a broad choice or a focus, such as finance, entrepreneurship, global business or information systems. Alternatively, the student may select one of the following formal areas of concentration:

- Business Analytics Concentration
- Disaster and Emergency Management Concentration
- Finance Concentration
- General Concentration
- Human Resource Management Concentration
- Innovation and Quality Management Concentration
- Management Accounting Concentration
- Management Information Systems Concentration
- Marketing Concentration
- Project Management Concentration
- Public Accounting Concentration

**Note**

Park undergraduate students who completed their bachelor's degree within the past five years, completed all four courses in the MBA 4+1 program (12 credit hours), and received a B or higher in each 4+1 course, may receive a waiver for MBA500 Management Foundations.

**Business Analytics**

**Core Requirement 6 cr.**

- MIS605 - Management Information Systems **Credits:** 3
- MIS614 - Data Analysis and Business Analytics **Credits:** 3

**Electives 6 cr.**

Select two of the following:

- CIS606 - Applied Data Mining and Analysis of Big Data **Credits:** 3
- CIS607 - Survey of Predictive Analytical Techniques **Credits:** 3
- CIS608 - Web and Marketing Analytics **Credits:** 3
- CIS609 - Data Visualization **Credits:** 3

**Graduation Requirements**

Park University confers the Master of Business Administration, Master of Social Work and Education Specialist degrees at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 33 semester hours.
- Cumulative GPA of 3.0 for Park University courses.
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of all earned credit with no more than 2 grades of C earned.
- Submission of an Application for Graduation.
Master of Business Administration, Disaster and Emergency Management Concentration, M.B.A.

Master of Business Administration M.B.A.

• A bachelor’s degree from an acceptable accredited college or university in the U.S., or from an foreign institution of higher learning.

• Minimum 2.75 cumulative grade point average on a 4.0 scale from all colleges and universities attended.

• Students with a cumulative grade point average below 2.75 may be considered for probationary admission. Submission of additional documentation may be requested by the Program Director.

Admission to Park University's Master of Business Administration program is open to graduates of all fields of undergraduate study.

**Sequential Degree**

This program is a participant of the Sequential Degree option.

**Requirements For: Master - 36 Hours, 3.0 GPA**

**Core Curriculum 24 cr.**

- MBA500 - Management Foundations **Credits: 3**
- MBA515 - Accounting for Management Decisions **Credits: 3**
- MBA522 - Organization Behavior and Leadership **Credits: 3**
- MBA524 - Business Law and Ethics **Credits: 3**
- MBA576 - Operations Management **Credits: 3**
- MBA615 - Managerial Finance **Credits: 3**
- MBA630 - Strategic Marketing **Credits: 3**
- MBA695 - Strategic Management **Credits: 3**

**Concentrations**

All students complete all core courses to provide a common foundation; therefore, the program’s policy is not to waive any of the core courses.

The general MBA program offers the flexibility to tailor electives to the student’s professional interests. Ample choices allow a broad choice or a focus, such as finance, entrepreneurship, global business or
information systems. Alternatively, the student may select one of the following formal areas of concentration:

- Business Analytics Concentration
- Disaster and Emergency Management Concentration
- Finance Concentration
- General Concentration
- Human Resource Management Concentration
- Innovation and Quality Management Concentration
- Management Accounting Concentration
- Management Information Systems Concentration
- Marketing Concentration
- Project Management Concentration
- Public Accounting Concentration

**Note**

Park undergraduate students who completed their bachelor's degree within the past five years, completed all four courses in the MBA 4+1 program (12 credit hours), and received a B or higher in each 4+1 course, may receive a waiver for MBA500 Management Foundations.

**Disaster and Emergency Management**

The concentration in Disaster and Emergency Management is designed to prepare the graduate student with the knowledge, skills, and abilities (KSAs) to competently mitigate, prepare, respond, and assist communities and their organizations in recovering from natural and man-made disasters. An array of potentially hazardous events now more than ever confront businesses and include, but are not necessarily limited to homeland security issues; failures of complex technology; and a wide range of natural hazards. Ultimately, this concentration is intended to prepare graduates to design and improve emergency management capabilities and command and control operations within firms, so that they're better prepared to handle major and catastrophic disasters that threaten to disrupt business continuity.

**Core Requirement 12 cr.**

- DEM551 - Principles of Disaster and Emergency Management **Credits:** 3
- DEM552 - Public Policy and Disaster **Credits:** 3
- DEM553 - Disaster and Society **Credits:** 3
- DEM557 - Continuity of Operations in Public and Private Sectors **Credits:** 3

**Graduation Requirements**

Park University confers the Master of Business Administration, Master of Social Work and Education Specialist degrees at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 33 semester hours.
- Cumulative GPA of 3.0 for Park University courses.
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of all earned credit with no more than 2 grades of C earned.
- Submission of an Application for Graduation.
Master of Business Administration, Finance Concentration, M.B.A.

Master of Business Administration M.B.A.

Park University's Master of Business Administration degree program was founded in 1998. Park's MBA program offers a student centered learning environment to produce responsible, innovative business leaders in an ever-changing global environment. It prepares students as entrepreneurial thinkers to enhance business competitiveness in a global environment. Significance is placed on applying business knowledge and techniques to implement decisions.

Park's MBA faculty and students come from all continents and have diverse professional backgrounds, enriching the educational experience. Whether advancing through the ranks of a multinational corporation, joining a small nonprofit organization or re-entering the workplace, business applications and tools acquired in the MBA program are vital to student success in today's fast-paced global business environment.

To meet students' personal and professional needs, the MBA degree may be earned entirely online, through the blended delivery method (a blend of face-to-face and online instruction), or through a combination of these methods. Blended courses are offered as evening courses one night a week at select campus locations. Online courses offer flexibility, without sacrificing rigor and academic excellence.

The MBA curriculum is designed with the working professional in mind. Students are expected to engage in team assignments and are given the opportunity to obtain hands on knowledge through projects and case study analysis. Each concentration is designed to meet the educational needs of the growing and varied business sectors.

Vision Statement

The vision of Park University's Master of Business Administration program is to use a student-centered learning environment to produce responsible, innovative business leaders in an ever-changing global environment.

Mission Statement

The mission of Park University’s Master of Business Administration program is to prepare business leaders as entrepreneurial thinkers who enhance business competitiveness in a global environment.

Program Learning Outcomes

- Formulate a personal communication strategy that will help them cultivate professional relationships with diverse stakeholders to achieve cooperation, promote teamwork, demonstrate respect, and maintain a competitive advantage.
- Assess the level of professionalism needed for success in a highly dynamic and demanding environment by maintaining personal and professional accountability, engaging in ongoing professional development, and demonstrating a commitment to the welfare of the facility/organization, surrounding community and the profession. Demonstrate the ability to function autonomously and take responsibility for managing a culturally and geographically diverse group of professionals within a highly complex and changing business environment.
• Develop a clear and achievable organizational vision for the future which promotes the entrepreneurial spirit and contributes to the formation of a culture and climate that embraces change in order to achieve excellence in product and service delivery.

• Assess the business environment and its components in order to identify opportunities and threats, and then actively contribute to viable strategy formulation that effectively leverages internal competencies to achieve organizational success on a domestic and global scale.

• Synthesize relevant internal and external data in order to position complex organizations for fiscal and operational success, despite existing barriers, in order to maintain a strong competitive advantage within a dynamic economy.

• Demonstrate advanced problem solving skills that result in viable and ethical solutions to complex issues that may impact product and service delivery.

**Admissions Requirements**

See Admissions Policies and Procedures for further details.

• A bachelor's degree from an acceptable accredited college or university in the U.S., or from an foreign institution of higher learning.

• Minimum 2.75 cumulative grade point average on a 4.0 scale from all colleges and universities attended.

• Students with a cumulative grade point average below 2.75 may be considered for probationary admission. Submission of additional documentation may be requested by the Program Director.

Admission to Park University’s Master of Business Administration program is open to graduates of all fields of undergraduate study.

**Sequential Degree**

This program is a participant of the Sequential Degree option.

**Requirements For: Master - 36 Hours, 3.0 GPA**

**Core Curriculum 24 cr.**

- Disaster and Emergency Management Concentration
- Finance Concentration
- General Concentration
- Human Resource Management Concentration
- Innovation and Quality Management Concentration
- Management Accounting Concentration
- Management Information Systems Concentration
- Marketing Concentration
- Project Management Concentration
- Public Accounting Concentration

Note

Park undergraduate students who completed their bachelor's degree within the past five years, completed all four courses in the MBA 4+1 program (12 credit hours), and received a B or higher in each 4+1 course, may receive a waiver for MBA500 Management Foundations.

Finance Concentration

The Finance concentration provides graduates with broad professional competence and skills for careers in executive positions at financial institutions and other organizations. This concentration offers students extensive understanding of core skillsets in financial modeling, debt and equity issues, valuation, mergers and acquisitions, financial planning, risk management, financial reporting and analysis, and taxation necessary for modern corporate finance positions and consulting. By incorporating critical strategies and techniques in areas such as investment and commercial banks, financial, general management consulting, venture capital and private equity firms, and corporate finance within 500 large-cap companies, graduates are primed for financial challenges in national and international arenas. This concentration allows students to tailor their program to their professional goals and prepare them for career opportunities such as:

- **Investment Management.** Prepares candidates for a career as a security analyst, money manager, brokerage firm analyst, insurance company representative or other financial job function.
- **Corporate Financial Management.** Prepares candidates to be financial managers with responsibilities in risk management, strategic planning, budgeting, financial forecasting, cash management, credit administration, investment analysis and funds procurement.

Core Requirement 12 cr.

- FIN621 - Advanced Corporate Finance **Credits:** 3
- FIN625 - International Finance **Credits:** 3
- FIN640 - Investment Management **Credits:** 3
- FIN644 - Financial Markets and Institutions **Credits:** 3

Graduation Requirements

Park University confers the Master of Business Administration, Master of Social Work and Education Specialist degrees at selected locations when a candidate has satisfied the following conditions:
• Completion of a minimum of 33 semester hours.
• Cumulative GPA of 3.0 for Park University courses.
• Satisfaction of all requirements for a major as outlined in this catalog.
• Completion of all earned credit with no more than 2 grades of C earned.
• Submission of an Application for Graduation.

Park undergraduate students who completed their bachelor's degree within the past five years, completed all four courses in the MBA 4+1 program (12 credit hours), and received a B or higher in each 4+1 course, may receive a waiver for MBA500 Management Foundations.

**Innovation and Quality Management**

The Innovation and Quality Management concentration is designed to give students an in-depth understanding of the concepts and techniques used to assess and improve process outcomes. In other words, the students will be able to isolate processes that are routinely experiencing too much variability in their output, identify natural and assignable causes for variations, develop tactical strategies to improve process performance, and then establish formal mechanisms for monitoring future outcomes. Students will learn how to appropriately apply qualitative and quantitative approaches to diagnose the nature and scope of process problems and evaluate the effectiveness of interventions. The competencies that will be developed in this curriculum will serve students well as they progress in their careers. Defective processes drive up operating costs, making it virtually impossible to forecast revenues, and contributing to poor quality goods and services. This can lessen a firm’s competitive advantage in the marketplace and jeopardize their long-term financial viability.

**Core Requirement 12 cr.**

- QM684 - Principles of Quality Management **Credits:** 3
- QM685 - Innovative Techniques in Quality Management **Credits:** 3
- QM686 - Innovative Project Management **Credits:** 3

Park undergraduate students who completed their bachelor’s degree within the past five years, completed all four courses in the MBA 4+1 program (12 credit hours), and received a B or higher in each 4+1 course, may receive a waiver for MBA500 Management Foundations.

**Management Accounting**

The Management Accounting concentration is designed to prepare students with the competencies necessary to excel in professional positions that require a high level of comfort with accounting and finance, such as chief financial officers, controllers, financial analysts, budget analysts or directors. More specifically, students will develop an extensive understanding of management accounting concepts, cost accounting, accounting research practices, activity-based costing as an aid to decision-making, profit planning, budget forecasting and preparation, and broadening leadership skills. In acquiring skills for the CFO function within a variety of organizational structures, this concentration will develop student knowledge of financial planning, financial analysis, control mechanisms, decision-making, and professional ethics.

**Core Requirement 12 cr.**

- ACC510 - Accounting Research and Analysis **Credits: 3**
- ACC613 - Internal Auditing and Control Mechanisms **Credits: 3**
- ACC617 - Advanced Managerial Accounting Issues **Credits: 3**
- ACC626 - Management Accounting Leadership-Role of the Chief Financial Officer **Credits: 3**

**Graduation Requirements**

Park University confers the Master of Business Administration, Master of Social Work and Education Specialist degrees at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 33 semester hours.
- Cumulative GPA of 3.0 for Park University courses.
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of all earned credit with no more than 2 grades of C earned.
- Submission of an Application for Graduation.
**Master of Business Administration, Management Information Systems Concentration, M.B.A.**

**Master of Business Administration M.B.A.**

Park University’s Master of Business Administration degree program was founded in 1998. Park's MBA program offers a student centered learning environment to produce responsible, innovative business leaders in an ever-changing global environment. It prepares students as entrepreneurial thinkers to enhance business competitiveness in a global environment. Significance is placed on applying business knowledge and techniques to implement decisions.

Park's MBA faculty and students come from all continents and have diverse professional backgrounds, enriching the educational experience. Whether advancing through the ranks of a multinational corporation, joining a small nonprofit organization or re-entering the workplace, business applications and tools acquired in the MBA program are vital to student success in today's fast-paced global business environment.

To meet students' personal and professional needs, the MBA degree may be earned entirely online, through the blended delivery method (a blend of face-to-face and online instruction), or through a combination of these methods. Blended courses are offered as evening courses one night a week at select campus locations. Online courses offer flexibility, without sacrificing rigor and academic excellence.

The MBA curriculum is designed with the working professional in mind. Students are expected to engage in team assignments and are given the opportunity to obtain hands-on knowledge through projects and case study analysis. Each concentration is designed to meet the educational needs of the growing and varied business sectors.

**Vision Statement**

The vision of Park University’s Master of Business Administration program is to use a student-centered learning environment to produce responsible, innovative business leaders in an ever-changing global environment.

**Mission Statement**

The mission of Park University’s Master of Business Administration program is to prepare business leaders as entrepreneurial thinkers who enhance business competitiveness in a global environment.

**Program Learning Outcomes**

- Formulate a personal communication strategy that will help them cultivate professional relationships with diverse stakeholders to achieve cooperation, promote teamwork, demonstrate respect, and maintain a competitive advantage.
- Assess the level of professionalism needed for success in a highly dynamic and demanding environment by maintaining personal and professional accountability, engaging in ongoing professional development, and demonstrating a commitment to the welfare of the facility/organization, surrounding community and the profession. Demonstrate the ability to function autonomously and take responsibility for managing a culturally and geographically diverse group of professionals within a highly complex and changing business environment.
• Develop a clear and achievable organizational vision for the future which promotes the entrepreneurial spirit and contributes to the formation of a culture and climate that embraces change in order to achieve excellence in product and service delivery.

• Assess the business environment and its components in order to identify opportunities and threats, and then actively contribute to viable strategy formulation that effectively leverages internal competencies to achieve organizational success on a domestic and global scale.

• Synthesize relevant internal and external data in order to position complex organizations for fiscal and operational success, despite existing barriers, in order to maintain a strong competitive advantage within a dynamic economy.

• Demonstrate advanced problem solving skills that result in viable and ethical solutions to complex issues that may impact product and service delivery.

**Admissions Requirements**

See Admissions Policies and Procedures for further details.

• A bachelor's degree from an acceptable accredited college or university in the U.S., or from an foreign institution of higher learning.

• Minimum 2.75 cumulative grade point average on a 4.0 scale from all colleges and universities attended.

• Students with a cumulative grade point average below 2.75 may be considered for probationary admission. Submission of additional documentation may be requested by the Program Director.

Admission to Park University's Master of Business Administration program is open to graduates of all fields of undergraduate study.

**Sequential Degree**

This program is a participant of the Sequential Degree option.

**Requirements For: Master - 36 Hours, 3.0 GPA**

**Core Curriculum 24 cr.**

• MBA500 - Management Foundations **Credits:** 3
• MBA515 - Accounting for Management Decisions **Credits:** 3
• MBA522 - Organization Behavior and Leadership **Credits:** 3
• MBA524 - Business Law and Ethics **Credits:** 3
• MBA576 - Operations Management **Credits:** 3
• MBA615 - Managerial Finance **Credits:** 3
• MBA630 - Strategic Marketing **Credits:** 3
• MBA695 - Strategic Management **Credits:** 3

**Concentrations**

All students complete all core courses to provide a common foundation; therefore, the program's policy is not to waive any of the core courses.

The general MBA program offers the flexibility to tailor electives to the student's professional interests. Ample choices allow a broad choice or a focus, such as finance, entrepreneurship, global business or
information systems. Alternatively, the student may select one of the following formal areas of concentration:

- Business Analytics Concentration
- Disaster and Emergency Management Concentration
- Finance Concentration
- General Concentration
- Human Resource Management Concentration
- Innovation and Quality Management Concentration
- Management Accounting Concentration
- Management Information Systems Concentration
- Marketing Concentration
- Project Management Concentration
- Public Accounting Concentration

Note

Park undergraduate students who completed their bachelor’s degree within the past five years, completed all four courses in the MBA 4+1 program (12 credit hours), and received a B or higher in each 4+1 course, may receive a waiver for MBA500 Management Foundations.

Management Information Systems

The Management Information Systems concentration offers a unique combination of business intelligence and industry standards through practical project-oriented instruction. The rationale is to produce quality graduates with in-depth knowledge and hands-on understanding of the essentials of managing today’s information technology systems. Students study the foundations of business so they can apply management information system technology to create efficient, effective business enterprises capable of competing in a global setting.

In addition, students are exposed to the concepts and applications of data analytics, security and privacy of big data, and project management as they pertain to system architecture and a firm’s ability to answer complicated business questions.

Core Requirement 12 cr.

- MIS603 - Information Security and Risk Management Credits: 3
- MIS605 - Management Information Systems Credits: 3
- MIS609 - Database Management Systems Credits: 3
- MIS614 - Data Analysis and Business Analytics Credits: 3

Graduation Requirements

Park University confers the Master of Business Administration, Master of Social Work and Education Specialist degrees at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 33 semester hours.
- Cumulative GPA of 3.0 for Park University courses.
- Satisfaction of all requirements for a major as outlined in this catalog.
• Completion of all earned credit with no more than 2 grades of C earned.
• Submission of an Application for Graduation.

- Submission of an Application for Graduation.

Information Systems/ Business Analytics
Hauptmann School of Public Affairs

College of Management: Hauptmann School of Public Affairs

Mission:
Graduating leaders who exercise authority responsibly, make ethical decisions, act with moral courage, and advance human dignity worldwide.

Vision:
Developing ethically grounded professionals for public sector management and service in community nonprofit organizations through public service values education.

For four decades and counting, the Hauptmann School of Public Affairs (HSPA) has been advancing the key public service values of moral courage, protecting human dignity, the common good and service.

The HSPA was founded by and is named for distinguished Park University Professor Emeritus Jerzy Hauptmann, Ph.D. A native of Poland, Hauptmann was involved in the resistance to the Nazi invasion of Warsaw in 1944, serving as a "sewer rat." After serving time as a prisoner of war, he completed his Ph.D. when the war ended and immigrated to the U.S. After one year at Northwestern University, he joined the Park University faculty in 1951 and remained for 50 years at the institution he loved. He maintained his association with the University as professor emeritus until his passing in January 2008.

Hauptmann founded the HSPA in 1982 to house the Master of Public Administration program, which he designed as a cross-sector, values-grounded, liberal arts-based graduate degree program rooted in the interconnectedness of all sectors of society and the impact of human action on the world. Hauptmann ensured that the school was connected to the local and broader community and made civic engagement a lifelong expectation of graduates. The school's mission and vision statements reflect this historic grounding and permeate all programs of the HSPA. The Hauptmann School of Public Affairs is dedicated to advancing the values of citizenship, civic engagement, moral courage and commitment to the common good that Hauptmann’s life exemplified. Today, the Master of Public Administration (MPA) program resides within the College of Management and graduates leaders prepared to shape the future in these times of relentless change and to make a difference in their communities and in the world.

Expectations of Graduates

The Hauptmann School of Public Affairs today offers a Master of Public Administration in addition to Graduate Certificates and a Bachelor in Public Administration. Hauptmann School graduates are expected to promote rationality, responsibility and responsiveness in their organizations, within a framework of the highest ethical values. The HSPA also expects its graduates to be citizens dedicated to responsibility and the common good. With the study of public administration, students will understand the system of government and society of which they are a part, complete with its opportunities as well as its shortcomings, and also recognize that the future direction of the system will be influenced and affected by what they do, or fail to do.

Dr. Jerzy Hauptmann Distinguished Guest Lecture Series

The Dr. Jerzy Hauptmann Distinguished Guest Lecture Series was established in honor of a remarkable educator, Jerzy Hauptmann, Ph.D. This annual lecture series is a tribute to Hauptmann’s outstanding accomplishments in public administration and international politics. The series brings internationally renowned scholars to the Kansas City area to address topics related to Hauptmann’s three areas of study:
international relations, public administration and democratic theory. The Lecture Series has included some of the top names in those aforementioned fields, including Dr. Emily Hauptmann (Jerzy Hauptmann’s daughter), Dr. Patricia Ingraham, Dr. Donald Kettl, Dr. Lawrence Korb, Dr. John Mearshiemer, Dr. David Mathews, Dr. David Rosenbloom, Dr. Walter Broadnax and Dr. Dwight Waldo. The lecture is free and open to the public. Additional information about the Hauptmann Lecture Series can be found on the Park University website.

Public Administration, Business Relations Area Concentration, B.P.A.

Public Administration, B.P.A.

This program is part of the 4+1 Undergraduate to Graduate program options. For questions regarding specific courses and concentration options, please consult with your Advisor, Campus Center or via email at: advising@park.edu.

This program meets the educational needs of persons who are interested or currently working in the field of public administration, whether at the municipal, state or federal level. The BPA provides a foundational background for those students who wish to pursue graduate studies, entry-level positions, or continued professional development.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
• 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.
AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

• Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor for Geography, B.S. and Information Systems, B.S. majors.
• Satisfaction of all requirements for a major.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

Public Administration, Criminal Justice Area Concentration, B.P.A.

This program is part of the Air University Associates to Baccalaureate Cooperative (AU-ABC). Please review the AU-ABC website for further details.

Public Administration, B.P.A.

This program is part of the 4+1 Undergraduate to Graduate program options. For questions regarding specific courses and concentration options, please consult with your Advisor, Campus Center or via email at: advising@park.edu.

This program meets the educational needs of persons who are interested or currently working in the field of public administration, whether at the municipal, state or federal level. The BPA provides a foundational background for those students who wish to pursue graduate studies, entry-level positions, or continued professional development.

Requirements For: B.P.A. Major – 45 hours, 2.5 gpa

• PO200 - American National Government Credits: 3
• PO201 - State and Local Government Credits: 3
• PA330 - Public Administration Credits: 3
• PA333 - Public Management and Leadership Credits: 3
• PA334 - Public Personnel Administration Credits: 3
• PA350 - Budget and Finance Credits: 3
• PA380 - Public Service Values Credits: 3
• PA390 - Administrative Law Credits: 3
• PA404 - Capitalism and Societal Issues Credits: 3
• PA430 - Research in Public Administration Credits: 3
• PA432 - Senior Project in Public Administration Credits: 3

Areas of Concentration:

Select one (1) area of concentration below:

• Business Relations
• Criminal Justice
• Fire Service Management
• Homeland Security
• Public Service

Criminal Justice 12 CR

• CJ232 - Introduction to Corrections Credits: 3
• CJ313 - The Law of Evidence Credits: 3
• CJ345 - Criminal Justice and the Community Credits: 3
• CJ400 - Constitutional Law in Criminal Justice Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:
Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

**Public Administration, Minor**

**Requirements For: Minor – 18 hours, 2.5 gpa**

18 hours must include

- PO200 - American National Government **Credits:** 3
- PA330 - Public Administration **Credits:** 3
- PA333 - Public Management and Leadership **Credits:** 3

**9 Hours of PA Prefix Electives**

9 hours of PA prefix electives from the BPA Core and/or Public Service emphasis area excluding

- PA430 - Research in Public Administration **Credits:** 3
- PA432 - Senior Project in Public Administration **Credits:** 3

**Certificates:**

For information regarding the certificate in Terrorism and Homeland Security from the Department of Criminal Justice.

**4+1 Undergraduate to M.P.A.**

With the approval of the Director of the MPA Program, undergraduate students in Public Administration, B.P.A. who have completed at least 60 credit hours with at least a 3.0 GPA may apply to take up to 12 credit hours of graduate courses towards the Master of Public Administration, M.P.A. A student electing this option will take the selected courses during their senior year and must be enrolled in at least 12 semester hours total of undergraduates and graduate courses each semester.

4+1 students are not automatically eligible for admission to the Master of Public Administration program. If they wish to pursue a graduate degree, they must submit an application, meeting all of the entrance requirements for the program.

Disaster and Emergency Management, Graduate Certificate

The Graduate Certificate in Disaster and Emergency Management complements the existing graduate programs offered by the University's Hauptmann School of Public Affairs which is housed within the College of Management. The public's continued concern for efficient governmental response to natural and man-made disasters, along with the recent significant investment in emergency management activities, requires knowledgeable public managers, including managers transitioning from other areas of expertise. The array of potential hazardous events that now confront public managers includes Homeland Security issues, failures of complex technology and a wide range of natural hazards. Students possessing a Graduate Certificate in Disaster and Emergency Management will be well-prepared to engage the public policy issues surrounding these community hazards.

Requirements For: Certificate - 12 Hours, 3.0 GPA

Core Requirement 12 cr.

- DEM551 - Principles of Disaster and Emergency Management Credits: 3
- DEM552 - Public Policy and Disaster Credits: 3
- DEM553 - Disaster and Society Credits: 3
- DEM557 - Continuity of Operations in Public and Private Sectors Credits: 3

Graduation Requirements

Park University confers Graduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 75% of the coursework completed at Park
- Earn a minimum cumulative GPA of 3.0* (for courses in the certificate)
- Completion of coursework with no more than 2 grades of C earned at Park University
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application for Graduation

*Individual departments may establish additional (or higher) requirements (refer to the program-specific requirements).

Local Economic Development, Graduate Certificate

The Graduate Certificate in Local Economic Development is designed to provide a comprehensive overview of the field that will help enrich and guide local practitioners and leaders in their efforts to promote the well-being of their communities. Topics include the history of urban development in the United States, comparisons between types of economic development approaches, public-private partnerships.
and intergovernmental relations, citizen involvement in economic development policy, quality of life considerations, local land use and planning.

Requirements For: Certificate - 12 Hours, 3.0 GPA

- PA550 - Local Economic Development in Theory and Practice Credits: 3
- PA560 - Approaches to Local Economic Development Credits: 3
- PA580 - Sustainability, Smart Growth and Community Development Credits: 3
- PA590 - Population, Land Use and Municipal Finance Credits: 3

Graduation Requirements

Park University confers Graduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 75% of the coursework completed at Park
- Earn a minimum cumulative GPA of 3.0* (for courses in the certificate)
- Completion of coursework with no more than 2 grades of C earned at Park University
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application for Graduation

*Individual departments may establish additional (or higher) requirements (refer to the program-specific requirements).

Nonprofit Leadership, Graduate Certificate

The Graduate Certificate in Nonprofit Leadership program, offered by the Hauptmann School of Public Affairs which is housed within the College of Management, prepares students for leadership positions in the nonprofit and philanthropic sectors. Graduates with this certificate command key skills and understanding found necessary to equip them for challenging work in these sectors. Graduates of this certificate program will be able to:

- Exhibit key skills needed to lead and manage nonprofit organizations.
- Develop cross-sector understanding and skills to help network nonprofit organizations and attract resources.
- Assess ethical dimensions of decisions of nonprofit leaders.
- Create strategies to help nonprofits fulfill their unique missions.
- Identify and attract possible funding sources for nonprofits.

Requirements For: Certificate - 12 Hours, 3.0 GPA

Core Requirement 12 cr.

- PA542 - Social Policy Credits: 3
- PA545 - Management of Nonprofit and Nongovernmental Organizations Credits: 3
- PA593 - Financing Nonprofit/Community Services Credits: 3
- PA594 - Financial Management for Nonprofit/Community Organizations Credits: 3

Graduation Requirements
Park University confers Graduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 75% of the coursework completed at Park
- Earn a minimum cumulative GPA of 3.0* (for courses in the certificate)
- Completion of coursework with no more than 2 grades of C earned at Park University
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application for Graduation

*Individual departments may establish additional (or higher) requirements (refer to the program-specific requirements).

Public Policy, Graduate Certificate

The Graduate Certificate in Public Policy, offered by the Hauptmann School of Public Affairs which is housed within the College of Management, prepares those working for public-sector and nonprofit agencies for the public policy role they are likely to play -- from the vantage point of either policy formulation, implementation or policy assessment.

Graduates with this certificate will acquire an understanding of how public policy is developed, the significance of proper implementation and the importance evaluating the success of policy outcomes. In so doing, graduates will be introduced to several policy areas including social policy, disaster and emergency management, and issues involved in local policy making.

Requirements For: Certificate - 12 Hours, 3.0 GPA

Core Requirement 12 CR.

- DEM552 - Public Policy and Disaster Credits: 3
- PA513 - Policy Development, Evaluation and Impact for Organizations Credits: 3
- PA542 - Social Policy Credits: 3
- PA599 - Virtual Local Government Credits: 3

Graduation Requirements

Park University confers Graduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 75% of the coursework completed at Park
- Earn a minimum cumulative GPA of 3.0* (for courses in the certificate)
- Completion of coursework with no more than 2 grades of C earned at Park University
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application for Graduation

*Individual departments may establish additional (or higher) requirements (refer to the program-specific requirements).

Public Service Leadership, Graduate Certificate
Leadership is a critical component of any public agency’s ability to deliver services effectively, efficiently, and help respond and adapt to ever-changing societal challenges. Quality leadership includes the ability to set goals, foster communication, encourage collaboration and trust among numerous agency and interagency groups, and engage in ethical decision making. The Graduate Certificate in Public Service Leadership will focus on leadership theory and its application, ethical leadership and decision making, and the internal and external environments of public sector agencies.

Requirements For: Certificate - 12 Hours, 3.0 GPA

- PA503 - Emerging Issues in Public Affairs Credits: 1 to 3
  * 3 credits required
- PA509 - Leadership Development and Organizations Credits: 3
- PA512 - The Environment of Public Organizations Credits: 3
- PA600 - Ethical Foundations of Authority and Responsibility Credits: 3

Master of Public Administration, Criminal Justice Administration Concentration, M.P.A.

Master of Public Administration, M.P.A.

Format of Courses

Courses in the MPA are offered in multiple formats: online, traditional face-to-face classroom, and blended. Students may complete their degree using any combination of formats.

Courses of Study

Students are required to take a series of eight core public administration courses in the Master of Public Administration program. In addition, from the program areas, students select one as a concentration area. With approval, a student may take a PA504 internship course to replace a course in the Master of Public Administration program.

Sequential Degree

This program is a participant of the Sequential Degree option.

Required For: Master - 36 Hours, 3.0 GPA

Core Curriculum 24 cr.

- PA501 - Public Affairs Concepts and Theory Credits: 3
- PA509 - Leadership Development and Organizations Credits: 3
- PA512 - The Environment of Public Organizations Credits: 3
- PA563 - Personnel Systems of Public Organizations Credits: 3
- PA564 - Budgeting and Finances of Public Organizations Credits: 3
- PA600 - Ethical Foundations of Authority and Responsibility Credits: 3
• PA601 - Research Methods and Data Analysis Credits: 3
• PA602 - Seminar in Public Affairs Credits: 3

**Area Concentrations**

• Criminal Justice Administration
• Disaster and Emergency Management
• Information Systems and Business Analytics
• Local Economic Development
• Management Information Systems
• Nonprofit and Community Services Management
• Project Management
• Public Policy

**Criminal Justice Administration**

**Core Requirement 12 cr.**

• PA503 - Emerging Issues in Public Affairs Credits: 1 to 3
• PA513 - Policy Development, Evaluation and Impact for Organizations Credits: 3
• PA594 - Financial Management for Nonprofit/Community Organizations Credits: 3
• PA630 - Comparative Criminal Justice Systems Credits: 3

**Graduation Requirements**

Park University confers the Master of Music, Master of Public Administration, and Master of Science degrees at selected locations when a candidate has satisfied the following conditions:

• Completion of a minimum of 36 semester hours.
• Cumulative GPA of 3.0 for Park University courses.
• Satisfaction of all requirements for a major as outlined in this catalog.
• Completion of all earned credit with no more than 2 grades of C earned.
• Submission of an Application for Graduation.

**Master of Public Administration, Disaster and Emergency Management Concentration, M.P.A.**

**Master of Public Administration, M.P.A.**

• Information Systems and Business Analytics
• Local Economic Development
• Management Information Systems
• Nonprofit and Community Services Management
• Project Management
• Public Policy

**Management Information Systems**

The Management Information Systems concentration offers a unique combination of business intelligence and industry standards through practical project-oriented instruction. The rationale is to produce quality graduates with in-depth knowledge and hands-on understanding of the essentials of managing today’s information technology systems. Students study the foundations of business so they can apply management information system technology to create efficient, effective business enterprises capable of competing in a global setting.

In addition, students are exposed to the concepts and applications of data analytics, security and privacy of big data, and project management as they pertain to system architecture and a firm’s ability to answer complicated business questions.

**Core Requirement 12 cr.**

• MIS603 - Information Security and Risk Management **Credits: 3**
• MIS605 - Management Information Systems **Credits: 3**
• MIS609 - Database Management Systems **Credits: 3**

Project Management

The Project Management (PM) concentration is designed to prepare students with the knowledge, skills, and abilities (KSAs) to competently plan, organize, staff, and guide processes for creating a solution or system. The PM concentration intends to adequately prepare the students to take the Project Management Professional (PMP)® credentialing exam. More specifically, the content is aligned with the Project Management Body of Knowledge (PMBOK, 5th edition) and introduces students to the 5 process groups, 10 knowledge areas, and 47 processes of project management.

Core Requirement 12 cr.

• PM690 - Integration, Scope, and Quality Management Credits: 3
• PM691 - Time and Cost Management Credits: 3
• PM692 - Communications, Risk, and Stakeholder Management Credits: 3
• PM693 - Human Resource and Procurement Management Credits: 3

Graduation Requirements

Park University confers the Master of Music, Master of Public Administration, and Master of Science degrees at selected locations when a candidate has satisfied the following conditions:

• Completion of a minimum of 36 semester hours.
• Cumulative GPA of 3.0 for Park University courses.
• Satisfaction of all requirements for a major as outlined in this catalog.
• Completion of all earned credit with no more than 2 grades of C earned.
• Submission of an Application for Graduation.
Master of Public Administration, Public Policy Concentration, M.P.A.

Master of Public Administration, M.P.A.

Format of Courses

Courses in the MPA are offered in multiple formats: online, traditional face-to-face classroom, and blended. Students may complete their degree using any combination of formats.

Courses of Study

Students are required to take a series of eight core public administration courses in the Master of Public Administration program. In addition, from the program areas, students select one as a concentration area. With approval, a student may take a PA504 internship course to replace a course in the Master of Public Administration program.

Sequential Degree

This program is a participant of the Sequential Degree option.

Required For: Master - 36 Hours, 3.0 GPA

Core Curriculum 24 cr.

- PA501 - Public Affairs Concepts and Theory Credits: 3
- PA509 - Leadership Development and Organizations Credits: 3
- PA512 - The Environment of Public Organizations Credits: 3
- PA563 - Personnel Systems of Public Organizations Credits: 3
- PA564 - Budgeting and Finances of Public Organizations Credits: 3
- PA600 - Ethical Foundations of Authority and Responsibility Credits: 3
- PA601 - Research Methods and Data Analysis Credits: 3
- PA602 - Seminar in Public Affairs Credits: 3

Area Concentrations

- Criminal Justice Administration
- Disaster and Emergency Management
- Information Systems and Business Analytics
- Local Economic Development
- Management Information Systems
- Nonprofit and Community Services Management
- Project Management
- Public Policy
Public Policy

Core Requirement 12 cr.

- DEM552 - Public Policy and Disaster Credits: 3
- PA513 - Policy Development, Evaluation and Impact for Organizations Credits: 3
- PA542 - Social Policy Credits: 3
- PA599 - Virtual Local Government Credits: 3

Graduation Requirements

Park University confers the Master of Music, Master of Public Administration, and Master of Science degrees at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 36 semester hours.
- Cumulative GPA of 3.0 for Park University courses.
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of all earned credit with no more than 2 grades of C earned.
- Submission of an Application for Graduation.

School of Education

College of Education and Health Professions: School of Education

Mission:

The School of Education at Park University, an institution committed to diversity and best practice, prepares educators to be effective teachers, leaders in their communities, change agents in their schools, and advocates for learners.

Vision:

The School of Education at Park University is to be known as a leader in the preparation of educators who will address the needs, challenges, and possibilities of the 21st century.

Diversity Statement

The School of Education fully supports University policy related to employment and to student admission. Specifically, the School seeks faculty and students with a record of academic achievement, involvement in the community and good character. No applicant will be denied employment or admission on the basis of race, religion, color, national origin, age, gender, disability, sexual orientation, marital status or veteran’s
status. Additionally, the School recognizes and appreciates the importance of diversity in its educational programs and actively seeks to recruit and retain faculty and students with diverse backgrounds.

School of Education Conceptual Framework

The School of Education offers a Bachelor of Science in Education with eligibility for Missouri certification in elementary, middle school education, and secondary education. Completion of the certification process enables a person to teach at the elementary, middle school, junior or senior high school level, either public or private. Philosophical, historical and modern methodological approaches to education are studied. Extensive field-based experiences are an integral and required part of these programs. They provide a variety of in-school activities and culminate in directed teaching. Because many education courses require out of classroom and off campus visits to learning facilities, students must be prepared to provide their own transportation. The School of Education also offers a Bachelor of Science in Education degree in Education Studies including non-certification emphasis areas in Young Child, Youth, and Early Childhood Education Teaching Young Children. Extensive field-based experiences are also an integral and required part of these noncertification programs.

Admission to B.S.E. Early Childhood Education Non-certification Program, Admission to Missouri Certification Programs, Admission to the School of Education, Teacher Certification

Philosophy, Purposes and Goals

A candidate who meets the School of Education’s five goals provides evidence that he/she is developing as an effective school professional, a reflective change agent, and an advocate for equity and excellence for all learners. The goals summarize the core knowledge, skills and dispositions that are at the heart of the developmental process, and are rooted in the core beliefs that make up the knowledge base that drives the SOE’s programs. These goals serve as a guideline for everything the School of Education does with its candidates as we work with them to nurture their development as professionals.

Candidates exhibit behavior that demonstrates a belief that all individuals can develop, learn and make positive contributions to society.

Candidates possess the necessary content knowledge and professional knowledge to support and enhance student development and learning, including meeting student needs across physical, social, psychological and intellectual contexts as demonstrated by varied, evidence-based strategies, including technology.

Candidates possess the necessary knowledge and skills to conduct and interpret appropriate assessments, and to use the information from assessments to develop and adapt instruction that meets learners’ needs and maintains their engagement.

Candidates exhibit behavior that demonstrates a belief that continuous inquiry and reflection can improve professional practice.

Candidates view and conduct themselves as professionals, providing leadership in their chosen field, and communicating effectively with students and stakeholders.

Core Beliefs and Knowledge Bases

School professionals are advocates for equity and excellence for all. Every person can learn, and the goal of education is to give every individual the best possible opportunities to reach his or her highest potential.
There is a definite knowledge base in education. All educators are grounded in content knowledge, educational theory, pedagogical knowledge, research and best practice, and professionalism. Educators are also connected to the professional communities and learned societies in education, in general, and in their chosen field, and are knowledgeable in the standards of those societies, as well as those of the State of Missouri.

Within the definite knowledge base in education, educators have the necessary knowledge and skills to conduct and interpret appropriate assessments, and to use the information from assessments to develop and adapt instruction that meets learners’ needs, and maintains their engagement. Throughout the assessment process, educators uphold American Psychological Association guidelines related to ethics and confidentiality. Educators also know that assessment is both formative and summative.

Educators are reflective change agents who are experts in collaborative problemsolving and critical inquiry. They are professionals who should regularly engage in high-level thinking, and should promote and nurture those same high levels of thinking in the learners they serve.

Conceptual Framework: Knowledge, Skills and Dispositions

The School of Education’s Conceptual Framework is tied to specific knowledge, skills and dispositions that should be evident in developing school professionals. These prerequisite knowledge, skills and dispositions represent interlocking, continuous levels of development that build upon one another. At the core is knowledge — knowledge is subsumed by skills, and skills are subsumed by dispositions. Knowledge is what one knows, but is not enough on its own. Skills are the application of what one knows, but even these are not sufficient; they must be lived out in the context of who each teacher is as a person and a professional. Dispositions are what one is, and how one lives; they represent the unique integration that makes each teacher what he/she is. The development of dispositions is the outer sphere of the three and represents the ultimate manifestation of a teacher’s development in the real world of teaching. Teacher candidates are assessed on knowledge, skills and dispositions throughout their program.

Transfer of Graduate Credit

No more than six hours of graduate credit transferred from another academic institution may be used to meet master’s degree requirements in the School of Education. Transfer is granted only after an evaluation of the appropriateness of the courses by the program director. Other criteria that must be met in order for credits to be considered are:

- Transfer course content is appropriate to the program. Only transfer credit earned from an acceptable accredited institution of higher education, or its equivalent, if the institution is an acceptable foreign institution.
- The grade earned in the course is "B" or better.
- Earned master’s thesis credits may not be transferred.
- The credit is not more than 7 years old. A program director may waive the requirements on a course-by-course basis if, in his/her judgment, the content of the course has not changed appreciably during the applicable period.
- The transfer credit must be requested prior to acceptance into the program, unless otherwise approved by the program director.

Certificate Endorsement Policy for Non-Degree Seeking Students in Graduate Programs Leading to Certification in Missouri
Certification endorsement is available to students with non-degree seeking status who wish to be recommended by Park for certification in applicable areas and as required by the Missouri Department of Elementary and Secondary Education.

Students must:

- have received a passing grade for any courses earned as part of undergraduate work to be considered to meet certification requirements (i.e., the course equivalents for ED520 and/or ED527)*.
- have received a grade no lower than "B" for any courses earned as part of graduate work at another institution to be considered to meet certification requirements*.
- complete a minimum of 15 of the required 30 graduate hours at Park University with no grade lower than "B".
- complete a portfolio in programs where applicable.
- complete all other Missouri Department of Elementary and Secondary Education (DESE) requirements for certification.

*All undergraduate or graduate course work from other institutions to be considered to meet certification requirements is subject to a review and approval by the program's area coordinator.

Candidates will be recommended for certification at the discretion of Park University School of Education.

*Note – Federal funds are not available for non-degree seeking students.

General Information

The graduate faculty of the School of Education at Park University attempts to bring the best and most current practices to the classroom, in order to enable educators to bring the best to their students. The faculty is committed to the belief that education can improve the lives of students and, in turn, positively impact our society.

As practicing educators, the faculty is aware of the demanding schedule that teachers maintain. Therefore, graduate education programs have been designed to be accessible to the working professional. Programs are available in an eight-week format meeting one night per week, as well as online.

Graduate education programs are structured to utilize the educational experiences of students in the program. Degrees are designed to allow students to explore issues, design curriculum and learn new strategies and techniques that will enable them to become more effective educators, through the application of theory and research to their educational practice.

Students maintaining enrollment of one course per 8-week fall and spring terms, and two courses in the summer, may complete the degree in two calendar years.

The programs have been accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools and approved by the Missouri Department of Elementary and Secondary Education.

**Education Studies: Early Childhood Education: Teaching Young Children, B.S.E.**

Requirements For: B.S.E. Major - 55 Hours, 2.0 Cumulative, 2.75 Content GPA
The Bachelor of Science Education Studies degree with Emphasis in Early Childhood Education Teaching Young Children is designed to prepare graduates for positions of teaching curriculum coordination, program directors, consultants and leadership positions in early childhood programs. The degree program combines knowledge of child development and learning; family and community relationships; observation, documentation, and assessment; concepts and tools of inquiry in the content areas; curriculum development; effective teaching strategies; guidance; and professionalism. **The Degree does not result in Missouri Teacher certification.** Due to the uniqueness of the non-certification program, candidates should contact their faculty advisor for assistance in application for admission to the School of Education and placement in the practicum and internship.

**Criteria for Admission to the School of Education— Early Childhood Education Teaching Young Children**

The requirements listed below are the minimum application criteria. Meeting these requirements states that the applicant is eligible for admission consideration, but does not guarantee admission.

- 2.75 GPA in core courses
- Successful completion of EDC220, EDC222, MA120 or MA135 or equivalent, EN105 and EN106

The above information is verified by the Office of the Registrar on the Application for Admission to the School of Education (form to be submitted electronically to the School of Education).

**Procedure for Request for Admission to the School of Education—Early Childhood Education Teaching Young Children**

Candidates must work with the appropriate School of Education FACULTY advisor when applying to the School of Education to ensure all materials are in place. Contact: Amy Wolf (amy.wolf@park.edu) who is the Faculty advisor.

Candidates must begin the application process no less than 2 semesters (4 terms) prior to requiring Education coursework listed as 350 or higher.

- Application for Admission to the School of Education submitted electronically.
- Two disposition evaluations completed by SOE faculty with dispositions rated "knows this & shows this." Students will make the request of the faculty to complete the online assessment.
- Self-disposition evaluation to be completed online
- Digitally completed recommendation completed by an employer OR a faculty member outside of the School of Education
- FBI Fingerprint check
- "Home State" required screenings

**Availability of Courses**

Although the coursework can be completed online, 95 percent of the education courses require interaction and/or observation with young children, educators and the community. Many of the online courses are only offered in a 16-week format. Practicums and internships take place in the field with young children, educators, and the community. There are specific courses tied to the practicums and the internship that are required to be completed within the same term/semester. Diversity of experiences is necessary for a well-rounded educator. As a result, some observations may be pre-approved at the student’s place of employment, while others will occur outside the student’s place of employment. Employment must be in a classroom with the proper ages of children (birth to 2 years old for infant and toddler practicum, three to five
years old (excluding kindergarten) for pre-primary practicum and agency or classroom serving children five years and younger (excluding kindergarten) for the internship. Placements must meet standards such as NAEYC Accreditation or Head Start in order to qualify for placement.

**Professional Curriculum**

- EDC220 - Child Growth and Development for Early Childhood and Elementary Teachers **Credits:** 3
- EDC222 - Early Childhood Principles **Credits:** 3
- EDU310 - Issues in Diversity and World Cultures **Credits:** 3
- EDC325 - Education of Exceptional Children **Credits:** 3
- EDC337 - Development and Learning Through Play **Credits:** 3
- EDC341 - Professionalism and Program Management in Early Childhood Education **Credits:** 3
- EDU347 - Family, School and Community Collaboration **Credits:** 3
- EDU315 - Children and Young Adult Literature **Credits:** 3
- SO302 - The Study of the Family **Credits:** 3
- BI214 - Personal and Community Health **Credits:** 3

**Advanced Professional Curriculum**

**Early Childhood Education Teaching Young Children Program** required for enrollment in the following EDC courses.

- EDC351 - Teaching Development of Language and Literacy in Early Childhood **Credits:** 3
- EDC354 - Observation, Assessment & Screening in Early Childhood Education **Credits:** 3
- EDC355 - Social and Emotional Learning in Early Childhood **Credits:** 3
- EDC362 - Infants and Toddlers **Credits:** 3
- EDC363 - Integrating the Curriculum: Pre-primary **Credits:** 3
- EDC372 - Infant and Toddler Practicum **Credits:** 1-2 (1 Credits Required)
- EDC373 - Pre-primary Practicum **Credits:** 1-2 (1 Credits Required)
- EDC420 - Internship in Early Childhood Teaching Young Children **Credits:** 6-10 (6 Credits Required)
- EDC425 - Seminar for Internship in Early Childhood Teaching Young Children and Early Childhood Education and Leadership **Credits:** 3

**Total 55 cr.**

Candidates will select a minor or a leadership area of concentration.

Minors include:

**Psychology, Minor**
Requirements For: Minor - 18 hours, 2.0 gpa

- PS101 - Introduction to Psychology **Credits:** 3
- PS301 - Social Psychology **Credits:** 3
- PS315 - Theories of Personality **Credits:** 3
- PS341 - Positive Psychology **Credits:** 3

**Electives 6 cr.**

6 cr. of Psychology (PS) courses

Social Work, Minor

Requirements For: Social Work Minor - 18 hours, C or better

40 hours of service learning in a human service agency.

- PS309 - Human Sexuality **Credits:** 3
- SO302 - The Study of the Family **Credits:** 3
- SW205 - Introduction to Social Work **Credits:** 3
- SW325 - Human Diversity and Social Justice **Credits:** 3
- SW330 - Social Welfare Policy and Programs **Credits:** 3
- SW450 - Integrative Seminar for SW Minor **Credits:** 3 (Capstone)

**Note:**

All of the required courses for the Social Work minor must be completed with a grade of C or better prior to enrollment in SW450, which is the capstone course for the SW minor.

Sociology, Minor

Requirements For: Minor - 18 hours, 2.0 gpa

18 hours which must include SO 141, SO 206 and at least two courses at the 300-400 levels (6 cr).

- SO141 - Introduction to Sociology **Credits:** 3
- SO206 - Social Issues in Contemporary Society **Credits:** 3
Spanish, Minor

Requirements For: Minor - 18 hours, 2.5 gpa

The Spanish Minor is designed to assist students in gaining proficiency in oral and written communication in this world language, along with a solid understanding of Hispanic cultures. Students majoring in Early Childhood, Criminal Justice, Social Work, Nursing, Psychology or International Business concentration should consider the completion of this minor. Heritage speakers or near-native speakers are encouraged to consider test-out options for SP201.

- SP201 - Intermediate Spanish I Credits: 3
- SP202 - Intermediate Spanish II Credits: 3
- SP294 - Intermediate Spanish Conversation Credits: 3
- SP295 - Intermediate Spanish Composition Credits: 3
- SP320 - U.S. Latino Cultures and Literatures Credits: 3
- One 300 level Spanish elective in cultural and/or literary topic Credits: 3

Note:

**For those students wishing to teach K-12 Spanish: See also Bachelor of Science in Education.

B.S.E. in Secondary Education – MAJOR 53-55 Hours

or

Leadership Area of Concentration

(18 hours) includes the following coursework:

- EDC344 - Program Planning and Evaluation in Early Childhood Programs Credits: 2
- EDC345 - Financial Aspects of Early Childhood Programs Credits: 2
- EDC346 - Human Resources in Early Childhood Programs Credits: 2
- HR310 - Leadership and Team Building Credits: 3
- PA331 - Public Organizations Credits: 3
- PA333 - Public Management and Leadership Credits: 3
- PA342 - Administrative Politics Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.
Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
• A minor for Geography, B.S. and Information Systems, B.S. majors.
• Satisfaction of all requirements for a major.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

**Elementary Education, B.S.E.**

(Grades 1 through 6)

**Requirements For: B.S.E. Major — 79 Hours, 2.0 Cumulative; 3.00 Content; and 3.00 Professional Education gpa**

No grade lower than a "C" in education core.

**Professional Curriculum**

- BI214 - Personal and Community Health **Credits:** 3
- EDE332 - Integrating Arts and Movement in Learning Activities **Credits:** 3
- EDE340 - Language and Literacy Development **Credits:** 3
- EDE342 - Mathematics Learning in Elementary Grades **Credits:** 3
- EDE343 - Curriculum Integration & Strategy Instruction in Social Science & Science **Credits:** 3
- EDU203 - Educational Psychology **Credits:** 3
- EDU210 - The School as a Social System **Credits:** 3
- EDU300 - Writing in Education **Credits:** 3
- EDU310 - Issues in Diversity and World Cultures **Credits:** 3
- EDU315 - Children and Young Adult Literature **Credits:** 3
- EDU345 - Teaching Linguistically and Culturally Diverse Learners **Credits:** 3
- EDU347 - Family, School and Community Collaboration **Credits:** 3
- PH224 - Philosophy for Children **Credits:** 3
- PS125 - Lifespan Development **Credits:** 3

**Admission to the School**

Certification Program required for enrollment in the following EDE/EDU courses

- EDE352 - Building an Effective, Equitable Learning Environment for Elementary Grades **Credits:** 3
- EDE360A - Field Experience I **Credits:** 2
- EDE360B - Field Experience II **Credits:** 2
- EDE363 - Literacy Learning in the Elementary Grades **Credits:** 3
- EDE383 - Mathematics Methods and Differentiated Learning in Elementary Grades **Credits:** 3
- EDU351 - Strategies for Higher-Order Learning **Credits:** 3
- EDU362 - Observation, Assessment and Data-based Decision Making **Credits:** 3
- EDU375 - Exceptional Children & Differentiated Learning **Credits:** 3
• EDU384 - Meeting Literacy Needs of All Learners Credits: 3
• EDE410 - Field Experience III Credits: 12

TOTAL 76 CR.

Education Requirements

There are specific general education courses required for teacher certification in the state of Missouri, therefore it is imperative the student speak with his or her education advisor regarding these course requirements prior to enrollment. All requirements (i.e., admission within the program and exit) are subject to change as per the Missouri Department of Elementary and Secondary Education.

Criteria for Admission to the School of Education

Meeting these minimum requirements states that the applicant is eligible for admission consideration, but does not guarantee admission.

• 3.0 GPA in content courses (Middle School and High School programs)
• 3.0 Professional Education GPA
• Successful completion of MA120 or MA135 or equivalent, EN105 and EN106
• MoGEA passing scores (passed within 2 years of admission date) or approved ACT Composite Score (taken within 5 years of application for admission to the School of Education). Transfer students with a Bachelor's Degree from an accredited institution are exempt.

Procedure for Request for Admission to the School of Education

• Application for Admission to the School of Education
• Letter of recommendation from a professional outside of the School of Education (submitted electronically or in a sealed/signed envelope)
• Two disposition evaluations completed by SOE faculty with ratings of "target" or "acceptable"
• Self-disposition evaluation
• Missouri Highway Patrol and FBI Fingerprint check

Criteria and Procedure for Admission to Directed Teaching

School of Education faculty must approve all student teaching requests.

• Completed Application for Directed Teaching
• Updated Missouri Highway Patrol and FBI Fingerprint check
• 3.0 GPA in content courses (Middle School, High School programs, and K-12 Spanish and Art)
• 3.0 Professional Education GPA

All students, including Certification and Certification Only, must apply for admission, and meet admission requirements of the School of Education; all students are required to complete professional education sequence classes.

Liberal Education Requirements 40 CR.
Writing Seminar 6 cr.
EN105 and EN106

Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BI0498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325
Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

K-12 Education (Mild/ Moderate Cross-Categorical Disabilities), B.S.E.

Requirements For: B.S.E. Major — 87 Hours, 2.0 cumulative; 3.00 Content; and 3.00 Professional Education GPA

No grade lower than a "C" in education core.

Professional Curriculum

- EDE225 - Children's Health, Movement and Nutrition Credits: 3
- EDE340 - Language and Literacy Development Credits: 3
- EDE342 - Mathematics Learning in Elementary Grades Credits: 3
- EDE343 - Curriculum Integration & Strategy Instruction in Social Science & Science Credits: 3
- EDU203 - Educational Psychology Credits: 3
- EDU210 - The School as a Social System Credits: 3
- PS125 - Lifespan Development Credits: 3
- EDU300 - Writing in Education Credits: 3
- EDU310 - Issues in Diversity and World Cultures Credits: 3
- EDU315 - Children and Young Adult Literature Credits: 3
- EDU336 - Foundations of Special Education Credits: 3
- EDU345 - Teaching Linguistically and Culturally Diverse Learners Credits: 3
- EDU347 - Family, School and Community Collaboration Credits: 3

Admission to the School

Certification Program required for enrollment in the following courses

- EDE352 - Building an Effective, Equitable Learning Environment for Elementary Grades Credits: 3
- EDE363 - Literacy Learning in the Elementary Grades Credits: 3
• EDE383 - Mathematics Methods and Differentiated Learning in Elementary Grades Credits: 3
• EDU351 - Strategies for Higher-Order Learning Credits: 3
• EDU356 - Assessment in Special Education Credits: 3
• EDU360A - Field Experience I Credits: 2
• EDU360B - Field Experience II Credits: 2
• EDU360C - Field Experience SPED I Credits: 1
• EDU360D - Field Experience SPED II Credits: 1
• EDU362 - Observation, Assessment and Data-based Decision Making Credits: 3
• EDU366 - Methods of Teaching Students with Cross-Categorical Disabilities Credits: 3
• EDU375 - Exceptional Children & Differentiated Learning Credits: 3
• EDU384 - Meeting Literacy Needs of All Learners Credits: 3
• EDU410 - Field Experience III Credits: 12-14
• EDU457 - Language Development of the Exceptional Child Credits: 3

Total 87 cr.

Education Requirements

There are specific general education courses required for teacher certification in the state of Missouri, therefore it is imperative the student speak with his or her education advisor regarding these course requirements prior to enrollment. All requirements (i.e., admission within the program and exit) are subject to change as per the Missouri Department of Elementary and Secondary Education.

Criteria for Admission to the School of Education

Meeting these minimum requirements states that the applicant is eligible for admission consideration, but does not guarantee admission.

• 3.0 GPA in content courses (Middle School and High School programs)
• 3.0 Professional Education GPA
• Successful completion of MA120 or MA135 or equivalent, EN105 and EN106
• MoGEA passing scores (passed within 2 years of admission date) or approved ACT Composite Score (taken within 5 years of application for admission to the School of Education). Transfer students with a Bachelor's Degree from an accredited institution are exempt.

Procedure for Request for Admission to the School of Education

• Application for Admission to the School of Education
• Letter of recommendation from a professional outside of the School of Education (submitted electronically or in a sealed/signed envelope)
• Two disposition evaluations completed by SOE faculty with ratings of "target" or "acceptable"
• Self-disposition evaluation
• Missouri Highway Patrol and FBI Fingerprint check

Criteria and Procedure for Admission to Directed Teaching

School of Education faculty must approve all student teaching requests.
• Completed Application for Directed Teaching
• Updated Missouri Highway Patrol and FBI Fingerprint check
• 3.0 GPA in content courses (Middle School, High School programs, and K-12 Spanish and Art)
• 3.0 Professional Education GPA

All students, including Certification and Certification Only, must apply for admission, and meet admission requirements of the School of Education; all students are required to complete professional education sequence classes.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113
**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310
6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Middle School Education, Language Arts Concentration, B.S.E.

Middle School Education, B.S.E.

(Grades 5 through 9)

Requirements For: B.S.E. Major — 58 Hours, 2.0 Cumulative; 3.00 Content; and 3.00 Professional Education GPA

No grade lower than a "C" in education core.

Students seeking middle school certification must select one area listed below.

- Language Arts
- Mathematics
- Science
- Social Science

Professional Curriculum
• EDU203 - Educational Psychology Credits: 3
• EDU210 - The School as a Social System Credits: 3
• PS125 - Lifespan Development Credits: 3
• EDU300 - Writing in Education Credits: 3
• EDU310 - Issues in Diversity and World Cultures Credits: 3
• EDU345 - Teaching Linguistically and Culturally Diverse Learners Credits: 3
• EDU347 - Family, School and Community Collaboration Credits: 3

Admission to the School

Certification Program required for enrollment in the following EDM/EDU courses

• EDM352 - Building an Effective, Equitable Learning Environment Credits: 3
• EDM358 - Reading and Writing in the Content Areas Credits: 3
• EDM360A - Field Experience I Credits: 2
• EDM360B - Field Experience II Credits: 2
• EDM395 - Methodology in Content Area Credits: 3
• EDU351 - Strategies for Higher-Order Learning Credits: 3
• EDU362 - Observation, Assessment and Data-based Decision Making Credits: 3
• EDU375 - Exceptional Children & Differentiated Learning Credits: 3
• EDU384 - Meeting Literacy Needs of All Learners Credits: 3
• EDM410 - Field Experience III Credits: 12

Total 58 cr.

Language Arts

• EN201 - Introduction to Literature Credits: 3
• EN387 - Theory and Teaching of Writing Credits: 3
• EN370 - History and Practice of Rhetoric Credits: 3

Select one of the following:
• EN205 - Introduction to English Studies Credits: 3
• EN307 - Professional Writing in English Studies Credits: 3

Select two of the following:
• EN221 - African-American Literature Credits: 3
• EN317 - American Literature from Puritans to Abolitionists Credits: 3
• EN318 - Dreams and Identities: American Literature from 1865 to Today Credits: 3
• EN356 - Women's Literature Credits: 3

Select one of the following:
• EN315 - Knights and Ladies, Priests and Peasants Credits: 3
• EN316 - Revolution and Empire: British Literature from 1660-1900 Credits: 3
• EN324 - Modern British and European Literature Credits: 3
• EN340 - Shakespeare Then and Now Credits: 3
• EN355 - International Literature Credits: 3

Select one of the following:
Education Requirements

There are specific general education courses required for teacher certification in the state of Missouri, therefore it is imperative the student speak with his or her education advisor regarding these course requirements prior to enrollment. All requirements (i.e., admission within the program and exit) are subject to change as per the Missouri Department of Elementary and Secondary Education.

Criteria for Admission to the School of Education

Meeting these minimum requirements states that the applicant is eligible for admission consideration, but does not guarantee admission.

- 3.0 GPA in content courses (Middle School and High School programs)
- 3.0 Professional Education GPA
- Successful completion of MA120 or MA135 or equivalent, EN105 and EN106
- MoGEA passing scores (passed within 2 years of admission date) or approved ACT Composite Score (taken within 5 years of application for admission to the School of Education). Transfer students with a Bachelor’s Degree from an accredited institution are exempt.

Procedure for Request for Admission to the School of Education

- Application for Admission to the School of Education
- Letter of recommendation from a professional outside of the School of Education (submitted electronically or in a sealed/signed envelope)
- Two disposition evaluations completed by SOE faculty with ratings of “target” or “acceptable”
- Self-disposition evaluation
- Missouri Highway Patrol and FBI Fingerprint check

Criteria and Procedure for Admission to Directed Teaching

School of Education faculty must approve all student teaching requests.

- Completed Application for Directed Teaching
- Updated Missouri Highway Patrol and FBI Fingerprint check
- 3.0 GPA in content courses (Middle School, High School programs, and K-12 Spanish and Art)
- 3.0 Professional Education GPA

All students, including Certification and Certification Only, must apply for admission, and meet admission requirements of the School of Education; all students are required to complete professional education sequence classes.

Liberal Education Requirements 40 CR.
Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.
Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

Natural Science Requirement 3 cr.
Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206
*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements
Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Middle School Education, Social Science Concentration, B.S.E.**

**Middle School Education, B.S.E.**

*(Grades 5 through 9)*

**Requirements For: B.S.E. Major — 58 Hours, 2.0 Cumulative; 3.00 Content; and 3.00 Professional Education GPA**

No grade lower than a "C" in education core.

Students seeking middle school certification must select one area listed below.

- Language Arts
- Mathematics
- Science
- Social Science

**Professional Curriculum**

- EDU203 - Educational Psychology **Credits**: 3
- EDU210 - The School as a Social System **Credits**: 3
- PS125 - Lifespan Development **Credits**: 3
- EDU300 - Writing in Education **Credits**: 3
- EDU310 - Issues in Diversity and World Cultures **Credits**: 3
- EDU345 - Teaching Linguistically and Culturally Diverse Learners **Credits**: 3
- EDU347 - Family, School and Community Collaboration **Credits**: 3

**Admission to the School**

**Certification Program required for enrollment in the following EDM/EDU courses**

- EDM352 - Building an Effective, Equitable Learning Environment **Credits**: 3
- EDM358 - Reading and Writing in the Content Areas **Credits**: 3
- EDM360A - Field Experience I **Credits**: 2
• EDM360B - Field Experience II **Credits:** 2  
• EDM395 - Methodology in Content Area **Credits:** 3  
• EDU351 - Strategies for Higher-Order Learning **Credits:** 3  
• EDU362 - Observation, Assessment and Data-based Decision Making **Credits:** 3  
• EDU375 - Exceptional Children & Differentiated Learning **Credits:** 3  
• EDU384 - Meeting Literacy Needs of All Learners **Credits:** 3  
• EDM410 - Field Experience III **Credits:** 12

**Total 58 cr.**

**Social Science**

• EC141 - Principles of Macroeconomics **Credits:** 3  
  or  
• EC142 - Principles of Microeconomics **Credits:** 3

• HIS104 - American History Survey Through the Civil War **Credits:** 3  
• HIS105 - American History Survey Since the Civil War **Credits:** 3  
• PO200 - American National Government **Credits:** 3  
• PO210 - Comparative Political Systems **Credits:** 3  
• GGH110 - Cultural Geography **Credits:** 3

**Select six credits from the following:**

• HIS111 - Introduction to World History I (Ancient History) **Credits:** 3  
• HIS112 - Introduction to World History II (Middle Ages) **Credits:** 3  
• HIS113 - Introduction to World History III (Modern Era) **Credits:** 3

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:  
MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:  
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337,  
BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107 and CH107, CH107L and CH107, CH108L and CH108,  
CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115,  
GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206
Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements
Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Secondary Education, Biology Concentration, B.S.E.
Secondary Education, B.S.E.

(Grades 9 through 12)

Requirements For B.S.E. Major — 58 Hours, 2.0 Cumulative; 3.00 Content; and 3.00 Professional Education GPA

No grade lower than a "C" in education core.

Students seeking secondary certification must select one of the following areas of certification:

- Biology
- Chemistry
- Earth Science
- English
- Mathematics
- Social Science

Professional Curriculum

- EDU203 - Educational Psychology Credits: 3
- EDU210 - The School as a Social System Credits: 3
- PS125 - Lifespan Development Credits: 3
- EDU300 - Writing in Education Credits: 3
- EDU310 - Issues in Diversity and World Cultures Credits: 3
- EDU345 - Teaching Linguistically and Culturally Diverse Learners Credits: 3
- EDU347 - Family, School and Community Collaboration Credits: 3

Admission to the School

Certification Program required for enrollment in the following EDS/EDU courses

- EDU351 - Strategies for Higher-Order Learning Credits: 3
- EDS352 - Building an Effective, Equitable Learning Environment for Secondary Grades Credits: 3
- EDS358 - Reading and Writing in the Content Areas Credits: 3
- EDS360A - Field Experience I Credits: 2
- EDS360B - Field Experience II Credits: 2
- EDU362 - Observation, Assessment and Data-based Decision Making Credits: 3
- EDU384 - Meeting Literacy Needs of All Learners Credits: 3
- EDU375 - Exceptional Children & Differentiated Learning Credits: 3
- EDS395 - Methodology in Teaching Content Area in The Secondary Classroom Credits: 3
- EDS410 - Field Experience III Credits: 12 (12 Credits Required)

Total 58 cr.

Prerequisites - 15 cr.
• CH108 - General Chemistry II **Credits:** 3 (prerequisite for BIO 325)
• CH108L - General Chemistry Laboratory II **Credits:** 1 (prerequisite for BIO 325)
• MA125 - Intermediate Algebra **Credits:** 3 (or higher math - prerequisite for CH 107)
• MA160 - Precalculus for Majors **Credits:** 5 (prerequisite for PY 155)
• NS220 - Applied Statistics and Experimental Design **Credits:** 3 (or instructor approval - prerequisite for BIO 327)

**Biology**

• BIO221 - Zoology **Credits:** 4
• BIO225 - Botany **Credits:** 4
• BIO325 - Introductory Molecular Cell Biology **Credits:** 3
• BIO327 - Introductory Ecology and Evolution **Credits:** 4
• BIO340 - Genetics **Credits:** 4
• CH107 - General Chemistry I **Credits:** 3
• CH107L - General Chemistry Laboratory I **Credits:** 1
• GO141 - Physical Geology **Credits:** 4
• PY155 - Concepts of Physics I **Credits:** 4

Select one of the following:
• NS241 - Philosophy and History of Science **Credits:** 3
• NS304 - Science, Technology, and Society **Credits:** 3

Select one of the following:
• BI111 - Environmental Biology **Credits:** 4
• GGP120 - Global Sustainability **Credits:** 3

Select one of the following:
• BIO330 - Paleobiology **Credits:** 4
• BIO350 - Microbiology **Credits:** 4
• BIO410 - Comparative Anatomy **Credits:** 4
• BIO411 - Animal Physiology **Credits:** 4

**Total 41-42 cr.**

**Education Requirements**

There are specific general education courses required for teacher certification in the state of Missouri, therefore it is imperative the student speak with his or her education advisor regarding these course requirements prior to enrollment. All requirements (i.e., admission within the program and exit) are subject to change as per the Missouri Department of Elementary and Secondary Education.

**Criteria for Admission to the School of Education**

Meeting these minimum requirements states that the applicant is eligible for admission consideration, but does not guarantee admission.

• 3.0 GPA in content courses (Middle School and High School programs)
• 3.0 Professional Education GPA
• Successful completion of MA120 or MA135 or equivalent, EN105 and EN106
• MoGEA passing scores (passed within 2 years of admission date) or approved ACT Composite Score (taken within 5 years of application for admission to the School of Education). Transfer students with a Bachelor’s Degree from an accredited institution are exempt.

**Procedure for Request for Admission to the School of Education**

• Application for Admission to the School of Education
• Letter of recommendation from a professional outside of the School of Education (submitted electronically or in a sealed/signed envelope)
• Two disposition evaluations completed by SOE faculty with ratings of "target" or "acceptable"
• Self-disposition evaluation
• Missouri Highway Patrol and FBI Fingerprint check

**Criteria and Procedure for Admission to Directed Teaching**

School of Education faculty must approve all student teaching requests.

• Completed Application for Directed Teaching
• Updated Missouri Highway Patrol and FBI Fingerprint check
• 3.0 GPA in content courses (Middle School, High School programs, and K-12 Spanish and Art)
• 3.0 Professional Education GPA

All students, including Certification and Certification Only, must apply for admission, and meet admission requirements of the School of Education; all students are required to complete professional education sequence classes.

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH107L and CH107, CH108L and CH108, CH317L and CH327, CH318L and CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206
Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.
Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.
Secondary Education, Earth Science Concentration, B.S.E.

Secondary Education, B.S.E.

(Grades 9 through 12)

Requirements For B.S.E. Major — 58 Hours, 2.0 Cumulative; 3.00 Content; and 3.00 Professional Education GPA

No grade lower than a "C" in education core.

Students seeking secondary certification must select one of the following areas of certification:

- Biology
- Chemistry
- Earth Science
- English
- Mathematics
- Social Science

Professional Curriculum

- EDU203 - Educational Psychology Credits: 3
- EDU210 - The School as a Social System Credits: 3
- PS125 - Lifespan Development Credits: 3
- EDU300 - Writing in Education Credits: 3
- EDU310 - Issues in Diversity and World Cultures Credits: 3
- EDU345 - Teaching Linguistically and Culturally Diverse Learners Credits: 3
- EDU347 - Family, School and Community Collaboration Credits: 3

Admission to the School

Certification Program required for enrollment in the following EDS/EDU courses

- EDU351 - Strategies for Higher-Order Learning Credits: 3
- EDS352 - Building an Effective, Equitable Learning Environment for Secondary Grades Credits: 3
- EDS358 - Reading and Writing in the Content Areas Credits: 3
- EDS360A - Field Experience I Credits: 2
- EDS360B - Field Experience II Credits: 2
- EDU362 - Observation, Assessment and Data-based Decision Making Credits: 3
- EDU384 - Meeting Literacy Needs of All Learners Credits: 3
- EDU375 - Exceptional Children & Differentiated Learning Credits: 3
- EDS395 - Methodology in Teaching Content Area in the Secondary Classroom Credits: 3
- EDS410 - Field Experience III Credits: 12 (12 Credits Required)

Total 58 cr.
Earth Science

- GO130 - Astronomy Credits: 4
- GO141 - Physical Geology Credits: 4
- GO151 - History of the Earth Credits: 4
- GGP115 - Physical Geography Credits: 4
- GGP205 - Meteorology Credits: 4

- NS304 - Science, Technology, and Society Credits: 3
  or
- NS241 - Philosophy and History of Science Credits: 3

- CH107 - General Chemistry I Credits: 3
- CH107L - General Chemistry Laboratory I Credits: 1

- BIO221 - Zoology Credits: 4
  or
- BIO225 - Botany Credits: 4

- PY155 - Concepts of Physics I Credits: 4

- GGP120 - Global Sustainability Credits: 3
  or
- BI111 - Environmental Biology Credits: 4

Total 38-39 cr.

Education Requirements

There are specific general education courses required for teacher certification in the state of Missouri; therefore, it is imperative the student speak with his or her education advisor regarding these course requirements prior to enrollment. All requirements (i.e., admission within the program and exit) are subject to change as per the Missouri Department of Elementary and Secondary Education.

Criteria for Admission to the School of Education

Meeting these minimum requirements states that the applicant is eligible for admission consideration, but does not guarantee admission.

- 3.0 GPA in content courses (Middle School and High School programs)
- 3.0 Professional Education GPA
- Successful completion of MA120 or MA135 or equivalent, EN105 and EN106
- MoGEA passing scores (passed within 2 years of admission date) or approved ACT Composite Score (taken within 5 years of application for admission to the School of Education). Transfer students with a Bachelor’s Degree from an accredited institution are exempt.

Procedure for Request for Admission to the School of Education
• Application for Admission to the School of Education
• Letter of recommendation from a professional outside of the School of Education (submitted electronically or in a sealed/signed envelope)
• Two disposition evaluations completed by SOE faculty with ratings of "target" or "acceptable"
• Self-disposition evaluation
• Missouri Highway Patrol and FBI Fingerprint check

Criteria and Procedure for Admission to Directed Teaching

School of Education faculty must approve all student teaching requests.

• Completed Application for Directed Teaching
• Updated Missouri Highway Patrol and FBI Fingerprint check
• 3.0 GPA in content courses (Middle School, High School programs, and K-12 Spanish and Art)
• 3.0 Professional Education GPA

All students, including Certification and Certification Only, must apply for admission, and meet admission requirements of the School of Education; all students are required to complete professional education sequence classes.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206
*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work
Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Secondary Education, English Concentration, B.S.E.

Secondary Education, B.S.E.

(Grades 9 through 12)

Requirements For B.S.E. Major — 58 Hours, 2.0 Cumulative; 3.00 Content; and 3.00 Professional Education GPA

No grade lower than a "C" in education core.
Students seeking secondary certification must select one of the following areas of certification:

- Biology
- Chemistry
- Earth Science
- English
- Mathematics
- Social Science

**Professional Curriculum**

- EDU203 - Educational Psychology **Credits:** 3
- EDU210 - The School as a Social System **Credits:** 3
- PS125 - Lifespan Development **Credits:** 3
- EDU300 - Writing in Education **Credits:** 3
- EDU310 - Issues in Diversity and World Cultures **Credits:** 3

• MoGEA passing scores (passed within 2 years of admission date) or approved ACT Composite Score (taken within 5 years of application for admission to the School of Education). Transfer students with a Bachelor's Degree from an accredited institution are exempt.

Procedure for Request for Admission to the School of Education

• Application for Admission to the School of Education
• Letter of recommendation from a professional outside of the School of Education (submitted electronically or in a sealed/signed envelope)
• Two disposition evaluations completed by SOE faculty with ratings of "target" or "acceptable"
• Self-disposition evaluation
• Missouri Highway Patrol and FBI Fingerprint check

Criteria and Procedure for Admission to Directed Teaching

School of Education faculty must approve all student teaching requests.

• Completed Application for Directed Teaching
• Updated Missouri Highway Patrol and FBI Fingerprint check
• 3.0 GPA in content courses (Middle School, High School programs, and K-12 Spanish and Art)
• 3.0 Professional Education GPA

All students, including Certification and Certification Only, must apply for admission, and meet admission requirements of the School of Education; all students are required to complete professional education sequence classes.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO235, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH107L and CH108, CH108L and CH108,
CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*
Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.
Secondary Education, Social Science Concentration, B.S.E.

Secondary Education, B.S.E.

(Grades 9 through 12)

Requirements For B.S.E. Major — 58 Hours, 2.0 Cumulative; 3.00 Content; and 3.00 Professional Education GPA

No grade lower than a "C" in education core.

Students seeking secondary certification must select one of the following areas of certification:

- Biology
- Chemistry
- Earth Science
- English
- Mathematics
- Social Science

Professional Curriculum

- EDU203 - Educational Psychology Credits: 3
- EDU210 - The School as a Social System Credits: 3
- PS125 - Lifespan Development Credits: 3
- EDU300 - Writing in Education Credits: 3
- EDU310 - Issues in Diversity and World Cultures Credits: 3
- EDU345 - Teaching Linguistically and Culturally Diverse Learners Credits: 3
- EDU347 - Family, School and Community Collaboration Credits: 3

Admission to the School

Certification Program required for enrollment in the following EDS/EDU courses

- EDU351 - Strategies for Higher-Order Learning Credits: 3
- EDS352 - Building an Effective, Equitable Learning Environment for Secondary Grades Credits: 3
- EDS358 - Reading and Writing in the Content Areas Credits: 3
- EDS360A - Field Experience I Credits: 2
- EDS360B - Field Experience II Credits: 2
- EDU362 - Observation, Assessment and Data-based Decision Making Credits: 3
- EDU384 - Meeting Literacy Needs of All Learners Credits: 3
- EDU375 - Exceptional Children & Differentiated Learning Credits: 3
- EDS395 - Methodology in Teaching Content Area in The Secondary Classroom Credits: 3
- EDS410 - Field Experience III Credits: 12 (12 Credits Required)

Total 58 cr.
Social Science

- AN301 - Cultural Anthropology Credits: 3
- PS101 - Introduction to Psychology Credits: 3
- SO141 - Introduction to Sociology Credits: 3
- PO200 - American National Government Credits: 3
- PO210 - Comparative Political Systems Credits: 3
- EC141 - Principles of Macroeconomics Credits: 3
- EC142 - Principles of Microeconomics Credits: 3
- GGH110 - Cultural Geography Credits: 3
- HIS104 - American History Survey Through the Civil War Credits: 3
- HIS105 - American History Survey Since the Civil War Credits: 3
- HIS111 - Introduction to World History I (Ancient History) Credits: 3
- HIS112 - Introduction to World History II (Middle Ages) Credits: 3
- HIS113 - Introduction to World History III (Modern Era) Credits: 3

Select six hours electives

- HIS211 - The Great War: 1914-1918 Credits: 3
- HIS220 - History of the American West Credits: 3
- HIS261 - The Making of the American Republic, 1754-1820 Credits: 3
- HIS325 - The Cold War, 1945-1992 Credits: 3

Total 45 cr.

Education Requirements

There are specific general education courses required for teacher certification in the state of Missouri, therefore it is imperative the student speak with his or her education advisor regarding these course requirements prior to enrollment. All requirements (i.e., admission within the program and exit) are subject to change as per the Missouri Department of Elementary and Secondary Education.

Criteria for Admission to the School of Education

Meeting these minimum requirements states that the applicant is eligible for admission consideration, but does not guarantee admission.

- 3.0 GPA in content courses (Middle School and High School programs)
- 3.0 Professional Education GPA
- Successful completion of MA120 or MA135 or equivalent, EN105 and EN106
- MoGEA passing scores (passed within 2 years of admission date) or approved ACT Composite Score (taken within 5 years of application for admission to the School of Education). Transfer students with a Bachelor’s Degree from an accredited institution are exempt.

Procedure for Request for Admission to the School of Education

- Application for Admission to the School of Education
• Letter of recommendation from a professional outside of the School of Education (submitted electronically or in a sealed/signed envelope)
• Two disposition evaluations completed by SOE faculty with ratings of "target" or "acceptable"
• Self-disposition evaluation
• Missouri Highway Patrol and FBI Fingerprint check

**Criteria and Procedure for Admission to Directed Teaching**

School of Education faculty must approve all student teaching requests.

- Completed Application for Directed Teaching
- Updated Missouri Highway Patrol and FBI Fingerprint check
- 3.0 GPA in content courses (Middle School, High School programs, and K-12 Spanish and Art)
- 3.0 Professional Education GPA

All students, including Certification and Certification Only, must apply for admission, and meet admission requirements of the School of Education; all students are required to complete professional education sequence classes.

Master of Education, Educational Leadership/Principalship, M.E.

Master of Education, Educational Leadership/Principalship, M.E. Locations

Purpose

The Master of Education with an area of emphasis in educational administration is designed for educators desiring to work as a building-level administrator in a school setting. Completion of Park’s 30 credit hour program earns a Master of Education degree in Educational Leadership/Principalship. Certification as a principal is earned by the additional passing of current DESE state assessments. The program is offered in an 8-week online format. Full-time enrollment is one course per 8-week term. Full time enrollment during the academic year and one or two courses for two summers allows completion in two calendar years.

Admission Requirements

1. A bachelor's degree from an accredited institution and a valid state teaching certificate (applicant must provide copy of certificate). Note: This must be completed before the completion of the first three credit hours
2. School employment as a teacher is required in order to fulfill 300 hours of administrative field experience in the school setting.
3. Students seeking Educational Leadership/Principalship must have three years’ teaching experience by the time they apply for state certification. DESE requires a Missouri state teaching certificate in order to apply for principal certification.
4. Minimum 3.0 grade point average on a 4.0 scale.
5. Advanced candidates with a GPA between 2.75 and 3.0 may be considered for provisional admission.
6. A felony background check and FBI fingerprint check must be completed and clearance received for admission.

Requirements For: Master - 30 Hours, 3.0 GPA

Core Requirement 30 cr.

- ED513 - Law for Educators Credits: 3
- ED514 - Foundations of Educational Administration Credits: 3
- ED522 - Legal Aspects of Special Education *Credits:* 3
- ED606 - Curriculum Theory and Practice *Credits:* 3
- ED608 - Assessment *Credits:* 3
- ED612 - School and Community Leadership *Credits:* 3
- ED616 - School Supervision *Credits:* 3
- ED626 - K-12 School Administration *Credits:* 3
- ED634 - Directed Field Experience *Credits:* 3 *(should be taken during the last Fall 16 weeks or Spring 16 weeks before graduation)*
- ED635 - School Organization and Management *Credits:* 3

**Additional Requirements**

- Certification as a building-level administrator requires passing the current Missouri Department of Elementary and Secondary (DESE) assessments.

**Graduation Requirements**

Park University confers the Master of Education degrees upon successful completion of the following requirements:

- Completion of a minimum of 30 semester hours.
- Cumulative GPA of 3.0 for Park University courses.
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of all earned credit with no more than 2 grades of C earned.
- Submission of an Application for Graduation.

**Master of Education, Educational Technology for Teachers, M.E.**

**Purpose**

The Master of Education in Educational Technology for Teachers degree focuses on technology-integrated instruction and assessment that emphasizes high-quality lesson design, critical inquiry, and building a community of learners. Studies will include a critical analysis of current and future technologies to enhance learning in the K-12 classroom through application, research, and data analysis.

The coursework for this 30-credit hour area of emphasis is offered in an 8-week online format. A professional electronic portfolio, as well as projects embedded in course work, are required. The degree can be completed in two calendar years, including summers.

**Admission Requirements**

1. A bachelor's degree from a regionally accredited institution.
2. Minimum 3.0 grade point average on a 4.0 scale.
3. A felony background check and FBI fingerprint check must be completed for admission. Admission is dependent upon clearance.
4. Students with a GPA between 2.75 and 3.0 may be considered for provisional admission.
Requirements For: Master - 30 Hours, 3.0 GPA

Core Requirement 30 cr.

- ED502 - Teaching and Learning in the Digital World Credits: 3
- ED507 - The Connected Teacher Learner Credits: 3
- ED511 - Utilizing Technology in Classroom Research Credits: 3
- ED523 - Assessment and Evaluation of Teaching and Learning In the Digital Classroom Credits: 3
- ED543 - Trending Tools of the Internet Credits: 3
- ED551 - Educational Technology/Tools for the 21st Century Learner Credits: 3
- ED564 - Enhancing Instruction with Technology Credits: 3
- ED571 - Issues and Ethics with Technology Integration Credits: 3
- ED574 - Analyzing and Presenting Data in the Workplace Credits: 3
- ED579 - Educational Technology Electronic Portfolio Development Credits: 3

Additional Requirements

An approved portfolio is required, which addresses satisfactorily the ISTE Standards. This portfolio must be presented by the fifth week of the last term in the advanced candidate's program.

Graduation Requirements

Park University confers the Master of Education degrees upon successful completion of the following requirements:

- Completion of a minimum of 30 semester hours.
- Cumulative GPA of 3.0 for Park University courses.
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of all earned credit with no more than 2 grades of C earned.
- Submission of an Application for Graduation.

Master of Education, Language and Literacy, M.E.

Purpose

The Master of Education with emphasis in Language and Literacy is designed with two program areas of emphasis for two types of educators:

Special Reading Teacher – This Master of Education area of emphasis is for educators desiring to work as reading specialists in various public and private settings. The degree program aligns with the professional standards of the International Literacy Association (ILA) for Reading Professionals (2017, ILA 2018), International Dyslexia Association Knowledge and Practice Standards for Teachers of Reading (IDA, 2018), and the Missouri Educator Gateway Assessment Framework for Special Reading (Pearson, 2020). Courses are offered in the 8-week format. Full-time enrollment is one course per 8-week term. This area of emphasis leads to Missouri Special Reading certification. This certification is not available as an initial certificate; candidates must already be certified in another area. Refer to Certification Requirements for additional information regarding certification.

English Language Learners Teacher – This Master of Education area of emphasis is for educators desiring ELL linguistics and second language acquisition basics, as well as ELL methods, materials and assessments
for public and private schools. This area of emphasis meets the professional standards of the Teachers of English to Speakers of Other Languages International Association Standards for P-12 Teacher Education Programs (TESOL, 2010) as well as DESE ELL Standards. Courses are offered in the 8-week format. Full-time enrollment is one course per 8-week term. This area leads to Missouri ELL certification. Certification is not available as an initial certificate; candidates must already be certified in another area. Refer to Certification Requirements for additional information regarding certification.

Admission Requirements
A bachelor's degree from an accredited institution and hold a valid state teaching certificate (applicant must provide copy of certificate)
School employment is not required for admission into the Language and Literacy programs. However, every course requires direct work with children; therefore, advanced candidates are responsible for finding students with whom to work if they do not have access to a classroom.
Advanced candidates seeking Special Reading Teacher or ELL certification must have two years' teaching experience by the time they apply for certification.
Minimum 3.0 grade point average on a 4.0 scale, and 2.5 GPA in core.
A felony background check and FBI fingerprint check and clearance received for admission.
Child abuse or neglect screening.
Advanced candidates with a GPA between 2.7 and 3.0 may be considered for admission, if they provide one of the following:
Four years successful employment experience (letter of recommendation from a supervisor based on good evaluations).
An acceptable GRE score for verbal and quantitative tests.
Note: If items 4 and 5 above have been completed for continuous current employment or for the U.S. military, a copy of the same may be submitted.

Program Requirements
The coursework for both 30-credit hour program areas of emphasis is offered in an 8-week format, either in a hybrid model (60% face-to-face and 40% online) or totally online. A professional portfolio, as well as projects embedded in course work, is required. Advanced candidates must successfully pass the School of Education Disposition Instrument for Advanced Candidates for admission into their respective program practicums (either ED641, ED651 or ED652). Students intending to apply for certification through DESE may need to take 3-6 additional credit hours beyond the 30 hours required to earn the MED degree depending on whether they have previously earned credits for the course equivalents of ED520 and/or ED527 from another institution or as part of their baccalaureate degree. These courses are certification requirements and not required to earn the MED degree.

For all areas, in addition to completing the 30-credit hour curriculum with at least a 3.0 GPA, the advanced candidate must submit an approved portfolio that addresses satisfactorily the ILA Standards, a comparison of the ILA and IDA Standards, or the TESOL Standards (depending on degree area of emphasis). An advanced candidate cannot complete the program or be recommended for certification without successfully completing/passing the portfolio. It is recommended that advanced candidates present their portfolios for evaluation by the fifth week of their final practicum course in the advanced candidate's program. Advanced candidates in need of more time or support beyond completion of their last required course to complete/pass their portfolio may enroll in ED699. Advanced candidates must remain continuously enrolled until all graduation requirements are fulfilled. Furthermore, advanced candidates must pass any content assessment(s) designated by the Missouri State Board of Education for additional certification(s). Advanced Candidates should consult with their Academic Advisor regarding current Missouri Content Assessment (MoCA) requirements and test availability.

Note: Candidates who disagree with a disposition evaluation may appeal the evaluation to the Committee for Selection, Admission, Retention and Appeals. The appeal shall be submitted in writing to the chair of the CSARA using the appropriate appeal form. Documentation supporting the appeal must accompany the appeal form where applicable.
Certification Requirements
Both program areas within the Master of Education with emphasis in Language and Literacy lead to certification through Missouri's Department of Elementary and Secondary Education (DESE) for Special Reading (K-12) or English Language Learners (K-12). If interested, advanced candidates are responsible for applying online for certification through www.dese.mo.gov at the end of their program or at the point in which they meet all certification requirements (Contact your Academic Advisor for additional information). Endorsement from the designated certification official of an educator preparation program approved by DESE is required as part of the application process. The certification official from Park University will endorse applications for certification for:

Individuals who earn a MED with an emphasis in Language and Literacy (Special Reading or English Language Learners) from Park University as well as meet the state requirements for:

ED 520 and/or ED 527 (as needed for their program area) or the credit/course equivalent earned at Park University, transferred from another institution, or earned as part of a baccalaureate degree; and Pass content assessment(s) designated by the Missouri State Board of Education for additional certification(s) for Special Reading or ELL. Advanced Candidates should consult with their Academic Advisor regarding current Missouri Content Assessment (MoCA) requirements and testing availability for their program area(s).

Non-degree seeking individuals should refer to the Endorsement Policy for Non-Degree Seeking Students in Graduate Programs Leading to Certification in Missouri.

Requirements For: Master - 30 Hours*, 3.0 GPA

Special Reading

Core Requirement 12 cr.

- ED546 - Analysis and Correction of Reading Difficulties Credits: 3
- ED641 - Literacy Practicum I Credits: 3
- ED651 - Literacy Practicum II Credits: 3
- ED550 - Literacy Intervention for the Diverse Learner Credits: 3

Required Courses 18 cr.

- ED528 - Theory and Practice in Literacy Credits: 3
- ED548 - Evaluation of Abilities and Achievement Credits: 3
- ED557 - Language to Literacy Acquisition and Development Credits: 3
- ED603 - Teaching Literacy to Diverse Learners Credits: 3
- ED605 - Professional Learning & Literacy Leadership Credits: 3
- ED610 - Issues & Research in Literacy Credits: 3

Certification Requirement 0-6 CR

*ED520 and ED527 or their equivalents are required for certification by DESE and may be fulfilled through credits earned as part of one's baccalaureate degree. ED520 and ED527 are not required for degree completion but are required for students seeking certification.

- ED520 - Special Needs in the Classroom Credits: 3
- ED527 - Growth and Development of Children and Adolescents Credits: 3
English Language Learners

Core Requirement 9 cr.

- ED545 - Teaching Reading to Linguistically Diverse Learners Credits: 3
- ED548 - Evaluation of Abilities and Achievement Credits: 3
- ED652 - English Language Learners Practicum Credits: 3

Required Courses 21 cr.

- ED509 - Language and Culture Credits: 3
- ED552 - Linguistics for English Language Learner Teachers Credits: 3
- ED562 - Principles of Second Language Learning Credits: 3
- ED582 - Methods for Teaching English Language Learners Credits: 3
- ED584 - Curriculum for Teaching English Language Learners Credits: 3
- ED607 - Assessment Strategies for English Language Learners Credits: 3
- ED619 - Multi-Cultural Literature for Teachers Credits: 3

Portfolio Requirement

An approved portfolio is required, which addresses satisfactorily the ILA Standards (Special Reading), comparison of ILA and IDA Standards (Special Reading) or the TESOL Standards (ELL). It is recommended that advanced candidates present their portfolios for evaluation no later than the fifth week of their final practicum course in the advanced candidate's program. Advanced candidates in need of more time or support to complete/pass their portfolio must be continuously enrolled in ED699 through the successful completion of their portfolio.

- ED699 - Final portfolio continuous enrollment Credits: 1

Enrollment in ED699 (1 credit/term) is required for degree candidates who have completed all coursework but have not passed the portfolio.

Certification Requirement 0-3 CR

* ED520 or its equivalent, is required for certification by DESE and may be fulfilled through credits earned as part of one’s baccalaureate degree. ED520 is not required for degree completion but is required for students seeking certification.

- ED520 - Special Needs in the Classroom Credits: 3

Additional Requirements

Advanced candidates must pass School of Education Disposition Instruments as required for practicum course eligibility and program completion.

Although candidates are not required to be employed in a full time teaching position while completing their degree coursework, they are responsible for arranging access to K-12 students and classrooms in accordance with school, district, and university stipulations so that they are able to complete a range of assignments, fieldwork, and practicums.

An advanced candidate cannot complete the program or be recommended for certification without an acceptable portfolio.
Advanced candidates must be continuously enrolled until all graduation requirements are satisfied.

Advanced Candidates seeking endorsement from Park University for special reading certification must pass any content assessment(s) designated by the Missouri State Board of Education for additional certification(s).

**Additional Course Offerings**

Students seeking additional coursework beyond degree requirements may elect to take any of the above courses that are not already included within their degree concentration area (i.e., Special Reading or ELL). In addition, the below courses are available to students seeking additional coursework beyond degree requirements. Please note that financial aid may not be available to cover the cost of any elective courses.

- ED526 - Classroom Management Seminar **Credits:** 3
- ED547 - Counseling Techniques with Exceptional Children and their Families **Credits:** 3
- ED561 - Miscue Analysis **Credits:** 3
- ED609 - Current Issues and Trends in Literacy **Credits:** 3

**Graduation Requirements**

Park University confers the Master of Education degrees upon successful completion of the following requirements:

- Completion of a minimum of 30 semester hours.
- Cumulative GPA of 3.0 for Park University courses.
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of all earned credit with no more than 2 grades of C earned.
- Submission of an Application for Graduation.

**Master of Education, Organizational Leadership and Adult Learning, M.E.**

**Purpose**

The Master of Education in Organizational Leadership and Adult Learning is a progressive, multi-disciplinary program that introduces key concepts of adult learning and development in a variety of contexts. Graduates and participants in the program are qualified for a variety of careers such as training and development in organizations and the military, higher education and online learning, and community-based education. The program will:

- Provide a comprehensive, research-based understanding of human capacity building and competency development.
- Connect advanced candidates with challenges facing today’s organizations and prepare them to create innovative and effective learning solutions.
- Prepare advanced candidates to synthesize elements from adult learning theory, instructional design, emerging technology, and curriculum and program development and apply them to one’s current or planned professional setting.
Drawing on a range of disciplines (education, business, information technology), this program will prepare one for a career to apply knowledge and skills, which can be effectively used and developed on an individual, team and organizational level.

**Unique Program Features**

The M.Ed. in Organizational Leadership and Adult Learning program utilizes real-world experiences to connect learners with external stakeholders and organizations through project-and problem-based learning. One will work with faculty in a variety of adult educational settings, to develop transferable competencies highly sought after in organizational learning and development, consulting, higher education, the military, and other adult educational settings.

**Program Competencies**

- **Active Inquiry & Critical Thinking** – Your decisions are based on supported learning and design theory, and the acquisition of new knowledge through extensive investigation viewed through the lens of critically reflective reasoning.

- **Problem Solving** – You will synthesize knowledge from diverse sources and contradictory points of view to solve complex and ambiguous learning, training, and development problems facing today’s organizations.

- **Strategic Thinking** – You will lead strategic change initiatives and develop learning strategies to help organizations develop and sustain competitive advantage.

- **Professional Ethics and Moral Reasoning** – Your actions are value-based under conditions of complexity and uncertainty.

- **Interpersonal Leadership** – You will build and utilize a set of communication and coaching skills that encourages the growth and professional development of individuals, and a positive climate that promotes effective learning in teams and organizations.

- **Educational Technology Innovation** – You will become a leader in utilizing emerging technologies, learning theory, and instructional design strategies to develop effective learning experiences and materials for a diverse set of adult learners in diverse organizational settings.

**Admission Requirements**

1. A bachelor's degree from an accredited institution.
2. Minimum 3.0 grade point average on a 4.0 scale.
3. Advanced candidates with a GPA between 2.75 and 3.0 may be considered for admission after submitting a written Statement of Career Objectives and completing an interview with the Area Coordinator.

**Requirements For: Master - 30 Hours, 3.0 GPA**

- ED504 - Learning as a Competitive Advantage **Credits:** 3
- ED512 - Human Capacity Building **Credits:** 3
- ED516 - Introduction to Graduate Research **Credits:** 3
- ED540 - Emerging Technologies and Facilitation Strategies **Credits:** 3
- ED542 - Program Planning for Adults **Credits:** 3
- ED563 - Managing Change and Innovation **Credits:** 3
- ED565 - Team Learning and Innovation **Credits:** 3
- ED566 - Organizational Learning **Credits:** 3
- ED572 - Developing Critical Thinking & Transformative Learning Credits: 3
- ED631 - Capstone Credits: 3

**Graduation Requirements**

Park University confers the Master of Education degrees upon successful completion of the following requirements:

- Completion of a minimum of 30 semester hours.
- Cumulative GPA of 3.0 for Park University courses.
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of all earned credit with no more than 2 grades of C earned.
- Submission of an Application for Graduation.

**Master of Education, Teacher Leadership, Curriculum and Instruction Concentration, M.E.**

This program is part of the 4+1 Undergraduate to Graduate program options. For questions regarding specific courses and options, please consult with your Advisor, Campus Center or via email at advising@park.edu.

**Master of Education Teacher Leadership, M.E.**

This 30-hour master's degree emphasizes the integration of theory and practice through four key elements: relationship building; classroom culture and climate; teaching cycle; and content knowledge. Common threads through all courses are developing a strong knowledge base in culturally responsive teaching, clinical practice, and assessment.

**Admission Requirements**

- A bachelor's degree from an acceptable accredited institution.
- Minimum 3.0 grade point average on a 4.0 scale.
- A felony background check and FBI fingerprint check must be completed for admission. Admission is dependent upon clearance.
- Students with a GPA between 2.75 and 3.0 may be considered for provisional admission.

**Requirements For: Master - 30 Hours, 3.0 GPA**

- ED513 - Law for Educators Credits: 3
- ED519 - Diversity in the Classroom Credits: 3
- ED532 - Teaching and Learning: Theory Into Practice Credits: 3
- ED612 - School and Community Leadership Credits: 3
- ED617 - Assessment for Teachers Credits: 3
- ED632 - Action Research Credits: 3

**Concentrations**
• Curriculum and Instruction Concentration
• Literacy Concentration

**Curriculum and Instruction**

• Completion of all earned credit with no more than 2 grades of C earned.
• Submission of an Application for Graduation.

Educational Specialist, Education Administration, Ed.S.

The Educational Specialist in Educational Administration degree is designed to fulfill the state of Missouri’s requirements for Superintendent (K-12) Initial Administrator certification in a 33-credit hour program or a Building-Level (K-12) Initial Administrator certification in a 33-credit hour program. There are two components: 1) Completion of the program of study earns the Educational Specialist in Educational Administration degree, and 2) Certification as a Superintendent (K-12) Initial Administrator certificate is earned by the passing of current DESE state assessments. or certification as a Building-Level (K-12) Initial Administrator certificate is earned by passing of current DESE state assessments. The program is offered in an 8-week format, classes meet totally online. Full-time enrollment is one course per 8-week term. The coursework for this 33-credit hour program is offered in an 8-week format totally online (with the exception of a 16-week field experience semester).

Admission Requirements

• A bachelor’s degree from an accredited institution and a valid state teaching certificate (applicant must provide copy of certificate).
Note: This must be completed before the completion of the first three credit hours.

- A Master degree in education from an accredited institution with a GPA of 3.0 for full admission or GPA of 2.75 for provisional admission.
- Current school employment either as a teacher or administrator is required.
- MSHP & FBI Criminal History Background Check

Requirements For: Educational Specialist - 33 Hours, 3.0 GPA

Core Requirements 18 CR.

- ED705 - Foundations & Organization of Educational Leadership Credits: 3
- ED706 - Administration of School Policy and Governance Credits: 3

Graduation Requirements

Park University confers the Master of Business Administration, Master of Social Work and Education Specialist degrees at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 33 semester hours.
- Cumulative GPA of 3.0 for Park University courses.
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of all earned credit with no more than 2 grades of C earned.
- Submission of an Application for Graduation.

School of Education Conceptual Framework

Park University School of Education Conceptual Framework

Derived from Park University's vision, mission, and core values, the School of Education's (SOE) vision is to develop leaders in education. The SOE's mission, embodied in five goals, is the commitment to prepare teacher candidates to be effective school professionals, reflective change agents, and advocates for equity and excellence. The SOE's Conceptual Framework, grounded in sound educational research, theory, and practice, is centered on five core beliefs. These core beliefs guide the SOE as it nurtures and supports the development of teacher candidates’ knowledge, skills, and dispositions so they can be leaders and assume the roles of effective school professionals, reflective change agents, and advocates for equity and excellence. To confirm that the SOE’s vision, mission, goals, and core beliefs are being met, the SOE engages an assessment system that continually assesses and evaluates teacher candidates as they progress and transition through the SOE's programs. The assessment system strives to be fair and unbiased so as to accurately confirm candidates’ competencies of their knowledge, skills, and dispositions, and to provide evidence upon which to guide future programming.

Goals:

A candidate who meets the five goals below provides evidence that he or she is developing as an effective school professional, a reflective change agent, and an advocate for equity and excellence for all learners. The goals summarize the core knowledge, skills, and dispositions and are rooted in the Core Beliefs that make up the knowledge base that drives our program.

1. Candidates exhibit behavior that demonstrates a belief that all individuals can develop, learn, and make positive contributions to society.
2. Candidates possess the necessary content College of Education and Health Professions School of Education Leaders in Education: Effective School Professionals, Reflective Change Agents, & Advocates for Equity and Excellence knowledge and professional knowledge to support and enhance student development and learning, including meeting student needs across physical, social, psychological, and intellectual contexts, as demonstrated by varied, evidence-based strategies, including technology.
3. Candidates possess the necessary knowledge and skills to conduct and interpret appropriate assessments and to use the information from assessments to develop and adapt instruction that meets learners’ needs and maintains their engagement.
4. Candidates exhibit behavior that demonstrates a belief that continuous inquiry and reflection can improve professional practice.
5. Candidates view and conduct themselves as professionals, providing leadership in their chosen field, and communicating effectively with students and stakeholders.

Core Beliefs:

The goals are rooted in these core beliefs that make up the knowledge base that drives our program.

#1: School professionals are advocates for equity and excellence for all. Every person can learn, and the goal of education is to give every individual the best possible opportunities to reach his or her highest potential. (Goal 1)
#2: There is a definite knowledge base in education. All educators are grounded in content knowledge, educational theory, pedagogical knowledge, research and best practice, and professionalism. Educators are also connected to the professional communities and learned societies in education in general and in their chosen field, and are knowledgeable in the standards of those societies as well as of those of the state of Missouri. (Goal 2)

#3: Within the definite knowledge base in education, educators have the necessary knowledge and skills to conduct and interpret appropriate assessments and to use the information from assessments to develop and adapt instruction that meets learners' needs and maintains their engagement. Throughout the assessment process, educators uphold American Psychological Association guidelines related to ethics and confidentiality. Educators also know that assessment is both formative and summative. (Goal 3)

#4: Educators are reflective change agents who are experts in collaborative problem-solving and critical inquiry. They are professionals who should regularly engage in high-level thinking, and should promote and nurture those same high levels of thinking in the learners they serve. (Goal 4)

#5: Becoming a leader in education is a lifelong, developmental and social process that unfolds uniquely for each individual. Key to this process, leaders in education are scholars of teaching and learning, and, as such, are grounded in both best practice and current in evidence-based research in the field of education. In communicating effectively with students and stakeholders, educators use their competence in cross-cultural communication to communicate effectively with students and stakeholders. (Goal 5)

Teacher Certification

The Park University Education Program is approved by the Missouri Department of Elementary and Secondary Education. Upon completion of the program, passing the appropriate Missouri Assessments, passing disposition evaluations, recommendation by Park University, and application by the student, a Missouri Teaching Certificate may be issued by the state of Missouri. If students wish to be certified in any state other than Missouri, students are responsible for their course of study to reflect that state's requirements. Teaching Certification requires passing an MSHP & FBI Background Check, which includes fingerprinting. The Park University Education Program requires a 3.00 Content and 3.00 Professional Education GPA for all majors.

All students, including both degree seeking Certification, and Certification Only, must apply for admission, and meet admission requirements of the SOE; all students are required to complete professional education sequence classes.

Certification Only

Students who hold a Bachelor's degree in Art, Spanish, English, History, Biology, Chemistry, Earth Science, and are seeking certification to teach at the middle or secondary level in the State of Missouri may be eligible for Certification Only. These students must complete the professional curriculum listed in this catalog - B.S.E. in Middle School Education or B.S.E in Secondary Education. Students must also consult with a School of Education advisor as additional coursework may be required to meet certification standards.

Admission to the School of Education

Students may apply for entry to the Education Program at any point in their work, but an application is usually completed upon earning 60 credit hours. Entry is open to all qualified students. Undergraduate, transfer, and certification only students who are interested in applying to Elementary, Middle School, Secondary, Art, Mild/Moderate Cross Categorical Disabilities, Spanish Education or Early Childhood Teaching Young Children are responsible for applying for admissions before enrolling in Education classes at or above 350. All applicants must be formally admitted to and currently enrolled at Park University and
comply with the admissions requirements. The SOE Faculty approve all admissions to the School of Education.

The application for Admissions to Teacher Education is electronic and is available on the School of Education webpage. The School of Education applicant sends the appropriate forms to the School of Education for processing. The Committee for Selection, Admissions, Retention and Appeals will review the admission application and endorse or deny the admission application.

**Policy on Transfer Courses Numbered Above 350**

Given the commitment to the Conceptual Framework, the School of Education (SOE) faculty believe undergraduate students need to master the Frameworks' goals in the context of its knowledge, skills, and dispositions, which are unique to the SOE's teacher education curricula and not available at other institutions. Therefore, Park University teacher candidates may transfer a limit of six hours of education classes above the 350 level. In addition, all classes that are field experiences or that coincide with the field experiences must be Park University credits. The School of Education faculty has the responsibility to endorse or deny transfer hours.

**Courses Over Ten Years Old**

Education courses taken more than ten years prior to acceptance into the School of Education will not be counted toward certification without prior arrangement with the Education Faculty, which must be done the first semester enrolled at Park University. The student may petition the school to renew and credit a course, but the school has discretion in determining how the course will be updated for renewal. A syllabus and preferably portfolio of work from the course under consideration would permit the school to assess the deficiencies and assign additional work to update the course. Without appropriate supporting documentation (i.e. syllabus, text) the school may require a student to audit the course and do a supporting project. If deficiencies appear to be too great, the school may require the student to retake the course.

**Appeal Process and Procedures on Denial of Admission to School of Education**

The CSARA Committee serves as an appeal body for the School of Education in the implementation of the education unit. The Committee will receive and review any candidate grievance that is within the authority of the School of Education and not addressed through other Park University Policies as written in the catalog (i.e., grade appeal, academic honesty, etc.). While not intended to be an exhaustive list, some examples of School of Education authority include review and decision of candidate admittance to the SOE, policies related to assessment of professional dispositions, requirements for practicum enrollment, and approval of application for directed teaching.

Additional information related to the appeals process may be obtained from the School of Education office. Appeals and grievances on all matters, except Admission to SOE and disposition evaluations, will be subject to Park University policies and procedures as outlined in the catalog.

The following requirements are the minimum application criteria. Meeting these requirements states that the applicant is eligible for admission consideration, but does not guarantee admission.

**Criteria for Admission to the School of Education Programs**

The Park University School of Education has Missouri Certification and Non-Certification Programs. The Missouri Certification programs include Elementary, Middle School, Secondary, and K-12. The Non-certification program is Education Studies, Early Childhood Teaching Young Children.
Admission to Missouri Certification Programs

Missouri Certification Programs

The requirements listed below are the minimum application criteria. Meeting these requirements states that the applicant is eligible for admission consideration, but does not guarantee admission.

- 3.00 Professional Education GPA
- 3.00 Content GPA (when applicable)
- Successful completion of MA 120 or MA 135 or equivalent, EN 105, EN 106
- MoGEA passing scores (passed within 2 years of admission date) or approved ACT Composite Score (taken within 5 years of application for admission to the School of Education). Transfer students with a Bachelor's Degree from an accredited institution are exempt.

Procedure for Request for Admission to the School of Education Missouri Certification Programs

- Application for Admission to the School of Education
- Letter of recommendation from professional outside of the School of Education (submitted electronically or in a sealed/signed envelope)
- Two disposition evaluations completed by SOE faculty with satisfactory ratings
- Self-disposition evaluation
- Missouri Highway Patrol and FBI Fingerprint check

Availability of Courses

All of the education certification programs are designed as Parkville Daytime Campus Center programs. However, we recognize that many working students desire to pursue education coursework, therefore we offer limited courses in an online, 8-week, or evening format. All courses are not available evenings because many require observation and participation in schools, which are only available during the day. Students interested in seeking certification should be aware that at some point they must be available to take day courses. Note that many courses have prerequisites.

Policy on Admission to Directed Teaching

Undergraduate, transfer, and certification only students who are applying for Elementary, Middle School, Secondary, K-12 Mild/Moderate Cross-Categorical Disabilities, Art or Spanish Education field experience are responsible for completing the application process within the required deadlines. All applicants must be formally admitted to and currently enrolled at Park University and comply with the admissions requirements. All applicants must meet the standards required for the directed teaching experience as established by the faculty of the School of Education. The application for Directed Teaching must be presented by the teacher candidate to the Director of Field Experience for processing within the posted deadlines. The Director of Field Experience presents the teacher candidates' applications to the SOE faculty. A candidate whose application for directed teaching is denied may appeal to the Committee for Selection, Admission, Retention, and Appeals (CSARA).

Criteria for Admission to Directed Teaching

School of Education faculty must approve all student teaching requests.
• Completed Application for Directed Teaching
• Updated Missouri Highway Patrol and FBI Fingerprint check
• 3.00 Professional Education GPA
• Missouri Assessment(s) passing score in major
• Good standing in the School of Education (not on probation)

**Appeal Process and Procedures on Denial of Admission to Directed Teaching**

An applicant who has been denied admission to directed teaching may appeal the decision. The appeal must be submitted in writing to the Committee for Selection, Admission, Retention, and Appeals (CSARA) using the appropriate form which is located in the School of Education Student Handbook. If the student disagrees with the Committee decision, he/she may appeal in writing to the Dean of School of Education and Health Professions whose decision is final. Additional information related to the appeals process may be obtained from the School of Education office.

All requirements (i.e., admission, within program, and exit) are subject to change as per the Missouri Department of Elementary and Secondary Education.

**Admission to B.S.E. Early Childhood Education Non-certification Program**

**Criteria for Admission to the School of Education**  
**Early Childhood Education Teaching Young Children**

The requirements listed below are the minimum application criteria. Meeting these requirements states that the applicant is eligible for admission consideration, but does not guarantee admission.

• Cumulative 2.50 GPA including transfer courses
• 2.75 GPA in core courses
• Successful completion of EDC 220, EDC 222, MA 120 or MA 135 or equivalent, EN 105 and EN 106

**Procedure to Request to Admission to the School of Education**

Candidates must work with the appropriate School of Education FACULTY advisor when applying to the School of Education to ensure all materials are in place. Candidates must begin the application process no less than 2 semesters (4 terms) prior to requiring Education coursework listed as 350 or higher.

• Application for Admission to the School of Education submitted electronically.
• Two disposition evaluations completed by SOE faculty with each disposition rated "target" or "acceptable." Students will make the request of the faculty to complete the online assessment.
• Self-disposition evaluation to be completed online
• Letter of recommendation from a professional outside of the School of Education
• Official fingerprint/background check: A criminal background/fingerprint check must be completed. Any additional state background from state or field experience.

**Availability of Courses**

Although the coursework can be completed online, 95 percent of the education courses require interaction and/or observation with young children, educators and the community. Practicum courses and internships are "hybrids." Seminars are online but the coursework takes place in the field with young children, educators
and the community. Diversity of experiences is necessary for a well-rounded educator. As a result, some observations may be pre-approved at the student’s place of employment, while others will occur outside the student’s place of employment.

4+1 Undergraduate to M.E.

The 4+1 Master of Education Program allows undergraduate students in Bachelor of Science in Education with at least 60 undergraduate credit hours and a cumulative grade point average of 3.0 on a 4.0 scale to take graduate coursework in the Master of Education, Teacher Leadership, Curriculum and Instruction Concentration, M.E. program, which will not only count towards fulfilling their undergraduate degree requirements, but will also count toward the completion of the Master of Education program. Qualified students may take up to 12 credit hours (4 courses) from the Master of Education curriculum, which will reduce the time necessary to complete the graduate degree from two years to as little as one year following the completion of the undergraduate degree (see table below).

The admission criteria for participation in the 4+1 Undergraduate to Master of Education program are as follows:

- Students must have completed 60 undergraduate credit hours toward their baccalaureate degree.
- Students must maintain a cumulative undergraduate GPA of 3.0 on a 4.0 scale while taking Master of Education courses.

Psychology and Sociology

Social Psychology, A.S.

Requirements For: A.S. Major – 27 hours, 2.0 gpa

- PS101 - Introduction to Psychology Credits: 3
- SO141 - Introduction to Sociology Credits: 3
- SO206 - Social Issues in Contemporary Society Credits: 3
- PS301 - Social Psychology Credits: 3
- SO338 - Self and Society Credits: 3

Electives: 12 cr.

- students may choose 12 credit hours from Psychology and/or Sociology

Liberal Education Requirements 24 cr.

Writing Seminar 6 cr.

- EN105 - First Year Writing Seminar I: Critical Reading, Writing and Thinking Across Contexts Credits: 3
- EN106 - First Year Writing Seminar II: Academic Research and Writing Credits: 3

Math Requirement 3 cr.

Choose one of the following:

- MA120 - Basic Concepts of Statistics Credits: 3
- MA125 - Intermediate Algebra Credits: 3
- or higher excluding MA208

Humanities Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Natural Science Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Biology, Chemistry, Computer Science, Fitness and Wellness, Information Systems, Physical Geography, Geology, Math, Natural Science, Physics, Surveying.

Natural Science/Social Science/Humanities 3 cr.
Complete an addition 3 hours of humanities, natural science, or social science in the following disciplines: Those listed under natural science or humanities or Accounting, Anthropology, Criminal Justice, Construction, Economics, Education, Engineering, Finance, Human Geography, Health Care, History, Human Resources, Logistics, Management, Marketing, Political Science, Psychology, Sociology, Social Studies, Social Work.

**Graduation Requirements**

Park University confers the Associates of Arts and Associate of Science degrees at selected locations when a candidate has satisfied the following conditions:

- LE100 First-Year Seminar (required for all incoming first-time freshmen and highly encouraged for transfer students)
- Presentation of a minimum of sixty (60) earned credit hours.
- Cumulative GPA of 2.0 for Park University courses. (Some majors may require a higher cumulative GPA.)
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of 15 earned (A, B, C, D) Park University credit hours in residence. At least nine of these credits must be in the major.
- Submission of an Application of Graduation.

**Psychology, B.A.**

**Requirements For: B.A. Major – 39 hours, 2.0 GPA**

Psychology is both a science and an applied profession. Psychology is a broad discipline that deals with behavior and mental process. Career opportunities work in counseling, personal, business, industry, research and development, advertising, college teaching, medical settings, basic research, criminal justice, and government. For those students interested in becoming licensed psychologists or professional researchers, the major is designed to prepare them for possible graduate training.

**Psychology Core 24 cr.**

- PS101 - Introduction to Psychology **Credits:** 3
- PS300 - Research Methods **Credits:** 3
- PS307 - Statistics for Social Sciences **Credits:** 3 or
  - SO307 - Statistics for Social Sciences **Credits:** 3
- PS315 - Theories of Personality **Credits:** 3
- PS404 - History and Systems of Psychology **Credits:** 3
- PS406 - Experimental Psychology **Credits:** 3 *
- PS497 - Capstone Seminar **Credits:** 3 *

Select one of the following:
- PS388 - Learning and Motivation **Credits:** 3
- PS408 - Cognitive Psychology **Credits:** 3
- PS423 - Physiological Psychology **Credits:** 3

**At least five of the following electives:**

- PS125 - Lifespan Development **Credits:** 3
- PS205 - Child Psychology **Credits:** 3
- PS206 - Introduction to Guidance and Counseling **Credits:** 3

- PS220 - Ethical Issues in Social Sciences **Credits:** 3
  or
- SO220 - Ethical Issues in Social Sciences **Credits:** 3

- PS221 - Adolescent Psychology **Credits:** 3
- PS222 - Adult Development and Aging **Credits:** 3
- PS301 - Social Psychology **Credits:** 3
- PS302 - Tests and Measurements **Credits:** 3
- PS303 - Career Counseling and Development **Credits:** 3
- PS309 - Human Sexuality **Credits:** 3
- PS325 - Disaster Psychology **Credits:** 3
- PS341 - Positive Psychology **Credits:** 3
- PS358 - Applied Behavior Analysis **Credits:** 3
- PS361 - Cross-Cultural Psychology **Credits:** 3
- PS363 - Psychology of Sport **Credits:** 3
- PS381 - Psychology of Gender **Credits:** 3
- PS390 - Selected Topics in Psychology **Credits:** 1-3
- PS401 - Abnormal Psychology **Credits:** 3
- PS402 - Systems of Psychotherapy **Credits:** 3
- PS405 - Independent Study in Psychology **Credits:** 1-6
- PS407 - Field Placement in Psychology **Credits:** 1-6
- PS410 - Social Influence and Persuasion **Credits:** 3
- PS424 - Industrial and Organizational Psychology **Credits:** 3

**Note:**

* Program-specified substitution for EN306 * writing requirement.

* Only offered online

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**
Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.*
Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 CR.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Requirements 36 cr.

36 hours of upper division (300 - 400 level) course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.
Elementary Level 8 cr.
FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent
Or

Secondary Level 7 cr.
FR104 and FR201; GE104 and GE201; SP104 and SP201 or transfer equivalent
Or

Intermediate Level 3 cr.
FR201 or GE201 or SP201 or transfer equivalent

Additional Requirements
Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor is required (some may be discipline specific as noted in the major).
- Satisfaction of all requirements for a major.
- Completion of the Liberal Education requirements.
- Completion of the degree specific requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Sociology, B.A.

Requirements For: B.A. Major – 39 hours, 2.0 gpa

Sociology is the study of people in groups, their interactions, identities, and the societies, institutions, and cultures they create. As a social science, it combines the scientific and humanistic perspectives to study the full range of human experience and helps us understand pressing social issues and connect them to individual human concerns. It is a valuable liberal arts major that prepares students for a variety of careers in business, government, human and social services, and social research and data analysis. It teaches students to collect, analyze, interpret, and apply valid and reliable data and explanations to personal decisions and to public and organizational policies.

Sociology Core 18 cr.

- SO141 - Introduction to Sociology Credits: 3
• SO206 - Social Issues in Contemporary Society **Credits: 3**
• SO310 - Sociological Research Methods **Credits: 3** *

• SO307 - Statistics for Social Sciences **Credits: 3**
or
• PS307 - Statistics for Social Sciences **Credits: 3**

• SO338 - Self and Society **Credits: 3**
• SO403 - Social Theory **Credits: 3**

**Note:**

*Program specified substitution for EN306* writing requirement.

**Professional Seminars 3 cr.**

• SO497 - Capstone Seminar **Credits: 3** ♦

**Electives 18 cr.**

• Choose any six courses from sociology with a minimum of three courses (9 cr.) at the 300-400 levels **Credits: 18**

**Note:**

♦ Only offered online

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107 and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206
Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements
Student Seminar 3 CR.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Requirements 36 cr.

36 hours of upper division (300 - 400 level) course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

Secondary Level 7 cr.

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

Intermediate Level 3 cr.
FR201 or GE201 or SP201 or transfer equivalent

**Additional Requirements**

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor is required (some may be discipline specific as noted in the major).
- Satisfaction of all requirements for a major.
- Completion of the Liberal Education requirements.
- Completion of the degree specific requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Social Psychology, B.S.**

**Requirements For: B.S. Major – 45 hours, 2.0 gpa**

Social Psychology blends the strengths of psychology and sociology. It studies the “person in the situation,” and integrates knowledge about individual, group, and organizational processes. It is an adaptable major that trains students for a wide range of career options, and it is personally useful in every facet of your life beyond mere employment. Social psychology trains you to see yourself, others, and the cultures and societies we live in more clearly, critically, and completely. It equips you with a set of tools useful for a wide range of careers in business and industry, government, applied social research, data analysis and interpretation, policy and program implementation, the helping and service professions, or continued graduate study in psychology or sociology.

The Park University Social Psychology major combines a solid core in the field with a number of flexible, specialized concentrations that allow you to tailor the degree to your needs and interests. Students may take any 12 hours of PS and SO electives. All students also leave the major with a set of technical and conceptual tools that will allow them to collect, analyze, and interpret social research data and apply those findings in a number of careers.

**Core Requirements 33 cr.**

**Theory and Application 21 cr.**

- PS101 - Introduction to Psychology **Credits:** 3
- PS301 - Social Psychology **Credits:** 3
- PS315 - Theories of Personality **Credits:** 3
- SO141 - Introduction to Sociology **Credits:** 3
- SO206 - Social Issues in Contemporary Society **Credits:** 3
- SO338 - Self and Society **Credits:** 3
Select one of the following 3 cr.

- PS125 - Lifespan Development Credits: 3
- PS205 - Child Psychology Credits: 3
- PS221 - Adolescent Psychology Credits: 3
- PS222 - Adult Development and Aging Credits: 3
- SO329 - Sociology of the Life Course Credits: 3
- SO330 - Sociology of Youth and Youth Cultures Credits: 3

Research Methods and Statistics 9 cr.

- PS300 - Research Methods Credits: 3
- SO310 - Sociological Research Methods Credits: 3 *

- PS307 - Statistics for Social Sciences Credits: 3
  or
- SO307 - Statistics for Social Sciences Credits: 3

Professional Seminars 3 cr.

- PS497 - Capstone Seminar Credits: 3 *
  or
- SO497 - Capstone Seminar Credits: 3 *

Electives 12 cr.

Select four courses from Sociology or Psychology.

- At least 6 credits need to come from 300-400 level

Note:

*Program specified substitution for EN306* writing requirement.

* Only offered online

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208
Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH137L and CH137, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI124, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that houses the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
• Completion of degree specific requirements.
• Completion of Liberal Education requirements.
• Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
• Submission of an Application for Graduation.

**Diversity and Social Justice, Certificate**

**Requirements for Certificate - 12 Hours, 2.5 GPA**

• SO206 - Social Issues in Contemporary Society *Credits: 3*

**Electives 9 cr.**

Select one course from each topic area.

**Global Perspectives**

Select one of the following:

• EN355 - International Literature *Credits: 3*
• GGH110 - Cultural Geography *Credits: 3*
• GGP120 - Global Sustainability *Credits: 3*
• PC315 - Global Peace Issues *Credits: 3*
• PO338 - Politics of the Developing World *Credits: 3*
• PO344 - War and Terrorism *Credits: 3*
• RE109 - World Religions *Credits: 3*
• SP320 - U.S. Latino Cultures and Literatures *Credits: 3*

**Public and Community Engagement**

Select one of the following:

• CA235 - Multicultural Communication *Credits: 3*
• CJ345 - Criminal Justice and the Community *Credits: 3*
• EDU310 - Issues in Diversity and World Cultures *Credits: 3*
• LE300O - Peace Journalism *Credits: 3*
• LE300AA - Strategic Peacebuilding *Credits: 3*
• PA380 - Public Service Values *Credits: 3*
• PA404 - Capitalism and Societal Issues *Credits: 3*
• PH221 - Ethics and Society *Credits: 3*
• SW325 - Human Diversity and Social Justice *Credits: 3*

**Examining Inequalities**

Select one of the following:

• EN356 - Women's Literature *Credits: 3*
• EN221 - African-American Literature Credits: 3
• HIS260 - The Civil Rights Era Credits: 3
• LE300V - The 1960s: Years of Hope and Rage Credits: 3
• PS309 - Human Sexuality Credits: 3
• PS381 - Psychology of Gender Credits: 3
• SO342 - Race and Ethnicity Credits: 3
• SO313 - Class, Status, Power Credits: 3
• SO333 - Gendered Society Credits: 3

Graduation Requirements

Park University confers Undergraduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 50% of the coursework completed at Park
- Earn a minimum cumulative GPA of 2.0* (for courses in the certificate)
- Meet all requirements of the specific program as outlined in this catalog
- Submission of an Application of Graduation

*Individual departments may establish additional (or higher) requirements (refer to the Programs by Degree Type section of the catalog for program-specific requirements).

Industrial Organizational Psychology, Certificate

Requirements For: Certificate – 15 hours, 2.5 gpa

• PS300 - Research Methods Credits: 3
  or
• SO310 - Sociological Research Methods Credits: 3

• PS302 - Tests and Measurements Credits: 3

• PS307 - Statistics for Social Sciences Credits: 3
  or
• SO307 - Statistics for Social Sciences Credits: 3

• PS424 - Industrial and Organizational Psychology Credits: 3

Electives 3 cr.

• PS406 - Experimental Psychology Credits: 3

Graduation Requirements

Park University confers Undergraduate Certificates at selected locations when a candidate has satisfied the following conditions:

- Completion of residency requirement, at least 50% of the coursework completed at Park
- Earn a minimum cumulative GPA of 2.0* (for courses in the certificate)
• Meet all requirements of the specific program as outlined in this catalog
• Submission of an Application of Graduation
*Individual departments may establish additional (or higher) requirements (refer to the Programs by Degree Type section of the catalog for program-specific requirements).

**Psychology, Minor**

**Requirements For: Minor – 18 hours, 2.0 gpa**

- PS101 - Introduction to Psychology **Credits:** 3
- PS301 - Social Psychology **Credits:** 3
- PS315 - Theories of Personality **Credits:** 3
- PS341 - Positive Psychology **Credits:** 3

**Electives 6 cr.**

6 cr. of Psychology (PS) courses

**Social Psychology, Minor**

Social Psychology, Minor Locations

**Requirements For: Minor – 18 hours, 2.0 gpa**

*Only for non-psychology and non-sociology majors.*

**Core 9 cr.**

- SO141 - Introduction to Sociology **Credits:** 3
- PS101 - Introduction to Psychology **Credits:** 3
- PS301 - Social Psychology **Credits:** 3

**Electives: Any Psychology or Sociology courses. 9 cr.**

- 9 cr. of Psychology (PS) or Sociology (SO) courses. At least 6 cr. must be at the 300-400 level

**Sociology, Minor**

**Requirements For: Minor – 18 hours, 2.0 gpa**

18 hours which must include SO 141, SO 206 and at least two courses at the 300-400 levels (6 cr).

- SO141 - Introduction to Sociology **Credits:** 3
- SO206 - Social Issues in Contemporary Society **Credits:** 3
**Master of Arts, Industrial-Organizational Psychology, M.A.**

**What is Industrial-Organizational (I-O) Psychology?**

I-O psychologists use science and statistics to solve workplace and organizational issues to help workers thrive. They help organizations by thoroughly analyzing job tasks, selecting the best employees, training employees, objectively rating employee performance, determining what factors retain good employees, discovering what stressors make jobs difficult, and through finding and developing great managers and leaders. In addition, I-O psychologists explore how compensation affects performance, how to make workplaces safer, and by analyzing what can help an organization grow, change, and adapt.

**What is special about Park's MA in I-O Program?**

Park University's MA in I-O program will specifically focus on creating I-O leaders who focus on social justice in the workplace. Coursework will address equity, diversity, and inclusion as it pertains to all people and all aspects of the workplace.

**Requirements For: Master - 33 Hours, 3.0 GPA**

- PS523 - Introduction to Social Justice **Credits:** 3
- PS527 - Applied Research Methods **Credits:** 3
- PS567 - Critical Analysis I **Credits:** 3
- PS570 - Critical Analysis II **Credits:** 3
- PS602 - Organizational Leadership **Credits:** 3
- PS609 - Personnel Psychology **Credits:** 3
- PS616 - Organizational Dynamics and Ethics **Credits:** 3
- PS622 - Training and Performance **Credits:** 3
- PS626 - Individual Assessment **Credits:** 3
- PS670 - Organizational Attitudes and Behavior **Credits:** 3
- PS699 - Internship **Credits:** 3-6

**Graduation Requirements**

Park University grants the Master of Arts upon completion of the following requirements:

- Completion of a minimum of 33 semester hours.
- Successful completion of Comprehensive Exam.
- Cumulative GPA of 3.0 for Park University courses.
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of all earned credit with no more than 2 grades of C earned.
- Submission of an Application for Graduation.

**Nursing**

**Nursing (Pre-Licensure), B.S.N.**
The Bachelor of Science in Nursing combines the "art and science" of nursing with a foundation in the liberal arts to prepare graduates who will assume the scope of practice expected of the professional nurse. The theoretical, laboratory, and clinical patient care experiences support learning and exposure to the profession. The Nursing pre-licensure program is designed for the non-nurse or Licensed Practical Nurse who desires a baccalaureate degree in nursing. Preparing students for the future of nursing practice, the program requires students to participate in face-to-face course formats with extensive online resources. All laboratory, patient care, and face-to-face course work is only offered at the Parkville, MO campus. Acceptance to the program is competitive.

Initial approval by the Missouri State Board of Nursing and has been awarded for the Baccalaureate Degree in Nursing (pre-licensure) program at Park University. The baccalaureate degree program in nursing at Park University is accredited by the Commission on Collegiate Nursing Education, 655 K Street, NW, Suite 750, Washington, DC 20001, 202-887-6791.

Procedure to request admission to the BSN Pre-Licensure Major (all applicants)

The Department accepts two cohorts for the BSN major annually-fall and spring. Cohorts will be selected for the fall semester by the end of June and the spring semester in early December. To be considered for acceptance all requirements must be fully met.

- If not a current Park University student, the applicant must apply for admission to Park University.
- Applicants for the nursing program are accepted through NursingCAS. Deadlines will be published on the Park University website and/or NursingCAS. In order to be considered for the nursing program, all official transcripts must be sent to NursingCAS, the application must be complete, and the fee charged by NursingCAS must be paid.
- GPA of 3.0 in foundational science and math courses (CH105, BI210, BI211, BI212, BI223, NS220, MA135, FW175 and CH204). BI210 may be waived if BI211 is completed. Courses in progress during the semester of application will be evaluated upon completion of the course to confirm GPA.
- ATI Admissions score must meet minimum admission requirements. Admission Test scores will be valid for one year from testing date. Students may repeat the test to improve their scores. Each attempt requires the student to pay the testing fee.
- Will need to provide a short written essay for admission.
- For students with an active LPN license, that license must be current and have no state board restrictions.

Prior learning credit for Practical Nurses

Since 1987 Park University has provided Licensed Practical Nurses with the opportunity to apply for credit linked to their Practical Nursing education. Practical Nurses may be eligible for Validated Learning Equivalency (VLE) credit (up to 6 credit hours) toward the BSN pre-licensure program requirements. To be eligible for VLE credit students must meet all of the following requirements.

1. Submit evidence of current undisciplined/unrestricted license as an LPN upon application to Park University. New graduate Practical Nurses must complete the NLCEX-PN and have been issued a license. Any evidence of discipline against the LPN license will be reviewed by the department for approval prior to acceptance to the BSN major. Restrictions to practice by a Board of Nursing make the student ineligible for the BSN major.
2. Submit official transcripts from PN School and all college level course work through NursingCAS.
3. Students who choose to apply for VLE credit are reminded they will be held accountable for having a working knowledge of all content associated with the courses VLE credit may be awarded for the following course work:
• CH204 Nutrition for the Health Sciences  **Credits:** 3
• PS125 Lifespan Development  **Credits:** 3

**Total 6 cr.**

4. Complete the Procedure to request admission to the BSN major through NursingCAS and as stated above (apply to Park University if not already a student).

**Cohort Selection Priorities**

Each cohort is selected based on the admissions criteria. Priority is given to Admissions Test scores, GPA in the Math and Sciences and completion of all requirements. Incomplete submission (including, but not limited to, nonpayment to NursingCAS or not applying to Park University) of required information removes the candidate from consideration. It is the student’s obligation to assure all requirements are met.

**Progression and Graduation Requirements**

- All NUR designated courses require a testing (unit exams, standardized exams, and final exams) average of 78% to pass the course.
- All NUR designated courses require a 78% average in the clinical component of the course, if present, to pass the course.
- Students who earn less than the minimum requirements in any nursing-designated course will fail that course.
- Students who earn less than the minimum requirements in more than one class will be removed from the program.
- A nursing GPA of 2.8 is required for graduation.
- Pursuant to Section 335.066, RSMo, of the Missouri Nursing Practice Act (http://revisor.mo.gov/main/OneSection.aspx?section=335.066), completion of the Pre-licensure BSN program does not guarantee eligibility to take the licensure examination.

*All requirements (i.e., admission, within program and exit) are subject to change as per the Missouri State Board of Nursing and Commission on Collegiate Nursing Education (CCNE).*

**PRE-NURSING COURSE REQUIREMENTS**

**Math and Science Requirement 28-29 CR**

Must obtain a 3.0 average GPA in all of these courses. Only one Chemistry course with lab is required. BI210 can be waived if BI211 is complete.

- BI210 - The Human Body  **Credits:** 3
- BI211 - Human Anatomy and Physiology I  **Credits:** 4
- BI212 - Human Anatomy and Physiology II  **Credits:** 4
- BI223 - Clinical Microbiology  **Credits:** 4
- MA135 - College Algebra  **Credits:** 3
- FW175 - Medical Terminology  **Credits:** 3

- CH105 - Introductory Chemistry  **Credits:** 5
  or
- CH107 - General Chemistry I  **Credits:** 3
• and CH107L - General Chemistry Laboratory I Credits: 1
• CH204 - Nutrition for the Health Sciences Credits: 3
• MA120 - Basic Concepts of Statistics Credits: 3
  OR
• NS220 - Applied Statistics and Experimental Design Credits: 3

Ethics Requirement 3 CR

See the Liberal Education section below for courses that fulfill the Ethics requirement.

Nursing majors may take CS300 or EDU310 to fulfill both the Ethics requirement and the Writing Intensive (outside of the major) requirement.

Humanities Requirement 6 CR

See the Liberal Education section below for courses that fulfill Humanities.

Nursing majors may take EN201, EN221, EN232, or EN234 to fulfill both a Humanities requirement and the Writing Intensive (outside of the major) requirement.

Social Science Requirements 6 CR

• PS101 - Introduction to Psychology Credits: 3
• PS125 - Lifespan Development Credits: 3

Total 43-44 cr

Note Regarding Admission and Graduation Requirements

The Liberal Education/Graduation requirements below must also be completed prior to Admission to the Nursing major:

• LE100 (freshman only)
• Writing Seminar (EN105 and EN106)
• Communication
• Citizenship
• Writing Intensive course (outside the major)

The following requirements may be completed after admission to the Nursing major:

• LE300* Integrative and Interdisciplinary Learning Capstone
• EN306* Professional Writing in the Disciplines

For more information about these requirements, see the Liberal Education and Graduation requirements sections below.

NURSING MAJOR CORE COURSES
Junior - First Semester
• NUR280 - Introduction to Professional Nursing Credits: 2
• NUR320 - Concepts of Nursing Fundamentals Credits: 6
• NUR338 - Health and Physical Assessment Credits: 4
• NUR352 - Pathophysiology for Nurses Credits: 3

Junior - Second Semester
• NUR331 - Clinical Applications of Pharmacology I Credits: 2
• NUR335 - Adult Health I Credits: 7
• NUR356 - Mental Health Nursing Credits: 4
• NUR357 - Gerontology Credits: 2

Senior - First Semester
• NUR410 - Community Health Credits: 4
• NUR431 - Clinical Applications of Pharmacology II Credits: 2
• NUR435 - Adult Health II Credits: 7
• NUR450 - Evidence-Based Practice Credits: 3

Senior - Second Semester
• NUR419 - Women, Children, and Families Credits: 6
• NUR460 - Nursing Leadership Credits: 3
• NUR475 - Clinical Immersion Credits: 3
• NUR480 - Prep to Professional Nursing Credits: 2

Total 60 cr.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.
EN105 and EN106

Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 CR.
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406 or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Upper Division Requirements 36 cr.

36 hours of upper division (300-400 level) college nursing course work

Additional Requirements

Park University grants the Bachelor of Science in Nursing upon completion of the following requirements:

- Completion of a minimum of 124 semester hours with a cumulative 2.8 GPA.
- Satisfaction of major requirements.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Application to the BSN Program is required.
- Submission of an Application for Graduation.

Social Work

Social Work, B.S.W.

The Bachelor of Social Work (BSW) prepares students for beginning professional social work practice across a wide variety of social service settings. As generalist social work practitioners, graduates will be prepared to work collaboratively from a strengths based approach with diverse populations. Ecosystems Theory, Strengths Perspective, Multicultural Competence and Social, Economic & Environmental Justice within a
global perspective, all serve as overarching conceptual frameworks across the curriculum. All aspects of student learning (curricular and professional) are integrated with the senior year field education practicum experience. Note: The BSW Program at Park University was granted full re-affirmation of accreditation by the Council on Social Work Education (CSWE) in Spring 2019. The BSW Program is accredited through Spring 2025.

**BSW Program Application Criteria & Admission Guidelines**

Students must complete all Liberal Education (LE) and BSW Program prerequisites prior to the senior year of the BSW Program. Application and admission to the professional undergraduate BSW Program is a separate process from application and admission to Park University. Declaring Social Work as a Major does not guarantee admission into the Program. Procedures 1-3 below must be completed before a student is eligible to apply to the BSW Program. Procedures 4 and 5 provide brief guidelines of the application submission and review process.

1. **DECLARATION OF MAJOR (DOM) in Social Work (SW)**
   Applicants must be admitted to Park University and have submitted a DOM in SW. A Minor is not required. Once a SW Major is declared, Park assigns the student a BSW Faculty Advisor. The student should contact this advisor and schedule an appointment. Please note: a DOM in SW does not mean the student has been admitted or in any way guarantees admission into the Program.

2. **BSW PREREQUISITE**
   Academic Advising with BSW Faculty is a critical component of the BSW Program. During initial advising, students share their educational goals and collaborative planning begins. The SW advisor and student will work together to ensure all required prerequisite courses are completed.

3. **ACADEMIC REQUIREMENTS**
   a. Completion of a minimum of 60 credit hours of undergraduate college coursework; including all 43 credit hours of required LE courses, with LE300* (or equivalent or an earned AA or AS degree).
   b. A cumulative undergraduate Grade Point Average (GPA) of 2.50 or higher on a 4 point scale. Cumulative GPA is a calculation of all undergraduate grades shown on all transcripts; considered during the application review. A 2.50 GPA must be maintained throughout the Program. If GPA falls below 2.50, this may result in dismissal from the Program.
   c. Completion of the following courses (or equivalent), with a grade of C or better: SO141 Introduction to Sociology; PS101 Introduction to Psychology; MA120 Basic Concepts of Statistics; SW205 Introduction to Social Work; SO302 The Study of the Family; PS309 Human Sexuality; EN306B Business Communications; SW325 Human Diversity and Social Justice; SW330 Social Welfare Policy and Programs; and two consecutive Modern Language courses. BSW Application Packet may be submitted one term prior to completing EN306B, SO302, PS309, SW325, SW330 or 2nd modern language; but are not considered for 'Full' admission until all courses are completed.
   d. Integrative seminar for social work minors, requires 40 hours of service learning where students may apply skills learned in the classroom in a structured human service setting, military base, etc. This capstone course must be taken in the last semester before graduation.

4. **APPLICATION SUBMISSION**
   All application materials must be submitted to the Department of Social Work, no later than Fall semester of the student’s Junior year, for admission consideration for the following academic year. Once the application packet is submitted to the SW Office, it becomes the property of the Department and its content will not be returned to the applicant under any circumstances, including reference letters.

5. **APPLICATION REVIEW**
   The Review is conducted by the BSW Admission & Review Committee. In evaluating applicants, Committee reviewers consider the applicant’s: academic performance; GPA; participation and
performance in SW courses; written and verbal communication skills; applicant's commitment to social work and suitability for the profession; work and volunteer experiences; and references. A personal interview may be required. The Committee determines the applicant's admission status as either: Full, Provisional, Probationary, Deferred or Denied. The BSW Program Director shares admission decision with applicant via student's Park email. In accordance with CSWE accreditation standards, the BSW Program does not grant course credit for life experience or previous work experience. However, these experiences are carefully considered during the application review process. Therefore, make sure to clearly note these experiences on your résumé.

Requirements For: B.S.W. Major – 45 hours, 2.5 GPA, Grade of C or better

Core Curriculum 15 cr.

*(SW Major, pre-application to BSW Program)*

- PS309 - Human Sexuality **Credits: 3**
- SO302 - The Study of the Family **Credits: 3**
- SW205 - Introduction to Social Work **Credits: 3**
- SW325 - Human Diversity and Social Justice **Credits: 3**
- SW330 - Social Welfare Policy and Programs **Credits: 3**

Core Curriculum 30 cr.

*(SW Major, post admission to BSW Program)*

- SW400 - Human Behavior in the Social Environment I **Credits: 3**
- SW405 - Human Behavior and Social Environment II **Credits: 3**
- SW406 - Social Work Research **Credits: 3**
- SW407 - Social Work Practice II: Groups **Credits: 3**
- SW409 - Social Work Practice I: Individuals and Families **Credits: 3**
- SW410 - Social Work Practice III: Organizations and Communities **Credits: 3**
- SW420 - Generalist Field Education I **Credits: 3**
- SW430 - Generalist Field Education II **Credits: 3**
- SW492 - Ethical Practice & Professional Behavior in Social Work **Credits: 3**
- SW493 - Multidimensional Assessment in Generalist Practice **Credits: 3**

Notes:

Conditional Admission to the BSW Program (referred to as Pre-Major status). Students who have successfully completed Criteria 1 through 3 may be conditionally admitted to the BSW program and begin taking those social work courses not restricted to social work majors. Full admission to the major is contingent upon completion of Criteria 1 through 5. Students who have met the pre-requisites may apply to the BSW program by the end of fall semester with approval from the student’s social work advisor and, if admitted, may be granted permission to enroll in SW400 - Human Behavior in the Social Environment I (Fall semester prior to senior year) and SW 405 - Human Behavior and Social Environment II (Spring semester prior to senior year).

Liberal Education Requirements 40 CR.
Writing Seminar 6 cr.
EN105 and EN106

Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.
Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 CR.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Requirements 36 cr.**

36 hours of upper division (300-400) level course work

**Writing Across the Curriculum 9 cr.**

3 hours of Professional Writing (EN306* or equivalent from the list below) plus 6 hours of Writing Intensive coursework is required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS 300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.
Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104; GE103 and GE104; SP103 and SP104 or transfer equivalent

Or

Secondary Level 7 cr.

FR104 and FR201; GE104 and GE201; SP104 and SP201; or transfer equivalent

Or

Intermediate Level 3 cr.

FR202 or GE202 or SP202 or transfer equivalent

Additional Requirements

Park University grants the Bachelor of Social Work upon completion of the following requirements:

- Completion of a minimum of 122 semester hours with a cumulative 2.5 GPA (or higher dependent on major).
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Application to BSW Program required.
- Submission of an Application of Graduation.

Social Work, Minor

Requirements For: Social Work Minor – 18 hours, C or better

40 hours of service learning in a human service agency.

- PS309 - Human Sexuality Credits: 3
- SO302 - The Study of the Family Credits: 3
- SW205 - Introduction to Social Work Credits: 3
- SW325 - Human Diversity and Social Justice Credits: 3
- SW330 - Social Welfare Policy and Programs **Credits:** 3
- SW450 - Integrative Seminar for SW Minor **Credits:** 3 (Capstone)

**Note:**

All of the required courses for the Social Work minor must be completed with a grade of C or better prior to enrollment in SW450, which is the capstone course for the SW minor.

**Master of Social Work, Advanced Standing, M.S.W.**

**Master of Social Work**

Park University’s Master of Social Work program is designed to prepare graduates with the knowledge, values and skills needed to deliver effective and efficient advanced social work practice with individuals, families, groups, organizations and communities. The advanced practice concentration is in Behavioral Health. Within this concentration, students are given the opportunity to expand their knowledge and skills in one of three areas of emphasis: gerontological social work, military social work or social work with children and families. The Master of Social Work (MSW) program at Park University earned full initial accreditation at the February, 2016 meetings of the Council on Social Work Education (CSWE) Commission on Accreditation (COA).

**Mission**

The mission of Park’s Master of Social Work program is to prepare graduates for effective and efficient advanced social work practice in behavioral health. Guided by the purpose of the profession, the program promotes social and economic justice, equal access to community resources, equal opportunity and the attainment of individual and community well-being.

**Vision**

The Master of Social Work program will be committed to enhancing the physical, social, psychological and spiritual well-being of all people, particularly those who have experienced oppression, exclusion and discrimination, and who have experienced the impact of poverty upon their health, well-being and sense of fulfillment.

**Purpose of the Program**

Social workers are called upon to intervene and assist large numbers of people while federal and state allocations for social welfare and treatment are being cut or drastically reduced. Therefore, social workers must become ever-more effective and efficient in the development and delivery of interventions. Moreover, they must become even more focused on advocacy efforts designed to promote access to naturally occurring, sustainable resources. Social workers who possess the knowledge and skills to engage, assess, intervene and evaluate comprehensive, individualized interventions will be in demand.

Park University identifies three areas of emphasis in Behavioral Health social work practice. These areas were identified based on current and future projections relative to demand for behavioral health services and treatment:

- Military Social Work: The social/psychological impact of serving in the military on service members and their families is profound.
• Gerontological Social Work: The demographic data illustrates that the demand for effective social work practice with older persons will continue to grow.
• Social Work with Children and Families: There is a growing recognition of the need for effective and efficient behavioral health interventions with children and families.

In summary, the mission of Park’s Master of Social Work program reflects the values of the profession and of the University, and it is developed within the context of current and future demand for effective and efficient social work interventions in behavioral health.

Program Goals

• Establish collaborative partnerships with community agencies that provide students with opportunities to enhance their knowledge, values and skills in behavioral health social work practice, with emphasis on effective and efficient interventions in military social work, gerontological social work or social work with children and families.
• Educate students regarding the principles, philosophy and behavioral health advanced practice applications of the strengths perspective for social work practice to enhance individual and community well-being, social and economic justice, equity and equal opportunity for all people.
• Infuse and model the social work code of ethics and the six core values of the profession as guiding concepts in all aspects behavioral health interventions with individuals, families, groups, organizations and communities, with particular attention to factors that impact the well-being of service members/veterans, children and families, and older persons.
• Graduate advanced social work practitioners that are prepared to assume leadership roles in providing effective and efficient multilevel behavioral health interventions that reflect mastery of the competencies.

Admission Requirements

Regular Study (60 credit hours)

• An undergraduate degree from an acceptable accredited college or university.
• A minimum cumulative grade point average of at least 3.0 is preferred; or a GPA of at least 3.0 for the last 60 credit hours of the baccalaureate program. Note: lower GPA’s will be considered for probationary admission.
• Three professional or academic references who can assess your potential for graduate study in social work.
• A copy of your resume.
• Submit three written narratives (see next page for more information).

Advanced Standing Program (33 credit hours)

• A Bachelor of Social Work degree from a Council on Social Work Education accredited program.
• A minimum cumulative grade point average of at least 3.0 is preferred; or a GPA of at least 3.0 for the last 60 credit hours of the baccalaureate program. Note lower GPA’s will be considered for probationary admission.
• Three professional or academic references who can assess your potential for graduate study in social work. One reference must be from your practicum instructor, field liaison or the director of field education.
• A copy of your resume.
• Submit three written narratives (see next page for more information).

For both above programs, once accepted, all Master of Social Work students will be required to submit to a background check. Note: The GRE is not required.
Application Narratives

Each applicant completes all three narratives, each two to three pages in length utilizing APA format.

- Ethical Critique: Describe an ethical dilemma that you have encountered in your personal or professional life. Using appropriate confidentiality, define the parties involved, the ethical dilemma, the values that informed your decisions and how the dilemma was addressed and/or resolved. Discuss how the experience and outcome affected you, in particular any lessons you learned. The National Association of Social Workers Code of Ethics may be found at: www.socialworkers.org/pubs/code/.

- Personal Statement: What are the significant experiences that influenced your decision to enter social work? What are your short-term (3-5 years) and long-term (10-plus years) goals, and how does a Master in Social Work degree prepare you to meet those goals? How will you meet the demands of graduate academic responsibilities (20-plus hours per week in class and task completion for coursework, and 15 to 24 practicum hours per week)? Do you anticipate any barriers to meet these expectations and how do you plan to address these barriers?

- Professional Statement: What is your concept of social work as a profession? Discuss a current societal concern, including contributing/causal factors, and why this concern warrants public attention and resources from the social work community. What intervention do you believe will successfully address this situation (direct practice, policy change, etc.)? What positive or negative results may occur following this intervention? Discuss your rationale and what role you might be involved in if such an intervention were to be employed.

Learning Outcomes Assessment / Program Assessment

The Master of Social Work program has established practice behaviors for both the foundation and advanced years of the program that measure student attainment of the 9 competencies established by the Council on Social Work Education. Each course delineates learning objectives which correspond with the foundation or advanced year practice behaviors and the CSWE competencies, respectively. The overall attainments of the practice behaviors and competencies are assessed through the following:

- Integrative Seminar Project — Students are expected to integrate all 10 competencies in the planning, development, implementation, evaluation and dissemination of the ISP. This project will relate directly to the chosen emphasis of working with either gerontological, military, or children and family service participants, and will be tied to their field practicum.

- Field Learning Education Plan — This is designed to be both an ongoing guide to the activities and tasks for the student in their practicum experience, as well as an overview of the competencies and the practice behaviors.

- Student Self-Assessment — Students are asked to complete the self-assessment near the end of the spring semester of the advanced year.

Requirements For: Master - 33 Hours, 3.0 GPA

Core Requirement 30 cr.

- SW600 - Bridging Practice, Theory, Policy and Research Credits: 3
- SW610 - Advanced Practice I Credits: 3
- SW615 - Social Work in Behavioral Health Credits: 3
- SW630 - Program Evaluation and Grant Writing Credits: 3
- SW640 - Current Diagnostic Trends: Integrating the DSM-5 with the Strengths' Perspective Credits: 3
- SW650 - Advanced Field Education I Credits: 3
- SW660 - Advanced Practice II Credits: 3
- SW670 - Leadership, Supervision and Entrepreneurial Opportunities in Social Work Credits: 3
- SW680 - Advanced Field Education II Credits: 3
- SW690 - Integrative Seminar Credits: 3

Electives 3 cr.

Select one of the following:

- SW620 - Gerontological Social Work Credits: 3
- SW621 - Military Social Work Credits: 3
- SW622 - Social Work with Children and Families Credits: 3

Graduation Requirements

Park University confers the Master of Business Administration, Master of Social Work and Education Specialist degrees at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 33 semester hours.
- Cumulative GPA of 3.0 for Park University courses.
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of all earned credit with no more than 2 grades of C earned.
- Submission of an Application for Graduation.

Master of Social Work, Regular Study, M.S.W.

Master of Social Work

Park University's Master of Social Work program is designed to prepare graduates with the knowledge, values and skills needed to deliver effective and efficient advanced social work practice with individuals, families, groups, organizations and communities. The advanced practice concentration is in Behavioral Health. Within this concentration, students are given the opportunity to expand their knowledge and skills in one of three areas of emphasis: gerontological social work, military social work or social work with children and families. The Master of Social Work (MSW) program at Park University earned full initial accreditation at the February, 2016 meetings of the Council on Social Work Education (CSWE) Commission on Accreditation (COA).

Mission

The mission of Park’s Master of Social Work program is to prepare graduates for effective and efficient advanced social work practice in behavioral health. Guided by the purpose of the profession, the program promotes social and economic justice, equal access to community resources, equal opportunity and the attainment of individual and community well-being.

Vision
The Master of Social Work program will be committed to enhancing the physical, social, psychological and spiritual well-being of all people, particularly those who have experienced oppression, exclusion and discrimination, and who have experienced the impact of poverty upon their health, well-being and sense of fulfillment.

**Purpose of the Program**

Social workers are called upon to intervene and assist large numbers of people while federal and state allocations for social welfare and treatment are being cut or drastically reduced. Therefore, social workers must become ever-more effective and efficient in the development and delivery of interventions. Moreover, they must become even more focused on advocacy efforts designed to promote access to naturally occurring, sustainable resources. Social workers who possess the knowledge and skills to engage, assess, intervene and evaluate comprehensive, individualized interventions will be in demand.

Park University identifies three areas of emphasis in Behavioral Health social work practice. These areas were identified based on current and future projections relative to demand for behavioral health services and treatment:

- Military Social Work: The social/psychological impact of serving in the military on service members and their families is profound.
- Gerontological Social Work: The demographic data illustrates that the demand for effective social work practice with older persons will continue to grow.
- Social Work with Children and Families: There is a growing recognition of the need for effective and efficient behavioral health interventions with children and families.

In summary, the mission of Park's Master of Social Work program reflects the values of the profession and of the University, and it is developed within the context of current and future demand for effective and efficient social work interventions in behavioral health.

**Program Goals**

- Establish collaborative partnerships with community agencies that provide students with opportunities to enhance their knowledge, values and skills in behavioral health social work practice, with emphasis on effective and efficient interventions in military social work, gerontological social work or social work with children and families.
- Educate students regarding the principles, philosophy and behavioral health advanced practice applications of the strengths perspective for social work practice to enhance individual and community well-being, social and economic justice, equity and equal opportunity for all people.
- Infuse and model the social work code of ethics and the six core values of the profession as guiding concepts in all aspects behavioral health interventions with individuals, families, groups, organizations and communities, with particular attention to factors that impact the well-being of service members/veterans, children and families, and older persons.
- Graduate advanced social work practitioners that are prepared to assume leadership roles in providing effective and efficient multilevel behavioral health interventions that reflect mastery of the competencies.

**Admission Requirements**

**Regular Study (60 credit hours)**

- An undergraduate degree from an acceptable accredited college or university.
- A minimum cumulative grade point average of at least 3.0 is preferred; or a GPA of at least 3.0 for the last 60 credit hours of the baccalaureate program. Note: lower GPA's will be considered for probationary admission.
- Three professional or academic references who can assess your potential for graduate study in social work.
- A copy of your resume.
- Submit three written narratives (see next page for more information).

Advanced Standing Program (33 credit hours)

- A Bachelor of Social Work degree from a Council on Social Work Education accredited program.
- A minimum cumulative grade point average of at least 3.0 is preferred; or a GPA of at least 3.0 for the last 60 credit hours of the baccalaureate program. Note lower GPA's will be considered for probationary admission.
- Three professional or academic references who can assess your potential for graduate study in social work. One reference must be from your practicum instructor, field liaison or the director of field education.
- A copy of your resume.
- Submit three written narratives (see next page for more information).

For both above programs, once accepted, all Master of Social Work students will be required to submit to a background check. Note: The GRE is not required.

Application Narratives

Each applicant completes all three narratives, each two to three pages in length utilizing APA format.

- SW670 - Leadership, Supervision and Entrepreneurial Opportunities in Social Work Credits: 3
- SW680 - Advanced Field Education II Credits: 3
- SW690 - Integrative Seminar Credits: 3

Electives 3 cr.

Select one of the following:

- SW620 - Gerontological Social Work Credits: 3
- SW621 - Military Social Work Credits: 3
- SW622 - Social Work with Children and Families Credits: 3

Graduation Requirements

Park University confers the Master of Business Administration, Master of Social Work and Education Specialist degrees at selected locations when a candidate has satisfied the following conditions:
• Completion of a minimum of 33 semester hours.
• Cumulative GPA of 3.0 for Park University courses.
• Satisfaction of all requirements for a major as outlined in this catalog.
• Completion of all earned credit with no more than 2 grades of C earned.
• Submission of an Application for Graduation.

Sport and Exercise Science

**Sport and Exercise Science, Exercise Physiology Concentration, B.S.**

Sport and Exercise Science, B.S.

The Sport and Exercise Science degree explores both the physiological foundations of human movement and the holistic concepts of wellness. Students will acquire the skills, knowledge, and leadership to assist others to better health and improved sports performance through exercise medicine, physical conditioning, and lifestyle modification. Every student will complete extensive internship and practicum requirements to help hone professional skills in working with clients. This major allows students with diverse career interests to customize their path through the major to meet their professional needs by choosing one of the following concentrations: Exercise Physiology, Fitness Management, Health Promotion or Sports Performance.

**Requirements For: B.S. Major - 74-82 Hours, 2.0 GPA**

**Sport and Exercise Core 53-56 CR.**

- CH105 - Introductory Chemistry **Credits:** 5
  or
- CH107 - General Chemistry I **Credits:** 3
- CH107L - General Chemistry Laboratory I **Credits:** 1

- BI101 - Biological Concepts **Credits:** 4
  or
- BIO221 - Zoology **Credits:** 4

- BI211 - Human Anatomy and Physiology I **Credits:** 4
- FW122 - Human Nutrition **Credits:** 3
- FW190 - Health, Sport, & Exercise Science **Credits:** 3
- FW200 - Resistance Exercise Instruction **Credits:** 3
- FW225 - Kinesiology **Credits:** 3
- FW231 - First Aid/CPR **Credits:** 3
- FW250 - Exercise Physiology **Credits:** 3
- FW250L - Exercise Physiology Laboratory **Credits:** 1
- FW260 - Strength and Conditioning **Credits:** 3
- FW350 - Exercise Testing and Prescription **Credits:** 4
- FW360 - Athletic Injuries **Credits:** 3
- FW375 - Special Populations Exercise **Credits:** 3
- FW400 - Internship in Fitness and Wellness **Credits:** 3-6 *
Concentrations

Exercise Physiology
Fitness Management
Health Promotion
Sports Performance

Exercise Physiology 28-31 CR.

The Exercise Physiology concentration begins with a strong foundation in natural and applied sciences. On that foundation, students build knowledge and skills to prescribe physical activity and exercise for the prevention and management of chronic disease, physical fitness, and well-being. Each student can choose 9-12 credits from a broad list to form a curriculum best suited to their individual career path. Students will gain practical experience by completing an individualized capstone internship of at least 200-hours in the field. Students choosing this track frequently consider careers in cardiac rehabilitation, physical or occupational therapy, athletic training, exercise physiology, or chiropractic care.

- BI212 - Human Anatomy and Physiology II Credits: 4
- FW325 - Motor Skill Development Credits: 3
- FW380 - Applied Health Behavior Credits: 3

- FW300 - Concepts in Strength and Conditioning Credits: 3
  or
- FW310 - Advanced Conditioning Credits: 3

- FW275 - Introduction to Sport Management Credits: 3
  or
- FW320 - Fitness Management Credits: 3

Select four from the following: 12-15 CR.

- CH108 - General Chemistry II Credits: 3
  and
- CH108L - General Chemistry Laboratory II Credits: 1

- FW175 - Medical Terminology Credits: 3
- FW315 - Stress & Wellness: Current Approaches Credits: 3
- MA120 - Basic Concepts of Statistics Credits: 3
- PY155 - Concepts of Physics I Credits: 4
- PY156 - Concepts of Physics II Credits: 4
- PS125 - Lifespan Development Credits: 3
- PS341 - Positive Psychology Credits: 3
- PS363 - Psychology of Sport Credits: 3
- PS401 - Abnormal Psychology Credits: 3
• SO309 - Sociology of Sport Credits: 3

• PS307 - Statistics for Social Sciences Credits: 3
  or
• NS220 - Applied Statistics and Experimental Design Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.
EN105 and EN106

Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:
• 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

• 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Sport and Exercise Science, Fitness Management Concentration, B.S.**

**Sport and Exercise Science, B.S.**

The Sport and Exercise Science degree explores both the physiological foundations of human movement and the holistic concepts of wellness. Students will acquire the skills, knowledge, and leadership to assist others to better health and improved sports performance through exercise medicine, physical conditioning, and lifestyle modification. Every student will complete extensive internship and practicum requirements to help hone professional skills in working with clients. This major allows students with diverse career interests to customize their path through the major to meet their professional needs by choosing one of the following concentrations: Exercise Physiology, Fitness Management, Health Promotion or Sports Performance.

**Requirements For: B.S. Major - 74-82 Hours, 2.0 GPA**

**Sport and Exercise Core 53-56 CR.**

- CH105 - Introductory Chemistry **Credits: 5**
  or
- CH107 - General Chemistry I **Credits: 3**
- CH107L - General Chemistry Laboratory I **Credits: 1**
- BI101 - Biological Concepts **Credits: 4**
• BIO221 - Zoology **Credits:** 4

• BI211 - Human Anatomy and Physiology I **Credits:** 4
• FW122 - Human Nutrition **Credits:** 3
• FW190 - Health, Sport, & Exercise Science **Credits:** 3
• FW200 - Resistance Exercise Instruction **Credits:** 3
• FW225 - Kinesiology **Credits:** 3
• FW231 - First Aid/CPR **Credits:** 3
• FW250 - Exercise Physiology **Credits:** 3
• FW250L - Exercise Physiology Laboratory **Credits:** 1
• FW260 - Strength and Conditioning **Credits:** 3
• FW350 - Exercise Testing and Prescription **Credits:** 4
• FW360 - Athletic Injuries **Credits:** 3
• FW375 - Special Populations Exercise **Credits:** 3
• FW400 - Internship in Fitness and Wellness **Credits:** 3-6 *

*Note: FW400 (3-6 hours) is required in the core. Sport Performance Concentration students are encouraged to complete six (6) hours of internship. It can be completed as a single 6 credit internship or as two separate internships in different semesters.

### Concentrations

Exercise Physiology

Fitness Management

Health Promotion

Sports Performance

### Fitness Management 28 CR.

The Fitness Management concentration prepares students to pursue a career in leadership positions of gyms, health clubs, and fitness centers. Students will acquire the knowledge and skills needed to deliver exercise programs, educate clients on healthy lifestyles, and use business acumen to manage or build a successful business. This program provides a foundation of both the exercise science and fitness knowledge. Courses in business, marketing, and management will ensure students can successfully navigate the ever-changing field of health and fitness. Students will gain practical experience by completing a capstone internship of at least 200-hours in the field.

• AC201 - Principles of Financial Accounting **Credits:** 3

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310
6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Sport and Exercise Science, Health Promotion Concentration, B.S.**

**Sport and Exercise Science, B.S.**

The Sport and Exercise Science degree explores both the physiological foundations of human movement and the holistic concepts of wellness. Students will acquire the skills, knowledge, and leadership to assist others to better health and improved sports performance through exercise medicine, physical conditioning, and lifestyle modification. Every student will complete extensive internship and practicum requirements to help hone professional skills in working with clients. This major allows students with diverse career interests to customize their path through the major to meet their professional needs by choosing one of the following concentrations: Exercise Physiology, Fitness Management, Health Promotion or Sports Performance.

**Requirements For: B.S. Major - 74-82 Hours, 2.0 GPA**

**Sport and Exercise Core 53-56 CR.**

- CH105 - Introductory Chemistry **Credits:** 5
  or
- CH107 - General Chemistry I **Credits:** 3
• CH107L - General Chemistry Laboratory I Credits: 1

• BI101 - Biological Concepts Credits: 4
or
• BIO221 - Zoology Credits: 4

• BI211 - Human Anatomy and Physiology I Credits: 4
• FW122 - Human Nutrition Credits: 3
• FW190 - Health, Sport, & Exercise Science Credits: 3
• FW200 - Resistance Exercise Instruction Credits: 3
• FW225 - Kinesiology Credits: 3
• FW231 - First Aid/CPR Credits: 3
• FW250 - Exercise Physiology Credits: 3
• FW250L - Exercise Physiology Laboratory Credits: 1
• FW260 - Strength and Conditioning Credits: 3
• FW350 - Exercise Testing and Prescription Credits: 4
• FW360 - Athletic Injuries Credits: 3
• FW375 - Special Populations Exercise Credits: 3
• FW400 - Internship in Fitness and Wellness Credits: 3-6 *

*Note: FW400 (3-6 hours) is required in the core. Sport Performance Concentration students are encouraged to complete six (6) hours of internship. It can be completed as a single 6 credit internship or as two separate internships in different semesters.

Concentrations

Exercise Physiology

Fitness Management

Health Promotion

Sports Performance

Health Promotion 28 CR.

The Health Promotion concentration is designed to prepare students to assist clients and communities through both exercise instruction and health coaching. Students will obtain the knowledge and skills needed to assist various populations in a positive lifestyle change. Additionally, students will be able to successfully administer and manage health education programs including needs assessments, planning, advocacy, and exercise instruction. Students will gain practical experience by completing a capstone internship of at least 200-hours in the field.

• BI212 - Human Anatomy and Physiology II Credits: 4
• FW175 - Medical Terminology Credits: 3
• FW315 - Stress & Wellness: Current Approaches Credits: 3
• FW380 - Applied Health Behavior Credits: 3
• HC466 - Planning and Organizing Community Health Services Credits: 3
• HC465 - Basic Issues in Community Based Healthcare Delivery Credits: 3
• HC351 - Organization and Administration of Healthcare Programs Credits: 3
• SO322 - Sociology of Health and Illness Credits: 3
• PS358 - Applied Behavior Analysis Credits: 3
  or
• PS388 - Learning and Motivation Credits: 3

Concentrations

Exercise Physiology

Fitness Management

Health Promotion

Sports Performance

**Sport Performance 31 CR.**

The Sports Performance concentration provides a direct path to certification and entry into the fields of strength and conditioning, coaching, and sports training. This degree path is designed to prepare students to enter the field of athletics at various levels such as high school, college, professional sports, and independent or as independent practitioners. Students will supplement their exercise science education foundation through coursework emphasizing exercise programming, testing, and prescription for athletes. Upon completion of their degree, students will be able to sit for the national recognized certifications such as the NSCA Certified Strength & Conditioning Specialist (CSCS) or the ACSM certified exercise physiologist (EP-C). Students will complete a capstone internship of at least 300-hours in a minimum of two different areas in the field of strength and conditioning.

- BI212 - Human Anatomy and Physiology II Credits: 4  
- FW175 - Medical Terminology Credits: 3  
- FW275 - Introduction to Sport Management Credits: 3  
- FW300 - Concepts in Strength and Conditioning Credits: 3  
- FW310 - Advanced Conditioning Credits: 3  
- FW320 - Fitness Management Credits: 3  
- FW325 - Motor Skill Development Credits: 3  
- PS341 - Positive Psychology Credits: 3  
- PS363 - Psychology of Sport Credits: 3  
- SO309 - Sociology of Sport Credits: 3

California

Barstow Community College Campus Center

Camp Pendleton Campus Center

Victor Valley College Campus Center

Barstow Community College Campus Center
Facilities

- Computer Lab(s)
- This campus utilizes numerous classroom facilities at the campus to facilitate blended courses through what the Park University calls "Pirate Patch." These courses are conducted in-person with either a live or remote instructor who engages face-to-face with the students once a week throughout the term. "Pirate Patch" also utilizes video communication equipment to link the instructor with other students in various classroom locations other than this campus. During "Pirate Patch" sessions, instructors utilize slide shows and other applications to communicate weekly lectures and assignments to the students.

Housing

Park University – Barstow does not provide on or off-campus housing for attending students. All attending students are solely responsible for establishing their housing accommodations while attending Park University - Barstow. Rental cost in the city of Barstow range between $860 - $2140 depending on the size of the dwelling according to the FY 2022 U.S. Department of Housing and Urban Development (HUD). Students can access the Fair Market Rent Documentation System at https://www.huduser.gov/portal/datasets/fmr/fmr/FY2022_code/2022zip_code_calc.odn?zcta=92311&metro_code=METRO40140M40140&year=2022&hypo=hypo

• Project Management, Graduate Certificate

Parkville

Programs Offered

Bachelor of Arts

• Biology, B.A.
• Communication Studies, B.A.
• Criminal Justice Administration, Corrections Concentration, B.A.
• Criminal Justice Administration, Law Enforcement Concentration, B.A.
• Criminal Justice Administration, Security Concentration, B.A.
• English, B.A.
• English and Professional Writing, B.A.
• Fine Art, B.A.
• History, B.A.
• Multimedia Journalism and Public Relations, B.A.
• Organizational Communication, B.A.
• Political Science, B.A.
• Psychology, B.A.
• Sociology, B.A.
• Spanish, B.A.

Bachelor of Music

• Music Performance, Piano or Orchestral Strings, B.M.

Bachelor of Fine Arts

• Fine Art, B.F.A.
• Graphic Design, B.F.A.
• Interior Design, B.F.A.

Bachelor of Science in Education

• Education Studies: Early Childhood Education: Teaching Young Children, B.S.E.
• Elementary Education, B.S.E.
• K-12 Education, Art, B.S.E.
• K-12 Education (Mild/Moderate Cross-Categorical Disabilities), B.S.E.
• K-12 Education, Spanish, B.S.E.
• Middle School Education, Language Arts Concentration, B.S.E.
• Middle School Education, Mathematics Concentration, B.S.E.
• Middle School Education, Science Concentration, B.S.E.
• Middle School Education, Social Science Concentration, B.S.E.
• Secondary Education, Biology Concentration, B.S.E.
• Secondary Education, Chemistry Concentration, B.S.E.
• Secondary Education, Earth Science Concentration, B.S.E.
• Secondary Education, English Concentration, B.S.E.
• Secondary Education, Mathematics Concentration, B.S.E.
• Secondary Education, Social Science Concentration, B.S.E.

Bachelor of Science in Nursing

• Nursing (Pre-Licensure), B.S.N.

Bachelor of Science

• Biology, B.S.
• Chemistry, B.S.
• Cybersecurity, B.S.
• Dual Degrees: Chemistry & Engineering, B.S.
• Dual Degrees: Mathematics & Engineering, B.S.
• Geography, B.S.
• Information and Computer Science, Computer Science Concentration, B.S.
• Information and Computer Science, Information Technology Concentration, B.S.
• Information and Computer Science, Networking and Security Concentration, B.S.
• Information and Computer Science, Software Development Concentration, B.S.
• Information and Computer Science, Web Development Concentration, B.S.
• Information Systems, B.S.
• Interdisciplinary Studies, B.S.
• Mathematics, B.S.
• Military History, B.S.
• Social Psychology, B.S.
• Sport and Exercise Science, Exercise Physiology Concentration, B.S.
• Sport and Exercise Science, Fitness Management Concentration, B.S.
• Sport and Exercise Science, Health Promotion Concentration, B.S.
• Sport and Exercise Science, Sports Performance Concentration, B.S.

Bachelor of Science in Business Administration

• Accounting, B.S.B.A.
• Business Analytics, B.S.B.A.
• Business Economics, B.S.B.A.
• Corporate Financial Management, B.S.B.A.
• Digital Marketing, B.S.B.A.
• Entrepreneurship, B.S.B.A.
• Healthcare, B.S.B.A.
• Human Resources, B.S.B.A.
• International Business, B.S.B.A.
• Logistics, B.S.B.A.
• Management, B.S.B.A.
• Marketing, B.S.B.A.
• Personal Financial Planning, B.S.B.A.
• Professional Sales, B.S.B.A.
• Project Management, B.S.B.A.

**Bachelor of Social Work**

• Social Work, B.S.W.

**Undergraduate Certificate**

• Business Analytics, Certificate
• Computer Networking, Certificate
• Cybersecurity, Certificate
• Diversity and Social Justice, Certificate
• Entrepreneurship, Certificate
• Geographical Information Systems, Certificate
• Industrial Organizational Psychology, Certificate
• Personal Financial Planning, Certificate
• Professional and Technical Writing, Certificate
• Project Management, Certificate
• A Skilled Helper (Adult), Certificate
• A Skilled Helper (Pre-Adult), Certificate
• Terrorism and Homeland Security, Certificate
• Unmanned Aerial System, Certificate

**Minors**

• Accounting, Minor
• Analytics, Minor
• Art History, Minor
• Biology, Minor
• Business Economics, Minor
• Chemistry, Minor
• Citizenship and Service, Minor
• Construction Management, Minor
• Criminal Justice Administration, Minor
• Digital Marketing, Minor
• Economics, Minor
• English, Minor
• Entrepreneurship, Minor
• Finance, Minor
• Fine Art, Minor
• Fitness and Wellness, Minor
• Geographical Information Systems, Minor
• Geography, Minor
• Geoscience, Minor
• Global Studies, Minor
• Global Sustainability, Minor
• Graphic Design, Minor
• Healthcare, Minor
• History, Minor
• Homeland Security, Minor
• Human Resource Management, Minor
• Information and Computer Science, Minor
• International Business, Minor
• Journalism, Minor
• Leadership, Minor
• Legal Studies, Minor
• Logistics, Minor
• Management, Minor
• Marketing, Minor
• Mathematics, Minor
• Military History, Minor
• Military Science, Minor
• Military Studies, Minor
• Multidisciplinary Arts, Minor
• Natural Science, Minor
• Organizational Communication, Minor
• Peace Studies, Minor
• Philosophy, Minor
• Political Science, Minor
• Professional and Technical Writing, Minor
• Project Management, Minor
• Psychology, Minor
• Public Administration, Minor
• Public Relations, Minor
• Social Psychology, Minor
• Social Work, Minor
• Sociology, Minor
• Spanish, Minor
• Statistics, Minor
• Urban and Regional Planning, Minor

**Artist Diploma**

• Music Performance, Graduate Artist Diploma

**Master of Arts**

• Master of Arts, Communication and Leadership, M.A.

**Master of Business Administration**

• Master of Business Administration, Business Analytics, M.B.A.
• Master of Business Administration, Disaster and Emergency Management Concentration, M.B.A.
• Master of Business Administration, Finance Concentration, M.B.A.
• Master of Business Administration, General, M.B.A.
• Master of Business Administration, Human Resource Management Concentration, M.B.A.
• Master of Business Administration, Innovation and Quality Management Concentration, M.B.A.
• Master of Business Administration, Management Accounting Concentration, M.B.A.
• Master of Business Administration, Management Information Systems Concentration, M.B.A.
• Master of Business Administration, Marketing Concentration, M.B.A.
• Master of Business Administration, Project Management Concentration, M.B.A.

Master of Healthcare Administration

• Master of Healthcare Administration, Business Analytics Concentration, M.H.A.
• Master of Healthcare Administration, Disaster and Emergency Management Concentration, M.H.A.
• Master of Healthcare Administration, Finance Concentration, M.H.A.
• Master of Healthcare Administration, General Concentration, M.H.A.
• Master of Healthcare Administration, Human Resource Management Concentration, M.H.A.
• Master of Healthcare Administration, Innovation and Quality Management Concentration, M.H.A.
• Master of Healthcare Administration, Management Accounting Concentration, M.H.A.
• Master of Healthcare Administration, Management Information Systems Concentration, M.H.A.
• Master of Healthcare Administration, Marketing Concentration, M.H.A.
• Master of Healthcare Administration, Nonprofit Management Concentration, M.H.A.
• Master of Healthcare Administration, Project Management Concentration, M.H.A.

Master of Music

• Master of Music in Performance (Applied Emphasis in Piano, Violin, Viola or Cello), M.M.

Master of Science

• Master of Science, Information Systems and Business Analytics, M.S.

Master of Social Work

• Master of Social Work, Advanced Standing, M.S.W.
• Master of Social Work, Regular Study, M.S.W.

4+1 Undergraduate to Graduate

• 4+1 Undergraduate to M.B.A.
• 4+1 Undergraduate to M.E.
• 4+1 Undergraduate to M.H.A.
• 4+1 Undergraduate to M.P.A.
• 4+1 Undergraduate to M.S. ISBA

Graduate Certificate
• Business Analytics, Graduate Certificate
• Criminal Justice Administration, Graduate Certificate
• Finance, Graduate Certificate
• Human Resource Management, Graduate Certificate
• Innovative and Quality Management, Graduate Certificate
• Local Economic Development, Graduate Certificate
• Management Accounting, Graduate Certificate
• Management Information Systems, Graduate Certificate
• Marketing, Graduate Certificate
• Music Performance, Graduate Certificate
• Project Management, Graduate Certificate
• Public Accounting, Graduate Certificate
• Public Policy, Graduate Certificate

Admissions

Admissions Policies and Procedures

Park University seeks students with a desire to pursue academic excellence, who value accountability and integrity, and desire to engage in a global community of learners. No applicant will be denied admission on the basis of race, religion, color, national origin, age, gender, disability, sexual orientation, marital status or veteran’s status.

Readmission of Returning Students and Alumni

An application for admission is required for all students who:
• Change from non-degree seeking to degree seeking
• Defer an admissions application for more than one year (from the original admission term)
• Do not maintain continuous enrollment (See Academic Regulations and Policies)
• Complete a degree program/credential and wish to pursue a subsequent degree program/credential

Undergraduate Admissions

How to Apply

• An application for undergraduate admission (www.park.edu/apply)
• An application fee (per the Tuition and Fees page)
• Submit official transcript(s) from previously attended secondary and/or post-secondary institution(s) to:
Park University
Office of the Registrar
Box 27
8700 NW River Park Drive
Parkville, MO 64152-3795

Park University also accepts electronic transcripts from approved third parties. For e-delivery options contact the previously attend high school/secondary school or post-secondary institution. Applications may be submitted through the final registration date of the desired academic term. International Non-Immigrant Students should apply by April 1 for term(s) beginning in August and October 1 for term(s) beginning in January.

Students applying for admission to Park University must present evidence of high school graduation to complete application to the institution and be reviewed for admission. The official transcript from the accredited public or private secondary institution from which the student graduated is the accepted form of evidence of graduation. One (1) of the following alternatives to the official transcript may be submitted as evidence of high school graduation:

• GED certificate
• A certificate or other official completion document demonstrating the student has passed a state-authorized examination considered equivalent to a high school diploma such as the Test Assessing Secondary Completion (TASC), the High School Equivalency Test (HiSet), or the California High School Proficiency Exam.
• Official transcript(s) from an institution(s) having designated accreditation from which the student has earned a minimum total of 60 credit hours or an associate’s degree
• Home school transcript that demonstrates the student has met minimum criteria to earn a high school diploma as defined by state law
• Additional alternatives for active members or veterans of the United States Armed Forces:
  ▪ Official transcript from the Community College of the Air Force (CCAF)
  ▪ Official Joint Services Transcript (JST)
  ▪ Leave and Earnings Statement indicating year of high school graduation (LES)
  ▪ DD-214

Students will not be eligible for Title IV federal financial aid or access federally funded benefits such as military tuition assistance for payment until one (1) of the acceptable alternatives providing evidence of high school graduation has been submitted. For more information refer to the Financial Aid section of this undergraduate catalog.
*For information and resources about student loan repayment, or to submit a complaint relating to your student loans or student loan servicer, please visit www.wsac.wa.gov/loan-advocacy or contact the Student Loan Advocate at loanadvocate@wsac.wa.gov.

Provisional admission will be granted to students who supply an unofficial copy of the secondary institution transcript or an unofficial copy of one of its alternatives. Students submitting unofficial documents will have eight (8) weeks from the start date of the first term of enrollment to supply Park University with the official document(s). Students will not be able to register in additional coursework after eight (8) weeks from the start date of the first term of enrollment until official documents have been submitted.

Prior to enrolling in coursework for the first time at Park University entering students must complete an English and Math assessment. The assessment measures English and Math skills in order to enroll students in the appropriate level of coursework. For detailed information, refer to the Placement Policy.

Undocumented immigrant students who have completed and are able to provide proof of having a diploma from an accredited high school in the United States, are eligible for admission to Park University, provided they meet the admission requirements stated above.

An applicant can enroll in courses without formal admission to a degree program and in doing so will be classified as Non-Degree Seeking Student. Students without a high school diploma or equivalent cannot enroll in Park classes unless they are part of a cooperative program between Park University and the student’s current institution. A non-degree seeking student is not eligible to receive federal financial aid. A student may enroll in a total of 30 credit hours while classified as non-degree seeking. To enroll in coursework which requires a pre-requisite non-degree seeking students must provide course evidence that prerequisites have been met, otherwise the academic area Program Chair must be consulted to approve course enrollment.

Park University reserves the right to deny admission to any applicant. Students who do not meet the minimum expectations for college readiness as evidenced by academic performance at other educational institutions may be offered provisional admission. Students entering coursework on provisional admission must meet minimum expectations for academic performance in the first academic term in order to continue progress towards a degree and enroll in subsequent terms.

**Graduate Admissions**

Admission to a graduate degree program at Park University is granted by the University. Each academic program may establish, with proper approvals, admission standards higher than the minimum standards established by the University, but no applicant who fails to meet the minimum standards may be admitted for Graduate Studies at Park University. Any exception to this policy must be approved by the dean of the college to which the student has applied, and such exception will be made only under rare circumstances, on the basis of clear evidence that the applicant is capable of successfully completing the program.

To be admitted, each applicant must hold a bachelor's degree from an acceptable accredited United States institution of higher learning or a degree equivalent to a United States bachelor's degree from an accredited foreign institution. Any student wishing to receive transfer credit for coursework undertaken at a foreign institution must request a foreign credit evaluation from a Foreign Credential Evaluation Services company approved by either AICE (Association of International Credential Evaluators, Inc.) or NACES (National Association of Credential Evaluation Services, Inc.). Students must contact the company directly, request a detailed report with course level identification which must also be sent directly to the Office of International Education.

The undergraduate grade point average required for admission is 2.75 on a 4.0 scale. Individual programs may have additional requirements.
Admission may be withdrawn if it was granted on the basis of incorrect information or on the omission of relevant facts, which, if known at the time of the admission, would have resulted in denial. In order to complete the application process, applicants must submit to the Office of Graduate Admissions the following documents, unless otherwise indicated by policy:

- An application for graduate admission (www.park.edu/apply)
- An application fee (per the Tuition and Fees page).
- An official transcript of the bachelor’s degree, sent directly to the Office of Graduate Admissions by the issuing institution. All documents must be sent to:

Park University
Office of Graduate Admissions
Box 104
8700 NW River Park Dr.
Parkville, MO 64152

Types of Graduate Admission

Students will be admitted to a graduate program with one of the following statuses. Contact Graduate Admissions for more information.

1. **Full Admission.** Applicants who meet all admission requirements and the Graduate Admissions office has received all necessary documents, are granted full admission.

2. **Provisional Admission.** Students may be admitted to a program on a provisional basis and their admission status will be classified as "provisional." The provisional status will be removed when applicants submit test scores or other required documents. Students accepted provisionally must submit complete and satisfactory records before completing 12 credit hours in the graduate program.

3. **Probationary Admission.** In certain exceptional cases, a student who does not meet the minimum grade point average requirement, but who presents other evidence of ability to succeed in a graduate program, may be granted provisional admission by the director of the graduate program in which the applicant is applying, in concurrence with the dean of the college or designee. The probationary status may be removed after the student has demonstrated academic ability by maintaining a "B" average for the first six credit hours of graduate courses, with no grade lower than a "B".

4. **Non-Degree-Seeking Students.** Non-degree status is available to those with a bachelor’s degree who wish to enroll in some graduate courses for their professional advancement, but who do not plan to complete a degree or certificate program. Non-degree-seeking students must have minimum 3.0 grade point average on a 4.0 scale in their bachelor's work to be considered for admission. Lower GPA's may be considered on an individual basis by the relevant program director. Applicants who are seeking non-degree status are not required to submit GRE or GMAT test scores. However, if/when they intend to apply these courses to a degree or certificate program, the student must submit a new application and submit the required test scores, if applicable. No more than 12 graduate credits earned in a non-degree status at Park University may be applied to a master’s degree program and no more than six (6) graduate credits earned in a non-degree status at Park University may be applied to a graduate certificate program.

Change of Graduate Programs

Students must have satisfactory graduate standing (3.0 or better grade point average) to be eligible to change from one Park University graduate program to another Park University graduate program. A student may have no grade lower than a "C" and no more than six (6) hours graded "C" in graduate courses taken at Park University at the time of the change. Students must submit a new application and all additional required admissions documents, if applicable, to the new graduate program.
International non-immigrant students studying on an F-1 visa must notify the Office of International Education (IE) within 14 days of making this change by submitting a Notification of Change of Major/Program Form. Failure to notify IE of the program change will result in the loss of lawful F-1 visa status.

If an international non immigrant student on an F-1 visa will not be able to complete their new program by the Program End Date listed on their I-20, they must also request an I-20 Extension from IE. The student must submit the following documentation to IE to request an I-20 Extension:

1. I-20 Extension Request Form
2. Proof of Financial Support
   1. If the funds listed in the Proof of Financial Support are not in the name of the student, an Affidavit of Support from the financial sponsor must accompany the Proof of Financial Support and I-20 Extension Request Form.

4+1 Undergraduate to Graduate Programs

The 4+1 Undergraduate to Graduate Programs allow undergraduate students with at least 60 undergraduate credit hours and a cumulative grade point average of 3.0 are qualified to take graduate course work toward a MBA, MHA, MPA, or ISBA program. 4+1 course work satisfies both undergraduate and graduate degree program requirements. Up to 12 credit hours of graduate course work is permitted in the 4+1 programs.

Sequential Degree Programs

The sequential degree provides the opportunity for graduate alumni of the College of Management at Park University to receive up to 12 credit hours in course substitutions towards the completion of another College of Management graduate degree. Alumni from Park University graduate programs that are not aligned under the College of Management are not eligible to participate in the sequential degree options. They may receive up to 9 hours of transfer credit.

International Nonimmigrant Students

Qualifications for Admission

1. Application must be made online at parku.force.com/ApplicationPortal/ERx_Forms__Portal_Login
2. Submit non-refundable application fee.
3. Submit the following required documents:
   - Official transcript(s) from previously attended secondary and/or post-secondary institution(s)
   - Proof of English Language Proficiency
   - Statement of Finances
   - Affidavit of Support form
   - Colored copy of passport
   - If transferring to Park University from a school within the United States, the applicant must also submit the following:
     - copy of visa
     - I-94
     - I-20/DS-2019
     - Transfer-In Form 10
Mail all required documents to:
Office of International Students
Park University
Campus Box 3
8700 NW River Park Drive
Parkville, MO 64152-3795

The priority deadline to submit international applications for the Parkville Daytime Campus, from outside of the United States is October 1 for the spring semester and April 1 for the fall semester.

International Non-Immigrant Students applying for admission to Park University must present evidence of high school graduation to complete application to the institution and be reviewed for admission. The official transcript from the secondary institution from which the student graduated is the accepted form of evidence of graduation. One (1) of the following alternatives to the official secondary institution transcript may be submitted as evidence of high school graduation:

- Official transcript(s) from a non-United States post-secondary institution(s)
- Official transcript(s) from an acceptable accredited post-secondary United States institution(s) from which the student has earned a minimum total of 24 credit hours

**English Proficiency Requirements**

Evidence of English language proficiency is required for admission to Park University. Applicants are exempt from providing evidence of English proficiency if one (1) of the following criteria apply:

- The applicant is a U.S. citizen from one of the fifty U.S. states or Washington, D.C.
- The applicant has permanent residency in one of the fifty US states or Washington, D.C.

If neither of those criteria applies, the applicant must provide evidence of English proficiency. Students may submit one (1) of the following as evidence of English proficiency:

1. A minimum English test score exceeding one of the following:

<table>
<thead>
<tr>
<th>Minimum Scores</th>
<th>Undergraduate</th>
<th>Graduate</th>
</tr>
</thead>
<tbody>
<tr>
<td>TOEFL IBT/ Paper based</td>

</tr>
</tbody>
</table>

2. Completion of an English as a Second Language program from either ELS (completion of Level 112 English for Academic Purposes Program) or The Language Company (Level 9).
3. Completion of 24 non-ESL credit hours in residence at an acceptable accredited United States institution.
4. Diploma or degree from an acceptable accredited United States institution.
5. Diploma from a post-secondary educational institution where English is the principal language of instruction. In this instance, the applicant must provide evidence of at least three years of full-time enrollment in the diploma granting institution.
6. SAT:
- Prior to March 2016: Minimum composite score of 930 on the SAT (430 in Critical Reading and 440 in Math)
- March 2016 & after: Minimum sub-score of 310 on the SAT Evidence-Based Reading and Writing.

7. ACT: Minimum composite score of 19 on the ACT (18 in Critical Reading and 16 in Math).
8. Proof of at least 3 years of academic coursework from a country/countries in which the official language is English. Please see listing of TOEFL/IELTS exempted countries below.

Students from Quebec and Francophone educational system may be required to submit proof of English language proficiency.

**International Non-Immigrant Students applying for admission to Park University must present evidence of Financial Capacity,** i.e. a bank statement. If you hold, or intend to seek, an F-1 Student visa, you must provide financial documentation that has been issued within the last 6 months, and the funds shown must be in liquid assets (readily accessible). Bank statements may be in the country of origin’s currency, but must be equal to the required U.S. Dollar amount. If a student is sponsored by the Saudi Arabian Cultural Mission (SACM), the SACM Financial Guarantee must be addressed to Park University.

**International Non-Immigrant Students applying for admission to Park University must present an Affidavit of Support.** The Affidavit of Support must verify the financial sponsor’s willingness to pay for tuition, registration fees, books, and living expenses (if applicable) for the duration of the student’s studies in the U.S.

**Insurance for International Students**

Enrollment in the Park University sponsored health insurance is mandatory for all F-1 visa holders and their dependents (F-2 visa holders). Government sponsored students whose sponsoring body provides health insurance coverage are exempted from purchasing sponsored insurance through Park University.

**Undergraduate International Nonimmigrant Students**

Park University has a distinguished group of 292 international students representing 51 countries. The Office of International Students (OIS) serves Park University’s international nonimmigrant student population from pre-admission through post-graduation. Newly arrived international students will attend a Check-In Session with OIS as well as an international student Orientation to provide education on visa regulations, help students acclimate to their new home, and assist with personal concerns such as culture shock. OIS provides ongoing social activities, individualized student advising, and continuous guidance regarding the Department of Homeland Security policies and benefits. The office also provides admission guidance for international nonimmigrant students.

The Office of International Students advises one of the largest student clubs on campus, the World Student Union (WSU). Each month, WSU plans social activities for club members, which may include fundraisers, fun excursions in the city, community service projects. ISS sponsors various forums for students to share their culture — the Culture Hour, The Coming to America Series, International Education Week, Cultural Sharing Event, and more.

Contact Office of International Students:

- In person: Herr House, room 209
- By phone: (816) 584-6820
- By email: international@park.edu

Office Hours:
Monday through Friday
8:30 a.m. to 4:30 p.m. CST

**Graduate International Nonimmigrant Students**

Park University welcomes applications for admission from international non-immigrant students from all countries. As a graduate international non-immigrant student, you may apply for graduate study as a first-
time graduate applicant or as a graduate transfer-in student. You are a transfer student if you have attended a college or university and have earned a bachelor’s degree and are earning credits towards a graduate degree. Most programs at Park University do not require the graduate standard examination such as GMAT.

New international students are required to pay all costs no later than the 'confirmation date' for each term. International students are ineligible for payment plans. All Park University students who fail to pay their tuition and fees prior to the confirmation date will be dropped from all courses for non-payment.

All international non-immigrant applicants must have all required documents, application fee, financial documents, and meet all admission requirements in order for the Office of International Education (IE) to recommend your application for admission into a graduate program. Once a decision is made, Graduate admissions will notify IE office to process the acceptance or denial decision. If you are admitted for graduate study, IE will issue your Form I-20.

Questions regarding Form I-20 and visa issues should be directed to the IE at (816) 584-6820 or international@park.edu. Should you have any questions regarding academic admission requirements, please contact the Office of Graduate Admissions at (816) 559-5625 or gradadmissions@park.edu.

Military/ Veteran Students

Military and Veteran Student Services

The Department of Military and Veteran Student Services increases access to and success in postsecondary education for military, veterans, wounded warriors, and their families by providing a broad range of services, fostering peer connections and coordinating community support, through:

- Advising military, wounded, veteran students, and dependents during walk-in hours, workshops, appointments and via conference calls
- Connecting military, wounded, veteran students, and dependents with college resources, such as academic advising, career and personal counseling, tutoring services, financial aid, and external service organizations, to promote success at Park University
- Assisting with identification of federal and state education benefits eligibility
- Assisting with applying for benefits via workshops, online, printed materials and website
- Providing Park’s Student Veterans Organization with department resources, advisement, and programming

Veterans Benefits (Chapters 31 and 33)

Park University permits any covered individual to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility (COE) for entitlement to educational assistance.

Park University will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrows additional funds, on any covered individual because of the individual’s inability to meet his or her financial obligations to the institution due to the delayed disbursement of funding from the VA under Chapter 31 or 33.
In accordance with Title 38 US Code 3679(e), this educational institution adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post-9/11 G.I. Bill® (Ch.33) or Veteran Readiness & Employment (Ch.31) benefits, while payment to the institution is pending from VA. This educational institution will not:

- Prevent the student’s enrollment;
- Assess a late penalty fee to the student;
- Require the student to secure alternative or additional funding;
- Deny the student access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution.

However, to qualify for this provision, such students may be required to:

- Produce the VA Certification of Eligibility (COE) by the first day of class;
- Provide a written request to be certified;
- Provide additional information needed to properly certify the enrollment as described in other institutional policies

**Military Student Tuition Rates**

Your Admissions Representative or Success Coach will happily work through all available options with you to be sure you get the proper tuition rate. All locations and modalities i.e., online and face-to-face courses have the same tuition rates. Special rates apply to military status and to qualify you’ll need to present one of the following when registering for courses:

- Active Duty service members, Dependents of Active Duty service members, and those currently serving in the National Guard or Army Reserves must present a copy of a current Leave and Earnings Statement or Current Orders of the active service member to qualify.

To find out who your Success Coach is email us at advising@park.edu.

To find your Admissions representative email us at onlineadmissions@park.edu.

Following your registration, your Admissions Representative or Success Coach will confirm your status. Your tuition rate status will also appear on your Student Data Sheet (your bill) labeled and in the amount per the category that fits your status best.

**§ 668.18) Readmission Requirements for Servicemembers**

(a) General. (1) An institution may not deny readmission to a person who is a member of, applies to be a member of, performs, has performed, applies to perform, or has an obligation to perform, service in the uniformed services on the basis of that membership, application for membership, performance of service, application for service, or obligation to perform service.

(2)(i) An institution must promptly readmit to the institution a person described in paragraph (a)(1) of this section with the same academic status as the student had when the student last attended the institution or was last admitted to the institution, but did not begin attendance because of that membership, application for membership, performance of service, application for service, or obligation to perform service.

(ii) "Promptly readmit" means that the institution must readmit the student into the next class or classes in the student’s program beginning after the student provides notice of his or her intent to reenroll, unless the student requests a later date of readmission or unusual circumstances require the institution to admit the student at a later date.

(iii) To readmit a person with the "same academic status" means that the institution admits the student—
(A) To the same program to which he or she was last admitted by the institution or, if that exact program is no longer offered, the program that is most similar to that program, unless the student requests or agrees to admission to a different program;

(B) At the same enrollment status that the student last held at the institution, unless the student requests or agrees to admission at a different enrollment status;

(C) With the same number of credit hours or clock hours completed previously by the student, unless the student is readmitted to a different program to which the completed credit hours or clock hours are not transferable;

(D) With the same academic standing (e.g., with the same satisfactory academic progress status) the student previously had; and

(E)(1) If the student is readmitted to the same program, for the first academic year in which the student returns, assessing—

   (i) The tuition and fee charges that the student was or would have been assessed for the academic year during which the student left the institution; or

   (ii) Up to the amount of tuition and fee charges that other students in the program are assessed for that academic year, if veterans’ education benefits, as defined in section 480(c) of the HEA, or other servicemember education benefits, will pay the amount in excess of the tuition and fee charges assessed for the academic year in which the student left the institution; or

(2) If the student is admitted to a different program, and for subsequent academic years for a student admitted to the same program, assessing no more than the tuition and fee charges that other students in the program are assessed for that academic year.

(iv)(A) If the institution determines that the student is not prepared to resume the program with the same academic status at the point where the student left off, or will not be able to complete the program, the institution must make reasonable efforts at no extra cost to the student to help the student become prepared or to enable the student to complete the program including, but not limited to, providing refresher courses at no extra cost to the student and allowing the student to retake a pretest at no extra cost to the student.

(B) The institution is not required to readmit the student on his or her return if—

(1) After reasonable efforts by the institution, the institution determines that the student is not prepared to resume the program at the point where he or she left off;

(2) After reasonable efforts by the institution, the institution determines that the student is unable to complete the program; or

(3) The institution determines that there are no reasonable efforts the institution can take to prepare the student to resume the program at the point where he or she left off or to enable the student to complete the program.

(C)(1) "Reasonable efforts" means actions that do not place an undue hardship on the institution.

(2) "Undue hardship" means an action requiring significant difficulty or expense when considered in light of the overall financial resources of the institution and the impact otherwise of such action on the operation of the institution.

(D) The institution carries the burden to prove by a preponderance of the evidence that the student is not prepared to resume the program with the same academic status at the point where the student left off, or that the student will not be able to complete the program.
(3) This section applies to an institution that has continued in operation since the student ceased attending or was last admitted to the institution but did not begin attendance, notwithstanding any changes of ownership of the institution since the student ceased attendance.

(4) The requirements of this section supersede any State law (including any local law or ordinance), contract, agreement, policy, plan, practice, or other matter that reduces, limits, or eliminates in any manner any right or benefit provided by this section for the period of enrollment during which the student resumes attendance, and continuing so long as the institution is unable to comply with such requirements through other means.

(b) Service in the uniformed services. For purposes of this section, service in the uniformed services means service, whether voluntary or involuntary, in the Armed Forces, including service by a member of the National Guard or Reserve, on active duty, active duty for training, or full-time National Guard duty under Federal authority, for a period of more than 30 consecutive days under a call or order to active duty of more than 30 consecutive days.

(c) Readmission procedures. (1) Any student whose absence from an institution is necessitated by reason of service in the uniformed services shall be entitled to readmission to the institution if—

(i) Except as provided in paragraph (d) of this section, the student (or an appropriate officer of the Armed Forces or official of the Department of Defense) gives advance oral or written notice of such service to an office designated by the institution, and provides such notice as far in advance as is reasonable under the circumstances;

(ii) The cumulative length of the absence and of all previous absences from that institution by reason of service in the uniformed services, including only the time the student spends actually performing service in the uniformed services, does not exceed five years; and

(iii) Except as provided in paragraph (f) of this section, the student gives oral or written notice of his or her intent to return to an office designated by the institution—

(A) For a student who completes a period of service in the uniformed services, not later than three years after the completion of the period of service; or

(B) For a student who is hospitalized for or convalescing from an illness or injury incurred in or aggravated during the performance of service in the uniformed services, not later than two years after the end of the period that is necessary for recovery from such illness or injury.

(2)(i) An institution must designate one or more offices at the institution that a student may contact to provide notification of service required by paragraph (c)(1)(i) of this section and notification of intent to return required by paragraph (c)(1)(iii) of this section.

(ii) An institution may not require that the notice provided by the student under paragraph (c)(1)(i) or (c)(1)(iii) of this section follow any particular format.

(iii) The notice provided by the student under paragraph (c)(1)(i) of this section—

(A) May not be subject to any rule for timeliness; timeliness must be determined by the facts in any particular case; and

(B) Does not need to indicate whether the student intends to return to the institution.

(iv) For purposes of paragraph (c)(1)(i) of this section, an "appropriate officer" is a commissioned, warrant, or noncommissioned officer authorized to give such notice by the military service concerned.

(d) Exceptions to advance notice. (1) No notice is required under paragraph (c)(1)(i) of this section if the giving of such notice is precluded by military necessity, such as—
(i) A mission, operation, exercise, or requirement that is classified; or

(ii) A pending or ongoing mission, operation, exercise, or requirement that may be compromised or otherwise adversely affected by public knowledge.

(2) Any student (or an appropriate officer of the Armed Forces or official of the Department of Defense) who did not give advance written or oral notice of service to the appropriate official at the institution in accordance with paragraph (c)(1) of this section may meet the notice requirement by submitting, at the time the student seeks readmission, an attestation to the institution that the student performed service in the uniformed services that necessitated the student's absence from the institution.

(e) Cumulative length of absence. For purposes of paragraph (c)(1)(ii) of this section, a student's cumulative length of absence from an institution does not include any service—

(1) That is required, beyond five years, to complete an initial period of obligated service;

(2) During which the student was unable to obtain orders releasing the student from a period of service in the uniformed services before the expiration of the five-year period and such inability was through no fault of the student; or

(3) Performed by a member of the Armed Forces (including the National Guard and Reserves) who is—

(i) Ordered to or retained on active duty under—

(A) 10 U.S.C. 688 (involuntary active duty by a military retiree);

(B) 10 U.S.C. 12301(a) (involuntary active duty in wartime);

(C) 10 U.S.C. 12301(g) (retention on active duty while in captive status);

(D) 10 U.S.C. 12302 (involuntary active duty during a national emergency for up to 24 months);

(E) 10 U.S.C. 12304 (involuntary active duty for an operational mission for up to 270 days);

(F) 10 U.S.C. 12305 (involuntary retention on active duty of a critical person during time of crisis or other specific conditions);

(G) 14 U.S.C. 331 (involuntary active duty by retired Coast Guard officer);

(H) 14 U.S.C. 332 (voluntary active duty by retired Coast Guard officer);

(I) 14 U.S.C. 359 (involuntary active duty by retired Coast Guard enlisted member);

(J) 14 U.S.C. 360 (voluntary active duty by retired Coast Guard enlisted member);

(K) 14 U.S.C. 367 (involuntary retention of Coast Guard enlisted member on active duty); or

(L) 14 U.S.C. 712 (involuntary active duty by Coast Guard Reserve member for natural or man-made disasters);

(ii) Ordered to or retained on active duty (other than for training) under any provision of law because of a war or national emergency declared by the President or the Congress, as determined by the Secretary concerned;

(iii) Ordered to active duty (other than for training) in support, as determined by the Secretary concerned, of an operational mission for which personnel have been ordered to active duty under section 12304 of title 10, United States Code;
(iv) Ordered to active duty in support, as determined by the Secretary concerned, of a critical mission or requirement of the Armed Forces (including the National Guard or Reserve); or

(v) Called into Federal service as a member of the National Guard under chapter 15 of title 10, United States Code, or section 12406 of title 10, United States Code (i.e., called to respond to an invasion, danger of invasion, rebellion, danger of rebellion, insurrection, or the inability of the President with regular forces to execute the laws of the United States).

(f) Notification of intent to reenroll. A student who fails to apply for readmission within the periods described in paragraph (c)(1)(iii) of this section does not automatically forfeit eligibility for readmission to the institution, but is subject to the institution's established leave of absence policy and general practices.

(g) Documentation. (1) A student who submits an application for readmission to an institution under paragraph (c)(1)(iii) of this section shall provide to the institution documentation to establish that—

(i) The student has not exceeded the service limitation in paragraph (c)(1)(ii) of this section; and

(ii) The student's eligibility for readmission has not been terminated due to an exception in paragraph (h) of this section.

(2)(i) Documents that satisfy the requirements of paragraph (g)(1) of this section include, but are not limited to, the following:

(A) DD (Department of Defense) 214 Certificate of Release or Discharge from Active Duty.

(B) Copy of duty orders prepared by the facility where the orders were fulfilled carrying an endorsement indicating completion of the described service.

(C) Letter from the commanding officer of a Personnel Support Activity or someone of comparable authority.

(D) Certificate of completion from military training school.

(E) Discharge certificate showing character of service.

(F) Copy of extracts from payroll documents showing periods of service.

(G) Letter from National Disaster Medical System (NDMS) Team Leader or Administrative Officer verifying dates and times of NDMS training or Federal activation.

(ii) The types of documents that are necessary to establish eligibility for readmission will vary from case to case. Not all of these documents are available or necessary in every instance to establish readmission eligibility.

(3) An institution may not delay or attempt to avoid a readmission of a student under this section by demanding documentation that does not exist, or is not readily available, at the time of readmission.

(h) Termination of readmission eligibility. A student's eligibility for readmission to an institution under this section by reason of such student's service in the uniformed services terminates upon the occurrence of any of the following events:

(1) A separation of such person from the Armed Forces (including the National Guard and Reserves) with a dishonorable or bad conduct discharge.

(2) A dismissal of a commissioned officer permitted under section 1161(a) of title 10, United States Code by sentence of a general court-martial; in commutation of a sentence of a general court-martial; or, in time of war, by order of the President.
(3) A dropping of a commissioned officer from the rolls pursuant to section 1161(b) of title 10, United States Code due to absence without authority for at least three months; separation by reason of a sentence to confinement adjudged by a court-martial; or, a sentence to confinement in a Federal or State penitentiary or correctional institution.

**Reserve Officer Training Corps (ROTC)**

Park University affords students the opportunity to complete the Army or Air Force Reserve Officer Training Corps (ROTC) program while earning a baccalaureate degree. Completion of the four-year program leads to a commission as a second lieutenant in the active Army, Army Reserves, Army National Guard or the United States Air Force.

Cadets must meet military medical, fitness, and weight standards prior to entrance into Advanced ROTC.

ROTC scholarships are also available to students who have excellent academic records as freshmen and sophomores, and who exhibit outstanding leadership potential in school or community activities. These scholarships, for two or three years, provide full tuition and fees reimbursement, a textbook and supplies allowance each semester and $150 per academic month to defray other living costs. In addition, Park University awards ROTC scholarship winners room and board remission at the Parkville Daytime Campus Center.

Prior military service in the Army, Air Force, Navy or Marine Corps automatically waives the first two years (freshman and sophomore) of ROTC courses, and permits direct entrance into Advanced Military Science (junior and senior) courses.

**Army ROTC Program Summary**

Army ROTC is offered to Parkville Daytime Campus Center students by special arrangement. Park KC Area students in a full-time equivalent status may qualify and at Park Campus Centers where cross-town agreements have been established.

ROTC basic summer camp of six weeks may be substituted for the first two years of ROTC for community college graduates and students who do not complete basic ROTC courses in their first two years of college. Attendance at a five-week Summer ROTC Advanced Camp is required between junior and senior years.

Park University awards four semester hours of lower level electives for completion of Basic Military Science and six semester hours of upper level electives for completion of Advanced Military Science. These 10 hours may be applied toward the graduation elective requirement. There are no course fees; textbooks and uniforms are government-furnished.

Upon entering junior-level Advanced ROTC, cadets are contracted by the Army to accept a commission upon graduation with a bachelor of arts or bachelor of science degree and are paid $150 per month while a full-time student at Park University. In addition, cadets are paid approximately $700 plus room, board and transportation for attendance at Summer Camps.

**Air Force ROTC Program Summary**

Air Force ROTC Program/Aerospace Studies courses are offered only at Air Force Campus Centers offering AFROTC with cross-town agreements.

Most scholarships pay full college tuition and most laboratory, textbooks, and incidental fees, plus a $200-$400 monthly nontaxable allowance during the school year.
Aerospace Studies consists of the General Military course and the Professional Officer Course. The General Military Course is the first half of the four-year program and is taken during the freshman and sophomore years, giving the student an opportunity to "try out" Air Force ROTC for up to two years without incurring any obligations, unless the student has an ROTC scholarship. The General Military Course consists of four semesters of study with one hour of classroom work, two hours of leadership laboratory, and two hours of physical fitness training per week. The Professional Officer Course consists of four semesters of study and leads to a commission in the United States Air Force. Leadership and management skills as they apply to a junior officer in the Air Force are emphasized. Three classroom hours, two hours in leadership laboratory, and two hours of physical fitness training are required weekly. Students interested in this program leading to a commission should contact the Professor of Aerospace Studies at the participating cross-town institution.

**Transfer Students**

The transferability of credits earned at Park University is at the discretion of the receiving college, university, or other educational institution. Students considering transferring to any institution should not assume that credits earned in any program of study at Park University will be accepted by the receiving institution. Similarly, the ability of a degree, certificate, diploma, or other academic credential earned at Park University to satisfy an admission requirement of another institution is at the discretion of the receiving institution. Accreditation does not guarantee credentials or credits earned at Park University will be accepted by or transferred to another institution. To minimize the risk of having to repeat coursework, students should contact the receiving institution in advance for evaluation and determination of transferability of credits and/or acceptability of degrees, diplomas, or certificates earned.

**Undergraduate Transfer Credit**

Park University provides opportunity for admitted, degree-seeking students to have their previous coursework and prior learning assessed for applicability to Park degree programs. Park University accepts transfer credit from designated accrediting agencies including:

- Higher Learning Commission
- Middle States Commission on Higher Education
- New England Commission on Higher Education
- Northwest Association of Colleges and Universities
- Southern Association of Colleges and Schools
- Western Association of Schools and Colleges

or accepted foreign credentialed agencies. If coursework was completed at an institution not accredited by a designated accrediting agency, the American Council on Education (ACE) recommendation is used. Coursework that is vocational or developmental in nature is not accepted. For information about course equivalencies and articulation agreements, visit the Transfer Equivalency System and Articulation Agreements.

Students are required to submit transcripts from all previous post-secondary institutions. Current and former service members are required to submit a Community College of the Air Force and/or Joint Services Transcript. An evaluation is conducted for admitted students upon receipt of official transcripts. Park University does not include transfer course work when calculating grade point average (GPA). Only Park University earned credit applies toward GPA.

Credit may be granted from the following sources:

**Two-Year Institutions**

A maximum of 75 hours from all two-year schools will be accepted.
• If a student presents documentation of an earned Associate of Arts (A.A.) degree prior to the end of the first term of enrollment, the Liberal Education requirements will be waived.
• A minimum of 60 hours will be accepted for an earned Associates degree.
• A student presenting documentation of an associates degree other than an A.A. will receive credit on a course-by-course basis and the student will be required to meet Park University's liberal education requirements.
• No course with less than a USA grade equivalent "C" will be applied.
• No transfer course with a USA grade equivalent less than "C" will be used to meet any Park University course requirement. (This applies only to students transferring to Park University with a transferable and non-terminal A.A. degree).

Four-Year Institutions

• If a student presents documentation of an earned bachelor's degree prior to the end of the first term of enrollment, the Liberal Education and Graduation requirements will be waived.
• Students must demonstrate a 2.0 cumulative GPA with a "C" or better in each course used to meet the Liberal Education requirement at Park University.
• No course with less than a USA grade equivalent "C" will be applied.

Military Training/Education

Current and former members of the Air Force are required to submit Community College of the Air Force (CCAF) transcripts, if applicable. Members of other branches are required to submit an official Joint Services Transcript (JST). Park University awards four credits of physical education for satisfactory completion of basic training. Other military training and experience are evaluated based on ACE credit recommendations. Specifics on military articulations may be found on the Military Articulations page. Credit from formal military service schools is awarded based on the recommendations of the American Council on Educations' guide to the Evaluation of Educational Experiences in the Armed Services. Credit will be awarded where it is applicable to the student's degree program and in keeping with the basic educational philosophy of Park University.

Dual Credit Coursework

Dual-credit courses completed during high school are identified on the transcript of the higher education institution through which the courses were taken. The Registrar's Office treats dual-credit courses in the same manner and by the same standards as all transfer credit when determining whether such credit satisfies graduation, degree, or elective credit.

Park University establishes dual-credit programs with high schools in the Kansas City, Missouri, area. All Park University dual-credit programs are managed jointly by the Registrar's Office, in collaboration with the academic departments offering the credit, to ensure the rigor of the coursework.

Foreign Transcripts

To receive official transfer credit at Park University, all students requesting transfer credit from a foreign institution must include an official Detail Report with Course Level Identification report completed by the International Education Research Foundation (IERF). For more information on IERF, please visit www.iert.org. Those that wish to complete a foreign credit evaluation by IERF must select Park University as a recipient of the report. The completed report will be transmitted electronically to Park University and applicants will receive a copy in the mail.
Students are responsible for supplying the official foreign transcript(s) in a timely manner to the appropriate Park University office, and will bear sole responsibility for enrolling in "duplicate" classes that otherwise would have been credited to the student as transferable from previous courses taken when the official evaluation was completed.

**Prior Learning Assessment**

In addition to the methods above, Park University provides opportunity for degree-seeking students to earn credit for prior learning through the following sources:

**American Council on Education**

The American Council on Education (ACE) provides college credit recommendations for formal courses and examinations taken outside traditional degree programs. ACE conducts formal reviews through its College Credit Recommendation Service (CREDIT). Documentation of successful completion of courses or exams is required. Documentation can be an original certificate of completion or a transcript from ACE.

**Validated Learning Equivalency (VLE)**

A maximum of 24 hours may be petitioned for and awarded. Visit My Park- Registrar for additional information.

Equivalency credit may be awarded for educational experiences based on documentation submitted by the student and with the recommendation of the appropriate Program Coordinator. VLE applications may take up to six weeks to be processed. The determination of credit will be sent directly to the student's Park email account. Rules governing VLE are:

- Application must be filed prior to taking the final 15 semester hours preceding intended graduation at Park University
- Petitions may be submitted no more than once per course
- Credit shall be awarded on a course equivalency basis based on courses commonly offered by accredited colleges and universities
- Credit will not be awarded for courses attempted at Park University where a failing grade was earned or a grade of Incomplete is outstanding

**Advanced Placement**

Park University will grant credit for advanced placement to high school graduates who have proven competence by their score in the Advanced Placement Tests administered by the College Entrance Examination Board. The awarding of credit, the number of credit hours awarded, and the scores required for the awarding of credit are determined by the appropriate academic discipline. Exam correlations can be found on the Registrar's Office Exams page.

**International Baccalaureate Diploma**

Park University recognizes the International Baccalaureate Diploma for admission. Furthermore, Park University will grant course credit and advanced placement to students who have passed both the standard and the higher level subject examinations at a satisfactory standard.

**End-of-Course Examination**
Upon processing an application through the Registrar’s Office, and for a fee, a student may receive credit for designated, departmentally-approved courses by satisfactorily completing an end-of-course examination. Additional software charges may apply for certain examinations. Students should contact his/her advisor, Department Chair, or School/College Dean for more information.

- Credit will not be awarded for courses attempted at Park University where a failing grade was earned or a grade of Incomplete is outstanding
- End-of-Course exams may be submitted no more than once per course

**Registered Nurse’s License**

A maximum of 60 credit hours is awarded for a Registered Nurse’s license upon receipt of official transcripts and registered nurse licensure verification from Nursys.

**Other**

Park University will accept a maximum of 6 hours toward a certificate, 30 hours towards an associates degree, and 60 hours toward a bachelors degree. This credit may come from any combination of general or subject exams from CLEP, DSST, Excelsior College Exams, or from courses offered by non-accredited entities (e.g., Straighterline, Sophia, etc.), providing that credit is recommended by ACE. To receive credit, a student must submit an official transcript or score report (for exams) to Park University Registrar’s Office.

- Credit may only be used once to fulfill a given requirement or elective.
- Credits will be based upon the correlation available at the time the transcript is submitted. A re-evaluation of credit will not be performed at a later date.
- No credit is awarded for separate subtest scores.

See the Academic Success Center or your Campus Center Director for detailed information concerning CLEP or DSST examinations. Exam correlations can be found on the Registrar’s Office Exams page. To receive credit, a student must submit an official transcript to Park University Registrar’s Office.

**Graduate Transfer Credit**

No more than nine (9) hours of graduate credit transferred from another academic institution may be used to meet graduate degree requirements at Park University unless such transfer is governed by an interuniversity agreement. Transfer credit is granted only after an evaluation of the appropriateness of the courses by the program director. Other criteria that must be met in order for credits to be considered are:

Park University will accept transfer credit from designated accrediting agencies or accepted foreign credentialed agencies. If coursework was completed at an institution not accredited by a designated accreditation agency, the American Council on Education (ACE) will be used. Refer to the specific program for details and additional information related to allowable credit. A program director reserves the right to deny or limit the transfer of credit.

- Transfer course content is appropriate to the program.
- Transfer credit must be requested prior to acceptance into the program unless otherwise approved by the program director.
- The grade earned in the course is "B" or better.
- The credit is not more than seven years old. A program director may waive this requirement on a course by course basis if, in his/her judgment, the content of the course has not changed appreciably during the applicable period.
- No more than 25% of the hours required for a certificate program may be transferred from another acceptable accredited institution.
**Policies**

**Academic Regulations and Policies**

**Academic Records and Registration**

The Registrar's Office maintains for each enrolled student an academic record and a degree audit. All official academic transactions are recorded. Any student may obtain copies of a transcript by filing an official transcript request along with the per copy fee. No transcripts will be issued unless at least one graded Park University course appears on the transcript. No outstanding balance may show on the student's account. Students may obtain an unofficial copy of their transcript through the MyPark portal.

**Degree Audit**

Following admission, official transcripts from other institutions are evaluated and a degree audit prepared that itemizes degree requirements and indicates progress to degree. The initial audit serves as a record for purposes of financial aid and Veterans Administration eligibility. Students may access their degree audit at any time via the student tab in MyPark. Most degree programs require some "electives" to complete the degree. The actual number of credits required to graduate may differ depending on the number of electives or transfer credit. The degree audit is an advising tool and does not constitute an agreement or a contract but will be corrected if an error is discovered. A final review is made prior to graduation to ensure completion of all degree requirements.

**Records Retention**

Park University's Records Retention Policies are designed to protect and maintain necessary records. The University permanently maintains grade, degree, and transcript records for all students. Additionally, the University permanently maintains records of legal name changes. Other demographic information, including address records, are maintained for a minimum of ten years after last term of attendance/graduation. Other academic records, such as degree program offerings and degree requirements, are maintained in accordance with the University's Document Retention policy.

**FERPA Notification**

Park University informs students of the Family Education Rights and Privacy Act of 1974 (FERPA). This act, with which the institution intends to fully comply, was designed to protect the privacy of educational records, to establish the rights of students to inspect and review their educational records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by Park University to comply with the requirements of FERPA. Students may contact:

- Student Privacy Policy Office
- U.S. Department of Education
- 400 Maryland Avenue, SW
- Washington, DC 20202

1. **Policy Intent**
   - The Park University student record policy is intended to conform with all state and federal statutes dealing with access to information held by an educational institution on present and former students.
The Park University student record policy is formulated to protect the privacy of the student information that is maintained and yet provide access to student records for those having a legitimate purpose to view such records. Regulations and procedures to ensure adequate protection of the student are provided in this policy.

"Records" refers to those files and their contents that are maintained by official units of the University. Generally, students have the right to review any official record that the University maintains on them. Access to records by others, without student permission, is limited to purposes of an educational nature. When access is permitted, documents will be examined only under conditions that will prevent unauthorized removal, alteration, or mutilation. Information to which the student does not have access is limited to the following:

- Confidential letters of recommendation placed in the student's files before January 1, 1975, and those letters for which students have signed a waiver of his/her right of access. Unless authorized by a University Administrator, access to student records, including access to all course materials, by faculty members is limited only to the faculty member actually teaching that course. Faculty members may not access course materials or other student records for courses they are not currently teaching without express authorization from a University administrator. Any unauthorized access to student records, including course materials, is a violation of this policy.
- Parent's confidential financial statements.
- Personal files and records of members of faculty or administrative personnel, "which are in sole possession of the maker thereof and which are not accessible or revealed to any person except a substitute".
- Records of the Office of Admissions concerning students admitted but not yet enrolled at the University. Medical/psychological records used in connection with treatment of the student. Such records are, however, reviewable by a physician or psychologist of the student's choice.

Only the following offices are authorized to release non-directory information: Registrar, Career Services, Counseling Services, Financial Aid, Vice President for Academic Affairs, Dean of Students, Vice President of Enrollment and Student Services, Provost, and President.

2. Access to Student Records by the Student

- Students have the right to inspect their records and are entitled to an explanation of any information therein.
- Documents submitted to the University by or for the student will not be returned to the student. Academic records received from other institutions will not be sent to third parties external to the University. Records should be requested by the student from the originating institution.
- Official records and transcripts of the University (signature and/or seal affixed) are mailed directly to other institutions or agencies the student requests. When circumstances warrant, official records may be given directly to the student at the discretion of the proper University official. In such cases, the record will be clearly marked to indicate issuance to the student.
- Should a student believe his/her record is incorrect, a written request should be submitted to the appropriate University official indicating the correct information that should be entered. The official will respond within a reasonable period concerning his/her action. Should the student not be satisfied, a hearing may be requested by the Registrar.

3. Access to Student Records by Others

- Disclosure of general directory information: Certain information may be released by the University without prior consent of the student if considered appropriate by designated officials. Such information is limited to the following:
  - Student's name, address, email address, telephone number (permanent and local)
- Date and place of birth
- Dates of attendance at the University, major fields of study, current classification, degrees, honors, and awards
- Heights and weights of members of athletic teams
- Participation in officially recognized activities
- Full or part-time status
- Photograph

Directory information will not be released for commercial purposes by administrative offices of the University under any circumstances. Students may request that directory information not be released by written request to the Office of the Registrar. All other student information will be released only upon written request of the student, excepting those instances cited below.

Disclosure to members of the University community:
- Access to student records for administrative reasons for faculty, administrative staff, and other pertinent employees is permissible provided that such persons are properly identified and can demonstrate a legitimate interest in the materials.
- Access for the purpose of research by faculty and administrative staff is permissible when authorized by the department chair, Associate Dean, Associate Vice President Student Affairs, Provost, or President.
- Information requested by student organizations of any kind will be provided only when authorized by the Dean of Students, Provost, or President.

Disclosure to organizations providing financial support to a student: it is the University's policy to release the academic transcript to such organizations only upon the student’s written request or authorization. Otherwise, the academic transcript will be sent only to the student, a policy consistent with the University’s interpretation of FERPA, popularly known as the "Buckley Amendment."

Disclosure to other educational agencies and organizations: information may be released to another institution of learning, research organization, or accrediting body for legitimate educational reasons provided that any data shall be protected in a manner that will not permit the personal identification of the student by a third party.

Local, state, and federal government agencies: government agencies are permitted access to student records only when auditing, enforcing, and/or evaluating sponsored programs. In such instances, such data may not be given to a third party and will be destroyed when no longer needed for audit, enforcement, and/or evaluative purposes.

Questions concerning the Family Education Rights and Privacy Act may be referred to the Office of the Registrar at registrar@park.edu.

**Attendance/ Participation**

Students are expected to attend and participate in all classes, laboratories, and field work for which they are enrolled, and complete all work assigned by the instructor. Refer to the Tuition and Fees section of the catalog for the Student Attendance/Participation Policy for Financial Aid.

**Athletic Participation Policy**

Athletic participation is an important component of student life. Athletes are required to abide by all NAIA and Park University rules and regulations in order to participate in athletics. Athletes are expected to attend class sessions and are only permitted to miss class for athletic purposes when University-sanctioned competitions (including travel to or from the destination) conflict with classes. (It is not permissible for student-athletes to miss class for on campus practices, weight training, or related activities.)
The student-athlete is responsible to notify his/her instructor at least one week prior to the missed class period(s) (excluding clinical and fieldwork experiences that have different requirements) and to make arrangements for missed coursework. Providing the faculty member has been notified by the student-athlete, the faculty member will make arrangements for class assignments, quizzes, exams, or other assignments that conflict with contest or related travel dates. Faculty are encouraged to allow the student to make up missed exams and/or assignments upon the student’s return or, in some cases, may require that the work be submitted by the established deadline. All make up work and exams must be submitted by the last day of the session.

Students in accredited programs with required clinical or fieldwork experience must abide by the policies contained within the student handbooks of their programs. Program handbooks define the maximum number of clinical and or fieldwork experiences that can be missed. Because the University cannot always guarantee the availability of a make-up hours with its clinical and fieldwork partners and some clinical learning outcomes cannot be met effectively through alternative means, students are not guaranteed excused absences for missing these experiences for travel and games.

Students are responsible for submitting a Request for Alternative Clinical or Fieldwork Assignment form to the Chair of the program at least three weeks in advance of scheduled travel/games*. The Chair will communicate with the student and Athletic Director no later than one week in advance whether the clinical or fieldwork can be made up without penalty to the student.

If student-athletes have difficulty making arrangements to complete course requirements resulting from University-sanctioned competitions, students should contact the Associate Vice President and Dean of Students, Dr. Jayme Uden (jayme.uden@park.edu).

**Continuous Enrollment**

Students must complete the degree requirements in effect at the time of admission. These requirements remain in effect even if the University updates degree requirements in subsequent years, as long as the student maintains continuous enrollment in the program. Under the following conditions, students will be updated to the current catalog and degree requirements:

- The student defers entry for one year or longer after being admitted
- The student discontinues classes for a period of two or more years (at least one course must be completed within two years, excluding withdrawn courses)
- The student changes majors
- Master’s degrees must be completed within seven years of admissions
- The program is eliminated and the teach out period has expired*

*Teach Out: When programs are suspended or eliminated by the University (and thus new student admissions are closed), the programs are phased out over a period of time to allow current students an opportunity to complete the program. Once the teach out period has expired, any student remaining in that program is expected to select a new major. The teach out length is determined by degree type:

<table>
<thead>
<tr>
<th>Degree Type</th>
<th>Teach Out Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bachelor</td>
<td>3 years</td>
</tr>
<tr>
<td>Associate</td>
<td>2 years</td>
</tr>
<tr>
<td>Certificate</td>
<td>1 year</td>
</tr>
</tbody>
</table>

653
In most Park University graduate programs, continuous enrollment is expected. Continuous enrollment requires enrollment in at least one course. If the student discontinues enrollment for two calendar years or more, readmission is required. Should readmission be granted, it will be based upon the requirements and regulations effective at the time of the readmission. All requirements for a master's degree must be completed within seven years.

International nonimmigrant students on F-1 visas must enroll full-time in each fall and spring semester. Readmission for international students is required after one year.

**Academic Advising**

Academic advising is an integral part of the academic program of Park University. Advisors are full-time faculty or staff. The advisors serve as a central academic resource and mentor of Park University students. Each student has an advisor who provides guidance in academic planning and who is available for counseling on academic and related issues and concerns. Each student is expected to work closely with his/her advisor in the design and pursuit of a coherent course of study shaped by his/her goals and interests and by University and departmental requirements.

Academic advising at Park University is viewed as a cooperative educational partnership between advisor and advisee, grounded in mutual respect and a common commitment to student growth and success. The advisor/advisee relationship respects the autonomy and intellect of each student and acknowledges the broader developmental and educational contexts within which academic advising occur.

Although advisors and advisees work together in all areas related to academic planning, academic decision-making responsibilities, including the responsibility for meeting each of the graduation requirements of the University, rest ultimately with the student. Primary responsibility for timely, effective use of the academic advising system also remains with the student.

Academic advisors are responsible for providing their advisees with appropriate, accurate information concerning the academic policies, programs, procedures, and resources of the University. Advisors also assist advisees in defining, developing, and pursuing an educational plan consistent with their academic, career, and life goals, including the selection of an academic major consistent with their interests and abilities within the broader liberal educational curriculum. Advisees are encouraged to meet regularly with their advisors in order to realize the full educational potential of the advising program. More specifically, each student shall work carefully with his/her advisor to structure an appropriate course schedule, based on the student's short and long-term academic objectives as well as his/her career interests and goals. *(Advisees will receive a response from their Advisors in a reasonable time.)*

In addition to ongoing general discussions concerning academic planning and scheduling, career goals, and academic progress, students and advisors will want to discuss at least the following:

- Taking less or more than a standard load
  - International nonimmigrant students should be aware that they are required by federal law to enroll in and complete a full course load each semester; failure to do so may result in the loss of their lawful non-immigrant status. The International Student Services should always be consulted prior to any schedule adjustments that would result in registration in less than a full course load.
- Dropping a course in progress
- Changing the schedule in any way
- Selecting and declaring a major or minor
- Changing a major or minor
• Study abroad opportunities
• Internship possibilities
• Going on leave or withdrawing from the University

Priority Enrollment

Student enrollments in Air Force on-base education services sponsored programs will be given the following priority: (1) active duty military personnel, (2) civilian employees of Department of Defense agencies, and (3) family members of active duty military, military reserve and guard members, retired military personnel. Community civilians may be admitted on a space available basis and to the extent of compatibility with local base security and essential mission commitments.

Student enrollments in Army on-post education services sponsored programs will be given the following priority: (1) active duty military, (2) family members of active duty military personnel, (3) Department of Defense civilians employed on post, (4) retired military personnel, (5) family members of retired military personnel, and (6) civilians.

Student enrollment in Marine Corps on-base education services sponsored programs will be given priority as follows: (1) active duty Marines, (2) reserve components, (3) family members of active duty personnel, (4) DOD employees and their family members, and (5) civilians on a space available basis when programs are not otherwise conveniently available.

Student enrollment in Navy on-base education services sponsored programs will be given priority as follows: (1) active duty military personnel, (2) family members of active duty military personnel, (3) Department of Defense civilians employed on post, (4) military reserve and guard members, (5) retired military personnel, (6) family members of retired military personnel, and (7) civilians.

Park University awards four semester hours of lower level electives for completion of Basic Military Science and six semester hours of upper level electives for completion of Advanced Military Science. Textbooks and uniforms are furnished by the government.

Academic Grievances and Grade Appeals

A student who believes that he/she has an academic grievance must first discuss the concern with the faculty member in charge of the course in which the concern has arisen. If a mutually satisfactory resolution is not reached, the student must then submit a Concern Report to the appropriate Department Chair or Campus Center Academic Director. If no resolution is reached at that level, or if the Department Chair or Campus Center Academic Director is the faculty member named in the first instance, the concern should be taken to the appropriate academic Associate Dean/Dean. The decision of the Associate Dean/Dean will be considered final. Students may petition the Vice President for Academic Affairs only in instances where he/she feels due process or University policy was not followed.

Park University has developed the following procedures for assuring students have the opportunity to have academic issues reviewed.

To best serve our students, we have contacts that may be able to facilitate resolutions to issues:

• For Online Student issues, please email onlinestudents@park.edu
• For Canvas issues, please contact the Canvas 24/7 help number (844) 470-5727
• See Student Success Center for details on procedures for many topics (e.g., traffic appeal, financial aid appeal)
**Academic Complaint**

An academic complaint is an informal, unofficial claim regarding how an Instructor has issued a grade. No written report(s) on the incident or the outcome of the investigation is required.

These are typically represented by informal verbal communications or emails to the Instructor or their academic supervisor. If a mutually satisfactory resolution is not reached, the student may file an Academic Grievance. This is typically done with the appropriate Department Chair or Campus Center Academic Director.

**Academic Grievance**

An academic grievance is a formal, written allegation of any form of discrimination that impacts:

- Any graded assignment(s) and/or a course grade.
- Academic grievance procedures apply only in cases involving a perceived academic impropriety arising from a decision taken by:
  - an individual instructor or researcher;
  - a college, school, department, or program;
  - a unit charged to administer academic policies (e.g., Registrar)
- They do not pertain to expressing dissatisfaction with a University policy on the basis that a policy is unfair. They do not pertain to individual college, school, department, or program academic policies, as long as those policies are consistent with general University policy.

An academic grievance is typically submitted to the immediate academic supervisor of the individual(s) named in the grievance (e.g., Department Chair or Campus Center Director). If no resolution is reached at that level, the concern should be taken to the appropriate Dean’s Office. The decision of the Dean’s Office will be considered final.

*Students may petition the Vice President for Academic Affairs only in instances where he/she feels due process or University policy was not followed.*

**Undergraduate Academic Grade Appeal Procedures**

- The grade appeal form process must be initiated with the Instructor within 30 calendar days of the date the final grade to be challenged was recorded by the University. The grade appeal form cannot be filed until the following has occurred:
  - The course grade has been officially posted to your degree audit, this includes an "I" (Incomplete) being finalized into a letter grade.
  - You have contacted the Instructor regarding the posted grade to confirm there is NOT a mutually, satisfactory resolution.
  - After communications with the Instructor, you have contacted the Department Chair or Campus Center Academic Director and attempted to resolve the dispute over the grade.
- If, after discussions with the faculty member and the Department Chair or Campus Center Academic Director, a resolution has not been reached, the student may file a grade appeal (see form and electronic submission; it will state at the URL when you are in MyPark: https://my.park.edu/ICS/Student/Grades/Grade_Appeal.jnz) with all documentation to support your case. The form and documentation will be forwarded to the appropriate Dean’s Office.
- All students intending to file a formal grade appeal must:
  - Do so within 60 calendar days of the end of the term in which the grade to be challenged was recorded.
  - Use the grade appeal form with electronic submission in MyPark under Student Tab, MyPark: https://my.park.edu/ICS/Student/Grades/Grade_Appeal.jnz.
Once the Grade Appeal is received by the Dean's Office, the student will be notified that the grade appeal has officially started.

Once submitted all communications regarding grade appeal should be done electronically with the Dean's Office in an effort to further document the case. Someone from the Dean's Office may request additional information from the student, instructor or any people or units that could aid in ascertaining specific details in the investigation.

Within 7 calendar days of the receipt of the completed grade appeal, the faculty member named in the appeal will be informed via email by the Dean's Office that the student has formally advanced the complaint/grievance to a formal grade appeal and all the documents the student has submitted.

The Instructor has 14 calendar days to submit a response via email and their own documentation to the Dean's Office. It is not required for the Instructor to respond but the Dean's Office cannot advance the investigation until the 14 calendar days has passed. The deadline can be extended in rare instances due to Instructors having extenuating circumstances, such as Instructors being ill or on vacation. In the event of an extension, the Dean's Office will notify the student of the new time line and the reasons for the change.

The grade appeal form, the documentation provided by the student, the rebuttal/documentation provided by the Instructor will together form the Grade Appeal Dossier.

The Dean's Office will review the case and render a decision. In rare instances, the Dean's Office may also convene the assistance of an Appeals Board, typically 3 full-time faculty members. In cases where such an Appeals Board is assembled to hear a case involving a student from a Campus Center, the Dean's Office will ensure that the appropriate Campus Center Academic Director is formally involved in the process. The decision of the Dean's Office will be rendered within 14 calendar days of the completion of the Grade Appeal Dossier. However, this date may be pushed back if an Appeals Board is convened or the investigation produces issues that can take time to retrieve, such as assistance from Information Technology Services or the Learning Management System Company. In the event of an extension, the Dean's Office will notify the student of the new time line and the reasons for the change.

The Dean's Office will notify the student of the decision via email. The decision and a summary of the findings will be provided to the student. The documents detailing the entire investigation will be housed with the Dean's Office.

If a change of grade is required the Change of Grade Form will be filed by the Dean's Office and submitted to the Registrar on behalf of the Instructor that issued the original grade.

The decision of the Dean's Office will be considered final. Appeals to the Provost or designee can be made only on the basis that the established policy outlined here was not followed. Simply disagreeing with the decision is not grounds for further appeal.

Students may contact the Student Success Center for assistance with these guidelines and procedures.

**Graduate Academic Grade Appeal Procedures**

It is the responsibility of the student to work to resolve the matter with their instructor informally within 30 calendar days subsequent to posting of grades. The instructor should correct the grade if an error was made or communicate with the student and explain the rationale for the grade. If the problem is not resolved informally in discussion with the instructor, the student may file an appeal by submitting, in writing and using the Grade Appeal Form, to the appropriate graduate program director, within 45 calendar days subsequent to the posting of the grade. Except in extraordinary circumstances that include medical emergency and military service, failure to appeal the grade within the time limit constitutes waiver of the right to appeal.

*Exception:* If the instructor is unavailable because of death, prolonged illness or absence, or is no longer employed with the University, the program director or designee shall handle the situation in place of the faculty. In such a situation, the program director or designee may correct an obvious error, or in consultation with a colleague who is knowledgeable in the discipline, make a grade adjustment if it is warranted.
Formal Grade Appeal

- **Step 1:** If the problem is not resolved informally with the instructor, the student may appeal the grade formally to the appropriate graduate program director. The formal grade appeal request must be made in writing, using the Grade Appeal Form and submitted within 45 calendar days subsequent to the posting of grades in an attempt to resolve the matter. Except in extraordinary circumstances that include medical emergency and military service, failure to appeal the grade within the deadline constitutes waiver of the right to appeal. The appeal should clearly state and document the informal effort made to resolve the problem, reasons for the appeal and relevant documents such as a copy of the course syllabus, copies of exams, quizzes, assignments, etc., which the student believes are necessary to support the appeal. The appeal may also include a statement as to what the student feels should be the appropriate grade. The appropriate program director will promptly notify, in writing, the faculty member of the appeal, requesting a written response, with all supporting documentation. The response and documentation should be received from the faculty member by the program director within five business days of receiving the notice. If the program director was the instructor of the course, the student files the appeal with the dean of the College in which the graduate program resides.

- **Step 2:** Within 10 business days of receipt of the appeal, the program director or designee shall make a recommendation for or against the grade change, with justification in writing, and send the recommendation to the dean of the College in which the student is enrolled.

- **Step 3:** Within 10 business days of receiving the recommendation, the dean of the College shall inform the student of the final decision. The dean reserves the right to appoint a grade appeal committee to assist in the decision-making process. If such a committee is appointed, a recommendation must be forwarded in writing to the dean of the College within five business days of completing the review. The dean resolves the case either by affirming the committee's recommendation or by modifying it if necessary. The dean will inform the student in writing of the final decision within five business days of receiving the committee's recommendation or after the dean has determined the outcome. The dean's decision on the appeal is final with no other appeal process available for either the student or faculty member.

Academic Honesty

Academic integrity is the foundation of the academic community. Because each student has the primary responsibility for being academically honest, students are advised to read and understand all sections of this policy relating to standards of conduct and academic life. Park University students and faculty members are encouraged to take advantage of the University resources available for learning about academic honesty at www.park.edu/current-students.

Definitions

Academic dishonesty includes committing or attempting to commit cheating, plagiarism, falsifying academic records, unauthorized possession or distribution of academic materials, and other acts intentionally designed to provide unfair advantage to the student.

- Cheating includes, but is not limited to, intentionally giving or receiving unauthorized aid or notes on examinations, papers, laboratory reports, exercises, projects, or class assignments which are intended to be individually completed. Cheating also includes the unauthorized copying of tests or any other deceit or fraud related to the student's academic conduct.
- Plagiarism involves the use of quotations without quotation marks, the use of quotations without indication of the source, the use of another's idea without acknowledging the source, the submission of a paper, laboratory report, project, or class assignment (any portion of such)
prepared by another person, or paraphrasing another’s work without acknowledging and documenting the source.

- Falsifying academic records includes, but is not limited to, altering grades or other academic records. Unauthorized possession or distribution of academic materials may include the unauthorized selling or purchasing of examinations, term papers, or other academic work; stealing another student’s work; using information from or possessing exams that a faculty member did not authorize for release to students.

- Unauthorized distribution of academic materials also includes preparing, offering to prepare, selling, or distributing material with the knowledge, or under circumstances in which s/he should reasonably have known, that such material is to be submitted by another person for academic credit at any college, university, or education institution.

- Other academically dishonest acts include, but are not limited to: stealing, manipulating, or interfering with an academic work of another student or faculty member; receiving or giving assistance on a task that was expected to be performed individually; lying to or deceiving faculty.

**Procedures**

The primary responsibility for the initial handling of Academic Dishonesty rests with the instructor. As a first step, the instructor will notify the student in writing that evidence of academic dishonesty has been detected. The instructor will make an effort to schedule a personal meeting or telephone conference with the student to discuss the allegation. Whether or not the student admits to academic dishonesty, if the instructor remains convinced that the alleged violation occurred, either based on evidence or personal observations, the instructor may assign a penalty, such as a verbal reprimand or lowered grade. Possible sanctions are listed in a following section titled Penalties in the Event of Academic Dishonesty. The instructor bringing the charge will document the observation of academic dishonesty and report any penalty imposed on an Academic Dishonesty Incident Report. The report form will be sent to the appropriate Department Chair.

A student who wishes to report an alleged incident of academic dishonesty may do so by reporting the incident on the Academic Dishonesty Incident Report. The report form will be sent to the appropriate instructor. Upon receiving the report, the instructor will make an effort to schedule a personal meeting or telephone conference with the student to discuss the allegation. Whether or not the student admits to academic dishonesty, if the instructor remains convinced that the alleged violation occurred, either based on evidence, the instructor may assign a penalty, such as a verbal reprimand or lowered grade. Possible sanctions are listed in a following section titled Penalties in the Event of Academic Dishonesty. The instructor bringing the charge will report any penalty imposed to the Department Chair on the Academic Dishonesty Incident Report.

**If the student does not dispute the charge**, the faculty member may then assign a penalty, such as a verbal reprimand or lowered grade. Possible sanctions are listed in a following section titled Penalties in the Event of Academic Dishonesty. Any penalty imposed will be recorded by the faculty member on the incident form and filed (with any supporting documentation) with the appropriate Department Chair, Campus Center Academic Director, or academic Dean.

**If the student disputes the allegation of academic dishonesty**, he/she may request a review of the issue by the appropriate Department Chair within 10 business days following the initial meeting with the faculty member. The Department Chair may informally resolve the matter in discussion with the student and the instructor.

If the student is unsatisfied with the resolution offered by the Department Chair, the student may request a formal hearing from the appropriate Academic Dean within 15 business days of the Department Chair’s response. The Dean, or the Dean’s designee, will review the case and render a decision. That individual may also employ the assistance of a college/school appeal board.
The decision of the Dean will be considered final. Appeals to the Provost or designee can be made only on the basis that the established policy outlined here was not followed. Simply disagreeing with the decision is not grounds for further appeal. Grades and/or degree(s) may be withheld pending the outcome of the appeal process.

**Penalties in the Event of Academic Dishonesty**

In the event of academic dishonesty, the following courses of action are available to Park University, based upon the severity of the violation:

**The Course Instructor may:**

- Issue a verbal and/or written reprimand.
- Assign a lower grade on the test/paper/project in question, with an explanation from the faculty member.
- Assign a grade of “F” in the course.
- Refer to the Student Code of Conduct Administrator for possible University-wide sanctions when there is a repeat offense or the single violation is especially egregious.

**The Office of Academic Affairs may:**

- Issue a written reprimand.
- Refer to the Student Code of Conduct Administrator for possible University-wide sanctions when there is a repeat offense or the single violation is especially egregious. The full Student Conduct Code and associated sanctions are available on the Park website at: www.park.edu/student-life.

**Undergraduate Placement Policy**

Some entering, degree-seeking students will be required to take placement tests in English and math, so that they can be placed in the appropriate level of coursework to support their success. Students may be exempted from taking the assessments in English, math, or both, if they provide one of the following:

**For English**

- Official transcript(s) from an acceptable accredited post-secondary institution(s) from which the student has earned credit for an articulated English course that satisfies the Park University general education requirement
- College-Level Examination Program (CLEP) exam score which qualifies as review for credit
- DANTES or DSST exam on which the score qualifies as review for credit
- Advanced Placement (AP) coursework and exam score which qualifies as review for credit
- GED certificate with an English score report of 165 or higher
- HiSET certificate report with an English subtest score of 15 or higher and minimum essay score of 4
- ACT English sub score of 21 or higher
- SAT Evidence-based and Writing score of 310 or higher

Students who do not provide one of the alternatives listed above will be provided with a log-in that enables them to take the placement test(s) online. The results of the test will indicate if students should enroll in a companion developmental English course with EN105. Entering students should monitor their Park University email for information about the placement test, or they can contact their admissions advisor or success coach about the process.

**For Math**
• Official transcript(s) from an acceptable accredited post-secondary institution(s) from which the student has earned credit for an articulated math course that satisfies the Park University general education requirement
• ACT or SAT Math sub scores meeting the minimum pre-requisite requirements to enroll in Park’s required math courses

Students who do not provide one of the alternatives listed above will be provided with a log-in that enables them to take the placement test(s) online. The results of the test will determine the highest-level math class they are qualified to enroll in and if a developmental course is indicated. Entering students should monitor their Park University email for information about the placement test, or contact their admissions advisor or success coach about the process.

Students who seek additional preparation for the math placement test may enroll in a non-credit bearing, tuition-free, self-paced online preparatory course. Access to the course can be granted by a student’s Success Coach. Successful completion of the self-paced online course prepares students to complete the placement test. The results of the test will indicate if students should enroll in MA102, MA125, MA135, MA120, or MA171.

For Modern Language

The modern language requirement pertains to BA degrees only. However, students seeking BS degrees can take modern language courses for elective credit. Students who are interested in taking a modern language course must contact the Academic Success Center or the Department of English and Modern Languages for instructions on how to take the Modern Languages Assessment at no cost to the student. The assessment will then be used to determine the student’s first Park University modern language course.

Basic Skills

These courses are designed for those students who need to review the fundamentals of reading, writing and mathematics and are considered developmental courses. In addition, courses to develop skills for college success and career development are offered. Credit for those courses do not count toward the total semester hours needed to graduate, nor does it count towards the Dean’s List. The grade, however, does count in the cumulative grade point average. These courses are not intended for transfer but are available to enhance the student’s success in his/her pursuit of a university degree.

Dean’s List and Presidential Scholar’s List

Dean’s List

A student’s name is placed on the Dean’s List when the following conditions are met:

• Twelve or more graded undergraduate hours at Park University are completed in any combination of fall terms for the fall Dean’s List and any combination of spring terms for the spring Dean’s List. (Basic Skills courses are excluded from the calculation.)
• Must be a certificate or degree seeking student at Park University.
• Must have earned a grade point average of 3.600 or better in any combination of fall terms for the fall Dean’s List and any combination of spring terms for the spring Dean’s List.
• Must have received no Incomplete grades in any combination of all terms for the fall Dean’s List and any combination of spring terms for the spring Dean’s List.

A student’s name may be removed from the Dean’s List for violations of the Student Conduct Code. Dean’s List is not retroactive for those students receiving changes of grades or changes of Incompletes.
**Presidential Scholars**

A student's name is placed on the Presidential Scholar's List when the following conditions are met:

- Student is enrolled at the Parkville Daytime Campus Center.
- Student has earned 30 or more graded hours at Park University.
- Student was enrolled for 12 or more hours for the semester.
- Student must be degree seeking at Park University.
- Student has a cumulative grade point average of 3.9 or better.
- Student has received no Incomplete grades for the semester.

**Academic Standing**

**Undergraduate Procedures**

A student is considered in good standing as long as the student's cumulative GPA stands at 2.00 or better, and the student continues to achieve a Park University GPA of 2.00 or better at end of Fall and Spring semesters. No fixed incremental rate of progress toward a degree is required. Park University assesses students' academic standing at the end of each semester. Individual programs may set program-specific requirements for staying in good standing.

1. **Academic Warning**
   If a student’s GPA falls below a 2.0 during any academic semester/term, the student will receive a warning letter from the Office of Academic Affairs after the fall/spring semester. A copy of the letter will be placed in the student’s academic file.

2. **Academic Probation**
   A student who fails to achieve a 2.00 cumulative Park University GPA will be placed on academic probation until his/her cumulative Park University GPA increases to 2.00 or greater and until he/she meets any specific conditions stated in the probation letter. A letter will be sent to the student by the Office of Academic Affairs after the fall/spring semester. A copy of the letter will be retained in the student's academic file. Failing to make academic progress may affect a student's ability to obtain and remain eligible for veteran benefits. The length of the probationary period is dependent on the student’s academic performance and is lifted once students (a) meet the GPA requirement and (b) fulfill any other conditions as set forth by the program/university to maintain good academic standing.

Recipients of VA educational benefits who are placed on academic probation are reported to the VA. VA beneficiaries who fail to meet Satisfactory Academic Progress (SAP) requirements by the end of the evaluation period are suspended from the program and will be reported to the VA. Benefit certifications for the program may be terminated and the VA beneficiary may be in debt to the VA. The VA has final and sole determination on how beneficiaries are affected by students’ academic performance.

3. **Academic Suspension**
   In cases where a first-time Park University undergraduate student (in his/her first term or semester at Park University) meets the criteria for academic suspension, he/she will be placed on academic probation rather than on academic suspension. This provision applies to all first-time Park University undergraduate students, including students who enter Park University with transfer credits.

VA beneficiaries who fail to meet Park University's requirements of making meaningful progress toward a degree by the end of the evaluation period described above are suspended from the program and will be reported to the VA.

A student seeking a bachelor's degree will be placed on suspension according to the following:
0 - 27 Total Earned Hours*
Below a 1.00 Cum Park University GPA

28 - 57 Total Earned Hours*
Below a 1.50 Cum Park University GPA

58 or more Total Earned Hours*
Below a 1.75 Cum Park University GPA

*includes transfer hours

A student seeking an associate's degree will be placed on suspension according to the following:

0 - 15 Total Earned Hours
Below a 1.00 Cum Park University GPA

16 - 30 Total Earned Hours
Below a 1.50 Cum Park University GPA

31 or more Earned Hours
Below a 1.75 Cum Park University GPA

A student seeking a certificate will be placed on suspension if they receive below a 1.00 cumulative Park University GPA.

When a student's GPA falls below the thresholds identified above, a letter will be sent to the student by the Office of Academic Affairs after the fall/spring semester. Any student who has been suspended may appeal in writing to the appropriate academic Dean or designee; information regarding the process and timeline for sending an appeal will appear in the suspension letter. After being academically suspended from Park University, a student may not enroll in the subsequent term. A student who wishes to return/re-enroll after one or more terms of suspension is required to apply for readmission; information regarding the process for applying for readmission will appear in the suspension letter.

International nonimmigrant students who have been academically suspended and are unable to gain readmission may lose their lawful visa status.

4. **Readmission Following Academic Suspension**

A suspended student must submit a written request for Readmission to the appropriate academic Dean or designee if s/he wishes to reenroll at the University. A decision is rendered following consultation with the appropriate parties. If the student is readmitted, s/he will be placed on probationary status, and s/he may take no more than six (6) credit hours in the first term of readmission, and no more than twelve (12) credit hours in the first semester of readmission. Students who have been readmitted to the University following a term of suspension will not be suspended again if they maintain a 2.0 GPA throughout each subsequently enrolled Fall and Spring semester.

**Graduate Procedures**

Graduate students are expected to make satisfactory progress toward a degree. Determination of satisfactory progress is based on the following criteria.

- Continuous enrollment in most Park University graduate programs is expected.
  - Continuous enrollment requires enrollment in at least one course. If the student discontinues enrollment for two calendar years or more, readmission is required. Should readmission be granted, it will be based upon the requirements and regulations effective at the time of the readmission. All requirements for a master's degree must be completed within seven years.
  - International nonimmigrant students on F-1 visas must enroll full-time each fall and spring semester. Readmission for international students is required after one year.
• Successful completion of all required program coursework and electives with a minimum 3.0 grade point average (GPA). (Programs may have a higher grade point average or grade requirements than the minimum University requirements for graduation. Refer to the Academic Degree Programs section of the catalog for program-specific requirements.)
• Students may have no grade lower than a "C" and no more than six (6) credit hours graded "C" in their declared graduate degree program coursework at the time of graduation.
• Students are not permitted to repeat any course in which the student earns a grade "B" or better. A course in which a student earns a grade "C" or lower may be repeated one time. No more than six (6) credit hours may be repeated in a declared program.
• Fulfillment of all program requirements (as outlined in the catalog), including but not limited to the successful completion of comprehensive examinations, thesis, portfolio, Major Field Test, final assessment or a final project.

In order to ensure that students are making satisfactory progress, academic status is assessed twice annually, at the end of the Fall and Spring semesters. These are referred to as review periods. The Fall review period includes coursework taken in summer and fall sessions, while the Spring review period includes spring sessions.

1. **Academic Probation**
   To remain in good academic standing, graduate students must maintain a 3.0 cumulative GPA. If the cumulative GPA for Park graduate courses falls below 3.0, the student will be placed on Academic Probation. Academic status is assessed only for review periods in which the student is enrolled in and attended courses.
   Students have two review periods in which to return to good academic standing by achieving a 3.0 cumulative GPA. To remain on Academic Probation and continue enrollment, students must maintain a GPA of 3.0 or higher in their coursework during each review period(s). Students whose academic program cumulative GPA at the end of any review period is above 3.0 are removed from Academic Probation and return to good academic standing.

2. **Academic Suspension**
   A student will be suspended from the program for any of the following reasons:
   Failure to maintain a GPA of 3.0 or higher, for courses that the student enrolled in and attended, taken during each review period after being placed on Academic Probation.
   Failure to raise their cumulative GPA to a 3.0 or higher within two review periods that the student enrolled in and attended.

3. **Academic Suspension Appeal**
   A student who has been suspended from a graduate program at Park University may petition for an exception from Academic Suspension policy.
   Domestic students who have been academically suspended from a graduate program at Park University may petition for reinstatement, but will not be allowed to enroll in the following semester until their appeal is adjudicated.
   International students placed on academic suspension will be permitted to enroll in the following semester upon submitting a formal petition to appeal the suspension. International nonimmigrant students on F-1 visas who are suspended are in violation of the lawful visa status, which may result in the termination of the SEVIS record.
   All appeals must be at least one-page in length, typed, double spaced, with standard margins. It must be submitted within one week following formal notice of being placed on academic suspension to the Director of their program. The appeal should include explanation of those circumstances that contributed to the academic suspension, explaining the reasons why the student was not successful academically. Supporting documents should be presented as evidence in support of the appeal if available and appropriate. The student should provide a clear and achievable plan for their regaining academic good standing.
   A committee chaired by the student’s graduate Program Director and of two other graduate program directors will adjudicate the appeal and notify the student of their decision prior to the beginning of the following semester.
Withdrawal Policy

Academic Withdrawals

Academic withdrawals are student-initiated requests to discontinue enrollment in classes. There are two types of academic withdrawals: 1) Course Withdrawals and 2) Session/University Withdrawals. Both types of withdrawals may have implications for financial aid. Students with financial aid should refer to the financial aid policies in the Tuition and Fees section of the catalog. Park University follows the VA's policy on how withdrawals will affect beneficiaries. The VA's policy generally requires that withdrawals, adjustments, and/or terminations are VA-certified within 30 days of the last date of attendance. The VA has sole determination with regard VA debt-related issues, but Park University may explain the circumstances that resulted in the VA debt. Additionally, international nonimmigrant students who are withdrawn from a course(s) may lose their lawful nonimmigrant status. Student-athletes who are withdrawn from a course(s) may jeopardize their eligibility.

1. **Course Withdrawal**
   A course withdrawal is an official, student-initiated request to discontinue enrollment in one or more, but not all, courses in a session (Fall 1, Fall 2, Spring, Maymester, etc.). The notification to discontinue enrollment in a course(s) occurs after the enrollment adjustment period and, therefore, results in a grade of "W" (withdrawn) or "WF" (withdraw failure). Students who withdraw within the first two-thirds of the session receive a "W". Students who withdraw during the last third of the session receive a "WF". Home campus and distance students must request a course withdrawal through the Student Success Center or by e-mailing advising@park.edu. Students at campus centers must notify their campus center or student success coach. Students may not initiate an academic withdrawal from a class if the course instructor has submitted an academic dishonesty form implicating the student in a violation of the Academic Honesty policy. In the event that an academic dishonesty allegation results in a finding of no-fault, the effective date for withdrawal will be adjusted as needed.

2. **Session/University Withdrawal**
   A session/university withdrawal is a student-initiated request to discontinue all courses within a session (Fall 1, Fall 2, Spring, Maymester, etc.). To request a session/university withdrawal, students must complete the Request for Session/University Withdrawal form in the MyPark portal under My Student Academic Tools>Academic Information>Request for Session/University Withdrawal Form or contact the Registrar's Office (3rd floor Mackay; academiccompliance@park.edu; 816-584-6270). Students are able to initiate a session/university withdrawal until the last day of the session. When requesting a session/university withdrawal, refunds (if applicable, see refund policy) and grades (see grading policy) for all withdrawn courses are based on the date the withdrawal request form is submitted or the date the student provides official notification to the Registrar's Office of intent to withdraw from a session. Students who are unable to officially withdraw due to military deployments, hospitalization, or other extenuating circumstances must submit supporting documentation to academiccompliance@park.edu, preferably at the time of the withdrawal request but no later than five business days following submission of the request. Exceptions to the grading and/or refund policies are granted at the sole discretion of the University.

*For information and resources about student loan repayment, or to submit a complaint relating to your student loans or student loan servicer, please visit www.wsac.wa.gov/loan-advocacy or contact the Student Loan Advocate at loanadvocate@wsac.wa.gov.

Administrative Withdrawals

Administrative withdrawals are initiated by Park University for reasons such as non-attendance, non-payment, academic suspension, or misconduct. Park University reserves the right to administratively
withdraw a student from class(es) for failure to meet financial obligations or failure to participate in an academically related activity in a class during the first two weeks of the session. If a student does not initiate the academic withdrawal process and has not participated in an academically-related activity in the class during the first two weeks, the University will initiate an administrative withdrawal from the respective course(s) with no record on the transcript.

**Unofficial Withdrawals**

An unofficial withdrawal occurs when a student begins participating in class but ceases participation prior to the end of term without ever officially withdrawing from the course. Refer to the Unofficial Withdrawal section for information about how unofficial withdrawals affect financial aid.

**Enrollment Adjustment Period**

It is the student's responsibility to initiate and complete the necessary procedures for making course schedule changes such as adding, dropping, exchanging, or withdrawing from courses. Adding, dropping, exchanging or withdrawing from courses may affect financial aid previously awarded. Online (i.e. self) registration for the semester/term will close one (1) week before classes begin, on the Monday before the beginning of the semester/term. This helps prevent situations where students must be dropped from classes for non-payment. In the event that University holidays/closings impact this deadline, online registration will close the next business day.

The first eight calendar days of a session constitutes the Enrollment Adjustment Period. Students are entitled to 100% refund of tuition and fees during the enrollment adjustment period. Within this time, the student will be permitted to evenly exchange class(es) during the first four calendar days. The final day to add or exchange a course (face-to-face or online) will be the fourth (4) day of a session. The last day to drop a course will be the eighth (8) day of a session, except for two week classes. If a student drops a course within the 8 day enrollment adjustment period, the course will not appear on their transcript. The drop date for non-payment of late registrants will be the eighth (8) day of the session. Night classes or other single day classes may be added up to 1 day prior to the first class. For any adjustment other than even exchange, the student will be responsible for charges associated with the Enrollment Adjustment as detailed in the Refund Policy section. Adding or dropping class(es) must be arranged by the student with their success coach, faculty advisor, or by sending an email to advising@park.edu via their Park email account.

*For information and resources about student loan repayment, or to submit a complaint relating to your student loans or student loan servicer, please visit www.wsac.wa.gov/loan-advocacy or contact the Student Loan Advocate at loanadvocate@wsac.wa.gov.

**Leave of Absence/ Emergency Leave Procedures**

A student may request a Leave of Absence from all courses if s/he needs to be absent for more than two consecutive weeks of class(es). The formal institutional guidelines for this procedure are:

1. Students must request the leave of absence in writing, signed and dated, prior to the leave of absence unless unforeseen circumstances prevent the student from doing so. If that is the case, the circumstances must be documented.
2. Documentation supporting the request should be submitted concurrently with the request.
3. The written request and documentation should be sent to the Registrar's Office and to the appropriate Campus Center Director or Department Chair.
4. All faculty members concerned will be provided the requested materials for review. This is necessary so that potential problems associated with grading or required assignments can be handled. The faculty member may make arrangements to allow the student to complete the
coursework that s/he began prior to the leave of absence. The student cannot begin a new semester/term without having completed all conditions of the previously approved leave of absence.

5. Faculty members will respond, in writing, to the Registrar’s Office and Campus Center Director or Department Chair, concerning their agreement or disagreement to the terms of the leave of absence.

6. The student and faculty must agree, in writing, on the nature of the coursework that must be completed in order to successfully receive credit for the class.

7. The appropriate Associate Dean or Regional Director will be provided all materials pertaining to the leave of absence in order to provide the final approval.

8. If all parties agree to the terms of the leave, the leave may be granted. There must be a reasonable expectation that the student will return to school. If there is not a reasonable expectation, the Dean of Students Office can provide assistance.

9. The approved leave request and all supporting documentation will be forwarded to the following individuals as appropriate for the students:
   - Provost or designee
   - Controller
   - Faculty
   - Dean of Students
   - Campus Center Director
   - Student Financial Services
   - Associate Dean
   - Registrar
   - Regional Director
   - College Dean

10. If the student wants to appeal the final decision or has concerns regarding the final decision, the student should contact the Dean of Students.

11. A student may be granted no more than one leave of absence in any 12-month period and it may not exceed 180 days. The institution will not place additional charges on the student’s account for completion of the course work upon return from the leave of absence. An approved leave of absence will not affect a student's in-school status for the purposes of deferring Federal loans.

12. A student may be granted no more than one leave of absence in any 12-month period and it may not exceed 180 days. The institution will not place additional charges on the student’s account for completion of the course work upon return from the leave of absence. An approved leave of absence will not affect a student's in-school status for the purposes of deferring Federal loans. An enrolled student may elect to take a leave of absence for up to one academic year because of pregnancy and/or disability; the birth, adoption, or placement of a child; and/or to care for an immediate family member (spouse, child, or parent) with a serious health condition. Park may extend the leave term in the case of extenuating circumstances or if medically necessary due to the health of the student.

13. If a student does not return from an approved leave of absence, the student’s withdrawal date and the beginning of the student’s grace period for federal loans will be the date the student began the leave of absence. This may exhaust some or all of the student’s grace period for federal loans, putting the student into repayment status.

In order to totally withdraw: Students must complete the Request for Session/University Withdrawal form in the MyPark portal under My Student Academic Tools>Academic Information>Request for Session/University Withdrawal Form or contact the Registrar’s Office (3rd floor Mackay; academiccompliance@park.edu; 816-584-6270). Please see the Session/University Withdrawal section for more information.

Graduation and Commencement
An Application for Graduation is required of all students who expect to complete a certificate or degree. Additionally, students who wish to participate in commencement and/or receive a diploma are required to pay the graduation/diploma fee. The Application for Graduation is accessible in MyPark. Students must submit an application for each credential they expect to earn. Students may contact their advisors for assistance.

Students who plan to participate in a commencement ceremony must adhere to the following deadlines:

- For Kansas City Area students and those participating in the commencement ceremony for the main campus, the graduation application is due March 15th for the Spring commencement ceremony. If this date falls on a weekend, the deadline is extended to the next business day.
- Graduation applications for Campus Center commencement ceremonies are due 60 days prior to the ceremony the student plans to attend.
- Students who apply by the deadline will have their names published in commencement booklet. Those who apply after the deadline may not appear in the commencement publication.
- Students not participating in a commencement ceremony must apply no later than the final day of the session in which the student plans to graduate. Applications received after the session ends will be conferred at the end of the following session.

Students who need to change data from their graduation application (such as diploma name or address, commencement location, or expected graduation session) must contact the Office of the Registrar (registrar@park.edu) to have their record updated.

**Degree Check and Graduation**

Once the student submits a graduation application, the Office of the Registrar will review the student’s audit and coursework. All enrolled classes and any remaining requirements will be annotated on that application; an email containing those annotations will be sent to the student, the Student Success Coach, faculty advisor and/or campus center for group awareness and review.

The Office of the Registrar confers degrees at the end of each primary session (Fall 1, Fall 2/Fall semester, Spring 1, Spring 2/Spring semester, and Summer). For a student to receive a graduation date at the end of the session, all graduation requirements must be met by the last day of the term. Any requirements not met by the last day of the term will defer the student’s graduation eligibility to the next session.

Students who enter into a Contract for Incomplete cannot graduate until the end of the session in which the Contract for Incomplete is cleared. Additionally, any outstanding transcripts, test scores, portfolios, capstone assessments, comprehensive exams, or other graduation-relevant materials must be received by the Office of the Registrar no later than three weeks (21 days) of the end of the session in order for the student to graduate that session. Any transcripts or test scores are received after the three-week deadline will defer the student’s graduation to the following session.

All correspondence concerning graduation and commencement will be sent to the student’s Park University email address. Students are responsible for checking their Park email.

**Graduation Honors**

Eligibility for graduation honors is eligible for bachelor degree level and shall be based upon the following criteria:

1. 30 or more earned hours from Park University
   The cumulative Park University grade point earned as follows:
Cum Laude 3.500 to 3.699
Magna Cum Laude 3.700 to 3.899
Summa Cum Laude 3.900 to 4.000

2. Graduation Honors are not retroactive for those students receiving changes of grades or Incompletes.

Undergraduate Classification

Class division is determined by the number of accumulated hours as follows:

Freshman 0 - 27
Sophomore 28 - 57
Junior 58 - 87
Senior 88 - ∞

Copyright Policy — Classroom

It is the intention of Park University to comply with the provisions of the Copyright Act of 1976 and all related legislative acts (the TEACH Act). The material(s) in any Park University classroom is/are only for the use of students enrolled in that course for purpose(s) associated with the course and may not be retained and/or further disseminated.

The use of material(s) is limited to personal study and research related to the completion of the course. Material(s) found in the classroom may not be reproduced in multiple copies and/or for further distribution without the permission of the course instructor unless otherwise noted. Enrolled students in the course may display the material(s) on their computer screen and/or equivalent device(s) or make a single printed copy for the sole purpose of personal reference.

Students may not make multiple copies of any material for redistribution, redistribute the material(s) by electronic means to any other person(s) or machine(s); modify or create derivatives of the material(s); reproduce, display, distribute, or modify the material(s) for commercial purpose(s) or for financial gain. The list of prohibited use(s) is not meant to be exhaustive.

For permission to copy, distribute, and/or reproduce material(s) in excess of the above guidelines and/or to publicly display and/or modify material(s), please contact the course instructor.

Course Repeats

When a Park University course is repeated, both the granting of credit and computation of the cumulative GPA will be based upon the second attempt. Title IV aid availability is dictated by the federal repeated coursework policy. The policy may be found on the Student Financial Services page at www.park.edu/apply-financial-aid.

Full-time Status, Overload Approvals
Definition of Credit Hours

Active student engagement with other students, the instructor, and the course content is required throughout the entire semester/term in all modalities, face-to-face, online, and blended, as indicated on the academic calendar.

16-week: All courses are valued in semester hours. Fifty minutes of classroom or direct faculty instruction and two hours out-of-class student work each week for 15 weeks, plus 50 minutes reserved for a final exam, for one semester hour of credit.

8-week: All courses are valued in semester hours. One hundred minutes per week of classroom or direct faculty instruction and 240 minutes out-of-class student work each week for 8 weeks for one hour of credit. In eight-week courses, students and instructors are required to interact and complete educational objectives through the final day of the eighth week of the term as indicated on the academic calendar.

These semester/term interaction requirements are equally applied to face-to-face, online, and blended courses. In blended courses, this means that in addition to the final face-to-face meeting, students and instructors are required to continue instructional activities via virtual seat time through the final day of the calendar term (i.e., Sunday of the eighth week).

For online and blended courses, active student engagement with other students, the instructor, and the course content combine to form the equivalent amount of time (100 minutes per week required for each of all eight weeks throughout the calendar term). For blended courses, this means that in addition to the final face-to-face class meeting, students are required to complete virtual seat time requirements up through the final day (i.e., Sunday) of the eighth week of the calendar term. Finally, in keeping with the requirements for face-to-face courses, in online and blended courses, students complete other out-of-class requirements designed to achieve course learning outcomes for the approximately 240 minutes of such work for each one hour of credit, throughout the entire eight weeks of the calendar term.

Courses scheduled for a different number of weeks and other academic activities such as laboratory work, internships, practica, and studio work, have an equivalent number of hours as reflected in the combination of direct faculty instruction and out of class student work for the same amount of credit as listed above.

Full-time Status and Overload

Students can take a combination of both sixteen and eight week courses to establish their enrollment status. [NOTE: At times, specialized term configurations are put into place to accommodate a course. These terms take place within the semester framework.]

Undergraduate full-time course load is twelve (12) credit hours per 16 week semester. A student may enroll in no more than nine (9) hours per 8-week term without written prior approval from his/her Associate Dean or Dean/ (18) credit hours per 16 week semester without prior written approval from his/her Associate Dean or Dean.* The student shall have a cumulative grade point average of 3.0 or higher for consideration of an overload.

A full-time load for summer is 12 hours.

Graduate full-time course load is six or more credit hours during a 16-week semester. [NOTE: This definition of full-time status governs graduate assistantship awards.] Enrollment in three to five hours in a 16-week term will constitute half-time graduate student status. Two credit hours of enrollment during the semester will constitute part-time status. A minimum of six credit hours in any combination during a 16-week semester is considered full-time graduate enrollment by Park University. These standards apply to all graduate programs at Park University.
• This definition of full-time graduate student status does not meet the federally mandated full-time enrollment requirements for students receiving federal financial aid and/or student loans, or for international nonimmigrant students on F-visas.
• The definition of full-time graduate student status mandated by the federal government for students receiving financial aid and/or student loans and for international nonimmigrant (F-1) students supersedes the definition of the University's full-time graduate student status.
• The minimum 6 credit hours of enrollment each 16-week semester for international nonimmigrant students must be in face-to-face courses (online courses do not fulfill federal full-time enrollment requirements); online courses may only be taken in addition to the minimum 6 face-to-face credit hours.
• International nonimmigrant students who wish to enroll in credits for the second 8-week term of any semester must be enrolled in those credits at the beginning of the 16-week semester; failure to meet the full-time enrollment requirement at the beginning of each 16-week semester will result in the Termination of the student’s SEVIS Record and loss of their lawful visa status.

Blended, Online and Summer Courses

Blended Courses

Some blended courses may be offered as "Pirate Patch" courses in which the face-to-face portion of the blended course is facilitated by an instructor who engages face-to-face with students at a host site, and via synchronous web conference with students at a remote site. For students participating at the remote site, the class is considered distance learning. Students at remote sites should contact their Campus Center Director to determine if the "Pirate Patch" course will meet the in-residence requirements for VA benefits.

These courses will be identified as blended courses and Pirate Patch courses in the class schedule so that students will be aware of the delivery format; student participation in both components of the course is required. All courses offered are defined in the Park University Undergraduate catalog, and there is no indicator on the transcript as to the delivery method or location of the course delivered. All Park University courses count toward residency and contain the same content rigor no matter the instructional format.

All Park University blended classes require weekly contact with the instructor.

Online Courses

Courses offered online are from the current Park University catalog and are taught in an eight-week format, five (5) terms per year. Students may register for online courses any term during their Park University career. The courses offered will supplement the traditional classroom or complete a degree online. International nonimmigrant students should contact the International Student Services prior to enrolling. All Park University online courses will count toward residency. Park University prides itself on the quality of its courses in all modes of instruction.

During the term, online classroom contact with the instructor must be made on a weekly basis for assignments and online interaction within the Learning Management System (LMS). Syllabi for online courses are available online according to University-wide assessment procedures. Online courses contain the same core assessment and learning outcomes as Parkville campus courses. Students will find instructor contact information in the course syllabus.

The student must have his/her own access to the Internet. Additional information about online courses may be obtained on the Park Distance Learning website.

Summer Courses
The Parkville Daytime Campus Center offers a variety of on-campus programs during the summer semester/terms. The Parkville Daytime Campus Center program, offers two, four and eight week sessions. These programs provide an opportunity for students to accumulate a maximum of fifteen credit hours over the entire summer program, provided a student meets the course overload requirements. Additionally, these summer programs are available to those students from other colleges or universities who are home on vacation and wish to accumulate additional credits during vacation time. For additional information concerning summer programs, please visit www.park.edu/enroll.

**Remote Proctoring**

Park University utilizes remote virtual proctoring for some of the exams for students in certain classes (not all Park courses require proctoring – check the course’s syllabus for requirements).

**Audit Course**

The designation of "Audit" is a registration status used when students officially register for a class without earning a grade or credit. Online courses are not eligible for audit. Students must request course audits in writing prior to end of the course add period for the session. Audits are permitted only if space is available within the course. Students are charged one-half of the regular tuition rate and full fees for audited courses. Audited courses do not apply to degree requirements and are not eligible for federal financial aid. Students may not receive credit by exam or VLE (Validated Learning Experience) credit for audited courses.

**Cancellation of Classes**

Any course may be canceled at the discretion of the Provost or Campus Center Director. When a class is cancelled, students are notified so they may make necessary adjustments.

**Grading Policy**

</table>

A mark used when students "test out" of the class

Withdrawal without assessment of performance-issued between the last date to officially enroll and a date not later than the 10th week of the semester or 5th week of a term. Not available for two week sessions. No later
A grade of "Cr," "Au," or "P" will not affect a student's grade point average; however, it may impact financial aid eligibility.

Grade Change Policy

No grade changes shall be granted more than one calendar year from the original grade submission deadline. Any change of grade, prior to the deadline, will be initiated by the faculty member only who assigned the grade. All requests must be adequately documented.

A grade may be changed, prior to the deadline, for the purpose of correcting clerical or administrative error, or to correct an error in the calculation or recording of a grade. A change of grade will not occur as a result of additional work performed or re-examination beyond the established course requirements.

Incompletes

An Incomplete grade ("I") is issued at the discretion of the instructor and may not be issued to a student who has unexcused/excessive absences or limited participation in the course. A grade of Incomplete indicates that the coursework was not completed in the time allotted in the semester/term through no fault of the student as determined by the instructor. If a student cites a medical or disability reason for being unable to complete the coursework, the instructor will contact Disability Services for confirmation. An Incomplete cannot be granted as a disability accommodation unless approved by Disability Services. An Incomplete grade may be issued only upon submission of a "Contract for Incomplete" by the instructor. The Contract for Incomplete is due by midnight of the last day of the term/semester. Under the Contract for Incomplete, the instructor works independently with the student to determine new deadlines for the material, as well as any additional assignments that the student needs to complete. Final assessment of the grade is postponed to no later than the last day of the semester/term immediately following the semester/term in which the Incomplete was granted, unless an earlier deadline was established by the instructor. Failure on the part of the student to complete the work will result in a grade of "F". Students who are granted an Incomplete may opt out of the Incomplete within one week of notification.

NOTE: A grade of Incomplete may suspend the student from financial aid or graduate assistantships.
Independent Study

Independent Study is a means by which a degree-seeking student may complete a course. The requested courses must be out-of-class academic work which cannot be met through the existing curriculum, for which a course number and supervision are available, or a catalog course not scheduled for an academic year.

- **Undergraduate Requirements**
  The application must have attached a detailed proposal to include title, resources to be used, course objectives, content and evaluation aspects of the study. Applications must be signed by the student, the instructor, Department Chair, and Associate Dean or Dean. The application must be filed in the Registrar's Office prior to the last day of the enrollment adjustment period.

- **Graduate Requirements**
  The student must be in good academic standing with a grade point average of 3.0 or higher. A minimum of 25 percent of the degree requirements must be completed, unless an exception is granted by the program director or dean. If qualified, the student must request an Independent Study Agreement from the program director. A student is allowed a maximum of six (6) credit hours through independent study to complete the requirements. The program director must approve all independent study courses. All charges, regardless of funding, must be paid in full when the independent study is approved. A syllabus with proposed topic, readings, assignments and scheduled meetings are to be submitted to the program director.

The student and the faculty member may interact face-to-face, in an online classroom, via email or through a combination of these methods to complete academic activity.

Acadeum Course Sharing Consortium

Park University is a member of Acadeum, a consortium of independent institutions that allows students to seamlessly enroll in online courses at other colleges and universities. The purpose of the Consortium is to enhance student success and degree completion by providing access to a broad range of online courses. Students may enroll in Acadeum courses to increase their course load for the semester, make up credit hours, or fulfill other degree requirements.

Courses completed through the consortial arrangement are considered Park residential courses. Residential courses apply to the student’s cumulative Park grade point average (GPA), residency requirements, and academic progress standards (for both academic standing and satisfactory academic progress for financial aid). The grade replacement policy applies to equivalent courses repeated at a partner institution.

Course Approval and Enrollment

Students interested in taking a course through Acadeum must request and receive approval from both the partner institution and Park University. Only courses that fulfill a remaining degree requirement (major, minor, concentration, LE, or required elective hours) will be approved. Certain courses have been preapproved by the University; other courses are reviewed upon request. Students may request courses through Acadeum's student portal (https://acadeum.com) or by contacting the student's Success Coach or the Office of the Registrar (registrar@park.edu), particularly if the course has not been preapproved. Park will collaborate with the partner institution to complete the enrollment process, once the course is approved.

Students are billed by Park University and pay the hourly tuition rate per Park University’s established tuition and fees. Students are responsible for the cost of all learning materials, including textbooks, as determined by the partner institution. Textbooks and supplemental materials are not included in tuition and fees. Students who wish to be considered for federal financial aid must complete a Park University Consortium Agreement (available in MyPark). Park University will disburse any eligible federal funds, once it is determined that the student has met all eligibility requirements. Students must adhere to the
participation policy of the partner institution (which may be stricter than Park University's participation policy). At a minimum, students must adhere to Park University's participation policy. Park University will verify with the partner institution that Acadeum students have met participation requirements.

Students who are approved to take courses through this arrangement will be registered in a section of the equivalent course through Park University in the term that best aligns with the term in which it is being taken at the partner institution. The student's Park University transcript and degree audit will reflect the enrollment in consortial courses. Park University will report the student's enrollment status to the National Student Clearinghouse and student loan lenders. Once final grades are reported by the partner institution, the grades will be posted to the student's Park University transcript and the student's term and cumulative credits and GPA will be updated.

**Academic Policies**

Students are expected to submit assignments, secure textbooks and learning materials, and follow through on all required actions as required by the partner institution and/or stated on the syllabus. Course drop dates are determined by the partner institution, and students must adhere to those dates. Students must handle any disputes directly with the partner institution. Park University will not intervene in disputes regarding grades, course drops or withdrawals, refunds, etc. Students who wish to appeal a grade should follow the procedures for grade disputes/appeals as outlined by the partner institution. Park University will not change a final grade without consent of the partner institution.

Students must pay attention to the Welcome letter from the partner institution to know the last date to drop, as drop dates and academic policies and procedures differ from those at Park University. Students are required to follow Park University's withdrawal policy, in addition to notifying the partner institution. Effective dates for drops/withdrawals are handled in the same manner as for Park University courses. The student may submit a drop/withdrawal request to the Registrar's Office at academiccompliance@park.edu.

- Students who withdraw will be assigned a W grade by the partner institution.
- Students who are not in compliance with the teaching institution's participation policy may be dropped by the partner institution.
- Park University may drop students from consortial courses for nonparticipation.

Students who take courses through Acadeum during their last term prior to graduation may experience a delay in degree conferral. All grades must be finalized and all requirements satisfied within three weeks of the end of the Park University term in order for students to graduate that term. If grades and/or requirements are not finalized within that timeframe, degrees will be conferred at the end of the subsequent Park term.

**Important Considerations**

Students taking courses through Acadeum should be aware of the following:

The partner institution may use a different Learning Management System (LMS) or online course platform.

- Students should regularly check their Park University email address for communication from the partner institution (textbooks, access to courses, etc.) and/or Park University for important information.
- Deadlines and policies at the partner institution differ from those at Park University. The student is responsible for knowing the drop date, participation requirements, and other policies and procedures of the partner institution. Generally, this information is communicated to the student via the Park University email account and/or through the online course platform or course syllabus.
• Students are encouraged to drop courses prior to the drop date associated with the course, if at all possible, by notifying both the partner institution and Park University (academiccompliance@park.edu).
• Students should contact their Student Success Coach and/or the Office of the Registrar to determine eligibility to enroll in courses through the Academium consortium. Park University reserves the right to deny enrollment through Academium for various reasons, including but not limited to, availability of courses at Park University, degree applicability of courses, course load, academic performance, satisfactory academic progress for financial aid, or funding source. Students using Veterans Benefits are not eligible to participate in Academium.
• Academium courses will appear on Park University transcripts as residential courses. Students in need of transcripts should order them from Park University. (Students do not need to request transcripts from the partner institution.)

FERPA

Students who request a course through Academium agree to receive communication from the partner institution and consent to allow the partner institution and Park University to share academic and financial records associated with the course(s) that the student enrolls in through Academium. This includes but is not limited to course status, drop/withdrawal status and dates, participation, academic progress and performance, grades and grade-related information, term/academic calendar dates, and tuition and refunds. Certain demographic information may also be shared including name, phone, email address, address, state of residence, citizenship, major, level, gender, date of birth, start date, ethnicity, race, and advisor name and email address.

Major/Degree Declaration

Major Declaration

A major must be declared prior to accumulating 60 hours of work. For transfer students with more than 60 hours, majors must be declared at the time of admission or during the first enrolled semester/term thereafter.

Dual Degrees

A student is considered a dual degree when the student is concurrently enrolled in two separate degree programs (ex. Bachelor of Science and Bachelor of Arts). A student may pursue a dual degree if the chosen degrees are approved and readily available at the student’s Campus and/or online. A student must complete all graduation requirements for both degrees before the student is eligible to graduate. When the student graduates from a dual degree pursuit, a diploma for each degree program will be issued (ex. one Bachelor of Science and one Bachelor of Arts). Students pursuing dual degrees who wish to graduate with one degree must submit a Declaration of Major to drop the second degree. (Those who elect to complete one degree may return for a subsequent/second degree provided they meet the criteria for earning a second degree.)

Double Majors

A student is considered a double major when the student is concurrently enrolled in two separate majors in the same degree program (ex. Bachelor of Science with a major in Criminal Justice Administration and a major in Social Psychology). A student may declare a double major by submitting a Declaration of Major
form or an Application for Admission. Declaring a double major will update the student’s entire degree audit to the current catalog in effect. A student must complete all graduation requirements for both majors before the student is eligible to graduate from the degree program. When the student graduates from a double major pursuit, a single diploma listing both majors will be issued. Double majors who wish to graduate with one of the majors must complete a Declaration of Major to drop the second major. (Students who elect to complete one major may return for a subsequent degree provided they meet the criteria for earning a second degree.)

**Note for veteran benefits recipients:** Dual Objective programs, requiring more hours than a standard degree, which are reasonably related to a single career field, may be pursued by veterans. The student shall file a statement pertaining to his/her ‘career field of pursuit’ showing the relatedness of the objectives that is approved by school officials. The programs of pursuit must be approved by the State Approving Agency of jurisdiction in which the campus presides. Contact your Veterans Affairs representative on campus for more information.

**Requirements for Double Major:**

**Associate’s**

1. Minimum of 15 residency hours - Associate of Arts/Sciences. At least nine of these credits must be in the major.
2. Minimum cumulative grade point average of 2.0.
3. Core requirements fulfilled for each major.
4. Requirements outside major division fulfilled.
5. A minimum of 60 semester hours accumulated.

**Bachelor’s**

1. Minimum of 30 residency hours. At least 15 of these credits must be in the major.
2. Minimum cumulative grade point average of 2.0.
3. Core requirements fulfilled for each major.
4. Complete Liberal Education course distribution.
5. A minimum of 120 semester hours (B.S., B.S.E., B.M., B.P.A.), 122 (B.A., B.F.A., B.S.W.), or 126 (B.S.N.) semester hours accumulated.

When all core courses for both majors and the liberal education requirements are completed, one diploma listing both majors will be issued.

When adding a major after the initial evaluation, the student’s entire degree program will move to the new catalog, including the previously declared major, any minors, and the liberal education requirements. The previously accepted transfer credit will remain transcribed; however, the application of credit may change.

**Second Degree**

When adding or changing a major, minor, or certificate through the Declaration of Major Form, the student’s entire degree audit, including the original major, will update to the current Catalog in effect. A student who has completed a bachelor’s degree at Park University must submit a new admissions application.

a. The accepted credit listed on the student’s transcript remains the same, but the accepted credit will be applied toward the second degree according to the catalog at the time the student re-enrolls.

b. A second degree audit is generated. Students who have previously earned a Park University degree must complete an additional 30 hours of residency hours.
c. Students entering Park University with a bachelor’s degree from an acceptable accredited college or university are required to meet the residency, major and/or certification requirements.

**Graduate Comprehensive Exam**

When applicable, a student who fails the final comprehensive exam, except in the cases of plagiarism, may repeat the exam one time, with the permission of the program director. Any further attempts would only be permitted upon the recommendation of the program director and the approval of the College dean. If a student fails a comprehensive exam due to plagiarism the policies for comprehensive exams, stated under Sanctions against Academic Dishonesty apply.

**Interdisciplinary Graduate Work**

Students must take the core courses of the program in which they wish to receive their degree; however, they may take electives in other Park University graduate programs, with the approval of their adviser and program director. The electives should be a reasonable part of their academic and professional plans. The number of hours chosen, as electives, will vary with the program and may not exceed nine (9) credit hours. (See appropriate sections of the Catalog). Students wishing to receive an interdisciplinary graduate degree must contact graduate student success services.

**Master’s Thesis Procedure**

The writing of a thesis is a highly valued academic exercise especially suitable for students who wish to continue their graduate education in pursuit of a doctorate degree after completing the master’s degree. The thesis is traditionally regarded as the culminating activity in a master’s degree program. Students may earn up to six hours of graduate credit for writing a thesis, earned through fixed or variable credit courses, depending on the graduate program offered. Continuous enrollment for an additional one hour is possible, with the approval of the thesis committee chair.

Students should carefully plan their activities, in order to ensure that they develop a workable proposal, conduct the research, write the thesis and get it approved by the thesis committee, in a timely manner. A copy of the completed thesis should be submitted to the major adviser no later than six weeks prior to the date of Commencement. College dean should receive a copy for final approval no later than three weeks prior to the day on which the degree is to be conferred.

**Responsible Conduct of Research and Scholarship**

The conduct of research and scholarship must conform to the highest standards of ethical and professional integrity. Every aspect of research, including data collection, research design, research procedures, conclusions drawn and the dissemination of results must adhere to superior ethical standards, transcending personal gain, financial consideration or other individual or institutional advantage. Research involving human and animal subjects must meet the requirements of all applicable laws and regulations, as well as University procedures, to ensure the well-being of the human and animal subjects. See Institutional Review Board information at www.park.edu/academics/institutional-review-board.

**Thesis Committee**

Candidates should consult their major adviser in forming a thesis committee and clarifying the role of the committee members in the research and writing process. The primary responsibility for directing the thesis resides with the adviser. The committee should consist of a minimum of three approved graduate faculty,
including the major adviser in the discipline area. It is advisable to include additional faculty member(s) from outside the discipline, as faculty external to the discipline can bring fresh perspectives or provide valuable assistance in the conduct of research.

**Thesis Procedures**

The candidate must register for the appropriate thesis course to begin the process of developing a thesis proposal. Registration allows the student to receive advice from a faculty member and to utilize University facilities to prepare for the thesis. While enrolled in this course, the student is expected to actively work on developing a formal proposal related to an area of research interest, under the direction of a faculty member who will be the major adviser or the Committee chair.

At minimum, the research proposal should identify the problem, clarify the thesis statement, select an appropriate research methodology (including the data gathering instruments and data analysis techniques) and provide an effective overview of the scholarly literature. The following general outline may be helpful in developing a proposal.

- **Key concepts and definition of the project.** Concisely and clearly state what the project intends to accomplish. What are the basic questions to be explored?
- **Significance of the study.** Why should the scientific community be interested in this study? What contribution will it make to the discipline, the profession and society?
- **Review of relevant literature.** How does your research relate to the work of others? Where are the gaps in literature? What do you hope to add to the literature?
- **Methodology.** How do you plan to approach the subject? What is your methodology and what instruments or procedures will you use to gather the data/information that you would need to address the questions? What is the justification for the use of this methodology? Do you have the resources to conduct the study, such as access to people, data, archives, collections, time, etc.?
- **Plan of work and timetable.** Present a realistic timetable including specific dates by which you plan to complete specific facets of the research. It will help you and the Committee to decide if you can realistically complete the project.
- **Bibliography.** Present a working bibliography that includes scholarly books and articles. You will revise and expand this bibliography as you continue with your project.

**Proposal Defense and Submission**

When the proposal is ready for defense, the student must work with the Committee chair in setting a date for the proposal defense. The defense must be conducted at least one semester prior to graduation and the proposal must be submitted to the dean of the College once it is approved by the chair and all members of the Committee. The student must work with the Committee chair in submitting the proposal to the Committee members for their approval. Once approved by the Committee, the chair will forward the proposal to the dean of the College at least one semester prior to the semester in which the student is expected to graduate.

**Human Subjects Protection and IRB Review**

In preparing the thesis proposal, students must be aware that any research which involves human subjects must be approved by the Institutional Review Board of the University in order to ensure compliance with applicable federal regulations and University policies. The proposal must be reviewed and approved by the IRB according to the University procedure. Failure to gain the IRB approval will result in denial of the proposal. It is a violation of the procedures to contact human subjects prior to the IRB approval of the proposal. It is highly recommended that the IRB approval be received prior to the submission of the
proposal. Additional information related to the IRB may be found at www.park.edu/academics/institutional-review-board/irb/.

**Data Collection**

Following the approval of the thesis proposal, students may begin data gathering. Data may be collected using qualitative, quantitative, participatory, documentary or action research methodologies, as may be appropriate. The writing of the thesis may then begin, with the guidance of the Committee chair. Students are encouraged to consult the chair regularly, to ensure that they receive timely and useful feedback throughout the research and writing process.

**Thesis Defense**

An oral defense of the thesis must be satisfactorily completed and approved by the Committee, and the result of the defense must be submitted to the dean of the College three weeks prior to graduation. Thesis defense is open to the University community.

**Enrollment in XX 799 (1 cr.)**

When additional time is needed to complete the thesis work, enrollment in XX 799 is permitted, in consultation with the chair. For additional information on the thesis procedure, please consult the director of your graduate program.

**Tuition and Fees**

**Tuition/ Fees/ Charges**

</table>
Thesis Binding Fee (if applicable) $80

*Some individual courses carry a course fee. These courses are designated by "$" on schedules.

** Applies to all F-1 international students. For international student non-athletes, the cost is $745. For international student athletes, the cost is $1,147 per semester, as it also provides coverage for accidents and sicknesses that occur while participating in intercollegiate sports. Cost of Student Health Insurance is subject to change without notice.

† Includes ATI assessment software, Simulation Technology fee, lab equipment and maintenance fees, and the pinning fee (seniors only). These fees are collected each semester through course fees.

If a student account is sent to an agency for collection and/or legal action, the account balance plus all collection fees (up to 33.3%) and legal fees will be paid by the student.

Graduate student registration is not complete without full payment of tuition and fees. The following provisions may be available:

1. The first term each year that a student is to receive a guaranteed student loan, payment of 10 percent of tuition is due at the time of confirmation.
2. Enrollment in the 3 pay Payment Tuition Plan for 8 week courses or 4 pay Payment Tuition Plan for 16 week courses (contact the Graduate Studies student account representative for information).

Students are advised that provisions for a variety of tuition benefits, such as employer-provided vocational rehabilitation, Veterans Affairs Educational Assistance and tuition assistance for military members, may change over time. Please consult with the School of Graduate Studies Representative regarding your status in these matters.

State Specific Refund and Tuition Policies

California

Student Tuition Recovery Fund

The Student Tuition Recovery Fund (STRF) was established by the legislature to protect any California resident who attends a private postsecondary institution from losing money if you prepaid tuition and suffered a financial loss as a result of the school closing; failing to live up to its enrollment agreement; or refusing to pay a court judgment.

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF), or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to:
To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law. However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Students who receive the California Grant B Access Award may choose to apply the scholarship funds to their student account, or may choose to request a direct disbursement of funds via the refund method they have selected; ACH or stored value card.

Students who wish to receive a direct disbursement of funds must make the request in writing. The request can be made by sending a message from the student’s Park University email account to finaid@park.edu.

*For information and resources about student loan repayment, or to submit a complaint relating to your student loans or student loan servicer, please visit www.wsac.wa.gov/loan-advocacy or contact the Student Loan Advocate at loanadvocate@wsac.wa.gov

**Enrollment Agreement Cancelation**

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. In addition, for online distance education classes where the instruction is not offered in real time, students have a right to cancel the enrollment agreement and receive a full refund before the first lesson and materials are received.
Cancellation is effective on the date written notice of cancellation is sent. Park University shall make the refund pursuant to 5 CCR Section 71750. If Park University sent the first lesson and materials before an effective cancellation notice was received, Park University shall make a refund within 45 days after the student's return of the materials.

For online distance education classes where the instruction is not offered in real time, (1) Park University shall transmit all lessons and materials to the student if the student has fully paid for the educational program and, after having received the first lesson and initial materials, requests in writing that all of the materials be sent, and (2) if Park University transmits the balance of the material as the student requests, Park University shall remain obligated to provide the other educational services it agreed to provide, such as responses to student inquiries, student and faculty interaction, and evaluation and comment on lessons submitted by the student, but shall not be obligated to pay any refund after all of the lessons and materials are transmitted.

Prior to signing an enrollment agreement students are encouraged to review the university catalog and the School Performance Fact Sheet. These documents contain important policies and performance data for this institution. This institution is required to have students sign and date the information included in Park University Performance Fact Sheet relating to completion rates, placement rates, license examination passage seven rates, salaries or wages, and the most recent three-year cohort default rate, if applicable, prior to signing the enrollment agreement.

Any questions a student may have regarding an enrollment agreement that have not been satisfactorily answered by Park University may be directed to

Bureau for Private Postsecondary Education
1747 N. Market Blvd., Ste. 225
Sacramento, CA 95834
https://www.bppe.ca.gov
(888) 370-7589
(916) 263-1897 fax number

A student or any member of the public may file a complaint about Park University with the Bureau for Private Postsecondary Education by calling toll-free (888) 370-7589 or by completing a complaint form, which can be obtained on the Bureau's Internet Web site https://www.bppe.ca.gov.

• PELL/GSL: 25% of tuition due at registration first term each year the student uses student aid with Park University. The student is accountable for any debit posted to his/her account upon disbursement of financial aid.
• DOD: Must have completed 1556 with obligating signature.
• Pay at registration (PAR): All tuition is due at registration for students not receiving above funding.

Student Health Insurance

(subject to change)

All F-1 international students are required to purchase student health insurance each semester they are enrolled at Park. It is a comprehensive policy that also covers some international travel. For more information, please review the online brochure at: http://info.visit-aci.com/park/.

Park University no longer accepts waivers for other health insurance. All F-1 international students are required to purchase the Park-sponsored student health insurance, unless they are required to purchase a particular policy by their home country and can provide that documentation. Please note that international student athletes must purchase a special insurance policy that also covers accidents and sicknesses that occur while participating in intercollegiate sports.

For more information - please check with staff in the Student Success Center in Herr House.

Payment Policies

A financial aid award for each semester/term will be applied toward the total charges on the student’s billing statement; tuition, fees, books and supplies and room and board, etc. Any remaining balance due should be paid on or before the Monday prior to the semester/term or a payment plan in place for that semester/term.

A student will not be permitted to enroll in future terms unless all debts are settled. Official transcripts are not released until the balance is paid in full.

If financial aid results in a credit balance after all direct charges on the billing statement are paid, the credit will be refunded to the student within 14 days of the date the credit refund posted in accordance with Title IV regulations.

Students who set up direct deposit will have their refund processed in the form of ACH to the designated account. Students can use MyPark to complete the ACH direct deposit form. Students who do not complete the ACH form will have a manual check mailed to the address on file with the University.

Students must sign into MyPark in order to locate the forms below.

1. Direct Deposit ACH Form
A Bank account is required for this option. This form takes 3 business days to process once received by the Accounting Services.

Parking

All Kansas City Area students (Parkville Daytime Campus and Park KC Area Programs-Downtown, Independence, and Parkville) are required to register any motor vehicle that is operated at the Downtown, Independence, and/or Parkville Campus Centers with the Park University Department of Campus Safety. To register a vehicle, students must complete a vehicle registration form. Forms are available at the Office of
Audit of Courses

The designation of "Audit" is a registration status used when students officially register for a class without earning a grade or credit. Online courses are not eligible for audit. Students must request course audits in writing prior to end of the course add period for the session. Audits are permitted only if space is available within the course. Students are charged one-half of the regular tuition rate and full fees for audited courses. Audited courses do not apply to degree requirements and are not eligible for federal financial aid. Students may not receive credit by exam or VLE (Validated Learning Experience) credit for audited courses. Send requests to parkvillesuccess@park.edu.

Senior Citizen

Undergraduate students 55 years of age or older may receive a tuition discount of 10% for credit bearing Parkville Daytime Campus classes only. Undergraduate students 55 years of age or older may audit (for no credit) Parkville Daytime Campus classes without tuition cost. Individual course fees, however, will be charged in full if applicable. When enrolling, the student must send a message to finaid@park.edu and accounting@park.edu so the discount may be applied.

Refund Policy

Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or seventh day after enrollment, whichever is later. Students who drop or withdraw from one or more courses may be entitled to a tuition refund. To determine if a student is eligible for a refund, the student must notify Park University as described in the Academic Withdrawal policy. Refunds are prorated based on the date in which the student formally requests the drop/withdrawal. Refunds are calculated based on the Refund Schedule below.

The Return of Federal Funds formula provides for a return of Title IV aid if the student received federal financial assistance in the form of a federal loan (Unsubsidized Stafford, Subsidized Stafford, Perkins, and Parent), Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (SEOG), Teach Grant, and other Title IV programs. In addition, these students must have withdrawn on or before completing 60% of the semester/term. If funds were released to a student because of a credit balance on the student's account, the student may be required to repay some of the federal grants or loans released.

Students who have received federal financial aid and who have withdrawn from anything less than 100 percent of their courses will have tuition refunded using the refund schedule listed below. Students not receiving federal financial aid who withdraw from one or all of their courses (both officially and/or administratively), will also have tuition refunded using the refund schedule listed below.

Students with financial assistance awards who withdraw from Park University will have financial assistance refunded in compliance with federal regulations as stated in the Federal Register. Park University returns funds to federal programs in the following order: Federal Loans, (Unsubsidized Stafford, Subsidized Stafford, Perkins, and Parent Plus); PELL, FSEOG, Teach Grant, other Title IV. Institutional awards are distributed after the federal programs.

The complete policy, explaining how financial aid to be refunded is calculated, is available in the Office of Student Financial Services or on the Park University website. Virginia residents enrolled in a Park University 16-week term will receive refunds based on 8 VAC 40-31-160 (N) (8).

All fees are nonrefundable after the Enrollment Adjustment Period and are subject to change. Room and Board at the Parkville Daytime Campus Center will be pro-rated on a daily basis. Students on the Parkville Daytime Campus Center wishing to cancel their housing contract must submit (and have approved) the Off-Campus Waiver at: www.park.edu/residence-life-and-education and pay a $500 contract cancellation fee.

Financial Aid

Assistance with Educational Expenses

The Office of Student Financial Aid (SFS) administers and coordinates programs of assistance from federal, state, college and private sources to increase postsecondary educational opportunities for eligible students. The philosophy of this office is to attempt to meet the full need of all eligible applicants by “packaging” funds from various sources, including college and non-college funds. Legal residents of Missouri, who are enrolled in Missouri, are encouraged to apply for the Access Missouri Financial Assistance Program. The deadline for application is published on the FAFSA.

Need, for financial assistance purposes, is the difference between the cost of attending Park University and all the financial resources an applicant has available. The calculation of a family’s financial strength includes consideration of current family income, assets, family size, number of family members in college, and other factors that may seriously alter a family's financial strength. Financial assistance programs are designed to supplement family resources by bridging the gap between cost and the family’s ability to pay.
International nonimmigrant students are not eligible to complete the FAFSA - and are not eligible for state or federal financial assistance; international nonimmigrant students are eligible for Institutional Scholarships, listed at www.park.edu/scholarships.

Application for Financial Assistance

To be awarded federal financial aid, the student must submit an Application for Admission through the Office of Admissions. Preference will be given to those whose files are complete by February 1 for the academic award year (July 1 to June 30).

When the following have been received in the SFS office at the Parkville Campus Center, an Award Notification email will be sent advising the student that aid availability is viewable through your financial aid portal.

1. Federal needs analysis is generated from the Free Application for Federal Student Aid (FAFSA) on which you listed Park University, code #002498. The output document can be in the form of the Student Aid Report (SAR) or Institutional Student Information Report (ISIR), which is downloaded by Park University from electronic data produced from the FAFSA. All students requesting aid who are eligible to complete the FAFSA are encouraged to do so.

2. If selected for verification (an asterisk appears beside the EFC number in upper right corner of the SAR or ISIR), Students will receive a missing information notice from the Park University Financial Aid office with instructions on completing verification. Student should check their email regularly for additional items needed. The following documents are needed to start the process:
   - Verification Worksheet.
   - If the IRS Data Retrieval Tool is not used, an official federal tax return transcript provided by the Internal Revenue Service, and if requested W-2s, even if the student was not married (or student and his/her parent's federal income tax form, if the student was a dependent). Utilization of the IRS Data Retrieval Tool lessens the likelihood of being selected for verification.

Financial assistance is awarded annually to qualified students who continue to demonstrate financial need and make satisfactory progress (see policy on Satisfactory Academic Progress for Financial Assistance). FAFSA applications must be submitted each year.

The FAFSA form is required to establish eligibility for need-based Title IV aid. The FAFSA may be completed on line at www.fafsa.ed.gov. There is no fee charged for the FAFSA application. The FAFSA form may be used as the single request for consideration for the Federal Pell Grant, Access Missouri Student Financial Assistance Program and all other Title IV and institutional assistance programs.

A FAFSA form is required for each family member when more than one student from the same family plans to attend Park University. Awards are made on a first-come, first-serve basis beginning approximately February 1, with a limited amount of certain types of funds available for awarding.

Active duty military personnel should consult their Education Services Officer (ESO) for information about financial aid from branches of the Armed Forces or from the Veterans Administration.

- Tuition assistance is available to active duty personnel within Service guidelines. The Education Center will authorize payment of the proper percentage of tuition/fees to authorized individuals. Enlisted personnel and warrant officers incur no service obligation as a result of acceptance of tuition assistance but must be on active duty upon completion of the course(s). Commissioned officers may have to agree in writing to remain on active duty for a minimum of two years after completion of the course(s).
- Park University programs are approved for veteran benefits and comply fully with Public Law and Title IX of the Education Act of 1964.
Park University’s academic programs of study are approved by the Higher Education Coordinating Board’s State Approving Agency (HECB/SAA) for enrollment of persons eligible to receive educational benefits under Title 38 and Title 10, U.S. Code.

For Washington State residents seeking information and resources about student loan repayment or seeking to submit a complaint relating to your student loans or student loan servicer, please visit www.wsac.wa.gov/loan-advocacy or contact the Student Loan Advocate at loanadvocate@wsac.wa.gov.

Financial Aid Checklist

Students Transferring To Park University

To Transfer Financial Aid Eligibility from another school to Park University:

1. The applicant must first be admitted as degree-seeking at Park University.*
2. If applying for federal financial assistance, a valid FAFSA must be on file. (The Park University code is 002498).
3. Student Loan Recipients - If the applicant received a Federal Direct or Direct Parent Student Loan in the previous semester and are transferring to Park University, the applicant should contact the previous institution to cancel any subsequent loan disbursement at the previous school. The applicant must reapply for the loan at Park University.
4. Missouri Higher Education Academic Scholarship Program - An applicant may change his/her approved institution choice prior to the beginning of the first day of classes and may transfer between approved institutions during the academic year. The deadline for such actions is August 1 for the fall semester and January 1 for the winter or spring semester. Failure to notify the Missouri Student Assistance Resource Services Office by the dates of such action may result in the loss of the award.
5. The applicant will be informed by Park University of the Financial Aid Award in the form of an electronic award notification. Please comply with the instructions accompanying this email.
6. If the applicant has been admitted with a low grade point average or is on academic probation, the applicant may not be in compliance with Park University’s Academic Progress Policy and may not be entitled to financial aid. Please contact the Student Financial Services Office or your Success Advisor for additional information.*

* Addresses and phone numbers to aid in obtaining forms, documents and information follows.

Student Attendance/ Participation Policy for Financial Aid

Park University confirms that students have engaged in an academically-related activity in the first two weeks of the term/semester for each course in which they are enrolled. Academically-related activities include, but are not limited to: physically attending a class where there is an opportunity for direct interaction between the instructor and students; submitting an academic assignment; taking an exam, an interactive tutorial or computer-assisted instruction; attending a study group that is assigned by the school; participating in an online discussion about academic matters; or initiating contact with a faculty member to ask a question about the academic subject studied in the course. Academically-related activities do not include logging into an online class without active participation, or participating in academic counseling or advisement. VA benefits will be terminated or adjusted if a VA beneficiary does not participate in any academically-related activity in the first two weeks.

Unofficial Withdrawal

The 50 percent point in the term will be used to determine the last date of attendance when students are unofficially withdrawn. The 50 percent point is used to calculate whether any Federal Title IV aid must be
returned to the United States Government. The student will be provided an opportunity to provide documentation that they participated in an academic related activity beyond the 60 percent point. If a VA beneficiary is administratively withdrawn or officially withdraws from a class(es) resulting in non-punitive grades, the student will be reported to the VA. Benefit certifications for the program may be terminated and the VA beneficiary may be in debt to the VA.

Rights and Responsibilities of Students on Financial Aid

As a financial aid recipient, students have certain rights and responsibilities of which they should be aware. Students have the right to know: the aid programs available at Park University; application process to be followed to be considered for financial aid; criteria used to select recipients and calculate need; Park University refund and repayment policy; and the satisfactory academic progress policy.

Students are responsible for: completing and submitting all forms in a timely manner and by the deadlines published by the U.S. Department of Education, including those items needed to perform verification; notifying the Student Financial Aid Office of changes in name, address, marital status, or financial situation; reporting to the Student Financial Aid Office any additional scholarships, loans, fellowships or educational benefits not listed on the financial aid award; notifying the Student Financial Aid Office of change in enrollment status; maintaining satisfactory academic progress; and reapplying for federal financial aid each academic year. Failure to do so could result in loss or reduction of their financial aid award. Additional information can be found at www.park.edu/student-financialservices/consumer-information.html.

Undergraduate Satisfactory Academic Progress Policy for Financial Assistance

Satisfactory progress is a federally mandated process and must be met to remain eligible to receive federal and state assistance.

The complete policy is available on the Satisfactory Academic Progress link at www.park.edu/student-financial-services.

Financial Aid Appeals

A student who is suspended from receiving financial aid may appeal by completing a Satisfactory Academic Progress Appeal Form online through the student’s My Park account. Required documentation may be scanned and attached in an email or faxed to the Director of Student Financial Services. The complete policy is available on the web site, upon request from SFS or in this catalog.

Undergraduate Grants and Scholarships

Codes for campuses eligible to apply for different types of aid:

(MIL) - Military (active duty)
(MO) - Missouri (resident attending class in MO)
(FED) - Federal (all students who are US citizens or eligible non-citizens)
(Parkville) - Parkville Daytime Campus Center
(KCA) - Kansas City Metropolitan Area
(PAP) - Park 8-week Programs-all areas

Federal Grants
Information on the Federal Pell Grant can be found at: studentaid.ed.gov and search "Pell grant."

Information on Federal SEOG can be found at: studentaid.ed.gov and search "SEOG"

Other Institutional Scholarships
Park University Academic Scholarships

Academic scholarships for new freshman and transfer students range from 25 percent of tuition to full tuition. Recipients must earn a minimum of 24 credit hours between August and May each year, be enrolled full time for the fall and spring terms, and keep the GPA required to renew the scholarship. More specific information is available from the Coordinator of Academic Scholarships or Office of Student Financial Aid. Park University scholarships can only be used for Park University tuition. Please contact the Coordinator of Academic Scholarships at (816) 584-6294 or www.park.edu for more information and application deadlines.

Park University Endowed Scholarships

Endowed scholarship selections are made year round. Applications received by February 1 will receive first consideration. Brochures with more detailed information are available in the Student Financial Aid Office at (816) 584-6290 or they are listed on the website at www.park.edu/scholarship. Park University scholarships can only be used for Park University tuition. The application for the endowed scholarships is available on the student portal.

Note on Financial Assistance

Non-repayable gift awards (other than employment) are directly credited against charges after the Enrollment Adjustment Period each semester/term if all paperwork is completed. For example, a valid Student Aid Report (SAR) must be on file for the Federal Pell Grant to be credited to an account. Student employment awards are never directly credited against charges. State grants are credited to the student’s account when funds from the state are received by Park University.

Financial assistance may be awarded to full and part-time students who qualify. Reduction from full-time to part-time status may result in a decrease in financial assistance.

Students who wish to adjust their financial aid package due to a change in their enrollment or financial circumstances may do so by submitting a Change in Aid form in MyPark under the Student Tab: https://my.park.edu/ICS/Offices/FinAid/Change_in_Aid_Forms.jnz

If a student obtains a loan to pay for an educational program, the student will have to repay the full amount of the loan plus interest, less the amount of any refund. If the student received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal financial aid funds.

Institutional Grant/ Scholarship Adjustments

The student has to be full-time to be eligible for the full grant awarded. A pro-rated amount of the grant awarded may be given if less than full-time under special circumstances; and must be appealed for. If the student drops below the number of hours for which the grant or scholarship was awarded, the grant or scholarship will be pro-rated based on the tuition charge at the time of withdrawal.

Undergraduate Loans

Federal Direct Stafford Loans - These are long-term, low-interest loans designed to provide students with additional funds for college whether they qualify for other types of federal financial aid. All of these federal loans have up to 10 year repayment term with a minimum monthly payment of $50.00. Please check with the Student Financial Aid Office for additional information on the federal loan programs. (FED)
This Aid Must Be Repaid!

**Loan Programs for Dependent Students**

**Federal Direct Stafford (subsidized):** Subsidized means the interest on the loan is paid by the government while the student is in school. To be considered for eligibility the student must be enrolled at least half-time, complete the FAFSA to determine need, not be in default on a previous loan or owe a refund on a federal grant. First-time borrowers must also be informed of their rights and responsibilities while borrowing from the federal loan program through an Entrance Interview. The maximum annual amount a dependent student can borrow is:

- $3500 1-27 hours
- $4500 28-57 hours
- $5500 58-87 hours
- $5500 88+ hours

Funds are not to exceed an aggregate limit of $23,000. A master promissory note must be signed. The Master Promissory Note (MPN) is a multi-year (serial) note. Once the MPN is signed, additional loans can be made without signing a new promissory note. The MPN can be revoked by the student through the following means: Student must send a WRITTEN notice to the Student Financial Aid Office. The MPN expires 12 months after the note is signed, if there is no initial; disbursement and the MPN expires 10 years from the date it is signed. Interest is variable but capped at 8.2 percent, and repayment begins when the six-month grace period ends after the student ceases to be enrolled at least half-time. (FED) A student with no outstanding principal balance in the Direct Loan program prior to July 1, 2013, is considered a ‘new’ student. ‘New’ student borrowing of Subsidized loan funds is limited to a 150% time period based on their current program.

**Federal Direct Stafford (unsubsidized):** Unsubsidized means the student is responsible for the interest on the loan amount while in school. Students can (1) pay their interest while in school, (2) pay their interest during their six month grace period, or (3) postpone interest payment and have it added to the principle when repayment begins after the six-month grace period ends.

The unsubsidized Federal Direct Stafford Loan can be offered by itself or made in conjunction with the subsidized Federal Direct Stafford Loan. Dependent students are eligible for a maximum of $2000 in unsubsidized per academic year, not to exceed the aggregate loan limit of $31,000. The student must apply for the subsidized Federal Direct Stafford Loan before applying for the unsubsidized Federal Direct Stafford Loan. (FED)

**Federal Direct Parent (PLUS):** This loan is made to parents of dependent undergraduate students. The student must meet the same eligibility requirements as listed for the Federal Direct Stafford Student Loans. The maximum amount a parent can borrow per year per student cannot exceed the cost of attendance less all other financial aid received. A credit check is required and a promissory note must be signed. The interest rate is variable but capped at 9.00 percent. There is no grace period for repayment unless the parent borrower is also a student enrolled at least halftime. Students must complete the FAFSA to determine parent eligibility for the PLUS loan.

**NOTE:** If the parent borrower is denied this loan, the dependent student may borrow additional funds under the unsubsidized Federal Direct Stafford Loan for independent students, not to exceed the yearly or aggregate totals for the independent loan program. (FED)

Each type of Federal Direct Stafford Loan described here as well as the Federal Direct PLUS loan will have an origination fee of up to 3 percent and could have an insurance fee of up to 1 percent deducted from the loan amount guaranteed. The loan must be guaranteed while the student is still enrolled and eligible. SFS will request the loan funds for each term or semester for which the student is enrolled by Electronic Funds
Transfer (EFT). The funds are sent to Park University and disbursed to the student’s account after the enrollment adjustment period has ended and/or the student’s required paperwork on file is complete.

**NOTE:** Any break of enrollment after the initial disbursement is made will result in the remaining aid being cancelled. If the student re-enrolls and wishes to use financial assistance, the student must contact Student Financial Aid and request to be repackaged.

**Loan Programs for Independent Students**

Federal Direct Stafford (subsidized): Subsidized means the interest on the loan is paid by the government while the student is in school. This loan has the same interest rates and the student must meet the same eligibility requirements as the dependent subsidized Federal Direct Stafford Loan. The maximum annual amount an independent undergraduate student can borrow is:

- $3500 1-27 hours
- $4500 28-57 hours
- $5500 58-87 hours
- $5500 88 - and greater hours

Funds are not to exceed an aggregate limit of $23,000. The combined total of undergraduate and graduate subsidized loans cannot exceed $57,500. (FED) A student with no outstanding principal balance in the Direct Loan program prior to July 1, 2013, is considered a ‘new’ student. ‘New’ student borrowing of Subsidies loan funds is limited to a 150% time period based on their current program.

**Federal Direct Stafford (unsubsidized):** Unsubsidized means the student is responsible for the interest on the loan amount while in school. Students can (1) pay their interest while in school, (2) pay their interest during their six month grace period, or (3) postpone interest payment and have it added to the principle when repayment begins after the six-month grace period ends. This loan has the same eligibility requirements and interest rates as the dependent unsubsidized Federal Direct Stafford Loan. The combination of subsidized and unsubsidized Federal Direct Stafford Loans cannot exceed:

- Year 1 - $9500
- Year 2 - $10,500
- Years 3, 4, 5 - $12,500

The maximum aggregate total for independent undergraduate and graduate students cannot exceed $138,500. (FED)

**Undergraduate Student Employment**

Employment awards may be included in offers of financial aid to assist financing educational expenses. There are numerous Parkville Daytime Campus Center employment opportunities and limited off-campus employment opportunities.

**Federal College Work Study Program**

Federal CWSP is subsidized by the federal government. Eligibility for this program is based on calculated financial need as determined by the FAFSA. First time workstudy students must complete an employment application. The employment application is available online or in the Student Employment office. Additional information can be found at www.park.edu.

**Institutional Employment Program**

This program is supported by the Carson C. Hathaway Memorial Trust for Student Employment at Park University. Student eligibility is based on financial need and/or ability to pay college costs. The Free
Financial Aid Application (FAFSA) should be completed (if eligible to file) as well as a Park Work Study Employment Application.

**Graduate Federal Financial Aid Types**

Graduate and professional degree students may be eligible to receive aid from the following federal student aid programs:

- **The William D. Ford Federal Direct Loan (Direct Loan) Program** — This is the largest federal student loan program. Under this program, The US Department of Education (ED) is your lender rather than a bank or other financial institution. There are two types of Direct Loans that graduate and professional degree students may receive:
  - **Direct Unsubsidized Loans** — Eligible students may borrow up to $20,500 per school year. Graduate and professional students enrolled in certain health profession programs may receive additional Direct Unsubsidized Loan amounts each academic year. Contact your school's financial aid office for details.
  - **Direct PLUS Loans** — Eligible graduate and professional degree students who need to borrow more than the maximum unsubsidized loan amounts to meet their education costs may apply for a PLUS loan. A credit check will be performed during the application process.

- **Teacher Education Assistance for College and Higher Education (TEACH) Grant** — The TEACH Grant Program provides grants of up to $4,000 a year to students who are completing or plan to complete course work needed to begin a career in teaching. The TEACH Grant is different from other federal student grants in that it requires you to take certain kinds of classes to get the grant, and then to do a certain kind of job to keep the grant from turning into a loan.

For students in the State of Washington: For information and resources about student loan repayment, or to submit a complaint relating to your student loans or student loan servicer, please visit https://www.wsac.wa.gov/loan-advocacy or contact the Student Loan Advocate at loanadvocate@wsac.wa.gov.

**Graduate Gainful Employment Programs**

Gainful employment programs are those that are offered by Park University that lead to a certificate or other non-degree credential, and for which students may receive federal financial assistance. All programmatic gainful employment information may be found on Park's website at: https://www.park.edu/tuition-financial-aid/gainful-employment/.

**Graduate Scholarships**

Scholarship selections begin in the spring for the following award year. The priority deadline for the Endowed Scholarship Application, with autobiography/personal statement and two letters of recommendation (some scholarships require that the recommendation letters be from educators and/or supervisors) is Feb.1 each year; however, applications are accepted year-round.

Applications and brochures with more detailed information are available in the Office of Student Financial Services (located on the Parkville Campus) or from the scholarship coordinator, who may be reached at (816) 584-6294.

Since some scholarships require students to demonstrate financial need, it is recommended that students complete the Free Application for Federal Student Aid. (International nonimmigrant students are eligible to receive institutional scholarships, but are not eligible to complete the FAFSA and may need to provide
alternative documentation to demonstrate financial need.) For a complete list of available scholarships, visit www.park.edu/scholarships.

**Graduate Assistantships**

The Graduate Assistantship program at Park provides students with a meaningful professional experience that enhances their graduate education and career development.

Within this broad framework, assistantships focus on – for example:

- Teaching-related duties (providing supplemental instruction or tutoring, leading discussion groups, participating in student learning assessment);
- Research (assisting an academic program or administrative unit in conducting research, often leading to presentation and publication opportunities for the Graduate Assistant); and
- Administration (program development, program facilitation, and assessment). Graduate Assistants contribute significantly to the areas within the University they serve. The role supplements and enhances the work of the area served and is not intended to replace core staff duties and functions.

Note: This is not a needs-based award and is not designed to provide students with all funding for their degree; students should expect to have additional financial resources. International nonimmigrant students are eligible to receive graduate assistantships.

**Qualifications for a Graduate Assistantship**

Assistantships are awarded on a highly competitive basis. To be considered for a graduate assistantship, a graduate student must be fully admitted into the graduate studies with a cumulative undergraduate grade point average of 3.0 or higher and be fully accepted into a Park University graduate degree program. See www.park.edu/grad for further details.

**Work Requirements**

Graduate assistants are required to work at least the specified number of hours. (Please note that international nonimmigrant students on F-1 and J-1 visas may not work more than 20 hours per week while classes are in session.) Students may not be required to report to work during school breaks, unless otherwise required to do so by the supervisor.

**Compensation**

All graduate assistants receive a modest monthly stipend and some tuition assistance.

See www.park.edu/grad for further information regarding graduate assistantship requirements, application procedures and other information.

The Graduate Assistantship program at Park provides students with a meaningful professional experience that enhances their graduate education and career development.

Campus Life and Student Services

Academic Success Center

The Academic Success Center (ASC) located in the Norrington Center on the Parkville Campus, offers many services to Park University students, all free of charge to Park students.
The Center also monitors the academic progress of students who are admitted on probation, or who become academically “at risk” after admission, or are placed on academic probation. Academic counseling is provided to assist the student in regaining good academic standing. Visit www.park.edu/academic-success-center or call (816) 584-6330 for more information.

**Free Tutoring**

Tutors are available for many academic subjects, including writing, math, accounting, computer science, and others. Most tutoring is done in the ASC during operating hours Monday - Saturday. Some appointments are available outside our regular hours with tutors who work on-call. In addition to tutoring in the ASC, online writing help and virtual tutoring are available through the Canvas course “Park Tutoring Help,” in addition to online tutoring through Tutor.com.

**Disability Services**

The Assistant Director of Academic Support Services coordinates services and accommodations for qualifying students with disabilities. Students must identify themselves by submitting a Request for Disability Services form and by providing adequate and appropriate documentation to the Assistant Director of Academic Support Services. Park University policy on disability services may be found in this catalog, and at www.park.edu/terms-and-regulations.

**Testing Center**

The Testing Center, located in the Mabee Learning Center, administers CLEP, DSST, MoGEA, and final exams for online courses by appointment only. Students may schedule and pay for fee-based tests online. The Testing Center also handles most testing for disabled students approved for testing accommodations. The Testing Center administers residual ACT (for Park University students only). At the request of the instructor, the staff may also proctor exams for students who have missed classroom tests. Most tests must be arranged by appointment. CLEP, DSST, ACT and MoGEA tests require an administration fee of $25 in addition to the cost for the exam. Call the Testing Center, (816) 584-6887, for more information. Check the website for more information about the tests, and for current days and times of Testing Center services. Visit www.park.edu/testing-center for additional information.

**NOTE:** Park University does NOT administer GRE, TOEFL, Missouri Content Assessment, GMAT, LSAT or other tests. Most of these tests have websites that have more complete information and the location of testing sites.

**Career Development Center**

The Career Development Center (CDC) assists students in all stages of career development including skills assessment, resume and cover letter preparation, interview coaching, and internship and job search strategies, all to insure successful attainment of a career upon graduation. The CDC develops and offers workshops and events—on the Parkville Campus, at our Campus Centers nationwide, and online to prepare our students for launching and advancing their careers and in making successful career connections. For a comprehensive listing of services and events visit the eRecruiting system accessed through our website at www.park.edu/career or contact the CDC staff at (816) 584-6402 or careerdevelopment@park.edu.

**Counseling**
The Counseling Center supports student mental health and wellness through limited individual counseling services, consultation and referral services. Located in Dearing Hall on the Parkville campus, the Counseling Center also houses a resource library with self-help and wellness materials. For students in need of intensive services or specialized care, Licensed Professional Counselors on staff can help connect students with mental health facilities and providers in the community. For more information, contact counselingappointments@park.edu or visit www.park.edu/counseling.

Park University Library

The Park University Library supports the research and information needs of a diverse faculty, staff, and student body while cultivating student research skills and information literacy. We are the University’s physical, virtual, and intellectual hub of academic pursuit as we foster inclusion and academic opportunity through spaces, collections, and services.

Collections

The library’s collections include books, ebooks, streaming videos, journal articles, newspapers, and databases - and over 95% of our collection is available online at library.park.edu. Additional materials can be obtained via interlibrary loan with local and regional libraries. Students who request a physical book can have it mailed to them, postage-paid both ways.

Services

Librarians are available to help students with research online via phone, email, and live 24/7 chat as well as in-person at the Norrington Center. Visit us at library.park.edu to find out more. The library also provides workshops, events, and activities every month.

Parkville Campus

The physical library, located in the Norrington Center, provides a comfortable environment to study, including individual and group study rooms. Computers, and a network printer/copier/scanner are also available for use.

Special Collections and Campanella Gallery

The library also administers the Fishburn Archives, located in the Academic Underground, documenting the founding and history of Park University and Parkville, Missouri. It is available by appointment, by contacting archives@park.edu. The library also houses the Campanella Gallery, which features art exhibits from Park students and faculty and local artists.

Library hours

Hours during Fall and Spring terms are CST/ CDT (Hours are subject to change.)

**Pirate Fitness Center and Wellness Programs**

All Parkville campus students have access to the on-site facilities of the Pirate Fitness Center. Our Pirate Fitness Center has three branches: Intramural Fieldhouse (Labor Hall), Copley-Quad Fitness Center, and Chesnut Hall Fitness Center. The Copley Quad and Chesnut Hall Branches of the Pirate Fitness Center are open 24 hours and utilized for Residential Students. Current hours of the Intramural Field House facility can be found on our Crew page. These facilities include free weights, dumbbells, machine weights, exercise balls, resistance bands, elliptical trainers, stationary bikes, and treadmills. Contact the Fitness Center staff by e-mail at piratefitness@park.edu, for a complete schedule of classes, wellness programs, and details on the facility.

**Publications and Broadcast Venues**

Park University students have the opportunity to work on student-run publications: the student newspaper, the student literary magazine, the campus radio station, and student telecasts. For more information, please call (816) 584-6327 or (816) 584-6263.

The *Stylus*, Park's award-winning newspaper, is operated and managed by students. It provides an invaluable laboratory for news writing, feature writing, editing, digital composition, and photography. Its staff is not limited to journalism students, staff members and editors come from all corners of the campus. The Stylus is focused on news, features and sports that are relevant to the Park University community and serves as a forum for student opinion. It is also available online at www.stylusonline.org. Please direct all inquiries to stylus@park.edu.

The *Scribe* is Park's student-edited literary and art magazine, which contains fiction, drama, poetry, essays, and visual art created by Park University students.

Educational radio station KGSP-FM, 90.5 FM is student operated and broadcasts at 100 watts to the Kansas City area and streams live online. The TV Production Studio on the Parkville Daytime Campus Center serves both as a teaching facility for TV students and as the facility for production of the Pirate News broadcast. Students produce programs with both studio and digital field equipment.

Students assume a wide range of responsibilities in both audio and video productions. Park's hands-on emphasis ensures that students will build professional portfolios that qualify them for professional employment. Interested students should call (816) 584-6321.

Pirate News is the video news show staffed, edited, produced and published by students. Pirate News focuses on campus events, athletics and area news of interest to Park University.

Students at Park University, particularly those majoring in Multimedia Journalism and Public Relations, B.A., and Communication Studies, B.A., are encouraged to experience all of these hands-on outlets to develop well-rounded career preparation and to find exciting venues for self expression.

Students assume a wide range of responsibilities in both audio and video productions. Park's hands-on emphasis ensures that students will build professional portfolios that qualify them for professional employment. Interested students should call (816) 584-6321.

**Residence Life**
Park University believes in providing the opportunity for students to develop in all areas of their lives. The residence hall experience in Parkville is intended to enhance the student’s classroom experiences and provide opportunities for students to develop the whole person. Please visit www.park.edu/life-park/parkville/residence-life to learn more about our programs. There are options to live in university-rented apartments on the Gilbert campus, as well. Park University has no responsibility to find or assist a student in finding housing at any of the campuses.

Additionally, every effort is made to encourage students to assume responsibility for their own behavior, while at the same time developing respect for the rights of others. This total student development, requires that certain policies and procedures be established for residence life. These policies and procedures are contained in the Residence Life and Education Handbook and are available at www.park.edu/life-park/parkville/residence-life.

**Vaccinations**

Park University vaccination requirements can be found at https://www.park.edu/life-park/parkville/residence-life/resident-requirements/

**Student Activities and Clubs**

There are a number of cultural and social activities for students at Park University, including celebrations, lectures, dances, concerts, athletic events, and other forms of entertainment and education. There are traditional events such as Fright Night, Spring Fling, Homecoming, and International Education Week. The Park Student Activities Board (PSAB) holds co-curricular events for the Kansas City Area. Some events, such as International Talk Like a Pirate Day, are celebrated at all the Park University campuses. Many events are open to all Campus Centers. For more information, please call (816) 584-6377 or check the online Activities Calendar, available through the Student Life home page at: www.park.edu/student-life.

Students typically spend 85% of their time outside of the classroom. It is partly because of this large block of unstructured time we encourage students to explore the involvement opportunities here at Park University. In addition to filling time and meeting people with similar interests, involvement on campus has many benefits.

There are personal, academic, and professional benefits to becoming involved at Park University. Students who are involved acquire a wide variety of benefits including earning better grades, becoming more likely to graduate and are simply more marketable when job searching or applying for graduate school. To learn more about the student organizations Park University offers, please visit: www.park.edu/student-life.

If there is not an organization that currently piques your interest, then we encourage you to start a new student organization. All you need to be a recognized organization is 5 members, an organization constitution, full-time faculty or staff advisor and a completed Park University certification form. Stop by the Office of Student Leadership & Engagement for assistance, call staff at (816) 584-6377, or check the website at: www.park.edu/student-life.

**Student Government**

All students enrolled at Park University are considered members of the Park Student Government Association (PSGA) and are welcome to attend PSGA meetings. The Student Senate consists of the Executive Board and the Senate. Members of the Executive Board are President, Vice-President, Secretary, and Business Manager. Members of the Senate include students representing both the residential and commuter population. The PSGA assists Park University in its commitment as an institution of higher learning; acting as a means of communication between students, faculty and administration; while addressing the needs of
the campus and serving as the comptroller of the student life fee funds. For specific information about PSGA, please check the website at: www.park.edu/clubs.

**Student Leadership and Engagement**

Staff in Student Life provide a comprehensive Student Leadership program to equip both emerging and experienced student leaders with skills and experiences that will benefit them during their time at Park University, in their careers, and in the community. There are also many opportunities for Student Engagement, offering students a chance to understand their leadership style and become civically engaged with their campus, local, and global community. For more information about these programs and events, orientation, or to utilize the Student Leadership and Engagement resources, please check the website at: www.park.edu/student-life.

**Student Life**

Student Life encompasses several areas of the campus that provide outside-the-classroom support, services and programs for all students at all campus centers. Areas within Student Life include Residence Life, Student Leadership and Engagement, Student Activities and Orientation, Counseling Center, Student Clubs and Organizations, Pirate Fitness, Park Student Government Association, Summer Conferences, Student Conduct and Dining Services. Please check the website at www.park.edu/student-life or call (816) 584-6377 for more information. Many special events and programs provided by staff are offered on evenings and weekends.

**Student Success Center**

Student Success Coaches optimize the student experience by helping students navigate their academic plan, review their degree audit, enroll in courses, and understand their payment options. Parkville Daytime Students can meet with their Student Success Coach face-to-face in Herr House, by phone at (816) 746-2526, or by e-mail at parkvillesuccess@park.edu. Distance Students should contact Virtual Student Success Coaches by calling (888) 947-5988 or e-mailing advising@park.edu. Visit www.park.edu/enrollment-services for additional information. Students attending a campus center are able to contact their location directly. www.park.edu/campus-centers/index.html

Office Hours: 8:00 a.m. to 6:00 p.m. Monday thru Thursday and 8:00 a.m. to 4:30 p.m. Friday CST

**Varsity Athletics**

Park University has a highly successful varsity athletic program offering 15 varsity sports that compete in the National Association of Intercollegiate Athletics (NAIA). Varsity sports include men's and women's basketball, men's and women's soccer, men's and women's volleyball, men's and women's cross country, men's and women's indoor track and field, men's and women's outdoor track and field, men's baseball, women's softball and women's golf. Park is a member of the American Midwest Conference (AMC), the Mid American Men's Volleyball Intercollegiate Conference (MAMVIC) and is a NAIA Division I Independent in men's and women's basketball. Varsity student-athletes are required to comply with eligibility guidelines established by Park University, the NAIA, and the AMC.

**Student Rights and Responsibilities**
**Student Harassment Policy**

Park University strives to provide educational, working, cocurricular, social, and living environments for all students, staff, faculty, trustees, contract workers, and guests that are free from Harassment on the basis of age, color, disability, gender, gender identity, national or ethnic origin, race, religion, sexual orientation, or veteran status. The University has deemed this to be unacceptable behavior which will not be tolerated. A person who believes that he or she has been subjected to harassment, or any person who has knowledge of harassment of a person associated with Park University, is encouraged to confer promptly with the Dean of Students. Please call Student Success at (816) 584-6377, or during nonbusiness hours - call Campus Safety at (816) 584-6444, who will assist in contacting the Dean of Students. If you prefer to use an online form, you are welcome to report any sort of harassment using the Park University Sexual Harassment Report Form at www.park.edu/student-life. To review the full non-discrimination policy, and see steps on reporting harassment, please check the Park website at: www.park.edu/student-life.

**Prevention of Sexual Harassment and Sexual Violence: Title IX Policy**

Title IX specifically prohibits discrimination and harassment on the basis of sex. Park University will not tolerate sex discrimination or harassment of applicants, students, or employees, whether by students, faculty, staff, administrators, contractors, or outside vendors. Park University recognizes not only its legal responsibilities but also its moral and ethical responsibilities to prohibit discrimination and harassment on the basis of sex and to take appropriate and timely action to ensure an environment free of such inappropriate conduct and behavior. Additionally, Park University will not tolerate retaliation in any form against an applicant, student, or employee for reporting a violation of this policy or assisting in the investigation of a complaint.

To see the complete Title IX Policy for Park University, go to www.park.edu/student-life. To file a Sexual Harassment, Title IX Complaint, complete the online form available through the Park University website at www.park.edu/student-life. If you wish to speak with Park's Title IX Coordinator, contact Mr. Roger Dusing, Associate Vice President for Human Resources at Roger.Dusing@park.edu, or call him at (816) 584-6386. Outside office hours, or if not accessible at the number and email listed, contact the Title IX Coordinator or Deputy Coordinators through the Campus Safety Dispatcher at (816) 584-6444.

**Student Employee Relationships**

Park University Employees are prohibited from developing a romantic or sexual relationship with a Park University student. Employees are deemed to be primarily responsible for adherence to this policy, although both employee and student will be held accountable. Even among students - consensual romantic or sexual relationships in which one party maintains a direct supervisory or evaluative role over the other party are discouraged.

**Procedures Regarding Harassment Complaints**

Concerns about harassment and/or possible violations of Park's Non-Discrimination Policy should be directed to the Dean of Students at jayme.uden@park.edu or (816) 584-6595.

**Sexual Offender Registration**

The Campus Sex Crimes Prevention Act (CSPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at or employed by, institutions of higher education. The CSPA is an amendment to the Jacob Weatlering Crimes Against Children and Sexually Violent Offender Act. The federal law requires state law enforcement agencies (in Missouri it is the Missouri State Highway Patrol) to
provide Park University with a list of registered sex offenders who have indicated that they are either enrolled, employed or carrying on a vocation at Park University.

Park University is required to inform the community that a registration list of sex offenders will be maintained and available at the Park University Department of Campus Safety office located on the 1st floor of Thompson Center on the Parkville Campus. For other campuses, a list will be maintained by the Campus Center Director. Sex offender information is also available online. For information on sex offenders living in or near Parkville, please visit the Missouri State Patrol website at www.mshp.dps.missouri.gov/MSHPWeb/PatrolDivisions/CRID/SOR/SORPage.html. You may also view data on the Platte County Sheriff’s Department website at www.plattesheriff.org.

**Student Conduct**

As a student at Park University, you should be aware of the rights you have as a student and of the responsibilities associated with being a Park student. These policies apply to ALL Park University students, regardless of whether the student is taking classes online, at a Campus Center, or on the Parkville campus – all delivery modes and all locations, both undergraduate and graduate students. The Student Code of Conduct is based on respect for self and others and was developed to challenge students to embrace high ethical standards, and interact with other students, faculty, and staff with integrity.

The primary intent of this Code is to set forth community standards necessary to maintain and protect an environment conducive to learning. Park University standards reflect higher expectations of behavior than maybe prevalent outside the University community.

A suspicion of wrongdoing, based on probable cause, must exist before a student shall be subject to disciplinary review. Throughout the judicial procedures, staff will ensure that students receive adequate due process and make sure that their rights are protected.

1. **Acts of Dishonesty.** Acts of dishonesty, including but not limited to the following:
   a. **Academic Dishonesty.** Cheating, plagiarism, or other forms of academic dishonesty. Please note that Academic Honesty is a policy that is also enforced by the faculty member of the course. A detailed description is included under "Academic Honesty" in the Catalog and on the Park website.
   b. **False Information.** Furnishing false information to any University Official.
   c. **Forgery.** Forgery, alteration, or misuse of any Park University document, record, or instrument of identification.

2. **Sexual Misconduct.** Includes sexual harassment, sexual violence, stalking, and domestic/dating violence as defined by the Park University Title IX policy.

3. **Retaliation.** Any behavior, direct or indirect, perceived as an attempt to harass, intimidate, or improperly influence any individual associated with the student conduct process or any other University grievance or complaint process.

4. **Threatening, Abusive, or Harassing Behavior.** Physical abuse, verbal abuse, threats, intimidation, harassment, coercion, and/or other conduct which threatens or endangers the physical health, mental health, or safety of any person. This includes bullying and cyberbullying behaviors that are not protected by freedom of expression.

5. **Disruption.** Causing or attempting to cause disruption or obstruction of teaching, research, administration, disciplinary proceedings, or other University activities, including its public service functions.

6. **Theft.** Attempted or actual theft of property belonging to Park University or a member of the Park University community, or other personal or public property.

7. **Damage and Destruction.** Attempted or actual damage to property of Park University or a member of the Park University community, including vandalism.
8. **Lewd or Disorderly Conduct.** Conduct that is disorderly, lewd, or indecent; breach of peace; or aiding, abetting, or procuring another person to breach the peace on University premises or at University-sponsored activities.

9. **Hazing.** Any behavior which constitutes hazing, whether such behavior occurs on University Premises at University Activities or off campus.

10. **Failure to Comply.** Failure to comply with directions of University Officials or law enforcement officers acting in performance of their duties including failure to identify oneself to these persons when requested to do so.

11. **Unauthorized Entry.** Unauthorized possession, duplication or use of keys to any University Premises or unauthorized entry to or use of University Premises.

12. **Unauthorized Activities.** Any activity that occurs on or off University Premises that could adversely affect the health, safety or security of a member of the Park University community.

13. **Controlled Substances.** Use, possession, manufacturing, or distribution of Controlled Substances except as expressly permitted by law. Students with confirmed possession or use of controlled substances on University Premises or during any University Activity with no right to legally use such controlled substances may face immediate dismissal. (See Drugs and Alcohol Use policy.)

14. **Alcohol.** Use, possession, manufacturing, or distribution of alcoholic beverages, or public intoxication on University Premises or during any University Activity. (See Drugs and Alcohol Use policy.)

15. **Firearms/Weapons.** All of the University Community are strictly prohibited from possessing, manufacturing, transferring, selling, storing, or using any Weapons on University Property and University Facilities and in vehicles, including inside of company-owned or personal vehicles, regardless of whether one possesses a valid Concealed Carry permit.

16. **Unauthorized Use of Electronics.** Any unauthorized use of electronic or other devices to make an audio or video record of any person while on Park University Premises or while conducting University business, without his/her prior knowledge, or without consent when such a recording is likely to cause injury or distress. This includes, but is not limited to, surreptitiously taking pictures of another person in a gym, locker room, or restroom, or using consensual photographs, videos, or audio in a manner not agreed to by all parties. (See Information Technology Acceptable Use Policy.)

17. **Computer Theft and Abuse.** Theft or other abuse of computer facilities and resources, including file-sharing and intellectual property. (See Information Technology Acceptable Use Policy.)

18. **Abuse of Student Conduct System.** Abuse of the Student Conduct System, including failure to comply with the sanction(s) imposed under the Student Code.

20. **Policy Violation.** Violation of any other published University policies or rules which appear in full in the Park University Catalog, and/or Park University website.

21. **Local, State and Federal Agencies.** Park University will cooperate with local, state and federal criminal agencies, and may initiate criminal investigations into the conduct of Park University Students when deemed appropriate.

**Interpretation and Revision**

1. Any question of interpretation or application of the Student Code shall be referred to the Dean of Students or his or her designee for final determination.

2. The Student Code shall be reviewed every three (3) years under the direction of the Dean of Students.

**Documenting Potential Violations of the Student Code**

Any member of the Park University community may file an incident report regarding potential violations of the Student Code of Conduct. Any incident report should be submitted as soon as possible after the event.
takes place, preferably within one (1) week of the incident. A form for this purpose is available at www.park.edu/about-park/student-conduct-code.

Sanctions

The following sanctions may be imposed upon any student found to have violated the Student Code:

1. **Warning** – A notice in writing to the student that the student is violating or has violated institutional regulations.
2. **Probation** – A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to violate any institutional regulation(s) during the probationary period.
3. **Loss of Privileges** – Denial of specified privileges for a designated period of time. These specified privileges could include but are not limited to inclusion on Dean’s List, access to University Facilities, and/or participation in University Programs.
4. **Fines** – Previously established and published fines may be imposed.
5. **Restitution** – Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.
6. **Assessment** – Student may be required to complete an alcohol or drug assessment (at his/ her own expense).
7. **Discretionary Sanctions** – Work assignments, essays, service to the University, or other related discretionary assignments.
8. **Interim Suspension** – Interim Suspension from the residence halls and/or other campus facilities or programs may be imposed to ensure the safety and well-being of members of the University community, to ensure the student’s own physical or emotional safety and well-being, or if the student poses an ongoing threat of disruption of, or interference with, the normal operations of the University. The Interim Suspension does not replace the regular process, which shall proceed on the normal schedule, up to and through a Student Conduct Board Hearing, if required.
9. **Residence Hall Suspension** – Separation of the student from the residence halls for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.
10. **Residence Hall Expulsion** – Permanent separation of the student from the residence halls.
11. **University Suspension** – Separation of the student from Park University for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.
12. **University Expulsion** – Permanent separation of the student from Park University.
13. **Revocation of Admission and/or Degree** – Admission to or a degree awarded from Park University may be revoked for fraud, misrepresentation, or other violation of University standards in obtaining the degree, or for other serious violations committed by a student prior to graduation.
14. **Withholding Degree** – Park University may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Conduct Code, including the completion of all sanctions imposed, if any.

Appeals

1. A decision reached or sanction imposed by the Student Conduct Officer that is academic in nature may be appealed by the Accused Student(s) or Complainant(s) to the Provost within five (5) school days of the decision. Such appeals shall be in writing and shall be delivered to the Provost or designee.
2. A decision reached or sanction imposed by the Student Conduct Officer that is not academic in nature may be appealed by the Accused Student(s) or Complainant(s) to the Dean of Students within five (5) school days of the decision. Such appeals shall be in writing and shall be delivered to the Dean of Students or designee.
3. Except as required to explain the basis of new information, an appeal shall be limited to a review of the record of the Student Conduct Hearing and supporting documents for one or more of the following purposes:
   - To determine whether the Student Conduct Hearing was conducted fairly in light of the charges and information presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and to present information that the Student Code was violated, and giving the Accused Student a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures will NOT be a basis for sustaining an appeal unless significant prejudice results.
   - To determine whether the decision reached regarding the Accused Student was based on substantial information, that is, whether there were facts in the case that, if believed by the fact finder, were sufficient to establish that a violation of the Student Code occurred.
   - To determine whether the sanction(s) imposed were appropriate for the violation of the Student Code which the student was found to have committed.
   - To consider new information, sufficient to alter a decision or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original Student Conduct Board Hearing.

4. If an appeal is not upheld, the matter shall be considered final and binding upon all involved. If an appeal is upheld by the Provost or Dean of Students, the appeal officer may take any of the following actions:
   a. Affirm the charge;
   b. Impose greater or lesser sanctions; or
   c. Order a new Student Conduct Hearing

The actions of the appeal officer will be communicated to the student in writing and shall be considered final and binding.

Additional details on the appeals process and the student conduct issues is available on the Park website at: www.park.edu/studentconduct-code.

**Administrative Appeals**

Complete information about the appeals processes and procedures for each area are contained within that section. The following is a list of Administrative Appeals steps.

- **Financial Aid**
  - Director of Student Financial Services
  - Financial Aid Appeals Committee
- **Housing**
  - Director of Residence Life
  - Dean of Students
- **Student Employment**
  - Coordinator/Student Employment
  - Director of Student Financial Services
  - Financial Aid Appeals Committee
- **Finances/Accounting**
  - Controller
  - Vice President for Finance and Administration
- **Grades (Park KC Area Programs and Park Campus Centers and Online Learning)**
  - Faculty
  - Department Chair/Campus Center Director
  - Associate Dean/Dean
- **Admissions (Parkville 16-week Campus)**
Complaints/ Grievances Policy

Park University has a variety of complaints/grievances procedures related to harassment, disciplinary actions, financial aid appeals, and traffic violation appeals. Students should use these processes when appropriate, contacting the Student Success Center for guidelines, procedures, etc. Students who use these procedures will not be permitted to use the following procedures on the same incident or issue. However, students may choose instead to use this procedure in which the treatment rather than the outcome is being challenged.

It is the policy of Park University to provide equal opportunity for all enrolled students without discrimination on the basis of race, color, religion, gender, marital status, sexual orientation, national origin, age, disability, or veteran status. Students who feel that they have been discriminated against should file a student complaint with Student Life: www.park.edu/student-life

Park University has developed the following procedures for assuring that the student has the opportunity to have his/her concerns addressed.

Higher-education institutions delivering courses by distance education are required to provide the contact information for official entities or agencies within each state designated to handle complaint resolution. States are required by the US Department of Education (34 CFR 668.43(b)) to have a complaint process available to any enrolled or prospective student. Students enrolled in online and distance courses, as well as on-campus courses, should attempt to resolve complaints by following the Grievance Procedure(s) as outlined in the University’s Catalog. If students wish to file a complaint about the University with its accreditor regarding issues of institutional quality, students may do so by following the instructions on the Higher Learning Commission website (information available here: https://www.hlcommission.org/Student-Resources/complaints.html). For distance education students ONLY who have exhausted all processes described above, please email the Missouri Department of Higher Education at Amy.Werner@dhe.mo.gov or (573) 522-1377.

Complaint

A complaint is an informal claim of discriminatory treatment. The complaint form is available on the Park University website at www.park.edu.

Grievance

A grievance is the written allegation of discrimination that is related to:

- Treatment while enrolled in an educational program
- Employment as a student on campus or in campus-based programs
- Financial aid awards
- Participation in clubs and/or organizations
- Other matters relating to campus life or student life.

*Please note: If the grievance is related to a Student Harassment Policy or Title IX Policy situation, please refer the matter immediately to the Dean of Students, who serves as the Title IX Deputy Coordinator. More information on these policies is available on the Park website at www.park.edu/student-life. Students will not be subjected to adverse actions by any school officials as a result of initiating a complaint.
All students with complaints should follow the outlined grievance procedures. If the complaint is not resolved at the institutional level, students may send the complaint, in writing, to the appropriate state higher education board. For contact information, refer to the Accreditation/Memberships section in the catalog.

To contact and/or submit a grievance to your state higher education board, please see the contact information on Accreditation/Memberships.

**Procedures**

1. Students wishing to make an informal complaint or file a grievance should contact their Student Success Advisor or Campus Center Director for the correct procedures to be followed, or complete the online Concern/Complaint Form, available at: https://my.park.edu/ICS/Student/ConcernComplaint/. Record-keeping will be the responsibility of the appropriate Student Success Advisor or Campus Center Director.

2. In the case of complaints, the Dean of Students (or the designee) will either:
   - direct the complainant to the supervisor of the area where the alleged incident occurred or
   - contact the supervisor on the student's behalf.

3. Students filing a grievance will be instructed to send a written statement which documents the alleged discrimination to the Dean of Students and to the immediate supervisor of the area where the alleged incident occurred. A written response from the supervisor will be made within ten working days.

4. If after reviewing the written response the student wishes to pursue the matter further, copies of the entire file are to be forwarded to Park University's Human Resources Officer. This officer will be free to interview those directly involved, and will be free to contact any who have information, in order to resolve the matter. The student's right to appeal stops with the Human Resources Officer. The goal of this procedure is to prevent reoccurrence. However, in instances where an individual is found responsible for serious discriminatory action, the Human Resources Officer will consult with the President regarding sanctions.

5. The President may choose to impose a variety of sanctions, including verbal warnings or letters of reprimand or dismissal from employment or enrollment at Park University.

Please refer to the Academic Regulations and Policies section for material specifically relating to academic grievances and grade appeals.

**Academic Grievances and Grade Appeals**

Refer to Academic Regulations and Policies, Academic Complaint Grievance and Grade Appeal Policy.

**Identification Cards**

The Park University photo identification (ID) card should be carried at all times for use at the Park University library, campus athletic events, the Office of the Registrar, the Cashier's Office, and other offices where identification may be needed. There is a replacement fee (payable at the Enrollment Services) if the ID card is lost or stolen.

Photo ID pictures for Kansas City area students will be taken in Campus Safety, on the first floor of Thompson. Students and faculty attending the Downtown campus must have an ID parking pass which is issued by the Downtown Kansas City Campus at 911 Main. IDs may be secured by presenting a Student Data Sheet (SDS) stamped by the cashier certifying that fees are paid. Contact Campus Safety at (816) 584-6444 for further information or for questions.
ID cards for all other campus centers can be obtained from the Campus Center Director. These cards may be used by students, faculty and staff, and may be required by the local facility as part of the information needed to gain entry onto the installation. The ID may be obtained only after tuition and fees have been paid for the term. An expiration date will be noted on the ID.

**Tobacco Use Policy**

Please note that as of July 1, 2015, the Parkville Campus of Park University is entirely smoke-free. The Downtown Kansas City, Missouri; Independence, Missouri; and Austin, Texas campuses are also smoke-free as of July 1, 2015. The use of tobacco (smoking, smokeless, and electronic cigarettes) is prohibited on property and in vehicles located on property. Violators will be fined and/or removed from campus property.

**Reporting a Crime or Emergency**

Faculty, staff, students, and guests are strongly encouraged to report all crimes and emergencies to the Department of Campus Safety. The Department of Campus Safety is staffed 24 hours a day, 365 days a year, and can be reached at (816) 584-6444. Campus Safety dispatchers will take your call and dispatch an officer, and if necessary call the police, fire department or EMS agency to assist in your emergency.

If you are on a campus other than the Parkville Campus, please report your crime or emergency to the Campus Center Director or the appropriate law enforcement agency.

Crimes should be reported to the Department of Campus Safety so that the statistics can be reported to the U.S. Department of Education in compliance with the Federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the Clery Act). A copy of this report, along with more information on the Jeanne Clery Act, Emergency Procedures, Timely Warnings, and Campus Alerts is available online at: www.park.edu/campus-safety. For a printed copy of the report, please contact the Department of Campus Safety at (816) 584-6444.

**Drug and Alcohol Policy**

Park University recognizes that misuse of alcohol and other drugs and the unlawful possession, use or distribution of illicit drugs and alcohol pose major health problems, are potential safety and security problems can adversely affect academic and job performance, and can generally inhibit the educational development of students. Park University is committed to the standards outlined by the Federal Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989. As a result of this commitment, Park University has established regulations forbidding the unlawful manufacture, distribution, dispensing, possession or use of illegal or illicit drugs and alcohol on Park University premises or property or as part of any Park University activity planned for or by students. These regulations shall assure that Park University is in compliance with all applicable federal, state, and local statutes, regulations, and ordinances. Please see the full Park University Alcohol and Drug policy at: www.park.edu/campus-safety/drug-and-alcohol-use-policy.html. The policy includes information about being a Drug-Free School, the impact of illegal drug use on student financial aid eligibility, applicable disciplinary sanctions from the University, legal sanctions, health risks, plus prevention, counseling, treatment, and rehabilitation information and resources.

**Alcohol and Substance Abuse Information**

Park University has developed a program to prevent the illicit use of drugs and the abuse of alcohol by students and employees. The program provides services related to drug and alcohol abuse, including
dissemination of informational materials, educational programs, counseling services, referrals, and college disciplinary action. Park University provides the following services:

- **Alcohol and Drug Education** — Employee Assistance Program; classes during First-Year Seminar for students; Periodic education programs by the Office of Student Life.
- **Counseling Services** — Counseling services are available through the University’s Counseling Center, Synergy Services, and United Healthcare Insurance Services.
- **Referral Services** — Referrals are made to the Counseling Center, Synergy Services, and Employee Assistance Programs.
- **University Disciplinary Actions** — Students are referred to the Office of Student Life for disciplinary actions. Employees are referred to the Office of Human Resource Services for disciplinary actions.

Additional programs may be available from the military for students and staff located at our campus centers located on military installations. Please refer to your campus center director for assistance in accessing these programs.

**Information Technology Policies and Procedures**

University Information Technology resources constitute a valuable University asset that must be managed accordingly to ensure their integrity, security, and availability for teaching, research, and business activities. Carrying out this mission requires the university to establish basic Information Security policies and standards and to provide both access and reasonable security at an acceptable cost. Park University Information Technology Policies and Procedures are intended to facilitate and support authorized access to university information.

Users of University information technology resources are personally responsible for complying with all University policies, procedures, and standards relating to information security, regardless of campus center or location and will be held personally accountable for any misuse of these resources. The Information Technology Policies and Procedures are located in MyPark. The Acceptable Use Policy can be accessed from the Student Tab, under Information Technology Resources. The use of a student user ID and password to access the computer system is the equivalent of a legal signature and creates the same obligations for the student. The student will be responsible for any and all future registration(s) by accessing the computer with the assigned ID number. All activities on Park University information technology resources are subject to random monitoring and all transactions on the computer system constitute official records recognized by the institution. All appeal decisions related to policy or procedures will be based on the computer system transaction records.

**Computers, Internet, Email, Voice Mail and Fax Machines Use**

The Park University Information Technology Network and the University Telephone System (“University Systems”) exist to enable the University to carry out its educational mission. While the University does not completely prohibit personal use of the University Systems during personal time, the University limits such use and reserves the right to prohibit personal use on a case-by-case basis. The University has no liability to persons who use the University Systems and no liability for any loss of or damage to personal information while in the University Systems.

The University Information Technology Policies and Procedures Manual describes in detail the policies and procedures that govern the use of the University Information Technology Network and all users of the University Information Technology Network are charged with knowledge of those policies. Copies of this Manual are available in the Academic Affairs Office. The Student Conduct Code, the Faculty Manual, and the Employee Policy Manual may also be applicable to user violations of University policies.
The University has the right to monitor all use, personal and otherwise, of all University Systems including the University Information Technology Network and is legally entitled to review, retain, use or release copies of any incoming or outgoing information. Persons who use the University Systems have no right to privacy when using those Systems and users should always assume that any voice, data, or written material on the University Systems is totally accessible to University officials.

By utilizing the University Systems, the user agrees not to violate any University policies or any applicable federal, state, and local laws, ordinances and regulations including those that prohibit libel, copyright violations, the use of obscenities, intimidation, harassment, or discrimination, and agrees to indemnify and hold the University harmless from and against all claims, damages, costs and/or expenses, sustained by the University, including reasonable attorneys fees, arising out of the user’s violation of any University policies and all improper, illegal or otherwise actionable use of the University Systems. Users of the University Systems may also be subject to criminal prosecution and/or civil suits in which the University seeks damages and/or other legal and/or equitable remedies.

The University will respond to and investigate any complaint of a violation of University policies. Usually the University will first attempt to deal with misuse of the University Systems in an educative manner. However, the University retains the right to restrict student use of the University Systems as well as the right to discipline, suspend or expel a student and discipline or terminate an employee who misuses those Systems.

All users of the University Systems have an obligation to comply with all University policies, make reasonable efforts to avoid the introduction of computer viruses, and report suspected violations of this policy to a University vice president.

**MyPark**

MyPark is a web portal that is designed to be a "one-stop" place for Park University faculty and students to access important information on the web. It also serves as a gateway to many online resources and communication tools at Park University. MyPark features include:

- Ability to easily enroll in classes, check grades, obtain degree audits and more
- Access to Google Apps for Education, online classes, and other online resources
- Quick access to online library resources as well as Park’s calendars, news and announcements.

MyPark can be accessed directly at https://my.park.edu or from the MyPark link on Park’s home page at www.park.edu. To log on to MyPark, faculty and students must use their university ID number and their university password which is provided by Student Success Center or the Information Technology Help Desk or your password can also be recovered at the Identity Management system at https://myaccount.microsoft.com/.

Students will be able to register themselves online after consulting with their advisor or Campus Center Director. Faculty Advisors, Student Success Coaches, or the local Campus Center Director will also be available to input registration. Technology Support is available by phone at (800) 927-3024 or by e-mail at support.technology@park.edu. For up-to-date information on what we offer our students, please visit the help page at www.park.edu/help.

**Park Email**

(Provided by Google Apps for Education)

All Park students are assigned a Park Email account when they are accepted into the university. Park Email is the official means of communication between students, faculty and staff to provide information to, or request information from, students. It is the responsibility of all students and faculty to check their Park Email account on a regular basis.
What is your student email address?

Your Park Email address is typically created according to the following format: firstname.lastname@park.edu (Example: John Doe's email address would be: john.doe@park.edu). In the case that two individuals share the same first and last name exactly, the second person to have their email account created will get numerically incremented (Example: john.doe02@park.edu). Other than this method of duplicate address resolution, Park Email addresses are changed to match legal name changes only (we do not accept preferential requests). Please also note that email addresses are not case sensitive, so John.Doe@park.edu is the same address as john.doe@park.edu.

To log in to Park Email directly:
Step 1: Go to gmail.park.edu in any standard web browser
Step 2: Use your Park University-provided ID number@park.edu for your user-name and click Next
Step 3: Use your Park University-provided password to authenticate
Step 4: Click the "Signin" button to access your email account

To access Park Email through MyPark:
Step 1: Log in to MyPark and navigate to the Student Tab
Step 2: Click "Academic Email" from the Quick Links menu on the left hand side

NOTE: If you do not know your University-provided password, please contact the Student Success Center or the Information Technology Help Desk to obtain it.

More information about Park Email

Park Email is provided through a partnership between Google and Park University, as a service of Google Apps for Education. More information about Apps for Education can be found at google.com. Search "Apps for Education". The student can also email support.technology@park.edu or call (800) 927-3024 for assistance. Park Email accounts are only provided to admitted students, active faculty, and alumni of Park University.

Online Classroom Help:
Online classroom help is available by contacting https://pdl.park.edu/pages/learnersupport or https://canvas.park.edu

Accessing the Online Classroom

2. Under "Park ID” enter your Park University ID number.
4. Click on the button immediately below that says "Log In."

Access Help

If you have forgotten your ID or Password, or need assistance with your MyPark account, please email support.technology@park.edu. Course Help (Canvas) For technical assistance with the online classroom, visit https://pdl.park.edu/pages/learnersupport. Your instructor can help you with course content questions or contact the Canvas 24/7 help number (844) 470-5727. For all other information, please email onlinestudents@park.edu.

Registration
1. Course registration is available online or with staff assistance at a Park University campus center. Students taking online courses must have access to a computer and their own email account to enroll in online courses.

2. Students who pre-enroll for online classes will be able to login to the Park Online Campus https://canvas.park.edu on the first day of class or when they receive MyPark notification that they are granted access to login to their course(s). Students enrolling for classroom-based courses:
   - Select the Campus Center from which you are taking the course
   - Select the year
   - Select the Term (Fall, Fall I, Fall II, Spring, Spring I, Spring II or Summer)
   - Select the letter designation of the department
   - Select the course number and title
   - Click on "Update"

3. In order to maintain registration students must demonstrate funding for the term with completed and processed financial assistance in the form of Veterans Administration education benefits, Pell Grant, Stafford Student Loan, Supplemental Loans for Students (SLS), Military Tuition Assistance and tuition assistance from any other agency. Proper approval signatures must be obtained by the student. Students who are not funded by Military Tuition Assistance must pay for all tuition and fees at the time of registration. VA Vocational Rehabilitation students are exempt from this policy. If, for any reason, the assistance, benefits, or payment cannot be collected by the University, the student assumes the obligation to pay in full all outstanding tuition/fees. Payment can be made using check, money order, American Express, MasterCard, Discover or Visa to pay for all fees and costs.

Term dates can be found at www.park.edu/calendars/term-dates or at the campus center home page. Students cannot be given credit for a course for which they have not registered. In order to receive credit for a course, students must have either been registered for the course at Park or have received transfer credit through evaluation.

*For information and resources about student loan repayment, or to submit a complaint relating to your student loans or student loan servicer, please visit www.wsac.wa.gov/loan-advocacy or contact the Student Loan Advocate at loanadvocate@wsac.wa.gov

Virtual Applications (Virtual Apps)

The goal of VirtualApps is to provide Faculty, Students, and Staff with 24/7, on-demand access to a library of popular licensed software applications. These Virtual Apps can be accessed from any standard computer, Android, or iOS device anywhere an internet connection is available.

While anyone will still be able to visit labs for specific software, VirtualApps allows people with a Park University username to log in to a cloud-based system to access specialized software. This access gives Park students, faculty and staff the flexibility of using the software on campus, at home, and even while studying abroad (some of the specialized applications will be available only to groups that software pertains to).

Our initial efforts in virtualized software include Microsoft Office 2016, IBM SPSS Statistics 25, and Sage 50. VirtualApps is not platform-specific and can be used by Windows, Mac, Linux, Android and iOS operating systems.

You can access our VirtualApps at www.park.edu/virtual. Instructions for connecting to our VirtualApps environment can be found here: www.park.edu/virtual. We have set up a special support mailbox for questions, comments, concerns, etc., relating to VirtualApps that be reached at virtualapps@park.edu. Please send all of your support questions to that address.

Annual Security Report
Park University is dedicated to providing faculty, staff and students with information that they need to help make each Park campus center safe.

Park University encourages the accurate and prompt reporting of crimes and emergencies. At the Parkville Campus, such incidents should be reported to the Park University Office of Campus Safety. This report can be filed in person at the office located in Thompson Commons or by phone at (816) 584-6444. At the Downtown Kansas City, Mo., Campus Center, reports should also be filed at the Security Department of Tower Properties, 911 Main (lower level), (816) 374-0617. All other Park University Campus Centers should report such incidents to the local policing authority with a follow-up report to the campus center director who shall forward these to the Park University Director of Campus Safety for reporting purposes.

Park University Campus Safety officers do not have arrest powers. Any crime or emergency that occurs off-campus, but at an officially recognized activity of Park University, shall be reported as if it happened on campus.

**Timely Warning Policy**

In the event that a situation arises, either on or off any Park University campus that in the judgment of the Director of Campus Safety constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. This warning will be issued through the University e-mail system to students, faculty and staff, and through the Parkville Campus newspaper, The Stylus.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the Office of Campus Safety may also post a notice on its website at www.park.edu/campus-safety, providing the University community with more immediate notification. In such instances, a copy of the notice will be posted in each residence hall. If the incident occurs on a campus other than the Parkville Campus, a notice shall be posted in plain view at that campus, in addition to the above listed locations.

Anyone with information warranting a timely warning shall report the circumstances to the Office of Campus Safety at (816) 584-6444, or in person at the Campus Safety office in Thompson Commons on the Parkville Campus, or with the campus center director of your respective campus.

**Reporting the Annual Disclosure of Crime Statistics**

This report is prepared with local law enforcement agencies surrounding the Parkville Campus and all campus centers. Other select campus authorities also contribute to this report. Campus crime, arrest and referral statistics include those reported to the Park University Office of Campus Safety, local law enforcement and designated campus officials, included but not limited to campus center directors, Office of Student Life staff, athletic coaches, residence hall staff, advisors to student organizations, and the director of human resource services.

Each year, an e-mail notification is made through the University e-mail system to all faculty, staff and students that provide web access to this report.

**Confidential Reporting Procedures**
If you are the victim of a crime and do not wish to pursue action through the University judicial system or the criminal justice system, you may still want to consider making a confidential report. With your permission, the director of campus safety can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential while taking steps to ensure the future safety of yourself and others. With such information, the University can keep an accurate record of the number of incidents involving students, faculty, and staff, determine where there is a pattern of crime with regard to a particular location, method or assailant, and can alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the University.

**Access Policy**

During normal business hours, the University (excluding residence halls) will be open to students, faculty, staff, parents, contractors, vendors, guests, and invitees. During nonbusiness hours, access to all University facilities is by key or swipe card, if issued, or by admittance via the Office of Campus Safety.

Residence halls are locked 24 hours a day and admittance is by swipe card. Some facilities on campus may have individual hours, which may vary at different times of the year. Examples are computer labs, the McAfee Memorial Library, meeting rooms, 24-hour study room. Thompson Commons on the Parkville Campus is open 24 hours a day.

Emergencies may necessitate changes or alterations to any posted schedule. Periodic security surveys are conducted on the Parkville Campus by the Office of Campus Safety and the Campus Safety Committee. These surveys examine security issues such as landscaping, locks, alarms, lighting, and communications. The Campus Safety Committee meets once per month to discuss campus safety issues and to develop safety policy.

Access to other Park University campus centers is determined by the campus center director at that campus. Since most of the other campuses are on military installations, additional access may be determined by the installation authorities. Check with your campus center to ascertain its policy.

**Campus Police Authority and Jurisdiction**

The Park University Office of Campus Safety does not have arrest powers. However, they will respond to and investigate all reports of crime on campuses located in the Kansas City metropolitan area.

If minor offenses involving University rules and regulations are committed by a University student, the Office of Campus Safety may refer the individual to the disciplinary division of the Office of Student Life.

Misdemeanors and major offenses such as rape, murder, aggravated assault, robbery, arson, and auto theft will be jointly investigated by the Office of Campus Safety and the Parkville (MO) Police Department or Platte County (MO) Sheriff, if they are committed on the Parkville Campus or at a Park University event in Platte County. If the crime occurs at the Downtown Kansas City Campus, the Office of Campus Safety will investigate the crime with the Kansas City, MO, Police Department. If the crime occurs on the Independence Campus, the crime will jointly be investigated with the Independence (Mo.) Police Department. The prosecution of all crimes will be conducted either in the appropriate municipal court or in the county court in the county in which the offense occurred.

Crimes committed on other campuses will be investigated by the appropriate civilian or military law enforcement agency, with a report being filed with the Office of Campus Safety. Prosecution of those crimes will be conducted in the court having jurisdiction where the crime occurred.
The Park University Office of Campus Safety works closely with the Parkville Police Department and the Platte County Sheriff. Park University has direct radio contact with Parkville Police and Platte County in an emergency.

The Park University Office of Campus Safety officers have the authority to ask persons for identification and to determine whether individuals have lawful business at Park University. Campus Safety officers have the authority to issue parking tickets and citations for moving violations on campus. These fines are billed to the financial accounts of faculty, staff and students. Campus Safety officers also have the authority to sign complaints, which will result in the arrest of persons violating the law on Park University property.

**Security Escort Services**

Security escort services are available on the Parkville Campus through the Office of Campus Safety. If you want an escort to your car or residence hall after an evening class or activity, call the Campus Safety dispatcher at (816) 584-6444 and request an officer to escort you. At the Downtown Campus, please call (816) 421-5398.

**Security Awareness Programs**

The Office of Campus Safety in consort with Residence Life staff presents a program for residence hall students at the beginning of each semester. Campus Safety also publishes brochures with a common theme of awareness and crime prevention materials, which encourage students and employees to be aware of their responsibility for their own security and the security of others.

**Crime Prevention Programs**

The Office of Campus Safety sponsors a program on women's safety, presented by the Kansas City, MO, Police Department. This program is comprised of a lecture and hands-on self defense techniques. Campus Safety officers also give presentations on crime prevention to clubs and organizations, when invited.

**Equal Opportunity**

**Diversity Statement**

Park University is committed to recruiting, developing, retaining, and promoting talented employees with diverse backgrounds, talents, skills and experiences. At Park University, diversity encompasses a variety of characteristics, lifestyles, and perspectives. The University firmly believes this diversity is essential to enhancing the quality of service to its students, to meeting the needs and goals of its learners, and to ensuring the personal satisfaction of its employees and the Park University community.

**Disability Guidelines**

Park University is committed to meeting the needs of all students who meet the criteria for special assistance. These guidelines are designed to supply directions to students concerning the information necessary to accomplish this goal. It is Park University's policy to comply fully with federal and state law regarding students with disabilities and, to the extent of any inconsistency between these guidelines and federal and/or state law, the provisions of the law will apply. In addition to academic accommodations, we will also provide accommodations for campus activities. Contact us if you need services for plays, athletic events, graduation, club activities or other events.
Permanent Disability Guidelines

Notification of Disability: It is the student’s responsibility to submit the Request for Disability Services form and to provide adequate and appropriate documentation of a disability in order to receive academic accommodations. Documentation must be provided in a timely manner to ensure full resolution of accommodations prior to the term for which the student requests accommodations. This will allow time to make all necessary arrangements prior to the initial class meeting. Documentation should be submitted to Assistant Director of Academic Support Services, Campus Box 46 (fax (816) 505-5445). A copy of the Request form and documentation will be securely retained in the student’s electronic file.

Students who have received disability services in high school will find helpful information regarding their rights, responsibilities, and transition from high school to university from the Missouri Association for Higher Education and Disabilities (MOAHEAD). Visit the MO-AHEAD webpage at moahead.org. Once there, click the link for "The Guidebook." There you can find a link to the Table of Contents to help you find more information.

- **Notification of Disability** — Students must submit notification of disability at least six weeks prior to the beginning of classes in the academic term the student wishes to attend. This will allow time to make all necessary arrangements prior to the initial class meeting. Documentation should be submitted to the director of academic support services, CMB 46, or fax (816) 505-5445. Documentation will be retained in the student's electronic file.

- **Learning Disabilities** — In order to receive special accommodations for learning disabilities, students must provide supporting diagnostic test results from a licensed psychologist or a certified specialist in learning disabilities. This evaluation must detail the student’s specific learning disability or disabilities. The accommodations request should be detailed. This information should be as current as possible, preferably not more than three years old. Park University will evaluate, but may reject, documentation more than three years old.

- **Physical Disabilities** — Students must provide documentation from a physician that specifies the nature of the disability or disabilities. The documentation should include prescriptive information from a qualified specialist as to the exact nature of all accommodations necessary to meet the needs of the student. This information should be as current as possible. Park University reserves the right to request updated verification of disability and necessary accommodations.

- **Psychiatric Disabilities** — Students should provide documentation from a licensed professional qualified to diagnose and treat psychological/psychiatric disorders. The documentation should include a diagnosis, date of diagnosis, date of the diagnostician’s last contact with the student, and a summary of the present symptoms and a prognosis. Documentation should describe how the psychiatric condition functionally interferes with, or impacts the student’s ability to participate in an educational setting and give suggestions of academic accommodations that might be appropriate in an educational setting, supported by a disability-related rationale.

- **Auxiliary Aids** — Appropriate aids will be selected only after consultation with the student who will use them.

Temporary Disability Guidelines

In the case of temporary disabilities, every effort will be made to provide reasonable accommodation for the duration of any disability. To insure prompt and appropriate action, the Assistant Director of Academic Support Services should be notified immediately of the arrangements believed to be necessary to accommodate a given temporary disability. Additional information concerning Park University’s policies and procedures related to disability can be found at www.park.edu/disability.

Student Pregnancy and Parenting Accommodations Policy
Park University provides pregnant students with at least the same special services as it provides to students with temporary disabilities and prohibits the harassment and discrimination of students based on sex, which includes pregnancy, childbirth, and related conditions, including breastfeeding.

Park also provides reasonable accommodations to qualifying students with disabilities related to pregnancy and childbirth. Students may request accommodations through the Park University Disability Services office at disabilityservices@park.edu. Please refer to Park's Pregnancy and Parenting Accommodations policy and Student Housing policy for more information, available at https://www.park.edu/terms-and-regulations/disability-guidelines.html.

**Pregnancy and Chemistry Laboratory Safety**

A pregnant woman working in a lab should exercise caution when handling or working with any chemicals. Women should notify their supervisor or instructor when they become pregnant so the potential hazards in the lab can be assessed and appropriate protective measures can be taken.

**Documentation Requirements**

Park University recognizes the best practices recommended by the national Association on Higher Education and Disability. We also realize that each individual and each disability is unique. Specific documentation requirements will vary according to the type of disability, but the following guidelines define acceptable documentation:

1. It is **prepared by a licensed professional** who is knowledgeable in the field of the student’s particular disability, and provide a **description of the diagnostic methodology and/or a description of the diagnostic criteria**, evaluation methods, procedures, tests and dates of administration, as well as a clinical narrative, observation, and specific results. Where appropriate to the nature of the disability, having both summary data and specific test scores (with the norming population identified) within the report is recommended.

   Learning Disabilities (LD/ADHD): Students must provide supporting diagnostic test results from a licensed psychologist or certified specialist in learning disabilities. All testing should be based on **adult level norms**.

   Physical Disabilities: Students must provide documentation from a physician that specifies the nature of the disability or disabilities.

   Psychiatric Disabilities: Students should provide documentation from a licensed professional qualified to diagnose and treat psychological disorders.

2. It is **no older than three years**. (Certain long-term medical and health conditions may not be subject to this element. ex: blindness). Park University will evaluate, but may reject, documentation over three years old. We reserve the right to request updated verification of disability and necessary accommodations.

3. It **includes a statement of diagnosis**.

4. It includes a description of the student’s **current functioning** and/or the **current status** of the disability.

5. It describes how the disability **affects the student's learning/functioning** in a postsecondary educational setting.

6. It includes recommendations for appropriate **post-secondary accommodations**.

7. It is **dated and signed by the licensed professional** and presented on letterhead of the professional.

8. It should **include information regarding medication** the student may be using and **treatment** he/she may be undergoing. This also should include the medication or treatment’s impact on the student's ability to function in an academic setting.
Help Us Help You!

The Academic Success Center at Park University is pleased to serve our students with special needs. If you are seeking accommodations for a disability, here are the steps you should follow:

1. Fill in and submit the Request for Disability Services form. This lets us know a little about you, your needs, and how we can serve you. You can find the form at www.park.edu/terms-and-regulations. Print the blank form, fill it out, then mail, fax, or scan and email to:

Park University
8700 River Park Drive
Parkville, MO 64152
Fax: (816) 505-5445
Email: disabilityservices@park.edu

(If you have questions: call (816) 584-6313)

2. Carefully read our policies and documentation requirements shown above.
3. Submit your documentation. You may need to contact your doctor, psychologist, school counselor, VA counselor, or other qualified medical/educational professional to send your information. Use the same contact information shown above. Your information will be handled appropriately to protect your confidentiality. (Please note: your submission of the Request form begins the process, but no accommodations can be determined or provided until the documentation is received.)
4. Become familiar with the information in this handbook, so you will know how and when your instructors are notified, how accommodations are arranged, and other important aspects of receiving your services.

Documentation Review Process

Once your documentation is received, the Assistant Director of Academic Support Services will review it and determine appropriate accommodations. If your documentation does not satisfy the requirements above, you may be asked to submit updated or more complete information. Be sure to submit your documents in a timely manner to allow adequate time for the review process before the term begins.

When your request has been reviewed, you will receive notification of the approved accommodations. If you are a student on the Parkville campus, your accommodations will be handled by the Assistant Director of Academic Support Services. If you attend a different campus, your Campus Director will work with you on providing the accommodations. Online students will work with the Assistant Director of Academic Support Services, and may also work with a Park University campus center for proctoring.

If you are not satisfied with the accommodations you have been granted, please contact Academic Support Services to discuss the situation. In some cases, we may be able to make adjustments. In others, additional documentation may be needed. For more information on filing a grievance, please see the details in the Handbook for Students with Disabilities at www.park.edu/terms-and-regulations.

DO NOT ask your instructor, campus director, regional director, or proctor to provide accommodations if you have not first submitted a Request for Disability Services form and documentation to the Assistant Director of Academic Support Services.

Please keep in touch with us to let us know how you are doing, and inform us immediately if you need additional assistance.
Your disability information is CONFIDENTIAL. We will inform the appropriate faculty or campus personnel of the accommodations you require, but we do not disclose the nature of your disability. In some cases, you may find that sharing this information with your instructors may help them understand you better, but that choice is up to you.

**Note:** Disability files are updated each year at the beginning of the spring and fall terms. If you are not enrolled for the current term, your file will be marked “inactive,” and you will be notified by email. To reactivate your file and your accommodations, simply notify the Assistant Director of Academic Support Services by email when you enroll again.

Service Animal Policies at Park University

**General Guidelines**

_Bona fide_ service animals may accompany students, employees, and visitors with disabilities to Park University events, activities, and locations with rare exceptions. Local, state, and federal laws regulate the use of service animals at Park.

**Definitions**

- **Service Animal:** According to the Americans with Disabilities Act, a service animal is "any guide dog, signal dog, or other animal individually trained to do work or perform tasks for the benefit of an individual with a disability, including, but not limited to, guiding individuals with impaired vision, alerting individuals who are hearing impaired to intruders or sounds, providing minimal protection or rescue work, pulling a wheelchair, or fetching dropped items. A service animal is not a pet."
- **Partner/Handler:** A person with a service animal.

**Requirements For All Service Animals and Their Partners**

- **Vaccination:** The animal must be immunized against diseases common to that type of animal.
- **Health:** The animal must be in good health.
- **Under control of partner/handler:** The partner/handler must be in full control of the animal at all times.
- **Cleanup Rule:** The partner should encourage the animal to use marked service animal toileting areas when such areas are provided.
- **Documentation:** Before a service animal becomes a part of the campus community, partners are required to submit a written request to the Director of Academic Support Services and documentation from a certified professional that includes the diagnosis of a specific disability which verifies the need for a service animal. If approved, we will issue the partner a letter of verification that may be presented to faculty and staff. Additional documentation that verifies current vaccinations and immunizations of the service animal must accompany the initial request and be re-submitted annually.

**When an Animal Can Be Removed**

Service animals may be removed or restricted on the campus for reasons of disruption, health, uncleanliness, and safety. For example, a partner/handler will be asked to remove the animal from the facility or event if the animal is ill and/or when the animal’s behavior poses a direct threat to the health or safety of other persons and/or animals.
Areas Off-limits to Service Animals

For safety and other reasons, all animals are restricted from certain areas, including laboratories, maintenance rooms/custodial closets, and areas where protective clothing is required.

Note: Requests for exceptions to this restriction must be submitted to the ADA Compliance Officer.

Liability

The partner/handler of an animal at a Park University campus or event is personally responsible for any damage to property and/or harm to others caused by the animal while on the campus or sponsored event.

Equal Employment Opportunity Policy

Park University is committed to equality in employment in all personnel matters, both academic and non-academic areas. Park University shall not discriminate on the basis of race, color, religion, gender, marital status, sexual orientation, pregnancy, national origin, age, disability, and veteran status. The University will follow procedures to prohibit discrimination in accordance with appropriate legal principles, including, but not limited to, Title VI of the Civil Rights Act of 1964, as amended, and Title IX of the Education Amendments of 1972. Inquiries or concerns may be directed to the Associate Vice President and Chief Human Resource Officer.

Physically Inaccessible Classrooms

Park University takes seriously its commitment to removing educational barriers and providing accessible facilities to all students, employees, and visitors. Due to its historic campus, the University has a limited number of classrooms that are only accessible by staircase. These rooms include the following: Lower level of the Chapel, Alumni Hall 3rd floor, Herr House (except limited first floor access), and Dearing (except first floor). The University encourages all students to check schedules for classroom assignments as soon as possible to determine the location of their classrooms, and whether they have any concerns about the accessibility of the assigned classroom. Students who have accessibility concerns due to a documented physical or mobility-related disability should contact Disability Services, Ms. Florenda Jarrard, Assistant Director of Academic Support Services, (816) 584-6313 or disabilityservices@park.edu. The University encourages students to notify Disability Services as early as possible to allow the University the opportunity to provide appropriate accommodations prior to the start of classes.

Non-Discrimination Policy

Park University prohibits discrimination on the basis of race, sex, color, national origin, sexual orientation, marital status, disability, religion and age in employment, and in its admission, education, programs, and activities of students under state and federal law, including Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and Titles VI and VII of the Civil Rights Act of 1964, as amended. Title IX specifically prohibits discrimination and harassment on the basis of sex. Park University will not tolerate sex discrimination or harassment of applicants, students, or employees, whether by students, faculty, staff, administrators, contractors, or outside vendors. Park University recognizes not only its legal responsibilities but also its moral and ethical responsibilities to prohibit discrimination and harassment on the basis of sex and to take appropriate and timely action to ensure an environment free of such inappropriate conduct and behavior. Additionally, Park University will not tolerate retaliation in any form against an applicant, student, or employee for reporting a violation of this policy or assisting in the investigation of a complaint. Inquiries or concerns about the Non-Discrimination Policy may be directed to
the Associate Vice President for Human Resources or the Dean of Students, Park University, 8700 NW River Park Drive, Parkville, MO 64152, or call (816) 741-2000.

Park University Notification and Documentation Policy for Special Assistance under the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990

Park University is committed to meeting the needs of all students who qualify for special assistance. It is the University's policy to comply fully with federal and state laws, including Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, regarding students with disabilities. To the extent of any inconsistency between these guidelines and federal and/or state law, the provisions of the law will apply.

Academic Programs

Undergraduate Programs

Internships and Cooperative Education

A number of majors and departments provide students with opportunities for hands-on experience related to classroom learning. Generally, work experience which is not paid but which carries significant academic credit is considered an internship.

Cooperative education is defined as an on-the-job learning experience, jointly supervised by a faculty member and a representative of the employer, for which the student is paid.

Under a cooperative education arrangement, a student typically, but not necessarily, alternates semesters of full-time study at Park University with semesters of full-time employment in an organization, which will enhance the student's training, development and career goals. The employment periods are a regular, continuing and essential element in the student's educational process.

General Education (Liberal Education)

All Liberal Education courses are listed in the course description section of this catalog.

All students pursuing Bachelor degree programs are responsible for fulfilling the University's Liberal Education requirements. The Liberal Education Program at Park University - Integrative Literacies for Global Citizenship - is education that develops an awareness of human potentials. It develops proper attitudes for realizing such potentials through critical and informed judgments that foster concern for individual and social well-being. It develops a love for learning by encouraging activities that promote knowledge of the basic concepts, methodologies, and rewards of learning. It builds skills and competencies that help students acquire the distinctive outcomes defined in the University vision, mission, core values, and literacies. These outcomes include:

- Thinking and Communication
- Citizenship
- Ethical Competency
- Scientific and Quantitative Competency
- Literary and Artistic Competency
- Interdisciplinary and Integrative Competency

For more information on the Park University Literacies, and the specific sub-competencies of each, visit www.park.edu/about-park/university-literacies.html.
In shifting our terminology from "general" to "liberal" education, Park University also aligns itself with the American Association of Colleges and Universities' definition of liberal education as: An approach to college learning that empowers individuals and prepares them to deal with complexity, diversity and change. It emphasizes broad knowledge of the wider world (e.g., science, culture and society) as well as in-depth achievement in a specific field of interest. It helps students develop a sense of social responsibility as well as strong intellectual and practical skills that span all areas of study, such as communication, analytical and problem-solving skills, and includes a demonstrated ability to apply knowledge and skills in real-world settings."

**Minor Programs**

Minors are required for students seeking the Bachelor of Arts degree, as well as for students pursuing the Geography, B.S. and/or Information Systems, B.S. Students pursuing other bachelor degrees (BSW, BS, BPA, BM or BSE) may select a minor if such minor is approved and readily available at the student's campus center. For a list of available minors, consult with the appropriate academic department or success advisor.

**Note:** Students are unable to select a minor in the same discipline as the major. (i.e. Students cannot select a Management major and a Management minor)
A minor must be declared in conjunction with a bachelors program. A minor may not be declared independently, with an associates program or a certificate program.

**ParkWrites**

ParkWrites is a Writing Across the Curriculum (WAC) program aimed at improving writing and writing instruction across Park University. Writing Across the Curriculum is an educational approach used by a majority of universities to develop student learning about content (writing to learn) and to develop student learning about writing across all disciplines (learning to write). WAC programs increase student engagement and retention, critical thinking, and effective communication across a range of audiences and purposes, and better prepare students for communicating in the workplace. These benefits are even greater for international students and students from under served populations.

ParkWrites consists of multiple initiatives including faculty development and support, a journal of excellent student writing called The Navigator, a student writing fellows program which places trained students in classes for extra writing support, and a curricular initiative, the Writing Intensive program. In addition to taking three required writing courses at Park, students also take at least two writing intensive courses both inside and outside their majors ensuring students get effective instruction in writing throughout their entire degree program.

**Personal Major Program**

**(Parkville Daytime Campus Center Only)**

There are many reasons why students go to college. Not the least of these is to participate in the formal learning situations provided by a college curriculum. Unfortunately, the intensive learning opportunities afforded by the standard college curriculum do not always correspond to a particular student's reasons for going to college. These intensive learning opportunities are usually cataloged as departmental major programs and impose a relatively limited number of alternatives. It would seem desirable to increase the number of options that are available to students matriculating at a college. Therefore, Park University designed the Personal Major, in which a student, with appropriate institutional guidance, is allowed to construct an intensive learning experience which corresponds to his/her own needs where these fall outside the traditional major fields.
The Personal Major Program at Park University is an individualized curriculum in which objectives and content have been chosen by the student in consultation with his/her advisor(s). The program is approved by the Provost or designee. As with other major programs, the student is subject to all general degree requirements at Park University. A 2.0 GPA is required in the major of the designed program.

**Undergraduate Certificates**

An undergraduate certificate program consists of a logically sequenced and academically coherent subset of courses, which is intended to prepare students for professional practice in certain applied fields. Because of the program's emphasis on application, the choice of courses often represents more practice-oriented didactic contents. Courses taken toward a certificate program may be applied to an undergraduate degree depending upon the requirements of the particular degree to which a student wishes to apply the credits. Undergraduate certificate programs consist of 12-18 credit hours.

General criteria for admission to any undergraduate certificate program include:

1. A high school diploma or equivalent. Individual certificate programs may have additional admissions requirements.*
2. Each program may establish the minimum grade point average, English language examination score, standardized test scores, and other entry criteria. Such flexibility is permitted to meet the needs of the target student population.
3. Undergraduate students who are currently enrolled in an undergraduate program may simultaneously pursue an undergraduate certificate program, with the permission of the program or department chair offering the certificate program. Certificate-seeking students who are not degree-seeking students will be classified as certificate students for the purpose of keeping University-wide enrollment data. Certificate students will have access to the Library and University-wide facilities, subject to the rules governing those facilities.
4. Certificate students are not automatically eligible for admission to the related undergraduate program. If they wish to pursue an undergraduate degree, they must submit an application, meeting all the entrance requirements for that program.
5. Certificate programs alone are not eligible for federal, state, or institutional financial aid. However, federal financial aid may be applied to undergraduate certificates for students in a complementary degree program who can earn the certificate courses as part of completing the requirements for that degree. Federal financial aid may also be applied to undergraduate certificates completed by degree seeking students in programs outside of the certificate area if the courses are completed within the overall hours (generally 120 or 122) needed for graduation. Non-degree seeking students who wish to enroll in the stand-alone certificate should consult with their Success Coach regarding funding opportunities. Students may also apply for a private student loan to help finance their certificate program. Park University does not endorse or recommend the use of any particular alternative educational loan, but encourage students to review the private loan programs available to determine which option best meets their personal financial needs.

The following minimum requirements must be satisfied to earn an undergraduate certificate*:

- Complete at least 50% of the coursework at Park
- Earn a minimum cumulative GPA of 2.0* (for courses in the certificate)
- Meet all requirements of the specific program, as outlined in the Degree Requirements section of the catalog

*Individual departments may establish additional (or higher) requirements (refer to the Academic Degree Programs section of the catalog for program-specific requirements).

*For information and resources about student loan repayment, or to submit a complaint relating to your student loans or student loan servicer, please visit www.wsac.wa.gov/loan-advocacy or contact the Student Loan Advocate at loanadvocate@wsac.wa.gov.
**Study Abroad**

Through participation in a study abroad program, Park students have the opportunity to earn Park credit abroad while attending one of Park's international partner institutions. Park University offers study abroad opportunities in numerous countries around the world. Bilateral, direct and study abroad consortia agreements are in place and continue to be updated to satisfy the need of students.

Students can study abroad for a semester, a year, or a summer program. The credits taken abroad are counted towards the students’ degree requirements and calculated into their GPA.

Study Abroad participants continue their enrollment at Park through a placeholder course overseen by the Registrar's Office. This maintains the students' enrollment during the period of the study abroad program and upon return facilitates the translation of coursework taken abroad into Park credit. Study Abroad advises and helps students coordinate their study abroad experience, and offers ongoing support during the study abroad program.

For additional information visit Park Study Abroad.

**Honors Academy**

**Academy Mission**

The mission of the Honors Academy at Park University is to empower qualified students to apply critical thought in an exploration of academic excellence, service, and leadership, with a goal of employing those three essential elements as tools to help shape their local and global communities.

**Program Description**

The Honors Academy is a special program for which formal application is required. The Academy is open to undergraduate students from all disciplines. Incoming freshmen, current students, and transfer students with a cumulative GPA of 3.75 and an ACT score of at least 28 can apply for admission at: https://www.park.edu/academics/honors-academy/apply/. The Honors Academy seeks students who desire to learn not only for self-satisfaction, but also as a means through which they may contribute to their campus, city, national, and global communities in support of the University and Academy mission statements. The program is designed to challenge academically well prepared students while introducing and reinforcing the experiential learning outcomes Park University's Literacies.

The three foci of the Academy, Service, Leadership, and Scholarship are explored through the curriculum:

- Freshmen Year: Class Service Project
- Sophomore Year: HN250, HN299
- Junior Year: HN303, HN304

**Honor Society**

**Alpha Chi**

*(Parkville Daytime Campus Center only)*

A chapter of Alpha Chi, a national honor society was established at Park University in 1987. The purpose of Alpha Chi is to promote academic excellence and exemplary character among university studies and to honor those who achieve such distinction. Invitation to join the society is reserved for students within the top 10% of the junior and senior classes with a minimum of 3.80 GPA. The Parkville faculty votes on candidates
meeting these criteria and selects the nominees. Contact the Office of Academic Affairs for further information.

**Alpha Kappa Delta**

Alpha Kappa Delta (AKD), the International Sociology Honor Society, will have a new chapter at Park University in Fall, 2007. AKD was founded in 1920 to provide a forum for student and faculty interchange and is dedicated to promoting, facilitating, and recognizing academic scholarship. Since its inception, over 80,000 scholars have been initiated into the Society and over 490 chapters have been chartered internationally.

**Alpha Sigma Lambda (ASL)**

A chapter of Alpha Sigma Lambda Honor Society was established at Park University in 2010. It is the oldest and largest chapter based honor society for full and part time students with over 300 chartered chapters throughout the United States. For the nontraditional student, the Society is an inspiration for continuing scholastic growth and builds pride through recognition. At Park, the Pi Upsilon Chapter of Alpha Sigma Lambda fosters university-wide appreciation for the academic achievements and contributions of students and faculty. As well, ASL helps recruit and retain nontraditional adult students. Invitations to join the Society is reserved for students within the top 10% of the senior class with a minimum of 24 earned Park hours, a grade point average of 3.75 on a 4.0 scale or its equivalent, and are actively involved in community service. For additional information contact Park Campus Centers and Online Learning for further information.

**Beta Beta Beta**

Beta Beta Beta (TriBeta) is a society for students, particularly undergraduates, dedicated to improving the understanding and appreciation of biological study and extending boundaries of human knowledge through scientific research. Since its founding in 1922, more than 175,000 persons have been accepted into lifetime membership, and more than 430 chapters have been established throughout the United States and Puerto Rico.

**Delta Mu Delta**

Founded in 1913, Delta Mu Delta (DMD) is the International Honor Society for business programs accredited by the Accreditation Council for Business Schools and Programs (ACSBP) at the baccalaureate, graduate, and doctoral levels. DMD recognizes and encourages academic excellence of students at qualifying universities to create a community that fosters the well-being of its individual members and the business community through lifetime membership.

**Phi Alpha/Rho Epsilon**

Phi Alpha, the national honors society in Social Work, was founded in 1960 and Park University's chapter, Rho Epsilon, was founded in 2010. The purpose of Phi Alpha Honor Society is to provide a closer bond among students of social work and promote humanitarian goals and ideas. Phi Alpha fosters high standards of education for social workers and invites into membership those who have attained excellence in scholarship and achievement in social work.

**Phi Alpha Theta/Zeta Omicron**
A professional society whose mission is to promote the study of history through the encouragement of research, good teaching, publication and the exchange of learning and ideas among students and historians. We seek to bring students, teachers and writers of history together for intellectual and social exchanges, which promote and assist historical research and publication by our members in a variety of ways.

**Pi Gamma Mu**

(International Honor Society in Social Science)

A Chapter of PI GAMMA MU, was established at Park in 1959. The society has as its primary objectives to encourage the study of social science among undergraduate students and faculty members in colleges and universities throughout the world, and to recognize outstanding achievement through election to membership and the presentation of various awards for distinguished achievement. Any Park University student of good moral character who is a junior or senior can be considered for nomination. A qualified student shall have at least twenty semester hours of social science with a grade point average of 3.0 or better and an overall GPA of 3.7; academically ranked in the upper 35 percent of his/her class; junior or senior status; and no record of academic failure in the social sciences. Contact the Social Science Department for further information.

**Pi Lambda Theta**

Founded in 1920, Pi Lambda Theta is the most selective national honor society of educators; a forum for exchanging and developing ideas, fostering individual leadership, and promoting professionalism. PLT also works on an international and regional basis, as well as hosts both regional and international conferences. It promotes service teaching and learning offering networking opportunities among members across the world. It is a prestigious honor to be accepted into its membership. PLT extends membership to students and professionals who satisfy academic eligibility requirements.

**Pi Sigma Alpha**

(Alpha Delta Upsilon Chapter)

Pi Sigma Alpha, the National Political Science Honor Society, is the only honor society for college students of political science and government in the United States. Pi Sigma Alpha was founded in 1920 for the purpose of bringing together students and faculty interested in the study of government and politics. Membership in Pi Sigma Alpha is open to juniors, seniors, and graduate students currently enrolled in institutions where chapters are located.

**Psi Chi**

Psi Chi is an international honor society in Psychology, founded in 1929 for the purposes of encouraging, stimulating, and maintaining excellence in scholarship, and advancing the science of psychology.

**Sigma Alpha Pi**

(National Society of Leadership & Success)

The purpose of Sigma Alpha Pi, The National Society of Leadership and Success, is to help individuals create the lives they desire by helping them discover what they truly want to do, and giving them the support, motivation, and skills to achieve their goals.
(Spanish Honor Society)

Sigma Delta Pi, a member of the Association of College Honor Societies, is devoted to serving qualified students of Spanish in four-year colleges and universities. The Society provides access to Scholarship programs, annual undergraduate awards for summer study in Spain, Mexico and Ecuador, research grants for graduate students, and eligible students may apply for $500 merit-based scholarships and internships. All qualified students interested in Spanish and Hispanic cultures, literatures and the Spanish language are welcome to apply for active membership and to participate in the Society's induction ceremony in the spring of each academic year. Contact the Department of English and Modern Languages for more information.

(Sigma Tau Delta)

(English Honor Society)

All students interested in writing and literature are invited to join an organization that sponsors charity events, hosts poetry and other creative writing contests, and engages in fundraising efforts to send students to the annual Sigma Tau Delta convention. While all members have associate membership in Sigma Tau Delta, the premier international English honor society, English majors and minors may apply for active membership in Sigma Tau Delta if they meet the honor society's qualifications.

Graduate Programs

A master's degree is intended to prepare students for scholarly or professional careers, for more specialized study in the discipline, or to satisfy their desire to learn more about a subject. A master's degree is a distinguished academic award conferred upon those who demonstrate a level of competence and accomplishment that is substantially higher than what is expected of undergraduate students. These competencies include the ability to communicate effectively, think critically, skills to analyze complex situations, proficiency to acquire, integrate and apply knowledge, leadership skills, a capacity to recognize and deal with ethical issues according to the standards of their particular profession, and the ability to work collaboratively with others.

Academic preparation in a master's degree program should include coursework, independent research, peer interactions, often combined with a practical learning experience.

The University recognizes the necessity for a well-defined and articulated curriculum of study that includes contributions to learning provided by employment, volunteering in your community, service-learning and internship experiences. Furthermore, the University considers these professional experiences to be an integral part of the graduate curriculum in that they allow programs to develop and implement an enriched curriculum while providing students the opportunity to apply the knowledge, skills and dispositions they have acquired as a result of formal classroom activities. Finally, while encouraged and considered to be an integral part of the graduate curriculum, academic credit may not be granted for work, community volunteerism, service-learning or internship experiences, unless completed as part of a regularly scheduled course. A brief description of each graduate degree program follows.

Park University launched its first graduate program in 1982 with the Master of Public Administration (M.P.A.) degree. This graduate program was developed by Jerzy Hauptmann Ph.D., long-time professor and dean, after whom the Hauptmann School of Public Affairs was named. Accredited by the Accreditation Council of Business Schools and Programs (ACBSP) and designed as a cross-sector degree with a public service values foundation, the MPA resides in the College of Management. The degree prepares leaders for work and contributions in various sectors of society. Students develop skills needed to interface with organizations across sectors, while acquiring the knowledge base to work in a rapidly changing global community. The MPA program graduates leaders prepared to shape the future in these times of relentless change and to make a difference in their communities and in the world.
The Master of Education (M.E.) program was launched in 1995. Originally located at the Parkville Campus and taught in an accelerated format, this program was designed to serve the classroom teacher. Students are encouraged to utilize an action/reflection format in applying educational theory to their own classroom. In 2001, Park University added a degree program in Educational Administration to respond to a growing need for educational professionals certified in this area. A program in Leading Adult and Organizational Learning was added in 2004 and a two-year Urban Education program was launched in 2016.

The Master of Business Administration (M.B.A.) program was launched in January 1998 and is accredited by the Accreditation Council for Business Schools and Programs (ACBSP). Park University's School of Business, which is housed within the College of Management is one of the largest not-for-profit business schools in the United States. Its mission is to provide quality, innovative, application-based learning. The MBA is designed to meet the educational needs of a growing and diverse business community. Whether advancing through the ranks of an international corporation or re-entering the workplace to join an organization, the business skills and tools one acquires in the MBA program are vital for success in the modern business environment.

The Master of Arts in Communication and Leadership (M.A.) program, instituted in the fall of 2005, is designed for professionals who wish to build upon their current career skills or seek career advancement, and for students seeking preparation for doctoral work. The degree blends the practical and theoretical knowledge needed to serve in corporate settings, the military, the nonprofit sector, government, politics, or to continue in a doctoral program.

The Master of Healthcare Administration (M.H.A). program at Park University is accredited by the Accreditation Council for Business Schools and Programs (ACBSP). MHA programs were offered for the first time in the fall of 2006. This program resides in the School of Business which is housed within the College of Management and is designed to prepare learners for the health challenges of a global society, by teaching them innovative approaches to healthcare leadership. Graduates of this program will find themselves prepared to deal with the evolving issues of today’s healthcare environment in a wide variety of public, private and nonprofit organizations.

The Master of Music in Performance (M.M.) program was instituted in the fall of 2008. The program, whose faculty is renowned worldwide, is an advanced course of study for musicians who hold a bachelor's degree and are seeking careers as professional musicians. Students enrolled in the MM program may select from two concentration areas of performance, piano or strings.

The Master of Science in Information Systems and Business Analytics (M.S.) provides students with the technical, managerial, and strategic acumen necessary to leverage information technology and data to maintain a competitive advantage and improve operational outcomes.

The Master of Social Work (M.S.W.) program is designed to prepare graduates with the knowledge, values and skills needed to deliver effective and efficient advanced social work practice with individuals, families, groups, organizations and communities. The Master of Social Work program is fully accredited by the Council on Social Work Education (CSWE), 1701 Duke St., Suite 200, Alexandria, VA, 22314.

Graduate Certificate

A graduate certificate program consists of a logically sequenced and academically coherent subset of courses, derived from a given discipline or related disciplines. Intended to prepare students for professional practice in certain applied fields, graduate certificates provide important preparation and credentialing in our increasingly dynamic employment environment. A graduate certificate comprises fewer credits than a master’s degree. Courses taken toward a certificate program may eventually or simultaneously transfer to a graduate degree depending upon the requirements of the particular degree to which a student wishes to apply the credits.
Graduate Certificate programs, when completed, represent a structured, coherent body of knowledge. In most instances, the required credit hours will range between 12 and 15. The exception is the Graduate Certificate in Applied Music. No more than 25 percent of the hours required for a certificate program may be transferred from another institution.

General criteria for admission to any graduate certificate program include:

- An earned baccalaureate degree from an acceptable accredited college or university, or its foreign equivalent.
- Minimum cumulative grade point average of 2.75 on a 4.0 scale, as established by the graduate program associated with the certificate.

Note that graduate students who are currently enrolled in a graduate program may simultaneously pursue a graduate certificate program, with the permission of their adviser. Certificate-seeking students who are not degree-seeking students will be classified as certificate students for the purpose of keeping University-wide enrollment data. Certificate students will have access to University-wide facilities, subject to the rules governing those facilities. Additional admission requirements as noted, for each certificate. Federal financial aid eligibility is contingent upon certificate approval through the institution's Program Participation Agreement.

In addition, certificate students are not automatically eligible for admission to the related graduate program. If they wish to pursue a graduate degree, they must submit an application, meeting all the entrance requirements for that program. Certificate courses may be applied toward completion of an appropriate master’s degree; courses taken in pursuit of a completed master's degree cannot be retroactively applied to a certificate.

A student graduates from a certificate program when all program requirements are completed and has maintained a 3.0 grade point average.

Courses and certificates completed will be transcribed by the Registrar's Office, and they will become the student's permanent academic record.

*For information and resources about student loan repayment, or to submit a complaint relating to your student loans or student loan servicer, please visit www.wsac.wa.gov/loan-advocacy or contact the Student Loan Advocate at loanadvocate@wsac.wa.gov.

Programs by Degree Type

Undergraduate Certificate Programs

Liberal Arts, A.A

Requirements For: A.A. Major – 27 hours, 2.0 GPA

- AR115 - Introduction to the Visual Arts Credits: 3
- CS300 - Technology in a Global Society Credits: 3
- EN201 - Introduction to Literature Credits: 3
- GGP120 - Global Sustainability Credits: 3
- PH221 - Ethics and Society Credits: 3
- PO200 - American National Government Credits: 3
- RE109 - World Religions Credits: 3
- HIS104 - American History Survey Through the Civil War Credits: 3
or
HIS105 - American History Survey Since the Civil War **Credits:** 3

or
PS101 - Introduction to Psychology **Credits:** 3
or
SO141 - Introduction to Sociology **Credits:** 3

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO235, BIO237, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH107L and CH107, CH108L and CH108, CH107L and CH107, CH108L and CH108, CH18, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**
Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

Park University confers the Associates of Arts and Associate of Science degrees at selected locations when a candidate has satisfied the following conditions:

- LE100 First-Year Seminar (required for all incoming first-time freshmen and highly encouraged for transfer students)
- Presentation of a minimum of sixty (60) earned credit hours.
- Cumulative GPA of 2.0 for Park University courses. (Some majors may require a higher cumulative GPA.)
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of 15 earned (A, B, C, D) Park University credit hours in residence. At least nine of these credits must be in the major.
- Submission of an Application of Graduation.

**Construction Management, A.S.**

**Requirements For: A.S. Major – 36 Hours, 2.0 GPA**
This degree program combines the principles of business management with the skills needed by construction managers. Students are prepared for careers in Construction Management, Project Management, and Building Inspection, among others. Topics include planning and scheduling, budgeting, organizing, supervising, safety, law, materials, methods, and plans analysis.

CO111 - Introduction to Engineer Construction Technology/Design/Materials and Safety Credits: 3
CO121 - Plans Analysis Credits: 3
CO225 - Building Codes Credits: 3
CO235 - Construction Planning Credits: 3
CO245 - Construction Estimating Credits: 3
CO320 - Mechanical and Electrical Systems for Construction Managers Credits: 3
CO360 - Project Management/Critical Path Analysis Credits: 3
CO365 - Construction Project Management Credits: 3
IS141 - Applied Computer Technology for Business Credits: 3
MA171 - Finite Mathematics Credits: 3
MG260 - Business Law I Credits: 3
MG371 - Management and Organizational Behavior Credits: 3

Liberal Education Requirements 24 cr.

Writing Seminar 6 cr.

EN105 - First Year Writing Seminar I: Critical Reading, Writing and Thinking Across Contexts Credits: 3
EN106 - First Year Writing Seminar II: Academic Research and Writing Credits: 3

Math Requirement 3 cr.

Choose one of the following:

MA120 - Basic Concepts of Statistics Credits: 3
MA125 - Intermediate Algebra Credits: 3
or higher excluding MA208

Humanities Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Natural Science Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Biology, Chemistry, Computer Science, Fitness and Wellness, Information Systems, Physical Geography, Geology, Math, Natural Science, Physics, Surveying.

Natural Science/Social Science/Humanities 3 cr.

Complete an addition 3 hours of humanities, natural science, or social science in the following disciplines:

Those listed under natural science or humanities or Accounting, Anthropology, Criminal Justice, Construction, Economics, Education, Engineering, Finance, Human Geography, Health Care, History,

Graduation Requirements

Park University confers the Associates of Arts and Associate of Science degrees at selected locations when a candidate has satisfied the following conditions:

- LE100 First-Year Seminar (required for all incoming first-time freshmen and highly encouraged for transfer students)
- Presentation of a minimum of sixty (60) earned credit hours.
- Cumulative GPA of 2.0 for Park University courses. (Some majors may require a higher cumulative GPA.)
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of 15 earned (A, B, C, D) Park University credit hours in residence. At least nine of these credits must be in the major.
- Submission of an Application of Graduation.

Criminal Justice Administration, A.S.

Requirements For: A.S. Major – 27 Hours, 2.0 GPA

- CJ100 - Introduction to Criminal Justice Administration Credits: 3
- CJ105 - Criminal Law Credits: 3
- CJ200 - Criminology Credits: 3
- CJ205 - Juvenile Justice System Credits: 3
- CJ221 - Criminal Procedure Credits: 3
- CJ231 - Introduction to Law Enforcement Credits: 3
- CJ232 - Introduction to Corrections Credits: 3
- CJ233 - Introduction to Security Credits: 3
- CJ311 - Criminal Investigation Credits: 3

Liberal Education Requirements 24 cr.

Writing Seminar 6 cr.

- EN105 - First Year Writing Seminar I: Critical Reading, Writing and Thinking Across Contexts Credits: 3
- EN106 - First Year Writing Seminar II: Academic Research and Writing Credits: 3

Math Requirement 3 cr.

Choose one of the following:

- MA120 - Basic Concepts of Statistics Credits: 3
- MA125 - Intermediate Algebra Credits: 3
- or higher excluding MA208
Humanities Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Natural Science Requirement 6 cr.

Complete 6 hours from any of the following disciplines:
Biology, Chemistry, Computer Science, Fitness and Wellness, Information Systems, Physical Geography, Geology, Math, Natural Science, Physics, Surveying.

Natural Science/Social Science/Humanities 3 cr.

Complete an addition 3 hours of humanities, natural science, or social science in the following disciplines:

Graduation Requirements

Park University confers the Associates of Arts and Associate of Science degrees at selected locations when a candidate has satisfied the following conditions:

- LE100 First-Year Seminar (required for all incoming first-time freshmen and highly encouraged for transfer students)
- Presentation of a minimum of sixty (60) earned credit hours.
- Cumulative GPA of 2.0 for Park University courses. (Some majors may require a higher cumulative GPA.)
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of 15 earned (A, B, C, D) Park University credit hours in residence. At least nine of these credits must be in the major.
- Submission of an Application of Graduation.

Information and Computer Science, A.S.

Requirements For: A.S. Major – 29-30 hours, 2.0 gpa

The Information and Computer Science (ICS) curriculum prepares students for a broad range of computer opportunities in industry as well as in graduate studies. ICS students choose one or more specialty areas from among these options: Computer Science, Information Technology, Network Security, Software Development and Web Development. As part of their curriculum, Network Security students take Cisco Certified Network Associate (CCNA) courses that prepare them for the CCNA certification exam. Depending on their chosen specialty area, ICS graduates are well prepared for these industry positions: applications programmer, systems analyst, information technology specialist, database analyst, network analyst, web programmer, software engineer, and cybersecurity specialist.
The CSIS Department works with Park University's Career Development Center in helping to place students in computer internship positions. The CSIS Department actively encourages students to work in such internship positions and considers internships to be an integral part of the ICS curriculum.

Core Curriculum 24 cr.

CS152 - Introduction to Python Programming Credits: 3  
CS208 - Discrete Mathematics Credits: 3  
CS300 - Technology in a Global Society Credits: 3  
CS365A - Computer Networking Credits: 3  
IS205 - Managing Information Systems Credits: 3  
IS361 - Data Management Concepts Credits: 3  
MA120 - Basic Concepts of Statistics Credits: 3

MA135 - College Algebra Credits: 3  
or  
any MA course > MA135 (except MA208) Credits: 3

Select electives from this list 5-6 cr.

CS202 - Secure Programming Credits: 3  
CS240 - Web Programming I Credits: 3  
CS252 - Object-Oriented Programming Credits: 3  
CS319 - Computer Architecture Credits: 3  
IS315 - Computer Systems Analysis and Design I Credits: 3  
MA150 - Precalculus Mathematics Credits: 3  
MA160 - Precalculus for Majors Credits: 5

Liberal Education Requirements 24 cr.

Writing Seminar 6 cr.

EN105 - First Year Writing Seminar I: Critical Reading, Writing and Thinking Across Contexts Credits: 3  
EN106 - First Year Writing Seminar II: Academic Research and Writing Credits: 3

Math Requirement 3 cr.

Choose one of the following:

MA120 - Basic Concepts of Statistics Credits: 3  
MA125 - Intermediate Algebra Credits: 3  
or higher excluding MA208

Humanities Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Natural Science Requirement 6 cr.
Complete 6 hours from any of the following disciplines:

Biology, Chemistry, Computer Science, Fitness and Wellness, Information Systems, Physical Geography, Geology, Math, Natural Science, Physics, Surveying.

**Natural Science/Social Science/Humanities 3 cr.**

Complete an addition 3 hours of humanities, natural science, or social science in the following disciplines: Those listed under natural science or humanities or Accounting, Anthropology, Criminal Justice, Construction, Economics, Education, Engineering, Finance, Human Geography, Health Care, History, Human Resources, Logistics, Management, Marketing, Political Science, Psychology, Sociology, Social Studies, Social Work.

**Graduation Requirements**

Park University confers the Associates of Arts and Associate of Science degrees at selected locations when a candidate has satisfied the following conditions:

- LE100 First-Year Seminar (required for all incoming first-time freshmen and highly encouraged for transfer students)
- Presentation of a minimum of sixty (60) earned credit hours.
- Cumulative GPA of 2.0 for Park University courses. (Some majors may require a higher cumulative GPA.)
- Satisfaction of all requirements for a major as outlined in this catalog.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of 15 earned (A, B, C, D) Park University credit hours in residence. At least nine of these credits must be in the major.
- Submission of an Application of Graduation.

**Management, A.S.**

**Requirements For: A .S. Major – 27 hours, 2.0 gpa**

- AC201 - Principles of Financial Accounting Credits: 3
- AC202 - Principles of Managerial Accounting Credits: 3
- IS141 - Applied Computer Technology for Business Credits: 3
- EC141 - Principles of Macroeconomics Credits: 3
- EC142 - Principles of Microeconomics Credits: 3
- MA171 - Finite Mathematics Credits: 3
- MG260 - Business Law I Credits: 3
- MG371 - Management and Organizational Behavior Credits: 3
- MK351 - Principles of Marketing Credits: 3

**Note:**

*IS141 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirement for CS140.*

*MA171 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirement for MA120.*

**Liberal Education Requirements 24 cr.**
Writing Seminar 6 cr.

EN105 - First Year Writing Seminar I: Critical Reading, Writing and Thinking Across Contexts Credits: 3
EN106 - First Year Writing Seminar II: Academic Research and Writing Credits: 3

Math Requirement 3 cr.

Choose one of the following:

MA120 - Basic Concepts of Statistics Credits: 3
MA125 - Intermediate Algebra Credits: 3
or higher excluding MA208

Humanities Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Natural Science Requirement 6 cr.

Complete 6 hours from any of the following disciplines:
Biology, Chemistry, Computer Science, Fitness and Wellness, Information Systems, Physical Geography, Geology, Math, Natural Science, Physics, Surveying.

Natural Science/Social Science/Humanities 3 cr.

Complete an addition 3 hours of humanities, natural science, or social science in the following disciplines:

Graduation Requirements

Park University confers the Associates of Arts and Associate of Science degrees at selected locations when a candidate has satisfied the following conditions:

LE100 First-Year Seminar (required for all incoming first-time freshmen and highly encouraged for transfer students)
Presentation of a minimum of sixty (60) earned credit hours.
Cumulative GPA of 2.0 for Park University courses. (Some majors may require a higher cumulative GPA.)
Satisfaction of all requirements for a major as outlined in this catalog.
Completion of degree specific requirements.
Completion of Liberal Education requirements.
Completion of 15 earned (A, B, C, D) Park University credit hours in residence. At least nine of these credits must be in the major.
Submission of an Application of Graduation.
Management/Accounting, A.S.

Requirements For: A.S. Major – 33 hours, 2.0 GPA

AC201 - Principles of Financial Accounting Credits: 3
AC202 - Principles of Managerial Accounting Credits: 3
AC309 - Individual Income Tax Credits: 3
AC380 - Cost Accounting Credits: 3
IS141 - Applied Computer Technology for Business Credits: 3 *
EC141 - Principles of Macroeconomics Credits: 3
EC142 - Principles of Microeconomics Credits: 3
FI360 - Financial Management Credits: 3
MA171 - Finite Mathematics Credits: 3
MG260 - Business Law I Credits: 3
MG371 - Management and Organizational Behavior Credits: 3

Note:

*MA171 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirement for MA120.

Liberal Education Requirements 24 cr.

Writing Seminar 6 cr.

EN105 - First Year Writing Seminar I: Critical Reading, Writing and Thinking Across Contexts Credits: 3
EN106 - First Year Writing Seminar II: Academic Research and Writing Credits: 3

- Completion of Liberal Education requirements.
- Completion of 15 earned (A, B, C, D) Park University credit hours in residence. At least nine of these credits must be in the major.
- Submission of an Application of Graduation.

Social Psychology, A.S.

Requirements For: A.S. Major – 27 hours, 2.0 gpa

- PS101 - Introduction to Psychology **Credits:** 3
SO141 - Introduction to Sociology Credits: 3
SO206 - Social Issues in Contemporary Society Credits: 3
PS301 - Social Psychology Credits: 3
SO338 - Self and Society Credits: 3

Electives: 12 cr.

students may choose 12 credit hours from Psychology and/or Sociology

Liberal Education Requirements 24 cr.

Writing Seminar 6 cr.

EN105 - First Year Writing Seminar I: Critical Reading, Writing and Thinking Across Contexts Credits: 3
EN106 - First Year Writing Seminar II: Academic Research and Writing Credits: 3

Math Requirement 3 cr.

Choose one of the following:

MA120 - Basic Concepts of Statistics Credits: 3
MA125 - Intermediate Algebra Credits: 3
or higher excluding MA208

Humanities Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Natural Science Requirement 6 cr.

Complete 6 hours from any of the following disciplines:

Biology, Chemistry, Computer Science, Fitness and Wellness, Information Systems, Physical Geography, Geology, Math, Natural Science, Physics, Surveying.

Natural Science/Social Science/Humanities 3 cr.

Complete an addition 3 hours of humanities, natural science, or social science in the following disciplines:

Graduation Requirements

Park University confers the Associates of Arts and Associate of Science degrees at selected locations when a candidate has satisfied the following conditions:
LE100 First-Year Seminar (required for all incoming first-time freshmen and highly encouraged for
transfer students)
Presentation of a minimum of sixty (60) earned credit hours.
Cumulative GPA of 2.0 for Park University courses. (Some majors may require a higher cumulative
GPA.)
Satisfaction of all requirements for a major as outlined in this catalog.
Completion of degree specific requirements.
Completion of Liberal Education requirements.
Completion of 15 earned (A, B, C, D) Park University credit hours in residence. At least nine of these
credits must be in the major.
Submission of an Application of Graduation.

**Biology, B.A.**

**Requirements For: B.A. Major – 56 hours, 2.0 GPA**

The Bachelor of Arts in Biology degree trains students to be a professional biologist broadly trained in
Biology. This major is ideally paired with a supporting minor or second major to prepare the student in
several career paths, such as: laboratory assistant, research assistant, education, scientific communication,
quality control assurance, pharmaceutical sales or management of science-based businesses, and biospatial
analysis. Based upon career interests, students will need to seek academic advisement for assistance with
selecting minor and/or a secondary major. To complete the major, students will need to focus on completing
courses within the core curriculum in years one and two while focusing on the completion of elective courses
within years three and four.

**Core Curriculum 44 CR.**

- BIO221 - Zoology **Credits: 4**
- BIO225 - Botany **Credits: 4**
- BIO325 - Introductory Molecular Cell Biology **Credits: 3**
- BIO327 - Introductory Ecology and Evolution **Credits: 4**
- BIO340 - Genetics **Credits: 4**
- MA160 - Precalculus for Majors **Credits: 5**
- PY155 - Concepts of Physics I **Credits: 4**
- NS220 - Applied Statistics and Experimental Design **Credits: 3**
- NS302 - Current Literature in the Natural Sciences **Credits: 1**
- NS306 - Writing and Ethical Practices in Science **Credits: 3**
- NS401 - Natural Science Seminar **Credits: 1**
- CH107 - General Chemistry I **Credits: 3**
- CH107L - General Chemistry Laboratory I **Credits: 1**
- CH108 - General Chemistry II **Credits: 3**
- CH108L - General Chemistry Laboratory II **Credits: 1**

**Electives 12 cr.**

- BIO330 - Paleobiology **Credits: 4**
- BIO337 - Biochemistry **Credits: 3**
- BIO350 - Microbiology **Credits: 4**
- BIO380 - Issues in Biodiversity **Credits: 3**
- BIO400 - Cell Biology **Credits: 4**
- BIO410 - Comparative Anatomy **Credits: 4**
BIO411 - Animal Physiology Credits: 4
BIO417 - Developmental Biology Credits: 4
BIO470 - Internship Credits: 1-4
BIO490 - Advanced Topics in Biology Credits: 1-4
BIO498 - Thesis Credits: 3
BIO499 - Research Credits: 1-6

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI212, BL223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337,
BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108,
CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115,
GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220,
SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, 
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, 
GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, 
PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 CR.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer 
students)

**Upper Division Requirements 36 cr.**

36 hours of upper division (300 - 400 level) course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of 
Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, 
PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses 
designated in the catalog as "WI" (Writing Intensive), composed as follows:
3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BLO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

Secondary Level 7 cr.

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

Intermediate Level 3 cr.

FR201 or GE201 or SP201 or transfer equivalent

Additional Requirements

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor is required (some may be discipline specific as noted in the major).
- Satisfaction of all requirements for a major.
- Completion of the Liberal Education requirements.
- Completion of the degree specific requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Communication Studies, B.A.
Communication, B.A.

The Department of Communication, Journalism, Public Relations offers two related majors.

Multimedia Journalism and Public Relations, B.A.
Communication Studies, B.A.

These majors are designed to prepare students for success in professional fields and/or graduate study. Students do this in an environment which combines hands-on learning with great ideas. The program is designed as an extension of the liberal arts approach of Park University because the liberal arts approach is perfect for journalism and communication education in these dynamic times. In the liberal arts environment a student learns to think, to lead, to innovate, to appreciate, to criticize and to develop a deeper sense of what it is to be a citizen of the world and the community.

Students will be actively involved in each of the professions during their academic careers. They may write, design, edit or photograph for the student newspaper, The Stylus, or hold an air shift for the student radio stations, KGSP-FM. They may be actively involved in public relations campaigns and they may become campus leaders through the Communication Connection.

Requirements For: B.A. Major – 45 Hours, 2.0 GPA

CA200 - Interviewing Theories and Practice Credits: 3
CA218 - Public Relations Credits: 3
CA224 - Digital Media Skills Credits: 3
CA237 - Introduction to Organizational Communication Credits: 3
CA302 - Communication Ethics and Law Credits: 3
CA309 - Training in Organizations Credits: 3
CA321 - Interpersonal Conflict Solution Credits: 3
CA322 - Media Analysis and Criticism Credits: 3
CA327 - Persuasive Communication Credits: 3
CA348 - Theories of Communication Credits: 3
CA382 - Communication Research Methods Credits: 3
CA405 - Communication and Gender Credits: 3
CA475 - Case Studies in Communication Leadership Credits: 3
CA490 - Professional Learning Experience Credits: 3-6
CA491 - Senior Research Project Credits: 3

Required Minor 18 cr.
Choose a minor from a different discipline.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.
EN105 and EN106

Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

749
Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH137L and CH137, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.
Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206
*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.
Select two of the following:
Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 CR.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Requirements 36 cr.

36 hours of upper division (300 - 400 level) course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent
Ot

Secondary Level 7 cr.
FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Ot

Intermediate Level 3 cr.
FR201 or GE201 or SP201 or transfer equivalent

Additional Requirements

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor is required (some may be discipline specific as noted in the major).
- Satisfaction of all requirements for a major.
- Completion of the Liberal Education requirements.
- Completion of the degree specific requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Criminal Justice Administration, Corrections Concentration, B.A.

Criminal Justice Administration, B.A.

The major in Criminal Justice Administration is designed to provide a comprehensive understanding of the complete criminal justice system within society in the United States. There are three areas of concentration the student can choose from which to build on the core curriculum: Law Enforcement, Corrections, and Security. Providing a comprehensive understanding from a theoretical, philosophical, and practical perspective, the program provides a broad background for over 40 basic career opportunities in the criminal justice system, both in the public and private sectors, at the local, state, national, and international levels.

Requirements for: B.A. Major – 45 Hours, 2.0 gpa

Core Curriculum 24 cr.

CJ100 - Introduction to Criminal Justice Administration Credits: 3
CJ105 - Criminal Law Credits: 3
CJ200 - Criminology Credits: 3
CJ221 - Criminal Procedure Credits: 3
CJ300 - Agency Administration Credits: 3
CJ430 - Research in Criminal Justice Credits: 3
CJ440 - Internship in Criminal Justice Credits: 3-6
CJ450 - Senior Seminar in Criminal Justice Credits: 3

Criminal Justice Electives 12 cr.

From Criminal Justice courses not in the Core or the Areas of Concentration:

- one 200-level course
- two 300/400-level courses
- one 400-level course

Concentrations

(One of the following areas)

- Law Enforcement
- Corrections
- Security

Corrections 9 cr.

- CJ232 - Introduction to Corrections Credits: 3
- CJ231 - Introduction to Law Enforcement Credits: 3
  or
- CJ233 - Introduction to Security Credits: 3
- CJ322 - Probation, Parole, and Community Corrections Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO25, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108,
Ethics Requirement 3 cr.

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 CR.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Requirements 36 cr.
36 hours of upper division (300 - 400 level) course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

**Modern Language Requirement**

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

**Elementary Level 8 cr.**

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

**Secondary Level 7 cr.**

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

**Intermediate Level 3 cr.**

FR201 or GE201 or SP201 or transfer equivalent

**Additional Requirements**

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:
Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
A minor is required (some may be discipline specific as noted in the major).
Satisfaction of all requirements for a major.
Completion of the Liberal Education requirements.
Completion of the degree specific requirements.
Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
Submission of an Application for Graduation.

**Criminal Justice Administration, Security Concentration, B.A.**

**Criminal Justice Administration, B.A.**

The major in Criminal Justice Administration is designed to provide a comprehensive understanding of the complete criminal justice system within society in the United States. There are three areas of concentration the student can choose from which to build on the core curriculum: Law Enforcement, Corrections, and Security. Providing a comprehensive understanding from a theoretical, philosophical, and practical perspective, the program provides a broad background for over 40 basic career opportunities in the criminal justice system, both in the public and private sectors, at the local, state, national, and international levels.

**Requirements for: B.A. Major – 45 Hours, 2.0 gpa**

**Core Curriculum 24 cr.**

- CJ100 - Introduction to Criminal Justice Administration **Credits: 3**
- CJ105 - Criminal Law **Credits: 3**
- CJ200 - Criminology **Credits: 3**
- CJ221 - Criminal Procedure **Credits: 3**
- CJ300 - Agency Administration **Credits: 3**
- CJ430 - Research in Criminal Justice **Credits: 3**
- CJ440 - Internship in Criminal Justice **Credits: 3-6**
- CJ450 - Senior Seminar in Criminal Justice **Credits: 3**

**Criminal Justice Electives 12 cr.**

From Criminal Justice courses not in the Core or the Areas of Concentration:

- one 200-level course
- two 300/400-level courses
- one 400-level course

**Concentrations**

(One of the following areas)

- Law Enforcement
Security 9 cr.

CJ231 - Introduction to Law Enforcement Credits: 3
or
CJ232 - Introduction to Corrections Credits: 3

CJ233 - Introduction to Security Credits: 3
CJ333 - Security Administration Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251,
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130,
GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101,
PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 CR.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer
students)

**Upper Division Requirements 36 cr.**

36 hours of upper division (300 - 400 level) course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300,
PS406, or SO310
6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

Secondary Level 7 cr.

FR104 and FR201; GE104 and GE201; SP104 and SP201 or transfer equivalent

Or

Intermediate Level 3 cr.

FR201 or GE201 or SP201 or transfer equivalent

Additional Requirements

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
A minor is required (some may be discipline specific as noted in the major).
Satisfaction of all requirements for a major.
Completion of the Liberal Education requirements.
Completion of the degree specific requirements.
Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
Submission of an Application for Graduation.

**English and Professional Writing, B.A.**

**Requirements For: B.A. Major - 42 Hours, 2.0 GPA**

The English and Professional Writing program prepares students to write for both print and online environments and for a variety of audiences and purposes, making them marketable for a wide array of writing and editing careers. Students also develop analytical reading and reasoning skills and learn how to apply them to professional contexts.

Core courses in writing and editing are complemented with courses in literature, creative writing, and digital media skills. Working with an English faculty adviser, each student creates a personalized curriculum tailored to their interests and goals.

**Professional and Technical Writing Core 12 CR.**

- EN204 - Writing for Online Environments Credits: 3
- EN207 - Professional and Technical Editing Credits: 3
- EN306A - Scientific and Technical Writing Credits: 3
- EN306B - Business Communications Credits: 3

**English Foundations 9 CR.**

- EN205 - Introduction to English Studies Credits: 3
- EN307 - Professional Writing in English Studies Credits: 3
- EN490 - Capstone Seminar Credits: 3

**Professional and Technical Writing Electives 9 CR.**

Complete nine hours from among the following courses (six hours must be at the 300 level).

- EN231 - Introduction to Language Credits: 3
- EN304 - Special Topics in Writing and Rhetoric Credits: 3
- EN306C - Writing and Research in Your Academic Field Credits: 3
- EN311 - Creative Writing Credits: 3
- EN325 - Modern Grammar Credits: 3
- EN354 - Reading and Writing Nonfiction Prose Credits: 3
- EN370 - History and Practice of Rhetoric Credits: 3
- EN384 - Professional Learning Experience for English Credits: 3
- EN387 - Theory and Teaching of Writing Credits: 3
- EN411 - Advanced Creative Writing Credits: 3
- CA218 - Public Relations Credits: 3
- CA225 - Online Content Creation Credits: 3
- CA322 - Media Analysis and Criticism Credits: 3

**Electives in English 12 CR.**

Complete twelve additional hours from any English courses or the following (six hours must be 300-level or above).
EN201 - Introduction to Literature Credits: 3
EN221 - African-American Literature Credits: 3
EN231 - Introduction to Language Credits: 3

**English, B.A.**

The Bachelor of Arts in English degree program is designed for students who want to develop critical practices in reading, writing, and thinking—practices that lead not only to creative and academic fulfillment but also to career success. No matter what your personal and professional goals are, the English major can provide you with the skills to reach them.

English majors complement a core curriculum focused on methods, rhetoric, and theory with courses in literature and writing. Working with an English faculty adviser, each student creates a personalized curriculum tailored to their interests and goals.

Students who wish to earn secondary certification to teach English are encouraged to pursue a double major in education (B.S.E.) and English (B.A.).

**Requirements For: B.A. Major – 42 Hours, 2.0 GPA**

English majors develop critical practices in reading, writing, and thinking, in order to promote creative and humanist responses to literature, life, and intellectual endeavor. The English program encourages students to explore many facets of human nature and culture through the study of literature, development of analytical reading and reasoning skills, and the articulate use of oral and written language. English majors complement a core curriculum focused on methods, rhetoric, and theory with courses in literature and writing. Working with an English adviser, each student creates a personalized curriculum, tailored to his or her interests and goals.

Students who wish to earn secondary certification to teach English should pursue a double major in education (B.S.E.) and English (B.A.).

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements
Student Seminar 3 CR.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Requirements 36 cr.

36 hours of upper division (300 - 400 level) course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

Secondary Level 7 cr.

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

Intermediate Level 3 cr.
FR201 or GE201 or SP201 or transfer equivalent

Additional Requirements

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor is required (some may be discipline specific as noted in the major).
- Satisfaction of all requirements for a major.
- Completion of the Liberal Education requirements.
- Completion of the degree specific requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Fine Art, B.A.

Requirements For: B.A. Major – 48 Hours, 2.5 GPA

The goal of the Fine Art program is to provide an excellent educational experience that develops technical skills, critical and aesthetic judgment, and a sound knowledge of the visual arts appropriate to the students seeking a general appreciation of the arts as well as to aspiring fine arts professionals. The faculty engage students in the discipline of visual art as a major component in the liberal arts tradition including studio practice and art history. Students complete a common group of foundation and art history courses and then choose an emphasis area to develop a solid yet individualized program.

Students who wish to earn certification to teach K-12 Art Education can declare a double major in Education (BSE) and Fine Art (BA). BA students will need to declare a minor or may double major in another complementary area, such as Graphic Design.

Fine Art Foundations
AR140 - Drawing I Credits: 3
AR142 - Two-Dimensional Design Credits: 3
AR143 - Three-Dimensional Design Credits: 3

Fine Art B.A.
AR215 - Art History I Credits: 3
AR216 - Art History II Credits: 3
AR240 - Drawing II Credits: 3
AR241 - Photography I Credits: 3
AR280 - Painting I Credits: 3
AR218 - Graphic Design Software Credits: 3

Select two of the following:
AR221 - Ceramics I Credits: 3
AR225 - Sculpture I Credits: 3
AR270 - Fiber I Credits: 3

AR316 - Modern Art Credits: 3
AR497 - Senior Seminar in Fine Art Credits: 3

Upper Level Studio Electives 9 cr.

Select advanced 300/400 level courses in a studio focus area: Painting, Drawing, Fiber, Ceramics, Sculpture, or Photography. Independent Study, Internship, Special Topics, or Study Abroad are options to support the focus area.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, CH108, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS229, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 CR.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Requirements 36 cr.**

36 hours of upper division (300 - 400 level) course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:
3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

Secondary Level 7 cr.

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

Intermediate Level 3 cr.

FR201 or GE201 or SP201 or transfer equivalent

Additional Requirements

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
A minor is required (some may be discipline specific as noted in the major).

Satisfaction of all requirements for a major.

Completion of the Liberal Education requirements.

Completion of the degree specific requirements.

Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.

Submission of an Application for Graduation.

History, B.A.
History affords the opportunity to appreciate the diversity of human encounters through the inquiry of one's own and other's cultures and societies as they have developed over time. The study of history is a meticulous intellectual discipline involving research techniques, problem solving, and the critical evaluation of evidence. Historians seek and critique what women and men of the past have left behind, what they have created, and what imprints they have left on the global society.

Requirements for: B.A. Major - 36 Hours, 2.75 G.P.A.

Students must obtain a minimum course grade of "C" to receive credit toward the major.

- HIS400 - Internship **Credits:** 3
- HIS453 - Senior Writing Capstone **Credits:** 3
- HIS107 - Historical Thought **Credits:** 3

**Electives - 27 cr.**

Complete 27 credits of HIS coursework.

- Select 18 credits (6 courses) at the 300 level
- Select 9 credits (3 courses) at the 200 level

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

- MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

- BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

- AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**
Select one of the following:
CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 CR.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Requirements 36 cr.**

36 hours of upper division (300 - 400 level) course work
Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

Secondary Level 7 cr.

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

Intermediate Level 3 cr.

FR201 or GE201 or SP201 or transfer equivalent

Additional Requirements

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor is required (some may be discipline specific as noted in the major).
Satisfaction of all requirements for a major.

Completion of the Liberal Education requirements.

Completion of the degree specific requirements.

Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.

Submission of an Application for Graduation.

**Multimedia Journalism and Public Relations, B.A.**

**Communication, B.A.**

The Department of Communication, Journalism, Public Relations offers two related majors.

Multimedia Journalism and Public Relations, B.A.
Communication Studies, B.A.

These majors are designed to prepare students for success in professional fields and/or graduate study. Students do this in an environment which combines hands-on learning with great ideas. The program is designed as an extension of the liberal arts approach of Park University because the liberal arts approach is perfect for journalism and communication education in these dynamic times. In the liberal arts environment a student learns to think, to lead, to innovate, to appreciate, to criticize and to develop a deeper sense of what it is to be a citizen of the world and the community.

Students will be actively involved in each of the professions during their academic careers. They may write, design, edit or photograph for the student newspaper, The Stylus, or hold an air shift for the student radio stations, KGSP-FM. They may become campus leaders through the Communication Connection.

**Requirements For: B.A. Major – 48 Hours, 2.0 GPA**

CA202 - Fundamentals of Writing for Media **Credits:** 3
CA203 - Multimedia Practicum I: Content Development **Credits:** 3
CA218 - Public Relations **Credits:** 3
CA224 - Digital Media Skills **Credits:** 3
CA241 - Photography I **Credits:** 3
CA302 - Communication Ethics and Law **Credits:** 3
CA303 - Multimedia Practicum II: Editing and Strategic Communication **Credits:** 3
CA316 - Writing and Reporting on Multiple Platforms **Credits:** 3
CA319 - Writing for Feature, Public Relations, and Documentary **Credits:** 3
CA320 - Global and Civic Reporting **Credits:** 3
CA322 - Media Analysis and Criticism **Credits:** 3
CA324 - Advanced Multimedia Production **Credits:** 3
CA326 - Editing and Design for Media and Public Relations **Credits:** 3
CA348 - Theories of Communication **Credits:** 3
CA382 - Communication Research Methods **Credits:** 3
CA403 - Multimedia Practicum III: Major Project in Journalism, Photography or Public Relations **Credits:** 3

**Liberal Education Requirements 40 CR.**
Writing Seminar 6 cr.
EN105 and EN106

Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.
Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 CR.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Requirements 36 cr.**

36 hours of upper division (300 - 400 level) course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325
Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

Secondary Level 7 cr.

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

Intermediate Level 3 cr.

FR201 or GE201 or SP201 or transfer equivalent

Additional Requirements

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).

A minor is required (some may be discipline specific as noted in the major).

Satisfaction of all requirements for a major.

Completion of the Liberal Education requirements.

Completion of the degree specific requirements.

Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.

Submission of an Application for Graduation.

Organizational Communication, B.A.

Requirements For: B.A. Major – 48 Hours, 2.0 gpa

The major in Organizational Communication serves a broad spectrum of professions in contemporary corporate, government, and non-profit environments. Career choices include management, training, development, human resources, consulting, or related fields.

Core Courses 42 cr.
CA104 - Interpersonal Communication I Credits: 3
CA200 - Interviewing Theories and Practice Credits: 3
CA233 - Introduction to Leadership Credits: 3
CA235 - Multicultural Communication Credits: 3
CA301 - Interpersonal Communication II Credits: 3
CA302 - Communication Ethics and Law Credits: 3
CA322 - Media Analysis and Criticism Credits: 3
CA348 - Theories of Communication Credits: 3
CA382 - Communication Research Methods Credits: 3
CA392 - Organizational Leadership Credits: 3
CA402 - Organizational Communication Credits: 3
CA451 - Communication and Leadership in Groups and Teams Credits: 3
CA475 - Case Studies in Communication Leadership Credits: 3
CA491 - Senior Research Project Credits: 3

Electives 6 cr.
Select six hours of communication courses

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.
EN105 and EN106

Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337,
BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108,
CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115,
GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220,
SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 CR.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Requirements 36 cr.**

36 hours of upper division (300 - 400 level) course work

**Writing Across the Curriculum 9 cr.**
3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

**Modern Language Requirement**

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

**Elementary Level 8 cr.**

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

**Secondary Level 7 cr.**

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

**Intermediate Level 3 cr.**

FR201 or GE201 or SP201 or transfer equivalent

**Additional Requirements**

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor is required (some may be discipline specific as noted in the major).
- Satisfaction of all requirements for a major.
Completion of the Liberal Education requirements.

Completion of the degree specific requirements.

Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.

Submission of an Application for Graduation.

Political Science, B.A.

The Bachelor's Degree in Political Science provides students with information and abilities to become participative citizens and cope with problems of modern politics. The degree also seeks to prepare well-rounded students for careers in the public sector and to prepare those who seek admission to graduate school. Analytical skills, especially critical thinking, are stressed in all courses. The Senior Thesis provides an opportunity for students to develop research skills.

Requirements For: B.A. Major - 36 Hours, 2.0 GPA

PO200 - American National Government Credits: 3
PO210 - Comparative Political Systems Credits: 3
PO216 - International Relations Credits: 3
PO220 - History of Political Philosophy Credits: 3
PO310 - Parties and Elections Credits: 3
PO320 - American Foreign Policy Credits: 3
PO323 - Congress and the Presidency Credits: 3
PO345 - International Organizations Credits: 3
PO405 - Senior Thesis in Political Science Credits: 3

Select three of the following:

PO201 - State and Local Government Credits: 3
PO202 - Introduction to Law Credits: 3
PO304 - Constitutional Law Credits: 3
PO338 - Politics of the Developing World Credits: 3
PO340 - Public Policy Credits: 3
PO344 - War and Terrorism Credits: 3
PO350 - Special Topics in Politics Credits: 3
PO450 - Internship Credits: 3

Graduation Requirements

Student Seminar 3 CR.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Requirements 36 cr.

36 hours of upper division (300 - 400 level) course work
Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

Secondary Level 7 cr.

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

Intermediate Level 3 cr.

FR201 or GE201 or SP201 or transfer equivalent

Additional Requirements

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
A minor is required (some may be discipline specific as noted in the major).
Satisfaction of all requirements for a major.

Completion of the Liberal Education requirements.

Completion of the degree specific requirements.

Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.

Submission of an Application for Graduation.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113
Humansities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251,
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130,
GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101,
PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Psychology, B.A.

Requirements For: B.A. Major – 39 hours, 2.0 GPA

Psychology is both a science and an applied profession. Psychology is a broad discipline that deals with
behavior and mental process. Career opportunities work in counseling, personal, business, industry,
research and development, advertising, college teaching, medical settings, basic research, criminal justice,
and government. For those students interested in becoming licensed psychologists or professional
researchers, the major is designed to prepare them for possible graduate training.

Psychology Core 24 cr.

PS101 - Introduction to Psychology Credits: 3
PS300 - Research Methods Credits: 3

PS307 - Statistics for Social Sciences Credits: 3
or
SO307 - Statistics for Social Sciences Credits: 3

PS315 - Theories of Personality Credits: 3
PS404 - History and Systems of Psychology Credits: 3
PS406 - Experimental Psychology Credits: 3 *
PS497 - Capstone Seminar Credits: 3 *

Select one of the following:

PS388 - Learning and Motivation Credits: 3
PS408 - Cognitive Psychology Credits: 3
PS423 - Physiological Psychology Credits: 3

At least five of the following electives:

PS125 - Lifespan Development Credits: 3
PS205 - Child Psychology Credits: 3
PS206 - Introduction to Guidance and Counseling Credits: 3

PS220 - Ethical Issues in Social Sciences Credits: 3
or
SO220 - Ethical Issues in Social Sciences Credits: 3

PS221 - Adolescent Psychology Credits: 3
PS222 - Adult Development and Aging Credits: 3
PS301 - Social Psychology Credits: 3
PS302 - Tests and Measurements Credits: 3
PS303 - Career Counseling and Development Credits: 3
PS309 - Human Sexuality Credits: 3
PS325 - Disaster Psychology Credits: 3
PS341 - Positive Psychology Credits: 3
PS358 - Applied Behavior Analysis Credits: 3
PS361 - Cross-Cultural Psychology Credits: 3
PS363 - Psychology of Sport Credits: 3
PS381 - Psychology of Gender Credits: 3
PS390 - Selected Topics in Psychology Credits: 1-3
PS401 - Abnormal Psychology Credits: 3
PS402 - Systems of Psychotherapy Credits: 3
PS405 - Independent Study in Psychology Credits: 1-6
PS407 - Field Placement in Psychology Credits: 1-6
PS410 - Social Influence and Persuasion Credits: 3
PS424 - Industrial and Organizational Psychology Credits: 3

Note:

* Program-specified substitution for EN306 * writing requirement.

* Only offered online

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 CR.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Requirements 36 cr.

36 hours of upper division (300 - 400 level) course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement
Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

**Elementary Level 8 cr.**

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

**Secondary Level 7 cr.**

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

**Intermediate Level 3 cr.**

FR201 or GE201 or SP201 or transfer equivalent

**Additional Requirements**

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor is required (some may be discipline specific as noted in the major).
- Satisfaction of all requirements for a major.
- Completion of the Liberal Education requirements.
- Completion of the degree specific requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Sociology, B.A.**

**Requirements For: B.A. Major – 39 hours, 2.0 gpa**

Sociology is the study of people in groups, their interactions, identities, and the societies, institutions, and cultures they create. As a social science, it combines the scientific and humanistic perspectives to study the full range of human experience and helps us understand pressing social issues and connect them to individual human concerns. It is a valuable liberal arts major that prepares students for a variety of careers in business, government, human and social services, and social research and data analysis. It teaches students to collect, analyze, interpret, and apply valid and reliable data and explanations to personal decisions and to public and organizational policies.
**Sociology Core 18 cr.**

- SO141 - Introduction to Sociology **Credits:** 3
- SO206 - Social Issues in Contemporary Society **Credits:** 3
- SO310 - Sociological Research Methods **Credits:** 3 *

- SO307 - Statistics for Social Sciences **Credits:** 3
  or
- PS307 - Statistics for Social Sciences **Credits:** 3

- SO338 - Self and Society **Credits:** 3
- SO403 - Social Theory **Credits:** 3

**Note:**

*Program specified substitution for EN306* writing requirement.

**Professional Seminars 3 cr.**

- SO497 - Capstone Seminar **Credits:** 3 ♦

**Electives 18 cr.**

Choose any six courses from sociology with a minimum of three courses (9 cr.) at the 300-400 levels

**Credits:** 18

Upper Division Requirements 36 cr.

36 hours of upper division (300 - 400 level) course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG493, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

Secondary Level 7 cr.

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or
Intermediate Level 3 cr.

FR201 or GE201 or SP201 or transfer equivalent

Additional Requirements

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

- Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor is required (some may be discipline specific as noted in the major).
- Satisfaction of all requirements for a major.
- Completion of the Liberal Education requirements.
- Completion of the degree specific requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Spanish, B.A.

Requirements For: B.A. Major – 42 hours, 2.0 GPA

The Spanish Major is designed to assist students in the acquisition of this language as a tool of communication to be utilized in the local, national, and global communities. Along with the study of the Spanish language, the study of the Hispanic and indigenous cultures is an integral part of the program. The emphasis of this program is cultural studies and the development of skills for communication in the present day world. The study of literature will serve as a vehicle to a better understanding of the language and culture.

Students with two years of high school Spanish are encouraged to start their studies at the 200-level. Credit for Elementary Spanish I and II may be granted by examination, i.e. AP or "end-of-course examination." The Modern Language Placement test may be utilized for students who are uncertain about the appropriate starting point for their studies.

- SP201 - Intermediate Spanish I Credits: 3
- SP202 - Intermediate Spanish II Credits: 3
- SP294 - Intermediate Spanish Conversation Credits: 3
- SP295 - Intermediate Spanish Composition Credits: 3
- SP301 - Advanced Spanish Conversation Credits: 3
- SP302 - Advanced Grammar and Composition Credits: 3
- SP311 - Culture and Civilization of Spain Credits: 3
- SP312 - Cultures and Civilization of Spanish America and the Hispanic Caribbean Credits: 3
- SP322 - Reading Cervantes' Masterpiece: Don Quixote Credits: 3
- SP394 - Introduction to the Literature of Spain Credits: 3
- SP395 - Introduction to the Literatures of Spanish America and the Hispanic Caribbean Credits: 3
- SP399 - The Major Capstone Project Credits: 3
(Native or near native speakers and students with a score above 300 on the Spanish Placement Test, may substitute SP201 and SP202 by taking two electives from the list below.)

Electives 6 cr.

EN355 - International Literature Credits: 3  
EN324 - Modern British and European Literature Credits: 3  
ML251 - Heroes and Rebels in Early European Literature Credits: 3  
ML315 - Selected Topics in Literature and Culture Credits: 3  
SP310 - Independent Readings in Spanish Credits: 1-3  
SP320 - U.S. Latino Cultures and Literatures Credits: 3  
SP384 - Professional Service Learning Experience for Spanish Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107, CH107L, CH108, CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 CR.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Requirements 36 cr.**

36 hours of upper division (300 - 400 level) course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310
6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PS315, SO141, SP320, SW325

Modern Language Requirement

Completion of two, 4-hour elementary level modern language courses (103 and 104); or the second 4-hour elementary level modern language course (104) and one, 3-hour intermediate course (201); or one, 3-hour intermediate course (201). Placement will be determined through a Modern Language Placement test.

Elementary Level 8 cr.

FR103 and FR104 or GE103 and GE104 or SP103 and SP104; or transfer equivalent

Or

Secondary Level 7 cr.

FR104 and FR201; GE104 and GE 201; SP104 and SP201 or transfer equivalent

Or

Intermediate Level 3 cr.

FR201 or GE201 or SP201 or transfer equivalent

Additional Requirements

Park University confers the Bachelor of Arts degree at selected locations when a candidate has satisfied the following conditions:

Completion of a minimum of 122 semester hours with a cumulative 2.0 GPA (or higher dependent on major).

A minor is required (some may be discipline specific as noted in the major).

Satisfaction of all requirements for a major.

Completion of the Liberal Education requirements.

Completion of the degree specific requirements.

Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
Submission of an Application for Graduation.

**Fine Art, B.F.A.**

**Requirements For: B.F.A. Major – 75 Hours, 2.5 GPA**

The goal of the Fine Art program is to provide an excellent educational experience that develops technical skills, critical and aesthetic judgment, and a sound knowledge of the visual arts appropriate to the students seeking a general appreciation of the arts as well as to aspiring fine arts professionals. The faculty engage students in the discipline of visual art as a major component in the liberal arts tradition including studio practice and art history. Students complete a common group of foundation and art history courses and then choose an emphasis area to develop a solid yet individualized program.

Students who wish to earn certification to teach K-12 Art Education can declare a double major in Education (BSE) and Fine Art (BA).

**Fine Art Foundations**
- AR140 - Drawing I **Credits:** 3
- AR142 - Two-Dimensional Design **Credits:** 3
- AR143 - Three-Dimensional Design **Credits:** 3

**Fine Art B.F.A**
- AR215 - Art History I **Credits:** 3
- AR216 - Art History II **Credits:** 3
- AR218 - Graphic Design Software **Credits:** 3
- AR221 - Ceramics I **Credits:** 3
- AR225 - Sculpture I **Credits:** 3
- AR240 - Drawing II **Credits:** 3
- AR241 - Photography I **Credits:** 3
- AR270 - Fiber I **Credits:** 3
- AR280 - Painting I **Credits:** 3
- AR316 - Modern Art **Credits:** 3

AR317 - World Art **Credits:** 3

or

LE300L - World Art **Credits:** 3
- AR490 - Senior Studio in Fine Art **Credits:** 3
- AR497 - Senior Seminar in Fine Art **Credits:** 3

**Upper Level Studio Electives 27 cr.**

Select advanced 300/400 level courses in a studio focus area: Painting, Drawing, Fiber, Ceramics, Sculpture, or Photography. Independent Study, Internship, Special Topics, or Study Abroad are options to support the focus area.

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**
Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.
Social Science Requirement 6 cr.
Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.
Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.
36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.
3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.
EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:
3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.
AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:
Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
A minor for Geography, B.S. and Information Systems, B.S. majors.
Satisfaction of all requirements for a major.
Completion of degree specific requirements.
Completion of Liberal Education requirements.
Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
Submission of an Application for Graduation.

**Graphic Design, B.F.A.**

**Requirements For: B.F.A. Major – 66 Hours, 2.0 GPA**

Students majoring in Graphic Design produce most of their work in the digital environment of Park University’s fully equipped Macintosh studio. Today, most artists earn a living by producing a wide range of visual materials for publication. Graphic Design students learn visual communication, typography, layout, illustration and photography while building professional quality design portfolios. Instruction models conditions in the professional environment. Internship opportunities in graphic design firms and other professional settings provide real world experience and a transition to the world beyond the campus.

**Freshman Core 15 cr.**

- AR115 - Introduction to the Visual Arts **Credits:** 3
- AR140 - Drawing I **Credits:** 3
- AR142 - Two-Dimensional Design **Credits:** 3
- AR143 - Three-Dimensional Design **Credits:** 3
- AR144 - Color Theory **Credits:** 3

**Graphic Design 42 cr.**

- AR216 - Art History II **Credits:** 3
- AR218 - Graphic Design Software **Credits:** 3
- AR231 - Graphic Design Studio I **Credits:** 3
- AR240 - Drawing II **Credits:** 3
- AR241 - Photography I **Credits:** 3
- AR280 - Painting I **Credits:** 3
- AR300 - Graphic Design Principles II: Typography & Design **Credits:** 3
- AR316 - Modern Art **Credits:** 3
- AR319 - History of Graphic Design **Credits:** 3
- AR328 - Graphic Design Principles: Identity **Credits:** 3
- AR331 - Graphic Design Studio II: Computer Imaging **Credits:** 3
- AR418 - Graphic Design Studio III: Advanced Typography **Credits:** 3
- AR427 - Web Page Design: Digital Environment **Credits:** 3
- AR496 - Graphic Design Studio VI: Senior Studio/Portfolio **Credits:** 3

**Electives 9 cr.**

Select 9 hours from the following:

- AR313 - Independent Study in Art or Design **Credits:** 1-6
AR315 - Special Topics in Art or Design **Credits:** 1-3
AR335 - 3D Animation for Design **Credits:** 3
AR341 - Photography II **Credits:** 3
AR415 - Internship in Art or Design **Credits:** 3-6
CS144 - Beginning Programming with Multimedia Projects **Credits:** 3

MK380 - Advertising **Credits:** 3
or
CA380 - Advertising **Credits:** 3

**Portfolios**

All graduating art and design majors are required to individually document (either by means of color slide photography or digital photography) selected examples of their best work. These final portfolios are to be submitted to their major advisors as part of their Senior Seminar. These slides, CDs, zip disks, etc. will remain the property of the Department of Art, Design and Interdisciplinary Studies.

**Art Supplies**

Art and Design majors must plan, when preparing their yearly educational budgets, to spend at least $250 per semester on art supplies. All studio art courses require varying amounts of personal equipment and supplies. Studio fees collected at registration for some art courses provide only a portion of the supplies needed. Supply lists will be provided on the first day of classes.

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:
Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251,
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.
Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130,
GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206
*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.
Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101,
PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.
Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Interior Design, B.F.A.**

**Requirements For: B.F.A. Major – 78 hours, 2.5 gpa**

"The professional interior designer is qualified by education, experience and examination to enhance the function and quality of interior spaces for the purpose of improving the quality of life, increasing
productivity and protecting the health, safety and welfare of the public." (Council for Interior Design Accreditation)

Students majoring in Interior Design at Park University combine the common body of knowledge in interior design with the intellectual development found in a liberal arts education. A sequence of design studios and graphic communications studios with supporting lecture courses provides the practical content integral to the profession. Park University education, combined with work experience, will enable students to sit for the National Council for Interior Design Qualifications examination and become registered interior designers.

- AR390 - History of the Designed Environment: Mid-Nineteenth Century to the Present **Credits:** 3
- AR392 - Human Factors in Interior Design **Credits:** 3
- AR393 - Lighting Fundamentals for Interior Design **Credits:** 3
- AR491 - Interior Design Professional Practice **Credits:** 3
- AR495 - Building Construction Systems **Credits:** 3
- AR498 - Senior Studio I **Credits:** 3
- AR499 - Senior Studio II **Credits:** 3
- Art and Design Electives **Credits:** 6

**Portfolios**

All graduating interior design majors are required to individually document, using appropriate supporting methods, selected examples of their best work. These final portfolios are to be submitted to their major advisors as part of their Senior Seminar. These portfolios will remain the property of the Department of Art and Design.

**Art Supplies**

Interior Design majors must plan, when preparing their yearly educational budgets, to spend at least $250 per semester on art supplies. All interior design courses require varying amounts of personal equipment and supplies. Supply lists will be provided on the first day of classes.
Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216
Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.
AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Music Performance, Piano or Orchestral Strings, B.M.

Requirements For: B.M. Major – 65 hours, 2.0 gpa

The International Center for Music fosters the artistic exchange between master teacher performers, renowned young musicians, and internationally famous musicians/teachers. This truly unique program prepares students for careers as professional soloists, chamber and orchestral musicians in a European apprenticeship style with personalized attention in a caring and supportive environment. Admission is limited to selected students who demonstrate the highest level of musical potential and a commitment to succeed. The education of emerging world-class musicians is at the philosophical core of the Center’s mission and the quality of that training crucial to great artistry. Music is an international language and enables all people to share in experiences that help shape their culture and values. By involving the highest caliber artists of our generation as educators, the International Center for Music enables our students and audiences to experience the wealth of musical literature that has impacted generations of our global society. The program makes available, to the entire campus, surrounding community, and Kansas City Metro area, concerts and recitals throughout the year as part of its annual performance series featuring students, faculty, and guest artist. The Bachelor of Music in Performance and the Undergraduate Certificate in Performance programs are designed for students studying applied piano, and orchestral strings, woodwinds, and brass. Audition required for admission

Bachelor of Music in Performance (Applied emphasis in Piano, Violin, Viola or Cello)

Core Curriculum 18 cr.

MU221 - Music Theory I Credits: 3
MU222 - Music Theory II Credits: 3
MU321 - Music Theory III Credits: 3
MU322 - Music Theory IV Credits: 3
MU345 - Music History: Medieval, Renaissance and Baroque Credits: 3
MU346 - Music History: Classic Credits: 3

APPLIED (Piano) 47 cr.
MU120 - Chamber Music I Credits: 1 (2 semesters/2 cr. total)
MU130 - Collaboration I Credits: 1
MU230 - Performance Credits: 2 (2 semesters/4 cr. total)

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310
6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Public Administration, Fire Service Management Area Concentration, B.P.A.

Public Administration, B.P.A.

This program is part of the 4+1 Undergraduate to Graduate program options. For questions regarding specific courses and concentration options, please consult with your Advisor, Campus Center or via email at: advising@park.edu.

This program meets the educational needs of persons who are interested or currently working in the field of public administration, whether at the municipal, state or federal level. The BPA provides a foundational background for those students who wish to pursue graduate studies, entry-level positions, or continued professional development.

Requirements For: B.P.A. Major – 45 hours, 2.5 gpa

PO200 - American National Government **Credits:** 3
PO201 - State and Local Government **Credits:** 3
PA330 - Public Administration **Credits:** 3
PA333 - Public Management and Leadership Credits: 3
PA334 - Public Personnel Administration Credits: 3
PA350 - Budget and Finance Credits: 3
PA380 - Public Service Values Credits: 3
PA390 - Administrative Law Credits: 3
PA404 - Capitalism and Societal Issues Credits: 3
PA430 - Research in Public Administration Credits: 3
PA432 - Senior Project in Public Administration Credits: 3

Areas of Concentration:

Select one (1) area of concentration below:

- Business Relations
- Criminal Justice
- Fire Service Management
- Homeland Security
- Public Service

Fire Service Management 12 CR

- CJ353 - Emergency Management Credits: 3
- CJ355 - Homeland Security Credits: 3
- PA342 - Administrative Politics Credits: 3
- PA370 - Public Administration in a Virtual City Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.
Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206
*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.
Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.
Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Biology, B.S.**

**Requirements For: B.S. Major – 68-79 hours, 2.0 GPA**

The Bachelor of Science in Biology degree is designed to prepare students for post-graduate study including research based graduate study or professional training in medicine, dentistry, veterinary care, optometry, physical therapy. Depending on career interests, there are two concentrations offered: General Biology and Pre-Health Professions. The General Biology concentration provides latitude to gain training in a variety of specific areas within the field of biology while the Pre-Health Professions concentration is designed to prepare students for entry into the majority of medical (allopathic (MD) and osteopathic (DO)), dental, optometry, veterinary, and physical therapy schools.

Completion of either concentration will require students to focus on completing courses within the core curriculum in years one and two while focusing on the completion of concentration specific courses within years three and four. To complete the degree in a timely manner, students will need to seek academic advisement for assistance with selection of a concentration and with selecting courses in the correct sequence.

**Core Curriculum 56-58 cr.**

- **BIO221** - Zoology **Credits:** 4
- **BIO225** - Botany **Credits:** 4
- **BIO325** - Introductory Molecular Cell Biology **Credits:** 3
- **BIO327** - Introductory Ecology and Evolution **Credits:** 4
- **BIO340** - Genetics **Credits:** 4
- **MA160** - Precalculus for Majors **Credits:** 5
Approved Electives

**General Biology Concentration 12 cr.**

The general biology electives are supplemental to the core requirements and are intended to allow students the opportunity to focus on sub-disciplines within the field of biology. Students are strongly encouraged to seek academic advising to aid in career preparation, especially those interesting in post-graduate studies (M.S. or Ph.D.).

- BIO330 - Paleobiology **Credits**: 4
- BIO337 - Biochemistry **Credits**: 3
- BIO337L - Biochemistry Laboratory **Credits**: 1
- BIO350 - Microbiology **Credits**: 4
- BIO380 - Issues in Biodiversity **Credits**: 3
- BIO400 - Cell Biology **Credits**: 4
- BIO410 - Comparative Anatomy **Credits**: 4
- BIO411 - Animal Physiology **Credits**: 4
- BIO417 - Developmental Biology **Credits**: 4
- BIO470 - Internship **Credits**: 1-4
- BIO490 - Advanced Topics in Biology **Credits**: 1-4
- BIO498 - Thesis **Credits**: 3
- BIO499 - Research **Credits**: 1-6

**Pre-Health Professions Concentration 20 cr.**

The pre-health professions concentration contains additional requirements and electives intended to aid students in their preparation for a career in a wide variety of medical fields. This program will satisfy entrance for many medical programs, but check specific requirements for your program of interest to determine if specific courses, such as Calculus, are required.

- BIO337 - Biochemistry **Credits**: 3
- BIO337L - Biochemistry Laboratory **Credits**: 1
- BIO410 - Comparative Anatomy **Credits**: 4
- BIO411 - Animal Physiology **Credits**: 4
Electives 8 cr.

Select two from the following

- BIO350 - Microbiology Credits: 4
- BIO400 - Cell Biology Credits: 4
- BIO417 - Developmental Biology Credits: 4

Note:

A comprehensive Senior Examination is to be taken during BIO498.

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310
6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Chemistry, B.S.

Requirements For: B.S. Major - 71 Hours, 2.0 GPA

In contemporary society, it is evident that the science of chemistry is no longer confined to the research laboratory, but is exerting a profound impact on social, political, and economic decisions at the local, national, and international levels. Chemistry is the recognized physical basis for the biological and psychological sciences and is important in every effort of our industrialized society. Students wishing to pursue a career in the chemical profession, medicine, dentistry, veterinary medicine, laboratory technology, or the environmental sciences are encouraged to consider the major program in chemistry with appropriate minors in other disciplines for their preparatory work.

The Department of Natural and Physical Sciences welcomes partnerships with appropriate businesses and government agencies to place students into internship positions in their major or a related field. The Department of Natural and Physical Sciences actively encourages students to work in such internship positions and considers internships to be an integral part of the curriculum.

CH107 - General Chemistry I Credits: 3
CH107L - General Chemistry Laboratory I Credits: 1
CH108 - General Chemistry II Credits: 3
CH108L - General Chemistry Laboratory II Credits: 1
CH317 - Organic Chemistry I Credits: 3
CH317L - Organic Chemistry Laboratory I **Credits:** 1
CH318 - Organic Chemistry II **Credits:** 3
CH318L - Organic Chemistry Laboratory II **Credits:** 1
CH328 - Analytical Chemistry **Credits:** 4
CH329 - Introduction to Instrumental Analysis **Credits:** 4
CH342 - Advanced Inorganic Chemistry **Credits:** 4
CH407 - Physical Chemistry I **Credits:** 4
CH408 - Physical Chemistry II **Credits:** 4
MA221 - Calculus and Analytic Geometry for Majors I **Credits:** 5
MA222 - Calculus and Analytic Geometry for Majors II **Credits:** 5
MA223 - Calculus and Analytic Geometry for Majors III **Credits:** 3
NS302 - Current Literature in the Natural Sciences **Credits:** 1
NS401 - Natural Science Seminar **Credits:** 1
PY205 - Introduction to Physics I **Credits:** 5
PY206 - Introduction to Physics II **Credits:** 5

**Electives selected from the following: 10 cr.**

CH321 - Introduction to Medicinal Chemistry **Credits:** 3
CH337 - Biochemistry **Credits:** 3
CH337L - Biochemistry Laboratory **Credits:** 1
CH400 - Special Topics in Chemistry **Credits:** 1-4
CH429 - Advanced Analytical Chemistry **Credits:** 4
CH440 - Organic Synthesis **Credits:** 4
CH451 - Internship to Chemistry **Credits:** 1-6
CH490 - Research in Chemistry **Credits:** 1-6

**Note:**

PASSING A WRITTEN COMPREHENSIVE EXAMINATION IS REQUIRED.

B.S.E. in Secondary Education – MAJOR 48-50 Hours
2.75 Cum G.P.A.
2.75 Core G.P.A.

**For those students wishing to obtain a secondary teaching certificate in Chemistry, see also Bachelor of Science in Education.**

**For those student interested in an engineering degree in addition to a chemistry degree, see also Dual Degree Engineering.**

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208
Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH137L and CH137, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
Completion of Liberal Education requirements.
Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park
University. At least 15 of these 30 hours must be in the major.
Submission of an Application for Graduation.

**Construction Management, B.S.**

**Requirements For: B.S. Major – 63 Hours, 2.0 GPA**

This degree program combines the principles of business management with the skills needed by construction
managers. Students are prepared for careers in Construction Management, Project Management, and
Building Inspection, among others. Topics include planning and scheduling, budgeting,
organizing, supervising, safety, law, materials, methods, and plans analysis.

**Business Core 39 cr.**

- AC201 - Principles of Financial Accounting **Credits:** 3
- AC202 - Principles of Managerial Accounting **Credits:** 3
- EC141 - Principles of Macroeconomics **Credits:** 3
- EC142 - Principles of Microeconomics **Credits:** 3
- FI360 - Financial Management **Credits:** 3
- IB315 - International Business Perspectives **Credits:** 3
- IS141 - Applied Computer Technology for Business **Credits:** 3
- MA171 - Finite Mathematics **Credits:** 3
- MG260 - Business Law I **Credits:** 3
- MG315 - Advanced Business Statistics **Credits:** 3
- MG371 - Management and Organizational Behavior **Credits:** 3
- MG495 - Business Policy **Credits:** 3
- MK351 - Principles of Marketing **Credits:** 3

**Construction Management Requirements 18 CR.**

- CO111 - Introduction to Engineer Construction Technology/Design/Materials and Safety **Credits:** 3
- CO121 - Plans Analysis **Credits:** 3
- CO235 - Construction Planning **Credits:** 3
- CO320 - Mechanical and Electrical Systems for Construction Managers **Credits:** 3
- CO360 - Project Management/Critical Path Analysis **Credits:** 3
- CO365 - Construction Project Management **Credits:** 3

**Select two of the following: 6 cr.**

At least one course must be 300-400 level.

- CO225 - Building Codes **Credits:** 3
- CO245 - Construction Estimating **Credits:** 3
- CO315 - Special Topics in Construction Management **Credits:** 3
- CO420 - Commercial Construction **Credits:** 3
- CO430 - Environmental Technology **Credits:** 3
- CO440 - Management of Heavy Construction Equipment **Credits:** 3
- CO450 - Construction Management Internship **Credits:** 3
- MG375 - Production and Operations Management **Credits:** 3
- MG450 - Project Management **Credits:** 3
Note:

For all majors within the Robert W. Plaster School of Business, MG306 is a required course and meets the requirements for EN306B.

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BL214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken. AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Criminal Justice Administration, Corrections Concentration, B.S.

Criminal Justice Administration, B.S.

The major in Criminal Justice Administration is designed to provide a comprehensive understanding of the complete criminal justice system within society in the United States. There are three areas of concentration the student can choose from which to build on the core curriculum: Law Enforcement, Corrections, and Security. Providing a comprehensive understanding from a theoretical, philosophical, and practical perspective, the program provides a broad background for over 40 basic career opportunities in the criminal justice system, both in the public and private sectors, at the local, state, national, and international levels.

Requirements for: B.S. Major – 45 Hours, 2.0 GPA

Core Curriculum 24 cr.

- CJ100 - Introduction to Criminal Justice Administration Credits: 3
- CJ105 - Criminal Law Credits: 3
- CJ200 - Criminology Credits: 3
- CJ221 - Criminal Procedure Credits: 3
- CJ300 - Agency Administration Credits: 3
- CJ430 - Research in Criminal Justice Credits: 3
- CJ440 - Internship in Criminal Justice Credits: 3-6
- or
- CJ441 - Senior Writing Project Credits: 3
- CJ450 - Senior Seminar in Criminal Justice Credits: 3
Criminal Justice Electives 12 cr.

From Criminal Justice courses not in the Core or the Areas of Concentration:

- one 200-level course
- two 300/400-level courses
- one 400-level course

Concentrations

(One of the following)

- Law Enforcement
- Corrections
- Security

Corrections 9 cr.

- CJ231 - Introduction to Law Enforcement Credits: 3
  or
- CJ233 - Introduction to Security Credits: 3

- CJ232 - Introduction to Corrections Credits: 3
- CJ322 - Probation, Parole, and Community Corrections Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

- MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

- BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:
Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251,
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.
Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130,
GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206
*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.
Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101,
PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.
Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

The major in Criminal Justice Administration is designed to provide a comprehensive understanding of the complete criminal justice system within society in the United States. There are three areas of concentration the student can choose from which to build on the core curriculum: Law Enforcement, Corrections, and Security. Providing a comprehensive understanding from a theoretical, philosophical, and practical perspective, the program provides a broad background for over 40 basic career opportunities in the criminal justice system, both in the public and private sectors, at the local, state, national, and international levels.

**Requirements for: B.S. Major – 45 Hours, 2.0 GPA**

**Core Curriculum 24 cr.**

- CJ100 - Introduction to Criminal Justice Administration **Credits:** 3
- CJ105 - Criminal Law **Credits:** 3
- CJ200 - Criminology **Credits:** 3
- CJ221 - Criminal Procedure **Credits:** 3
- CJ300 - Agency Administration **Credits:** 3
- CJ430 - Research in Criminal Justice **Credits:** 3

- CJ440 - Internship in Criminal Justice **Credits:** 3-6
  or
- CJ441 - Senior Writing Project **Credits:** 3

- CJ450 - Senior Seminar in Criminal Justice **Credits:** 3

**Criminal Justice Electives 12 cr.**

From Criminal Justice courses not in the Core or the Areas of Concentration:

- one 200-level course
- two 300/400-level courses
- one 400-level course

**Concentrations**

(One of the following)

- Law Enforcement
- Corrections
- Security

**Law Enforcement 9 cr.**

- CJ231 - Introduction to Law Enforcement **Credits:** 3

- CJ232 - Introduction to Corrections **Credits:** 3
  or
- CJ233 - Introduction to Security **Credits:** 3

- CJ311 - Criminal Investigation **Credits:** 3

**Liberal Education Requirements 40 CR.**
Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.
Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325
Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Criminal Justice Administration, Security Concentration, B.S.

Criminal Justice Administration, B.S.

The major in Criminal Justice Administration is designed to provide a comprehensive understanding of the complete criminal justice system within society in the United States. There are three areas of concentration the student can choose from which to build on the core curriculum: Law Enforcement, Corrections, and Security. Providing a comprehensive understanding from a theoretical, philosophical, and practical perspective, the program provides a broad background for over 40 basic career opportunities in the criminal justice system, both in the public and private sectors, at the local, state, national, and international levels.

Requirements for: B.S. Major – 45 Hours, 2.0 GPA

Core Curriculum 24 cr.

CJ100 - Introduction to Criminal Justice Administration Credits: 3
CJ105 - Criminal Law Credits: 3
CJ200 - Criminology Credits: 3
CJ221 - Criminal Procedure Credits: 3
CJ300 - Agency Administration Credits: 3
CJ430 - Research in Criminal Justice Credits: 3

CJ440 - Internship in Criminal Justice Credits: 3-6
or
CJ441 - Senior Writing Project Credits: 3

CJ450 - Senior Seminar in Criminal Justice Credits: 3

Criminal Justice Electives 12 cr.

From Criminal Justice courses not in the Core or the Areas of Concentration:

- one 200-level course
- two 300/400-level courses
- one 400-level course
Concentrations

(One of the following)

Law Enforcement
Corrections
Security

Security 9 cr.

CJ231 - Introduction to Law Enforcement Credits: 3
or
CJ232 - Introduction to Corrections Credits: 3

CJ233 - Introduction to Security Credits: 3
CJ333 - Security Administration Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105
Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.
3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Cybersecurity, B.S.

Requirements For: B.S. Major – 57 Hours, 2.0 GPA

The Cybersecurity Program prepares students for a career focused on countering the rising threats to the security of information and assuring the reliability of computing systems. Cybersecurity graduates will be prepared for earning a variety of professional certifications relevant to cybersecurity and for entering a variety of industry positions including security analyst / consultant, software developer, system administrator, database administrator, network administrator, risk manager, and project manager.

The Computer Science and Information Systems (CSIS) Department works with Park University’s Career Development Center in helping to place students in cybersecurity and other computing internship positions. The CSIS Department actively encourages students to work in such internship positions and considers internships to be an integral part of the cybersecurity curriculum.

Core Curriculum 48 CR.
CS152 - Introduction to Python Programming Credits: 3
CS165 - Introduction to Command-Line Interfaces Credits: 3
CS202 - Secure Programming Credits: 3
CS208 - Discrete Mathematics Credits: 3
CS300 - Technology in a Global Society Credits: 3
CS319 - Computer Architecture Credits: 3
CS335 - Introduction to Cybersecurity Credits: 3
CS351 - Computer Operating Systems Credits: 3
CS365A - Computer Networking I Credits: 3
CS366A - Computer Networking II Credits: 3
CS369 - Operating System Administration Credits: 3
CS375 - Secure Operation Credits: 3
CS377 - Digital Forensics Credits: 3
IS205 - Managing Information Systems Credits: 3
IS361 - Data Management Concepts Credits: 3
MA120 - Basic Concepts of Statistics Credits: 3

Information Security 3 CR

Select one of the following:

CI316 - Cybersecurity Administration Credits: 3
IS370 - Information Security Credits: 3

Electives 6 CR.

Select two of the following:

CS240 - Web Programming I Credits: 3
CS252 - Object-Oriented Programming Credits: 3
CS304 - Introduction to Data Science Credits: 3
CS305 - Introduction to Artificial Intelligence Credits: 3
CS322 - Web Programming II Credits: 3
CS371 - Internetworking Credits: 3
CS372 - Advanced Networking Credits: 3
IS315 - Computer Systems Analysis and Design I Credits: 3
IS316 - Computer Systems Analysis and Design II Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337,
BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108,
CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115,
GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220,
SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251,
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130,
GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101,
PS125, PS205, SO141, SO206, or SW205
Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student’s major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student’s major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
A minor for Geography, B.S. and Information Systems, B.S. majors.
Satisfaction of all requirements for a major.
Completion of degree specific requirements.
Completion of Liberal Education requirements.
Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
Submission of an Application for Graduation.

**Dual Degrees: Chemistry & Engineering, B.S.**

**Requirements For: B.S. Major – 87 Hours, 2.0 gpa**

Park’s dual degree engineering program offers the unique opportunity for students to complete two bachelor degrees in a 3 year +2 year format. Upon completing the program, Park University will confer a Bachelor of Science degree in either Math or Chemistry and the partner school (UMKC) will grant an EAC of ABET accredited Civil or Mechanical Engineering degree. This program insures that the student can pursue multiple avenues of STEM related career paths, while participating in the coveted private school, low student to faculty ratio environment for which Park is known.

- CH107 - General Chemistry I **Credits:** 3
- CH107L - General Chemistry Laboratory I **Credits:** 1
- CH108 - General Chemistry II **Credits:** 3
- CH108L - General Chemistry Laboratory II **Credits:** 1

**Electives 10 cr.**

10 Elective hours will transfer back from the partner university to complete Park University chemistry degree requirements

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**
Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.*
Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:
Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
A minor for Geography, B.S. and Information Systems, B.S. majors.
Satisfaction of all requirements for a major.
Completion of degree specific requirements.
Completion of Liberal Education requirements.
Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
Submission of an Application for Graduation.

**Dual Degrees: Mathematics & Engineering, B.S.**

**Requirements For: B.S. Major – 79 Hours, 2.0 gpa**

Park's dual degree engineering program offers the unique opportunity for students to complete two bachelor degrees in a 3 year +2 year format. Upon completing the program, Park University will confer a Bachelor of Science degree in either Math or Chemistry and the partner school (UMKC) will grant an EAC of ABET accredited Civil or Mechanical Engineering degree. This program insures that the student can pursue multiple avenues of STEM related career paths, while participating in the coveted private school, low student to faculty ratio environment for which Park is known.

- MA221 - Calculus and Analytic Geometry for Majors I **Credits:** 5
- MA222 - Calculus and Analytic Geometry for Majors II **Credits:** 5
- MA223 - Calculus and Analytic Geometry for Majors III **Credits:** 3
- MA301 - Mathematical Thought **Credits:** 3
- MA302 - Ordinary Differential Equations **Credits:** 3
- MA311 - Linear Algebra **Credits:** 3
- MA312 - Abstract Algebraic Structures **Credits:** 3
- MA401 - Analysis **Credits:** 3
- CH107 - General Chemistry I **Credits:** 3
- CH107L - General Chemistry Laboratory I **Credits:** 1
- CH108 - General Chemistry II **Credits:** 3
- CH108L - General Chemistry Laboratory II **Credits:** 1
- PY205 - Introduction to Physics I **Credits:** 5
- PY206 - Introduction to Physics II **Credits:** 5
- PY275 - Engineering Statics **Credits:** 3
- AR382 - Drawing Systems I **Credits:** 3

**At least four courses of the following 12 cr.**

- MA305 - Probability **Credits:** 3
- MA350 - History of Mathematics **Credits:** 3
- MA360 - Modern Geometries **Credits:** 3
- MA370 - Number Theory **Credits:** 3
- MA380 - Mathematical Statistics **Credits:** 3
- MA402 - Topology **Credits:** 3
- MA406 - Special Topics in Mathematics **Credits:** 1-3

**Electives 9 cr.**

9 Elective hours will transfer back from the partner university to complete Park University degree requirements
Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216
Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.
Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Geography, B.S.

This program is part of the Air University Associates to Baccalaureate Cooperative (AU-ABC). Please review the AU-ABC website for further details.

Requirements For: B.S. Major – 34-40 Hours, 2.0 GPA

The skills obtained by studying geography make graduates in demand for a wide range of employment opportunities. The geography curriculum will prepare students for business and academics while encouraging lifelong learning skills. The link between geography and the world (cultural and physical) makes a varied list of careers. Geographic skills are essential to understanding physical patterns, human patterns, and Earth's processes. These skills are important for anyone critically thinking about the global community. The Department of Natural and Physical Sciences welcomes partnerships with appropriate businesses and government agencies to place students into internship positions in their major or a related field. The Department of Natural and Physical Sciences actively encourages students to work in such internship positions and considers internships to be an integral part of the curriculum.

Core Curriculum 16 cr.

- GGH110 - Cultural Geography Credits: 3
- GGH200 - Geography of North America Credits: 3
- GGP115 - Physical Geography Credits: 4
- GGP120 - Global Sustainability Credits: 3
- GGP350 - GIS I Credits: 3

Major Electives: 18-24 cr.

At least six courses designated as GGH, GGP or GO; three courses (9 credits) must be 300-level or above

Required Minor: 18-24 cr.
Any of the minors offered by the university or successful completion of a second major.

*Only one course (3 credits) completed for the major requirements may also be counted as satisfying part of the minor requirements.

**Capstone Assessment:**

A capstone assessment is required to be completed during the first half of the final semester/term of coursework. The capstone assessment relates directly to the content of the program's five core required courses and is designed to evaluate our graduating students' abilities in regard to the program competencies. Students must contact the Geography Program Coordinator at the beginning of their final semester/term in order to make arrangements for completing this requirement.

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310
6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Healthcare Administration, General B.S.**

**Healthcare Administration, B.S.**

The healthcare administration major is designed to prepare students for entry level positions within healthcare and related industries and to provide the foundational competencies necessary to academically excel in graduate school. The curriculum stresses the development of the soft management skills and is designed to give the students practical knowledge, skills, and the ability to perform in variety of healthcare administration functions with a multitude of business structures and industries. Graduates in healthcare administration typically find jobs in hospitals, healthcare systems, outpatient care centers, group physician practices, clinics, private health insurance companies, federal and state health insurance providers, governmental public health agencies, long-term care facilities, home health organizations, pharmacies, medical equipment manufacturers, healthcare marketing agencies, healthcare research organizations, and rehabilitation centers. A number of students with this major move into graduate study of healthcare administration.

**Requirements For: B.S. Major - 63-69 Hours, 2.0 GPA**

**Healthcare Administration Core 36 CR.**

HC251 - Healthcare Accounting and Billing **Credits:** 3
HC252 - US Healthcare Delivery Systems **Credits:** 3
HC261 - Legal and Ethical Issues in Healthcare Delivery **Credits:** 3
HC262 - Introduction to Statistics in Healthcare Administration **Credits:** 3
HC263 - Introduction to Healthcare Economics and Policy **Credits:** 3
HC351 - Organization and Administration of Healthcare Programs **Credits:** 3
HC352 - Business Communications in Healthcare Administration **Credits:** 3
HC353 - Basic Healthcare Administration Budgeting and Finance **Credits:** 3
HC354 - Healthcare Information Technology **Credits:** 3
HC355 - Introduction to Healthcare Organizational Behavior and Management **Credits:** 3
HC356 - Introduction to Healthcare Human Resources Management **Credits:** 3
HC491 - Senior Seminar in Healthcare Management **Credits:** 3

**Additional Required Support Courses Outside Major 6-9 CR**

- IS141 - Applied Computer Technology for Business **Credits:** 3
- MA171 - Finite Mathematics **Credits:** 3
- MA125 or an acceptable score on the ACT/SAT or math placement exam is required in order to register for MA171. Students who have not met the minimum score on the placement exam or ACT/SAT exam are required to complete MA125. **Credits:** 3

**Concentrations**

All students complete all core courses to provide a curricular foundation. The general BSHA program offers the flexibility to tailor electives to the student’s professional interests. Ample formal concentration choices allow for a chosen focus, include finance, human resources management, logistics, and project management. Students may choose from one of the available concentrations or complete 21 hours of Healthcare Administration electives.

Concentrations include:

- General
- Human Resource Management
- Logistics
- Project Management

**Healthcare Administration Electives 21 CR.**

Select 7 of the following courses:

- AC380 - Cost Accounting **Credits:** 3
- EC141 - Principles of Macroeconomics **Credits:** 3
- EC142 - Principles of Microeconomics **Credits:** 3
- EC303 - Money, Credit and Banking **Credits:** 3
- FL325 - Risk and Insurance **Credits:** 3
- FL410 - Problems in Corporate Finance **Credits:** 3
- FL415 - Financial Analysis and Planning **Credits:** 3
- FL417 - Investment Analysis and Management **Credits:** 3
- FL425 - Principles of Real Estate **Credits:** 3
- IB431 - International Finance **Credits:** 3
- IS205 - Managing Information Systems **Credits:** 3
- IS310 - Business Applications **Credits:** 3
HC353 - Basic Healthcare Administration Budgeting and Finance Credits: 3
HC400 - Special Topics in Healthcare Management Credits: 1-3
HC451 - Healthcare and the Political Process Credits: 3
HC461 - The Hospital and the Community Credits: 3
HC465 - Basic Issues in Community Based Healthcare Delivery Credits: 3
HC466 - Planning and Organizing Community Health Services Credits: 3
HC467 - Principles of Risk Management and Patient Safety Credits: 3
HC468 - Statistical Analysis of the Electronic Health Record Credits: 3
HC469 - Evidence-Based Management in Healthcare Settings Credits: 3
HR353 - Introduction to Human Resource Management Credits: 3
HR355 - Planning and Staffing Credits: 3
HR357 - Employment Law Credits: 3
HR422 - Organizational Development and Change Credits: 3
HR434 - Compensation Management Credits: 3
HR491 - Senior Seminar in Human Resource Development Credits: 3
LG201 - Systems Engineering and Analysis Credits: 3
LG305 - International Logistics Credits: 3
LG312 - Transportation and Distribution Systems Credits: 3
LG324 - Contract Management and Law Credits: 3
LG400 - Logistics Internship Credits: 3-6
LG415 - Quality Control Credits: 3
LG424 - Purchasing and Vendor Management Credits: 3
LG426 - Logistics Management Credits: 3
LG490 - Special Topics in Logistics Credits: 3
MG375 - Production and Operations Management Credits: 3
MG401 - Senior Seminar in Management Credits: 3
MK351 - Principles of Marketing Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.
EN105 and EN106

Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337,
BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108,
CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115,
GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Healthcare Administration, Human Resource Management Concentration, B.S.**

Healthcare Administration, Human Resource Management Concentration, B.S. Locations
Healthcare Administration, B.S.

The healthcare administration major is designed to prepare students for entry level positions within healthcare and related industries and to provide the foundational competencies necessary to academically excel in graduate school. The curriculum stresses the development of the soft management skills and is designed to give the students practical knowledge, skills, and the ability to perform in variety of healthcare administration functions with a multitude of business structures and industries. Graduates in healthcare administration typically find jobs in hospitals, healthcare systems, outpatient care centers, group physician practices, clinics, private health insurance companies, federal and state health insurance providers, governmental public health agencies, long-term care facilities, home health organizations, pharmacies, medical equipment manufacturers, healthcare marketing agencies, healthcare research organizations, and rehabilitation centers. - HC491 - Senior Seminar in Healthcare Management Credits: 3

Additional Required Support Courses Outside Major 6-9 CR

- IS141 - Applied Computer Technology for Business Credits: 3
- MA171 - Finite Mathematics Credits: 3
- MA125 or an acceptable score on the ACT/SAT or math placement exam is required in order to register for MA171. Students who have not met the minimum score on the placement exam or ACT/SAT exam are required to complete MA125. Credits: 3

Concentrations

All students complete all core courses to provide a curricular foundation. The general BSHA program offers the flexibility to tailor electives to the student’s professional interests. Ample formal concentration choices allow for a chosen focus, include finance, human resources management, logistics, and project management. Students may choose from one of the available concentrations or complete 21 hours of Healthcare Administration electives.

Concentrations include:

General

Human Resource Management
Human Resource Management 24 CR.

This program focuses on the study of organizations and the use of personnel as a primary institutional resource. Emphasis is placed on a behavioral science/management approach in which the understanding of individual behavior and group processes is combined with the techniques of the management of personnel within an organization. This interdisciplinary approach draws from the fields of Management, Social Psychology, and Organization Behavior to create the skills in interpersonal and intergroup relations.

- HR353 - Introduction to Human Resource Management Credits: 3
- HR355 - Planning and Staffing Credits: 3
- HR357 - Employment Law Credits: 3
- HR434 - Compensation Management Credits: 3
- HR491 - Senior Seminar in Human Resource Development Credits: 3

Business Electives 9 CR.

Choice of 3 business electives at the 300-400 level with no more than 2 classes from the same program with the exception of Human Resource Management, and to include

- IS310 Business Applications Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

Bl101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).

A minor for Geography, B.S. and Information Systems, B.S. majors.

Satisfaction of all requirements for a major.

Completion of degree specific requirements.

Completion of Liberal Education requirements.

Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.

Submission of an Application for Graduation.

Healthcare Administration, Logistics Concentration, B.S.

Healthcare Administration, B.S.

The healthcare administration major is designed to prepare students for entry level positions within healthcare and related industries and to provide the foundational competencies necessary to academically
excel in graduate school. The curriculum stresses the development of the soft management skills and is
designed to give the students practical knowledge, skills, and the ability to perform in variety of healthcare
administration functions with a multitude of business structures and industries. Graduates in healthcare
administration typically find jobs in hospitals, healthcare systems, outpatient care centers, group physician
practices, clinics, private health insurance companies, federal and state health insurance providers,
governmental public health agencies, long-term care facilities, home health organizations, pharmacies,
medical equipment manufacturers, healthcare marketing agencies, healthcare research organizations, and
rehabilitation centers. A number of students with this major move into graduate study of healthcare
administration.

**Requirements For: B.S. Major - 63-69 Hours, 2.0 GPA**

**Healthcare Administration Core 36 CR.**

- HC251 - Healthcare Accounting and Billing **Credits:** 3
- HC252 - US Healthcare Delivery Systems **Credits:** 3
- HC261 - Legal and Ethical Issues in Healthcare Delivery **Credits:** 3
- HC262 - Introduction to Statistics in Healthcare Administration **Credits:** 3
- HC263 - Introduction to Healthcare Economics and Policy **Credits:** 3
- HC351 - Organization and Administration of Healthcare Programs **Credits:** 3
- HC352 - Business Communications in Healthcare Administration **Credits:** 3
- HC353 - Basic Healthcare Administration Budgeting and Finance **Credits:** 3
- HC354 - Healthcare Information Technology **Credits:** 3
- HC355 - Introduction to Healthcare Organizational Behavior and Management **Credits:** 3
- HC356 - Introduction to Healthcare Human Resources Management **Credits:** 3
- HC491 - Senior Seminar in Healthcare Management **Credits:** 3

**Additional Required Support Courses Outside Major 6-9 CR**

- IS141 - Applied Computer Technology for Business **Credits:** 3
- MA171 - Finite Mathematics **Credits:** 3
- MA125 or an acceptable score on the ACT/SAT or math placement exam is required in order to register
  for MA171. Students who have not met the minimum score on the placement exam or ACT/SAT
  exam are required to complete MA125. **Credits:** 3

**Concentrations**

All students complete all core courses to provide a curricular foundation. The general BSHA program offers
the flexibility to tailor electives to the student’s professional interests. Ample formal concentration choices
allow for a chosen focus, include finance, human resources management, logistics, and project management.
Students may choose from one of the available concentrations or complete 21 hours of Healthcare
Administration electives.

Concentrations include:

- General
- Human Resource Management
- Logistics
- Project Management
Logistics 24 CR.

Graduates of this program will be able to demonstrate a working knowledge of logistics and supply chain management. They will learn the skills necessary to increase efficiency, and demonstrate the impact of logistics and supply chain operations on a firm's profitability. They will have a thorough understanding of the role of transportation in the US economy.

LG312 - Transportation and Distribution Systems Credits: 3
LG415 - Quality Control Credits: 3
LG424 - Purchasing and Vendor Management Credits: 3
LG426 - Logistics Management Credits: 3
MG375 - Production and Operations Management Credits: 3

Electives 9 CR.

Select three of the following:

AC380 - Cost Accounting Credits: 3

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Information and Computer Science, Computer Science Concentration, B.S.**

**Information and Computer Science, B.S.**

The Information and Computer Science (ICS) curriculum prepares students for a broad range of computer opportunities in industry as well as in graduate studies. ICS students choose one or more specialty areas from among these options: Computer Science, Information Technology, Networking and Security, Software Development and Web Development. As part of their curriculum, Networking and Security students take Cisco Certified Network Associate (CCNA) courses that prepare them for the CCNA certification exam. Depending on their chosen specialty area, ICS graduates are well prepared for these industry positions: applications programmer, systems analyst, information technology specialist, database analyst, network analyst, web developer, software engineer, and cybersecurity specialist.

The Computer Science and Information Systems (CSIS) Department works with Park University’s Career Development Center in helping to place students in computer internship positions. The CSIS Department actively encourages students to work in such internship positions and considers internships to be an integral part of the ICS curriculum.
Requirements For: B.S. Major – 46-58 hours, 2.0 gpa

Core Curriculum 21 cr.

CS152 - Introduction to Python Programming Credits: 3
CS208 - Discrete Mathematics Credits: 3
CS300 - Technology in a Global Society Credits: 3
CS365A - Computer Networking I Credits: 3
IS205 - Managing Information Systems Credits: 3
IS361 - Data Management Concepts Credits: 3
MA120 - Basic Concepts of Statistics Credits: 3

Concentrations

(One of the following)

Computer Science Concentration
Information Technology Concentration
Networking and Security Concentration
Software Development Concentration
Web Development Concentration

Computer Science Concentration 36-37 cr.

CS202 - Secure Programming Credits: 3
CS252 - Object-Oriented Programming Credits: 3
CS319 - Computer Architecture Credits: 3
CS335 - Introduction to Cybersecurity Credits: 3
CS351 - Computer Operating Systems Credits: 3
CS352 - Data Structures Credits: 3
IS 362 or any CS course 300/400 level not required by this speciality area or core. Credits: 6

Choose one of the following mathematics sequences:

Sequence One

MA160 - Precalculus for Majors Credits: 5
MA221 - Calculus and Analytic Geometry for Majors I Credits: 5
MA311 - Linear Algebra Credits: 3

Sequence Two

MA150 - Precalculus Mathematics Credits: 3
MA210 - Calculus and Analytic Geometry I Credits: 3
MA211 - Calculus and Analytic Geometry II Credits: 3
MA311 - Linear Algebra Credits: 3

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:
BI214, CH101, CH102, CH105, CH107, CH107L, CH108, CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**
Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Information and Computer Science, Information Technology Concentration, B.S.

Information and Computer Science, B.S.

The Information and Computer Science (ICS) curriculum prepares students for a broad range of computer opportunities in industry as well as in graduate studies. ICS students choose one or more specialty areas from among these options: Computer Science, Information Technology, Networking and Security, Software Development and Web Development. As part of their curriculum, Networking and Security students take Cisco Certified Network Associate (CCNA) courses that prepare them for the CCNA certification exam. Depending on their chosen specialty area, ICS graduates are well prepared for these industry positions: applications programmer, systems analyst, information technology specialist, database analyst, network analyst, web developer, software engineer, and cybersecurity specialist.

The Computer Science and Information Systems (CSIS) Department works with Park University’s Career Development Center in helping to place students in computer internship positions. The CSIS Department actively encourages students to work in such internship positions and considers internships to be an integral part of the ICS curriculum.

Requirements For: B.S. Major – 46-58 hours, 2.0 gpa

Core Curriculum 21 cr.

- CS152 - Introduction to Python Programming Credits: 3
- CS208 - Discrete Mathematics Credits: 3
- CS300 - Technology in a Global Society Credits: 3
- CS365A - Computer Networking 1 Credits: 3
- IS205 - Managing Information Systems Credits: 3
- IS361 - Data Management Concepts Credits: 3
- MA120 - Basic Concepts of Statistics Credits: 3

Concentrations

(One of the following)

- Computer Science Concentration
- Information Technology Concentration
- Networking and Security Concentration
Software Development Concentration
Web Development Concentration

Information Technology Concentration 27-30 cr.

CS319 - Computer Architecture Credits: 3
CS335 - Introduction to Cybersecurity Credits: 3
CS369 - Operating System Administration Credits: 3

Select two of the following sequences:

Sequence One-Applied Networking

CS366A - Computer Networking II Credits: 3
CS371 - Internetworking Credits: 3
IS370 - Information Security Credits: 3

Sequence Two-Web Development

CS130 - Developing the User Experience Credits: 3
CS131 - Introduction to Web Structures Credits: 3
CS206 - Introduction to JavaScript Credits: 3

Sequence Three-System Analysis

CS140 - Introduction to Computers Credits: 3
or
IS141 - Applied Computer Technology for Business Credits: 3
IS310 - Business Applications Credits: 3
IS315 - Computer Systems Analysis and Design I Credits: 3
IS316 - Computer Systems Analysis and Design II Credits: 3

Sequence Four-Business Data Analysis

IS141 - Applied Computer Technology for Business Credits: 3
MA171 - Finite Mathematics Credits: 3
MG315 - Advanced Business Statistics Credits: 3

Sequence Five-GIS

IS362 - Applied Database Management Credits: 3
GGP350 - GIS I Credits: 3
GGP355 - GIS II Credits: 3

Sequence Six-Security Administration

CJ233 - Introduction to Security Credits: 3
CJ333 - Security Administration Credits: 3
MG371 - Management and Organizational Behavior Credits: 3
Sequence Seven - Technical Writing

EN204 - Writing for Online Environments **Credits: 3**  
EN306A - Scientific and Technical Writing **Credits: 3**  
EN306B - Business Communications **Credits: 3**

Liberal Education Requirements 40 CR.

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337,  
BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108,  
CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115,  
GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220,  
SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251,
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130,
GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101,
PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer
students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of
Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300,
PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses
designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course
must be offered by a program other than the one(s) that house(s) the student's major area of study
at the time the course is taken.
3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Information and Computer Science, Networking and Security Concentration, B.S.

**Electives 6 cr.**  
Select any CS/IS course at the 300-400 level that is not required by this specialty area or core.  

**Liberal Education Requirements 40 CR.**  

**Writing Seminar 6 cr.**  
EN105 and EN106  

**Math Requirement 3 cr.**  
Select one of the following:  
MA120, MA135, or higher math course excluding MA208  

**Science with a lab Requirement 4 cr.**  
Select one of the following:  
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206  

**Ethics Requirement 3 cr.**
Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Information and Computer Science, Software Development Concentration, B.S.**

**Information and Computer Science, B.S.**
The Information and Computer Science (ICS) curriculum prepares students for a broad range of computer
opportunities in industry as well as in graduate studies. ICS students choose one or more specialty areas
from among these options: Computer Science, Information Technology, Networking and Security, Software
Development and Web Development. As part of their curriculum, Networking and Security students take
Cisco Certified Network Associate (CCNA) courses that prepare them for the CCNA certification exam.
Depending on their chosen specialty area, ICS graduates are well prepared for these industry positions:
applications programmer, systems analyst, information technology specialist, database analyst, network
analyst, web developer, software engineer, and cybersecurity specialist.

The Computer Science and Information Systems (CSIS) Department works with Park University's Career
Development Center in helping to place students in computer internship positions. The CSIS Department
actively encourages students to work in such internship positions and considers internships to be an integral
part of the ICS curriculum.

**Requirements For: B.S. Major – 46-58 hours, 2.0 gpa**

**Core Curriculum 21 cr.**

- CS152 - Introduction to Python Programming **Credits:** 3
- CS208 - Discrete Mathematics **Credits:** 3
- CS300 - Technology in a Global Society **Credits:** 3
- CS365A - Computer Networking I **Credits:** 3
- IS205 - Managing Information Systems **Credits:** 3
- IS361 - Data Management Concepts **Credits:** 3
- MA120 - Basic Concepts of Statistics **Credits:** 3

**Concentrations**

(One of the following)

- Computer Science Concentration
- Information Technology Concentration
- Networking and Security Concentration
- Software Development Concentration
- Web Development Concentration

**Software Development Concentration 36 cr.**

- CS130 - Developing the User Experience **Credits:** 3
- CS202 - Secure Programming **Credits:** 3
- CS240 - Web Programming I **Credits:** 3
- CS252 - Object-Oriented Programming **Credits:** 3
- CS322 - Web Programming II **Credits:** 3
- CS352 - Data Structures **Credits:** 3
- IS315 - Computer Systems Analysis and Design I **Credits:** 3
- IS316 - Computer Systems Analysis and Design II **Credits:** 3
- IS370 - Information Security **Credits:** 3

- MA135 - College Algebra **Credits:** 3
  or
- any MA course > MA135 (except MA208) **Credits:** 3

- MG371 - Management and Organizational Behavior **Credits:** 3
IS362 or CS Elective Credits: 3 (any 3-credit CS course level 300 or above that is not required by this specialty area or core)

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:
Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Information and Computer Science, Web Development Concentration, B.S.

Information and Computer Science, B.S.

The Information and Computer Science (ICS) curriculum prepares students for a broad range of computer opportunities in industry as well as in graduate studies. ICS students choose one or more specialty areas from among these options: Computer Science, Information Technology, Networking and Security, Software Development and Web Development. As part of their curriculum, Networking and Security students take Cisco Certified Network Associate (CCNA) courses that prepare them for the CCNA certification exam. Depending on their chosen specialty area, ICS graduates are well prepared for these industry positions: applications programmer, systems analyst, information technology specialist, database analyst, network analyst, web developer, software engineer, and cybersecurity specialist.

The Computer Science and Information Systems (CSIS) Department works with Park University's Career Development Center in helping to place students in computer internship positions. The CSIS Department actively encourages students to work in such internship positions and considers internships to be an integral part of the ICS curriculum.

Requirements For: B.S. Major – 46-58 hours, 2.0 gpa

Core Curriculum 21 cr.

- CS152 - Introduction to Python Programming Credits: 3
- CS208 - Discrete Mathematics Credits: 3
- CS300 - Technology in a Global Society Credits: 3
- CS365A - Computer Networking I Credits: 3
- IS205 - Managing Information Systems Credits: 3
IS361 - Data Management Concepts **Credits:** 3  
MA120 - Basic Concepts of Statistics **Credits:** 3

**Concentrations**

(One of the following)

- Computer Science Concentration  
- Information Technology Concentration  
- Networking and Security Concentration  
- Software Development Concentration  
- Web Development Concentration

**Web Development Concentration 29 cr.**

- AR218 - Graphic Design Software **Credits:** 3  
- CS130 - Developing the User Experience **Credits:** 3  
- CS131 - Introduction to Web Structures **Credits:** 3  
- CS206 - Introduction to JavaScript **Credits:** 3  
- CS317 - Web Animation **Credits:** 3  
- CS325 - Full Stack Web Development **Credits:** 3  
- CS330 - Principles of Mobile Development **Credits:** 3  
- CS335 - Introduction to Cybersecurity **Credits:** 3  
- CS345 - Web Development with Frameworks **Credits:** 3  
- CS401 - Portfolio for Web Development **Credits:** 2

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

- MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

- BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337,  
- BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108,  
- CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115,  
- GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:
Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251,
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130,
GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101,
PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Information Systems, B.S.**

This program is part of the Air University Associates to Baccalaureate Cooperative (AU-ABC). Please review the AU-ABC website for further details.

**Requirements For: B.S. Major – 39 hours, 2.0 gpa**
No organization, large or small can survive without support for data processing, analysis, and management. The number of information systems jobs available in business, government, and non-profit sections continues to increase for this reason. The Information Systems major prepares students for careers in programming, product analysis, and management of computer information systems. The major allows students the freedom and flexibility to select a complementary minor reflecting their individual interests.

The Computer Science and Information Systems (CSIS) Department works with Park's Career Development Center in helping to place students in computer internship positions. The CSIS Department actively encourages students to work in such internship positions and considers internships to be an integral part of the curriculum.

**Required Minor – 18 - 21 hours**

In consultation with their advisor, students may select any minor.

Students may also use any second major to satisfy the minor requirement, except Information and Computer Science, Computer Science Concentration, B.S., Information and Computer Science, Information Technology Concentration, B.S., Information and Computer Science, Networking and Security Concentration, B.S., Information and Computer Science, Software Development Concentration, B.S., and Information and Computer Science, Web Development Concentration, B.S. for the same reason.

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH325, CH327, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**
Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.
Interdisciplinary Studies, B.S.

This program is part of the Air University Associates to Baccalaureate Cooperative (AU-ABC). Please review the AU-ABC website for further details.

Requirements For: B.S. Major – 42-45 hours, 2.0 gpa

The Interdisciplinary Studies major allows the student to develop a major by combining two different disciplines. For the purpose of declaring a program of study, different disciplines are defined as the combination of offerings from two different major schools or departments. This affords students the flexibility to design their own degree while making an efficient use of courses they have accumulated. It requires the combination of two minor degrees of study: one that is listed in the catalog and another one either listed in the catalog or a Personal Body of Knowledge constructed by the student out of a set of courses.

Core Requirement:

Minor One - one minor as described in the University catalog Credits: 18-21

Minor Two - one minor as described in the University catalog Credits: 18

or

A personal minor field of study constructed by the student and approved by both the Program Coordinator of Interdisciplinary Studies AND Chair of the Department or Associate Dean of the School/College most closely associated with the content of that field. Students wanting to complete a personal field of study as part of their Interdisciplinary Studies degree should send a list of the courses they have completed/will complete towards the personal field of study and supply a justification for it to the Program Coordinator, who will evaluate the personal field of study and forward it to the Chair/Associate Dean whose Department/School most closely matches the field of study. The Program Coordinator and Chair/Associate Dean will either (1) approve, (2)disapprove, or (3) require additional courses. Credits: 18

LE310 - Introduction to Interdisciplinary Studies Credits: 3

LE400 - Senior Project in Interdisciplinary Studies Credits: 3

or

LE410 - Advanced Interdisciplinary Research Credits: 3

Program Competencies:

The student with integrative and interdisciplinary thinking will possess the ability to make connections across courses and connect coursework to his/her academic, professional, and civic lives. The student will be able to consider problems from several different perspectives and develop and test his/her holistic understanding of an issue, evaluate how various disciplines would conceive of solutions, and relate his/her learning to issues outside of academia.

Demonstrate an understanding of disciplinary content in its own context and in relationship to the issues, questions, and positions of at least one other discipline.

Compare and contrast points of view and scholarly materials coming from different disciplines, in formulating a new thesis or position.

Synthesize diverse perspectives derived from coursework and other professional experience to achieve an interdisciplinary understanding of an issue or problem.
Explain and evaluate methodological approaches and theoretical foundations of at least two disciplines, as they pertain to dealing with real-world problems or issues. Use professional experiences and academic coursework to attain professional employment.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.
EN105 and EN106

Math Requirement 3 cr.
Select one of the following:
MA120, MA135, or higher math course excluding MA208

Science with a lab Requirement 4 cr.
Select one of the following:
BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.
Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH398, PS220, SO220, SW492

Communications Requirement 3 cr.
Select one of the following:
CA103, CA105, or TH105

Citizenship Requirement 3 cr.
Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234
And one of the following:
Natural Science Requirement 3 cr.

Select one of the following:

BL14, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, CH107L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WT" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
3 of the credit hours must come from a WI course that is offered by the student’s major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BI0498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Management, B.S.**

**Requirements For: B.S. Major 57 Hours, 2.0 GPA**

Students taking the Management major receive a broad education covering the major functional areas of Management. This degree will help a student prepare for business or government leadership and provide him/her with knowledge and skills desired by all types of employers.

**Business Core 39 CR.**

- AC201 - Principles of Financial Accounting **Credits:** 3
- AC202 - Principles of Managerial Accounting **Credits:** 3
- IB315 - International Business Perspectives **Credits:** 3
- IS141 - Applied Computer Technology for Business **Credits:** 3
- EC141 - Principles of Macroeconomics **Credits:** 3
- EC142 - Principles of Microeconomics **Credits:** 3
- FI360 - Financial Management **Credits:** 3
- MA171 - Finite Mathematics **Credits:** 3
- MG260 - Business Law I **Credits:** 3
- MG315 - Advanced Business Statistics **Credits:** 3
- MG371 - Management and Organizational Behavior **Credits:** 3
- MG495 - Business Policy **Credits:** 3
- MK351 - Principles of Marketing **Credits:** 3

**Management 18 CR.**

- HR353 - Introduction to Human Resource Management **Credits:** 3
- MG375 - Production and Operations Management **Credits:** 3
MG401 - Senior Seminar in Management **Credits:** 3

**Electives**

Select 3 courses at the 300-400 level from any Business Program with no 2 courses taken from the same concentration with the exception of Management; and to include IS310 Business Applications

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:
3 of the credit hours must come from a WI course outside the student's major(s); that is, the course
must be offered by a program other than the one(s) that house(s) the student's major area of study
at the time the course is taken.
3 of the credit hours must come from a WI course that is offered by the student's major program; that is,
the course must be offered by the same program that houses the student's major at the time the
course is taken.
AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234,
EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210,
PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of
Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music
Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on
  major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park
  University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Mathematics, B.S.

Requirements For: B.S. Major – 40 hours, 2.0 gpa

Mathematics is both a body of knowledge concerning a class of symbols and the relation between them, as a
system of thought and communication, as well as the application of that system to other areas of human
experience. As a system of thought, it derives from philosophy and provides a language, which has particular
beauty and clarity. Applied to other areas of human experience mathematics has provided great power and
precision to a wide range of endeavors, and thereby has supplied an essential contribution to the rise of
modern civilization. The study of mathematics prepares students for graduate studies in mathematics,
related sciences, economics and business administration. Other options include beginning actuarial work,
teaching at the secondary level and beginning work in the area of data processing. Third and fourth year MA
courses will be determined in consultation with the student’s advisor.

Core Curriculum 31 cr.

- MA221 - Calculus and Analytic Geometry for Majors I Credits: 5
- MA222 - Calculus and Analytic Geometry for Majors II Credits: 5
- MA223 - Calculus and Analytic Geometry for Majors III Credits: 3
- MA301 - Mathematical Thought Credits: 3
- MA302 - Ordinary Differential Equations Credits: 3
- MA311 - Linear Algebra Credits: 3
- MA312 - Abstract Algebraic Structures Credits: 3
- MA401 - Analysis Credits: 3

At least four courses of the following: 12 cr.
MA305 - Probability **Credits:** 3
MA350 - History of Mathematics **Credits:** 3
MA360 - Modern Geometries **Credits:** 3
MA370 - Number Theory **Credits:** 3
MA380 - Mathematical Statistics **Credits:** 3
MA402 - Topology **Credits:** 3
MA406 - Special Topics in Mathematics **Credits:** 1-3

**Note:**

**For those students wishing to teach Mathematics See also Bachelor of Science in Education**

Secondary Education, Mathematics Concentration, B.S.E. – MAJOR 48-50 Hours
2.75 Core G.P.A.

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**

EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337,
BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108,
CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115,
GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220,
SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**
Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.
EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS310, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Military History, B.S.

Requirements For: B.S. Major – 36 hours, 2.75 GPA

Park University's Mission and Vision statement includes access to academic excellence to prepare students to think critically, communicate effectively, and engage in lifelong learning while serving in a global community. The military history degree will provide students access to academic excellence through the study of military aspects of History.

- Synthesize interdisciplinary content as it relates to Military History
- Compare and contrast disparate scholarly views of Military History
- Analyze interdisciplinary theory related to Military History
- Integrate Military History into the larger historical backdrop
- HIS108 - Introduction to Military History Credits: 3
- HIS241 - Ancient Warfare Credits: 3
- HIS242 - Medieval Warfare Credits: 3
- HIS243 - Modern Warfare Credits: 3
- HIS300 - American Military History, 1607-1902 Credits: 3
- HIS301 - American Military History, 1900-Present Credits: 3

913
HIS302 - War and Technology Credits: 3
HIS303 - War, Ethics, and Morality Credits: 3
HIS310 - War, Culture, and Society Credits: 3
HIS441 - Military Thought I Credits: 3
HIS442 - Military Thought II Credits: 3
HIS453 - Senior Writing Capstone Credits: 3
HIWREX Written Comprehensive Exam

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**
EN105 and EN106

**Math Requirement 3 cr.**
Select one of the following:
MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**
Select one of the following:
BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**
Select one of the following:
AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**
Select one of the following:
CA103, CA105, or TH105

Select one of the following:
PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**
Select one of the following Art or English:
AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WT" (Writing Intensive), composed as follows:
3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Social Psychology, B.S.**

**Requirements For: B.S. Major – 45 hours, 2.0 gpa**

Social Psychology blends the strengths of psychology and sociology. It studies the "person in the situation," and integrates knowledge about individual, group, and organizational processes. It is an adaptable major that trains students for a wide range of career options, and it is personally useful in every facet of your life beyond mere employment. Social psychology trains you to see yourself, others, and the cultures and societies we live in more clearly, critically, and completely. It equips you with a set of tools useful for a wide range of careers in business and industry, government, applied social research, data analysis and interpretation, policy and program implementation, the helping and service professions, or continued graduate study in psychology or sociology.

The Park University Social Psychology major combines a solid core in the field with a number of flexible, specialized concentrations that allow you to tailor the degree to your needs and interests. Students may take any 12 hours of PS and SO electives. All students also leave the major with a set of technical and conceptual tools that will allow them to collect, analyze, and interpret social research data and apply those findings in a number of careers.

**Core Requirements 33 cr.**

**Theory and Application 21 cr.**

- **PS101 - Introduction to Psychology Credits: 3**
- **PS301 - Social Psychology Credits: 3**
- **PS315 - Theories of Personality Credits: 3**
SO141 - Introduction to Sociology Credits: 3
SO206 - Social Issues in Contemporary Society Credits: 3
SO338 - Self and Society Credits: 3

Select one of the following 3 cr.

PS125 - Lifespan Development Credits: 3
PS205 - Child Psychology Credits: 3
PS221 - Adolescent Psychology Credits: 3
PS222 - Adult Development and Aging Credits: 3
SO329 - Sociology of the Life Course Credits: 3
SO330 - Sociology of Youth and Youth Cultures Credits: 3

Research Methods and Statistics 9 cr.

PS300 - Research Methods Credits: 3
SO310 - Sociological Research Methods Credits: 3 *

PS307 - Statistics for Social Sciences Credits: 3
or
SO307 - Statistics for Social Sciences Credits: 3

Professional Seminars 3 cr.

PS497 - Capstone Seminar Credits: 3 *
or
SO497 - Capstone Seminar Credits: 3 *

Electives 12 cr.

Select four courses from Sociology or Psychology.

At least 6 credits need to come from 300-400 level

Note:

*Program specified substitution for EN306* writing requirement.

Only offered online

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208
Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH201, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:
Seminar: Integrative & Interdisciplinary Learning 3 cr.
Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.
LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.
36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.
3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
A minor for Geography, B.S. and Information Systems, B.S. majors.
Satisfaction of all requirements for a major.
Completion of degree specific requirements.
Completion of Liberal Education requirements.
Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
Submission of an Application for Graduation.

Sport and Exercise Science, Exercise Physiology Concentration, B.S.

Sport and Exercise Science, B.S.

The Sport and Exercise Science degree explores both the physiological foundations of human movement and the holistic concepts of wellness. Students will acquire the skills, knowledge, and leadership to assist others to better health and improved sports performance through exercise medicine, physical conditioning, and lifestyle modification. Every student will complete extensive internship and practicum requirements to help hone professional skills in working with clients. This major allows students with diverse career interests to customize their path through the major to meet their professional needs by choosing one of the following concentrations: Exercise Physiology, Fitness Management, Health Promotion or Sports Performance.

Requirements For: B.S. Major - 74-82 Hours, 2.0 GPA

Sport and Exercise Core 53-56 CR.

CH105 - Introductory Chemistry Credits: 5
or
CH107 - General Chemistry I Credits: 3
CH107L - General Chemistry Laboratory I Credits: 1

BI101 - Biological Concepts Credits: 4
or
BIO221 - Zoology Credits: 4

BI211 - Human Anatomy and Physiology I Credits: 4
FW122 - Human Nutrition Credits: 3
FW190 - Health, Sport, & Exercise Science Credits: 3
FW200 - Resistance Exercise Instruction Credits: 3
FW225 - Kinesiology Credits: 3
FW231 - First Aid/CPR Credits: 3
FW250 - Exercise Physiology Credits: 3
FW250L - Exercise Physiology Laboratory Credits: 1
FW260 - Strength and Conditioning Credits: 3
FW350 - Exercise Testing and Prescription Credits: 4
FW360 - Athletic Injuries Credits: 3
FW375 - Special Populations Exercise Credits: 3
FW400 - Internship in Fitness and Wellness Credits: 3-6 *

*Note: FW400 (3-6 hours) is required in the core. Sport Performance Concentration students are encouraged to complete six (6) hours of internship.
It can be completed as a single 6 credit internship or as two separate internships in different semesters.

Concentrations

Exercise Physiology
Fitness Management

Health Promotion

Sports Performance

**Exercise Physiology 28-31 CR.**

The Exercise Physiology concentration begins with a strong foundation in natural and applied sciences. On that foundation, students build knowledge and skills to prescribe physical activity and exercise for the prevention and management of chronic disease, physical fitness, and well-being. Each student can choose 9-12 credits from a broad list to form a curriculum best suited to their individual career path. Students will gain practical experience by completing an individualized capstone internship of at least 200-hours in the field. Students choosing this track frequently consider careers in cardiac rehabilitation, physical or occupational therapy, athletic training, exercise physiology, or chiropractic care.

- BI212 - Human Anatomy and Physiology II **Credits:** 4
- FW325 - Motor Skill Development **Credits:** 3
- FW380 - Applied Health Behavior **Credits:** 3

- FW300 - Concepts in Strength and Conditioning **Credits:** 3
  or
- FW310 - Advanced Conditioning **Credits:** 3

- FW275 - Introduction to Sport Management **Credits:** 3
  or
- FW320 - Fitness Management **Credits:** 3

**Select four from the following: 12-15 CR.**

- CH108 - General Chemistry II **Credits:** 3
  and
- CH108L - General Chemistry Laboratory II **Credits:** 1

- FW175 - Medical Terminology **Credits:** 3
- FW315 - Stress & Wellness: Current Approaches **Credits:** 3
- MA120 - Basic Concepts of Statistics **Credits:** 3
- PY155 - Concepts of Physics I **Credits:** 4
- PY156 - Concepts of Physics II **Credits:** 4
- PS125 - Lifespan Development **Credits:** 3
- PS341 - Positive Psychology **Credits:** 3
- PS363 - Psychology of Sport **Credits:** 3
- PS401 - Abnormal Psychology **Credits:** 3
- SO309 - Sociology of Sport **Credits:** 3

- PS307 - Statistics for Social Sciences **Credits:** 3
  or
- NS220 - Applied Statistics and Experimental Design **Credits:** 3

**Liberal Education Requirements 40 CR.**

**Writing Seminar 6 cr.**
EN105 and EN106

**Math Requirement 3 cr.**

Select one of the following:

MA120, MA135, or higher math course excluding MA208

**Science with a lab Requirement 4 cr.**

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

**Ethics Requirement 3 cr.**

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

**Communications Requirement 3 cr.**

Select one of the following:

CA103, CA105, or TH105

**Citizenship Requirement 3 cr.**

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:
BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

**Additional Requirements**
Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

**Sport and Exercise Science, Fitness Management Concentration, B.S.**

**Sport and Exercise Science, B.S.**

The Sport and Exercise Science degree explores both the physiological foundations of human movement and the holistic concepts of wellness. Students will acquire the skills, knowledge, and leadership to assist others to better health and improved sports performance through exercise medicine, physical conditioning, and lifestyle modification. Every student will complete extensive internship and practicum requirements to help hone professional skills in working with clients. This major allows students with diverse career interests to customize their path through the major to meet their professional needs by choosing one of the following concentrations: Exercise Physiology, Fitness Management, Health Promotion or Sports Performance.

**Requirements For: B.S. Major - 74-82 Hours, 2.0 GPA**

**Sport and Exercise Core 53-56 CR.**

- CH105 - Introductory Chemistry Credits: 5
  or
- CH107 - General Chemistry 1 Credits: 3
  CH107L - General Chemistry Laboratory 1 Credits: 1

- BI101 - Biological Concepts Credits: 4
  or
- BIO221 - Zoology Credits: 4

- BI211 - Human Anatomy and Physiology I Credits: 4
- FW122 - Human Nutrition Credits: 3
- FW190 - Health, Sport, & Exercise Science Credits: 3
- FW200 - Resistance Exercise Instruction Credits: 3
- FW225 - Kinesiology Credits: 3
- FW231 - First Aid/CPR Credits: 3
- FW250 - Exercise Physiology Credits: 3
- FW250L - Exercise Physiology Laboratory Credits: 1
- FW260 - Strength and Conditioning Credits: 3
- FW350 - Exercise Testing and Prescription Credits: 4
- FW360 - Athletic Injuries Credits: 3
- FW375 - Special Populations Exercise Credits: 3
FW400 - Internship in Fitness and Wellness **Credits:** 3-6 *

*Note: FW400 (3-6 hours) is required in the core. Sport Performance Concentration students are encouraged to complete six (6) hours of internship. It can be completed as a single 6 credit internship or as two separate internships in different semesters.*

**Concentrations**

Exercise Physiology

Fitness Management

Health Promotion

Sports Performance

**Fitness Management 28 CR.**

The Fitness Management concentration prepares students to pursue a career in leadership positions of gyms, health clubs, and fitness centers. Students will acquire the knowledge and skills needed to deliver exercise programs, educate clients on healthy lifestyles, and use business acumen to manage or build a successful business. This program provides a foundation of both the exercise science and fitness knowledge. Courses in business, marketing, and management will ensure students can successfully navigate the ever-changing field of health and fitness. Students will gain practical experience by completing a capstone internship of at least 200-hours in the field.

- AC201 - Principles of Financial Accounting **Credits:** 3
- MG260 - Business Law I **Credits:** 3
- MK351 - Principles of Marketing **Credits:** 3
- FW175 - Medical Terminology **Credits:** 3
- FW320 - Fitness Management **Credits:** 3
- FW380 - Applied Health Behavior **Credits:** 3

- FW300 - Concepts in Strength and Conditioning **Credits:** 3
  or
- FW310 - Advanced Conditioning **Credits:** 3
  or
- FW315 - Stress & Wellness: Current Approaches **Credits:** 3

**Select two of the following 6 CR.**

- FW400 - Internship in Fitness and Wellness Credits: 3-6 *

*Note: FW400 (3-6 hours) is required in the core. Sport Performance Concentration students are encouraged to complete six (6) hours of internship. It can be completed as a single 6 credit internship or as two separate internships in different semesters.

Concentrations

- Exercise Physiology
- Fitness Management
- Health Promotion
- Sports Performance

Sport Performance 31 CR.
The Sports Performance concentration provides a direct path to certification and entry into the fields of strength and conditioning, coaching, and sports training. This degree path is designed to prepare students to enter the field of athletics at various levels such as high school, college, professional sports, and independent or as independent practitioners. Students will supplement their exercise science education foundation through coursework emphasizing exercise programming, testing, and prescription for athletes. Upon completion of their degree, students will be able to sit for the national recognized certifications such as the NSCA Certified Strength & Conditioning Specialist (CSCS) or the ACSM certified exercise physiologist (EP-C). Students will complete a capstone internship of at least 300-hours in a minimum of two different areas in the field of strength and conditioning.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

**Humanities Requirement 6 cr.**

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, 
PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

**Natural Science Requirement 3 cr.**

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, 
GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

**Social Science Requirement 6 cr.**

Select two of the following:

AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, 
PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer 
students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**
3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Accounting, B.S.B.A.

B.S.B.A.

This program is part of the 4+1 Undergraduate to Graduate program options.

For questions regarding specific courses and concentration options, please consult with your Advisor, Campus Center or via email at: advising@park.edu.

Students enrolled in the Bachelor of Science in Business Administration program receive a broad education covering the major functional areas of business. This degree will help a student prepare for a career in business or government leadership and provide knowledge and skills desired by all types of employers. It can also provide one the background to organize and manage a family business. Graduates with a B.S.B.A. typically find jobs in business, production management, personnel management, marketing management, or
Many serve their communities as marketing or management specialists in insurance, real estate, investments, banking, communications, manufacturing, retailing and wholesaling. A number of students with this major move into graduate study in law, management, or other business specialties.

**Requirements For: B.S.B.A. Major – 69 Hours, 2.0 GPA**

This program is designed to prepare students for a professional career in public accounting, managerial accounting or governmental accounting. The curriculum stresses professional ethics. It is excellent preparation for graduate study in accounting, business administration, or law.

**Business Core 39 CR.**

- **AC201 - Principles of Financial Accounting Credits:** 3

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310
6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

- 3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.
- 3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student’s major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

- Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
- A minor for Geography, B.S. and Information Systems, B.S. majors.
- Satisfaction of all requirements for a major.
- Completion of degree specific requirements.
- Completion of Liberal Education requirements.
- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Corporate Financial Management, B.S.B.A.

B.S.B.A.

This program is part of the 4+1 Undergraduate to Graduate program options.

For questions regarding specific courses and concentration options, please consult with your Advisor, Campus Center or via email at: advising@park.edu.

Students enrolled in the Bachelor of Science in Business Administration program receive a broad education covering the major functional areas of business. This degree will help a student prepare for a career in business or government leadership and provide knowledge and skills desired by all types of employers. It can also provide one the background to organize and manage a family business. Graduates with a B.S.B.A. typically find jobs in business, production management, personnel management, marketing management, or financial management. Many serve their communities as marketing or management specialists in insurance, real estate, investments, banking, communications, manufacturing, retailing and wholesaling. A number of students with this major move into graduate study in law, management, or other business specialties.

Requirements For: B.S.B.A. Major – 63 Hours, 2.0 GPA

The Corporate Financial Management degree prepares students for careers in banking, insurance, and corporate financial management.
Business Core 39 CR.

AC201 - Principles of Financial Accounting Credits: 3
AC202 - Principles of Managerial Accounting Credits: 3
EC141 - Principles of Macroeconomics Credits: 3
EC142 - Principles of Microeconomics Credits: 3
FI360 - Financial Management Credits: 3
IB315 - International Business Perspectives Credits: 3
IS141 - Applied Computer Technology for Business Credits: 3
MA171 - Finite Mathematics Credits: 3
MG260 - Business Law I Credits: 3
MG315 - Advanced Business Statistics Credits: 3
MG371 - Management and Organizational Behavior Credits: 3
MG495 - Business Policy Credits: 3
MK351 - Principles of Marketing Credits: 3

Note:

MA 171 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirements for MA 120
MA 171 has a prerequisite of MA 125. Students who do not meet the placement/test prerequisite for MA 171 are required to complete MA 125
MG 306 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirement for Professional Writing (EN 306*)
EC 141 and EC 142 will satisfy the LE Social Science area

Corporate Financial Management 21 CR.

EC303 - Money, Credit and Banking Credits: 3
FI325 - Risk and Insurance Credits: 3
FI410 - Problems in Corporate Finance Credits: 3
FI415 - Financial Analysis and Planning Credits: 3
FI417 - Investment Analysis and Management Credits: 3
FI425 - Principles of Real Estate Credits: 3
IB431 - International Finance Credits: 3

Select one of the following: 3 CR.

One Upper Level Finance (FI) course Credits: 3
MK389 Professional Selling Credits: 3

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208
Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI211, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO337L and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH107L and CH107, CH108L and CH108, CH317L and CH317, CH318L and CH318, CH328, CH329, CH337L and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH107 CH107L, CH108 CH108L, GGP115, GGP120, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101,
PS125, PS205, SO141, SO206, or SW205

**Seminar: Integrative & Interdisciplinary Learning 3 cr.**

Select one of the topics for LE300*

**Graduation Requirements**

**Student Seminar 3 cr.**

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer
students)

**Upper Division Hours 36 cr.**

36 hours upper division (300 - 400) level course work

**Writing Across the Curriculum 9 cr.**

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of
Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300,
PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses
designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course
must be offered by a program other than the one(s) that house(s) the student's major area of study
at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is,
the course must be offered by the same program that houses the student's major at the time the
course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234,
EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210,
PS315, SO141, SP320, SW325

**Additional Requirements**

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of
Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music
Degree upon completion of the following requirements:

Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on
major).

A minor for Geography, B.S. and Information Systems, B.S. majors.

Satisfaction of all requirements for a major.

Completion of degree specific requirements.
Completion of Liberal Education requirements.
Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
Submission of an Application for Graduation.

**Digital Marketing, B.S.B.A.**

**B.S.B.A.**

This program is part of the 4+1 Undergraduate to Graduate program options.

- Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
- Submission of an Application for Graduation.

Human Resources, B.S.B.A.

B.S.B.A.

This program is part of the 4+1 Undergraduate to Graduate program options.

For questions regarding specific courses and concentration options, please consult with your Advisor, Campus Center or via email at: advising@park.edu.

Students enrolled in the Bachelor of Science in Business Administration program receive a broad education covering the major functional areas of business. This degree will help a student prepare for a career in business or government leadership and provide knowledge and skills desired by all types of employers. It can also provide one the background to organize and manage a family business. Graduates with a B.S.B.A. typically find jobs in business, production management, personnel management, marketing management, or financial management. Many serve their communities as marketing or management specialists in insurance, real estate, investments, banking, communications, manufacturing, retailing and wholesaling. A number of students with this major move into graduate study in law, management, or other business specialties.

Requirements For: B.S.B.A. Major – 63 Hours, 2.0 GPA

This program focuses on the study of organizations and the use of personnel as a primary institutional resource. Emphasis is placed on a behavioral science/management approach in which the understanding of individual behavior and group processes is combined with the techniques of the management of personnel within an organization. This interdisciplinary approach draws from the fields of Management, Social Psychology, and Organization Behavior to create the skills in interpersonal and intergroup relations.
Business Core 39 CR.

- AC201 - Principles of Financial Accounting Credits: 3
- AC202 - Principles of Managerial Accounting Credits: 3
- EC141 - Principles of Macroeconomics Credits: 3
- EC142 - Principles of Microeconomics Credits: 3
- FI360 - Financial Management Credits: 3
- IB315 - International Business Perspectives Credits: 3
- IS141 - Applied Computer Technology for Business Credits: 3
- MA171 - Finite Mathematics Credits: 3
- MG260 - Business Law I Credits: 3
- MG315 - Advanced Business Statistics Credits: 3
- MG371 - Management and Organizational Behavior Credits: 3
- MG495 - Business Policy Credits: 3
- MK351 - Principles of Marketing Credits: 3

Note:

MA 171 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirements for MA 120
MA 171 has a prerequisite of MA 125. Students who do not meet the placement/test prerequisite for MA 171 are required to complete MA 125
MG 306 is a required course for students with majors within the Robert W. Plaster School of Business and satisfies the requirement for Professional Writing (EN 306*)
EC 141 and EC 142 will satisfy the LE Social Science area

Human Resource Management 15 CR.

- HR353 - Introduction to Human Resource Management Credits: 3
- HR355 - Planning and Staffing Credits: 3
- HR357 - Employment Law Credits: 3
- HR434 - Compensation Management Credits: 3
- HR491 - Senior Seminar in Human Resource Development Credits: 3

Business Electives 9 CR.

Select 3 business electives (to include IS310 Business Applications) at the 300-400 level with no more than 2 classes from the same program with the exception of Human Resources.

*Two courses can be Human Resources.

Liberal Education Requirements 40 CR.

Writing Seminar 6 cr.

EN105 and EN106

Math Requirement 3 cr.

Select one of the following:

MA120, MA135, or higher math course excluding MA208
Science with a lab Requirement 4 cr.

Select one of the following:

BI101, BI111, BI212, BI223, BIO221, BIO225, BIO325, BIO327, BIO330, BIO3371 and BIO337, BIO350, BIO400, BIO410, BIO411, BIO417, CH101, CH105, CH1071 and CH107, CH1081 and CH108, CH1371 and CH137, CH3181 and CH318, CH328, CH329, CH3371 and CH337, CH405, CH440, GGP115, GGP205, GO130, GO141, GO151, GO200, GO310, GO320, GO330, PY155, PY156, PY205, or PY206

Ethics Requirement 3 cr.

Select one of the following:

AC435, CA302, CS300, EDU310, MG495, NS306, PA380, PH102, PH221, PH224, PH308, PS220, SO220, SW492

Communications Requirement 3 cr.

Select one of the following:

CA103, CA105, or TH105

Citizenship Requirement 3 cr.

Select one of the following:

PO200, PO210, HIS111, HIS112, or HIS113

Humanities Requirement 6 cr.

Select one of the following Art or English:

AR115, AR215, AR216, EN201, EN221, EN232, EN234

And one of the following:

AR115, AR215, AR216, EN201, EN221, EN232, EN234, CA104, CA116, CA235, FR201, ML235, ML251, PH101, PC202, PH205, RE109, SP110, SP201, SP202, TH100, TH101, TH201, TH216

Natural Science Requirement 3 cr.

Select one of the following:

BI214, CH101, CH102, CH105, CH1071 CH107, CH108 CH1081, GGP115, GGP201, GGP205, GO125, GO130, GO141, GO151, GO200, NS220, NS241, PY101, PY155, PY156, PY205, or PY206

*Computer Science and PE courses excluded.

Social Science Requirement 6 cr.

Select two of the following:
AN100, CJ100, CJ200, EC141, EC142, EDU210, FI201, GGH110, GGH200, HIS104, HIS105, PO216, PS101, PS125, PS205, SO141, SO206, or SW205

Seminar: Integrative & Interdisciplinary Learning 3 cr.

Select one of the topics for LE300*

Graduation Requirements

Student Seminar 3 cr.

LE100 First-Year Seminar (required for all incoming first-time freshman and highly encouraged for transfer students)

Upper Division Hours 36 cr.

36 hours upper division (300 - 400) level course work

Writing Across the Curriculum 9 cr.

3 credit hours of Professional Writing (EN306* or equivalent from the list below) plus 6 credit hours of Writing Intensive coursework are required.

EN306A, EN306B, EN306C, EN307, EDU300, CJ450, HIS455, MG306, NS306, PA430, PO405, PS300, PS406, or SO310

6 credit hours to fulfill the Writing Intensive requirement must be chosen from among the courses designated in the catalog as "WI" (Writing Intensive), composed as follows:

3 of the credit hours must come from a WI course outside the student's major(s); that is, the course must be offered by a program other than the one(s) that house(s) the student's major area of study at the time the course is taken.

3 of the credit hours must come from a WI course that is offered by the student's major program; that is, the course must be offered by the same program that houses the student's major at the time the course is taken.

AR316, AR498, BIO498, CA218, CA318, CH342, CJ221, CS300, EDU310, EN201, EN221, EN232, EN234, EN490, FW190, GGP350, HIS261, HIS453, LE410, MA301, ML251, MG495, NUR460, PA432, PO210, PS315, SO141, SP320, SW325

Additional Requirements

Park University grants the Bachelor of Science, Bachelor of Science in Business Administration, Bachelor of Public Administration, Bachelor of Science in Education, Bachelor of Fine Arts, and the Bachelor of Music Degree upon completion of the following requirements:

Completion of a minimum of 120 semester hours with a cumulative 2.0 GPA (or higher dependent on major).
A minor for Geography, B.S. and Information Systems, B.S. majors.
Satisfaction of all requirements for a major.
Completion of degree specific requirements.
Completion of Liberal Education requirements.
Completion of residency requirement, 30 hours of earned and graded (A, B, C, D) college hours at Park University. At least 15 of these 30 hours must be in the major.
Submission of an Application for Graduation.

**International Business, B.S.B.A.**

**B.S.B.A.**

This program is part of the 4+1 Undergraduate to Graduate program options.
